

MARAUDER 75

MARAUDER 1975

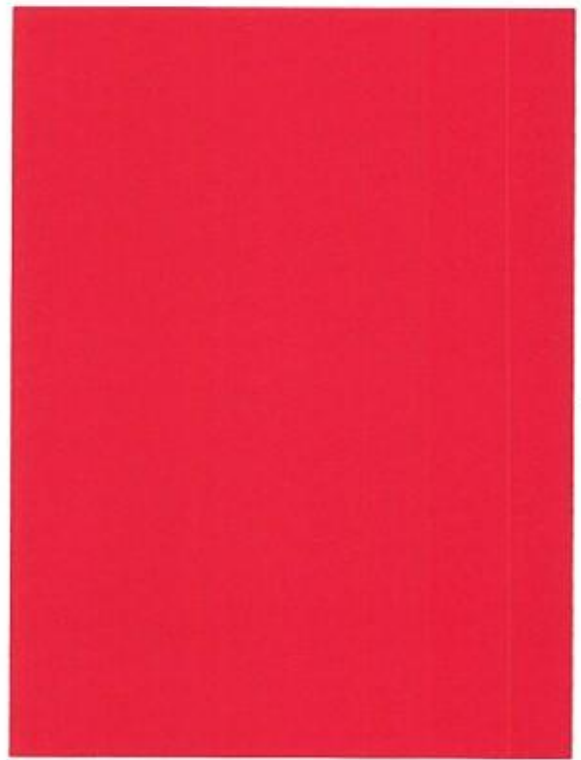

North Garland High
Garland, Texas
Volume IV

The world today is in such a confused state, now more than ever unity between people is so important. People everywhere need to stop and take a long look at themselves and others.

The student body of North Garland High School as a whole shows the true meaning of unity. The pride and concern of the students and faculty is evident as one walks through the school. People of all types have joined together here at North Garland to form one unified body.

People from surrounding areas no longer think of NG as a fairly new school lacking spirit and tradition. NG has made its mark and the students are working together from day to day at keeping the pride and unity alive within the walls of the school.

This book is designed to portray the unity that is present through the efforts of the student body of NGHS and because of their concern and pride they shall live on through the pages of the 1975 Marauder.

Behold, how good and how pleasant it is for brethren to dwell together in unity!

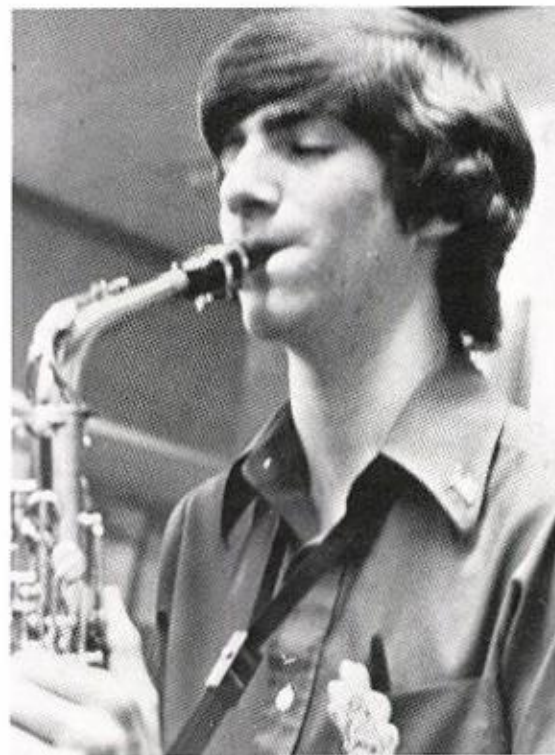

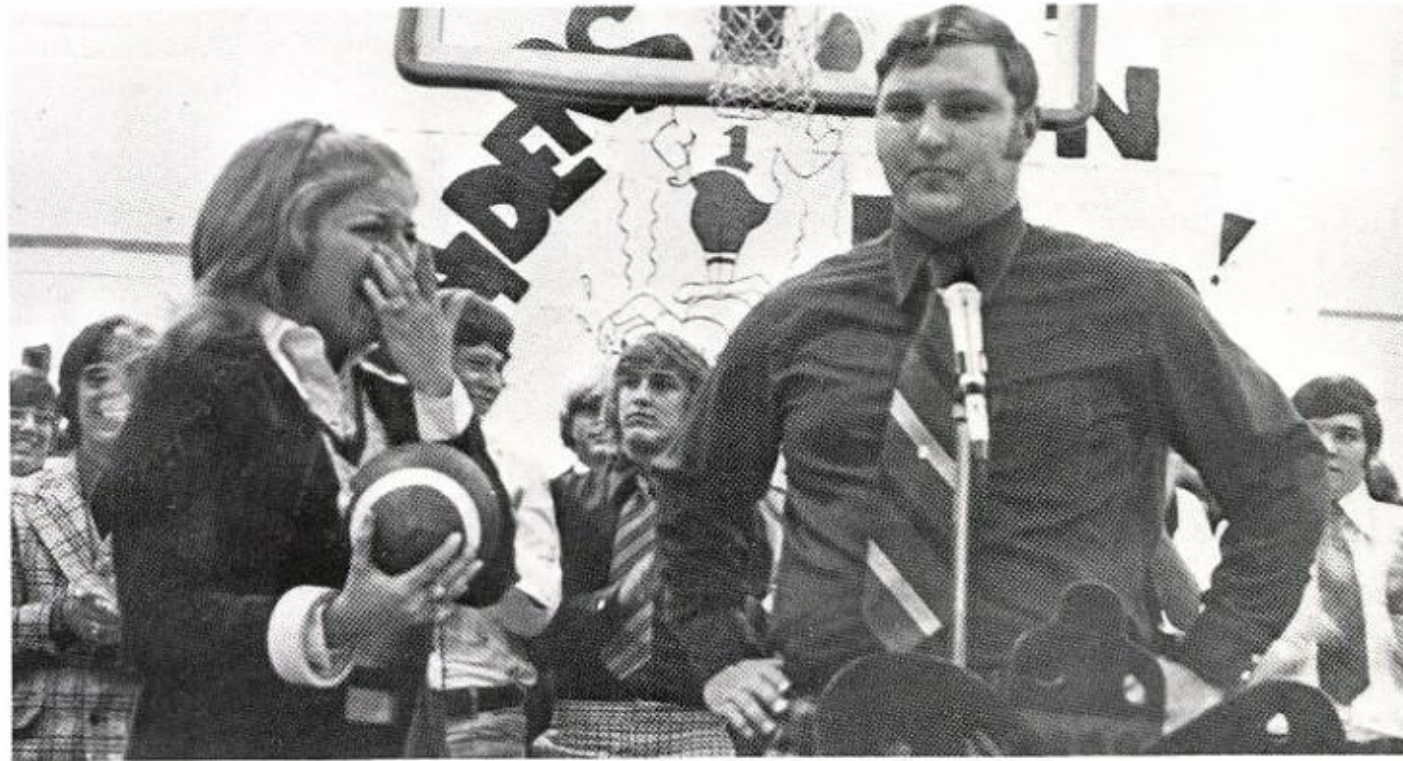

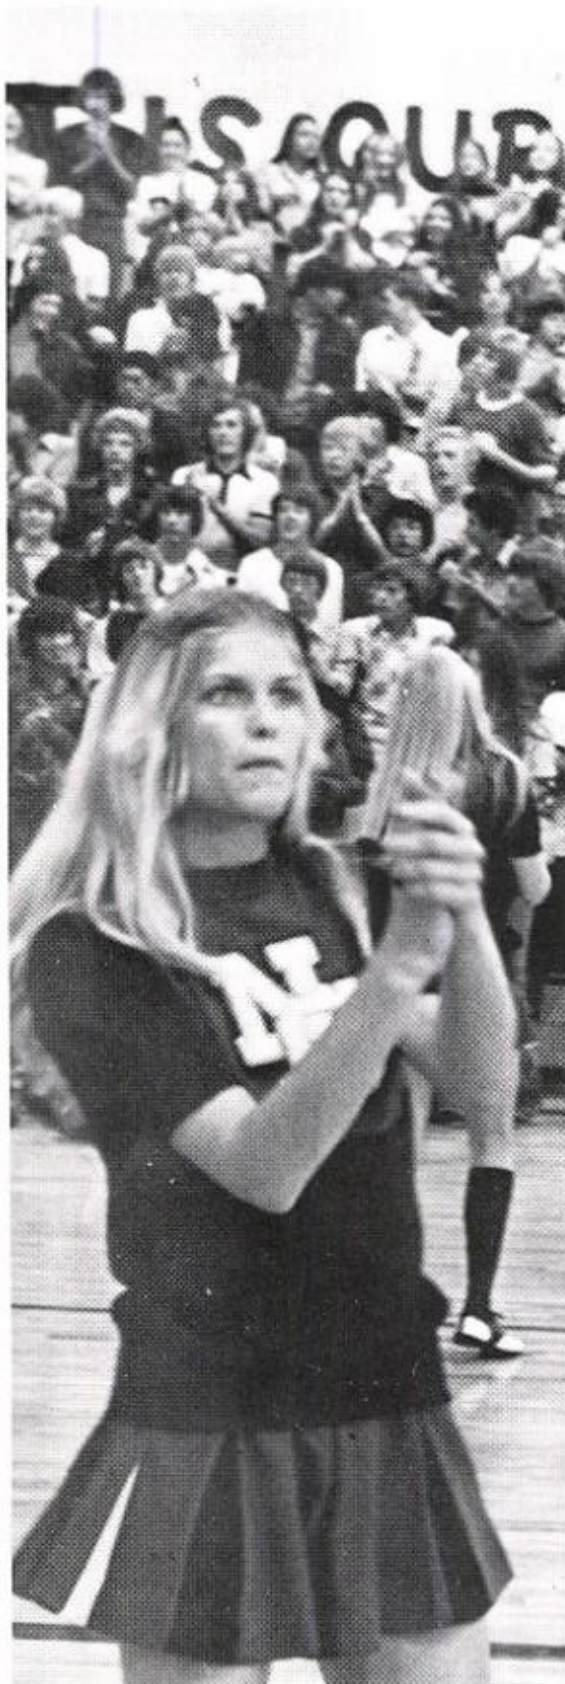

Psalm 133:1

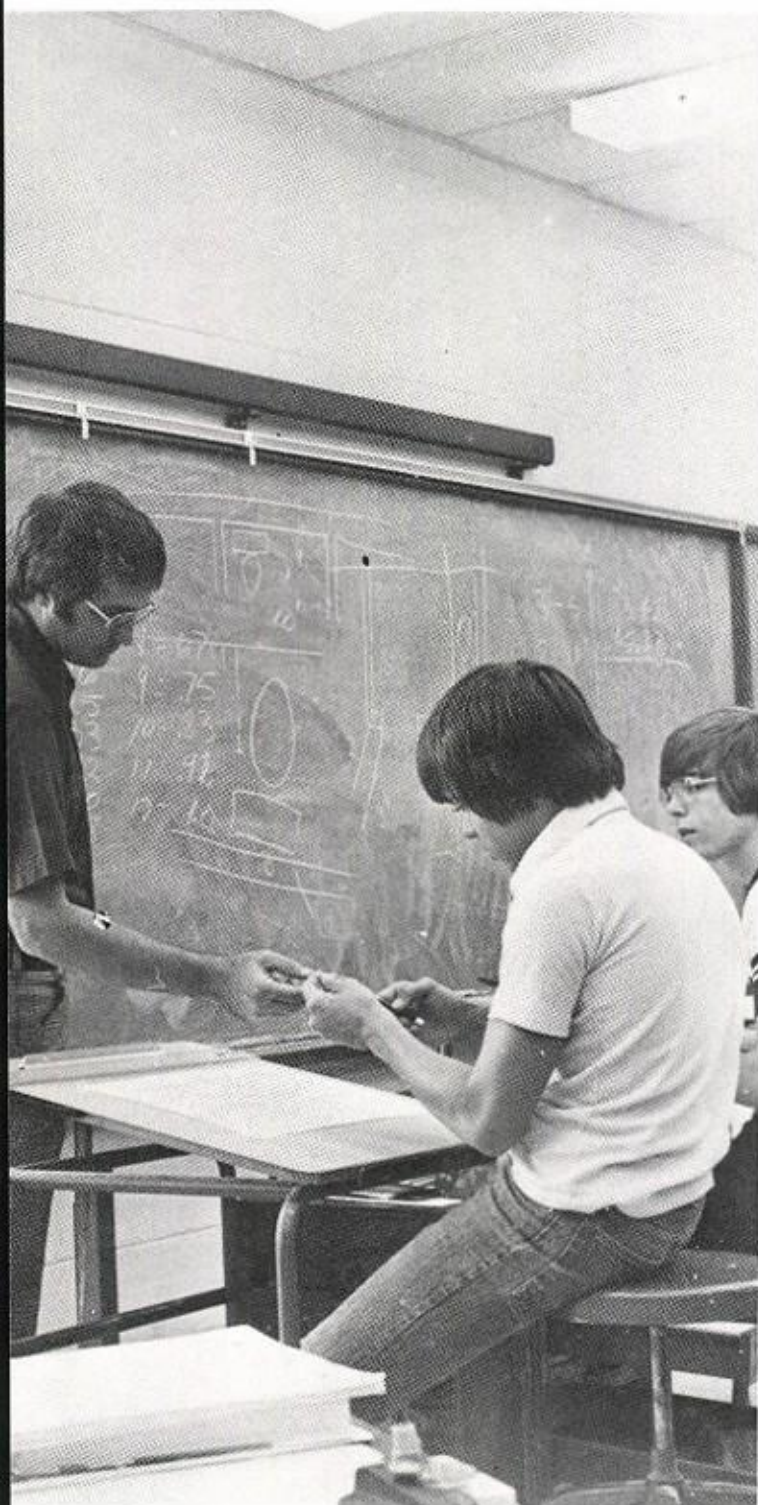

"He is my friend," I said —
"Be patient!" Overhead
The skies were drear and dim;
And lo! the thought of him
Smiled on my heart — and then
The sun shone out again!

James Whitcomb Riley

The most I can do for my friend is simply to be his friend. I have no wealth to bestow on him. If he knows that I am happy in loving him, he will want no other reward. Is not friendship divine in this?

Henry David Thoreau

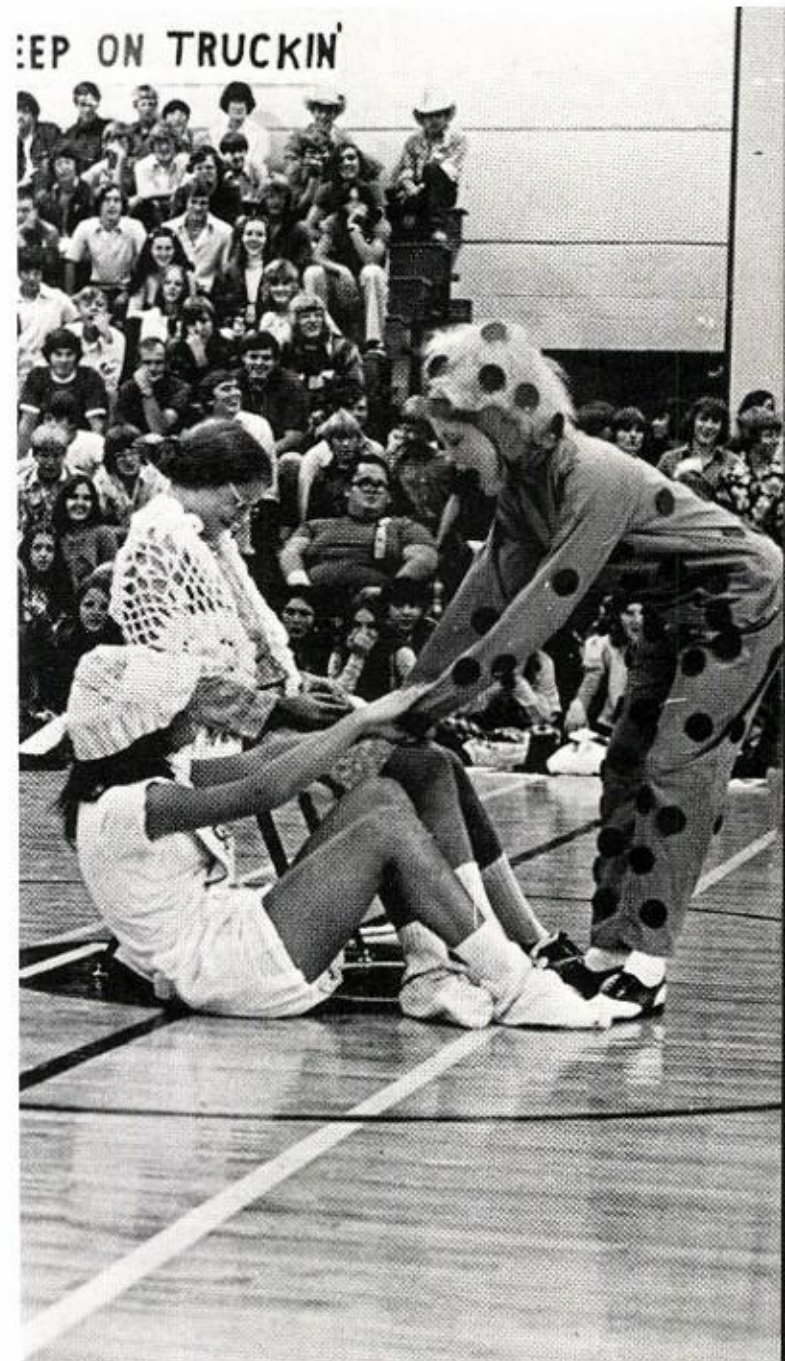

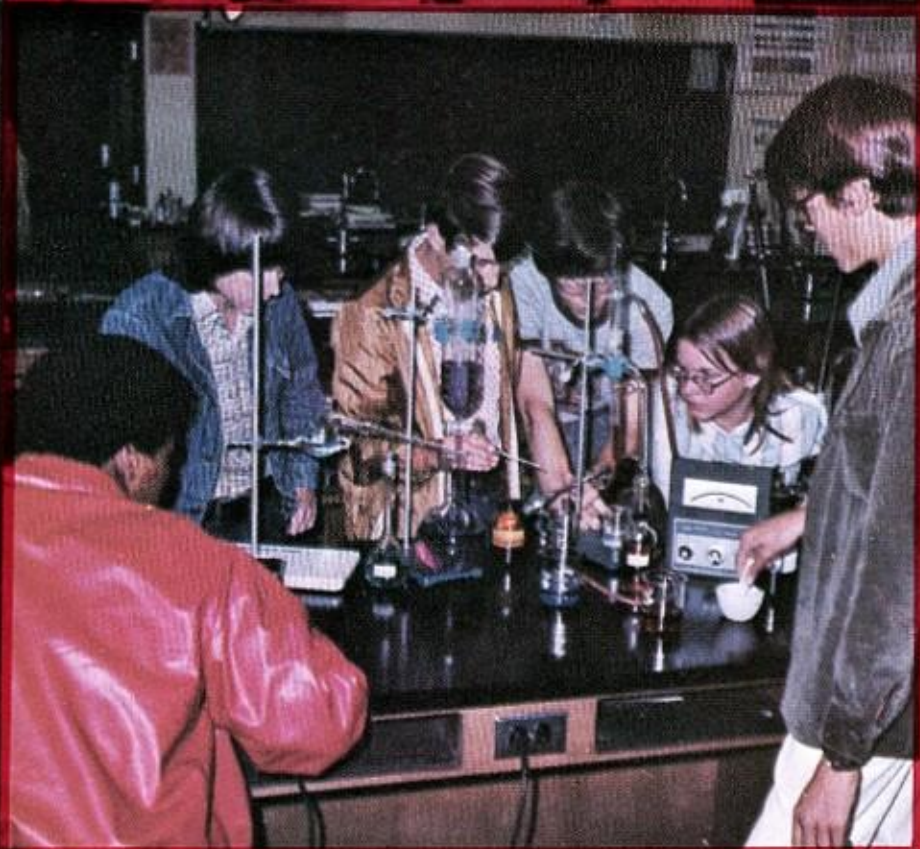

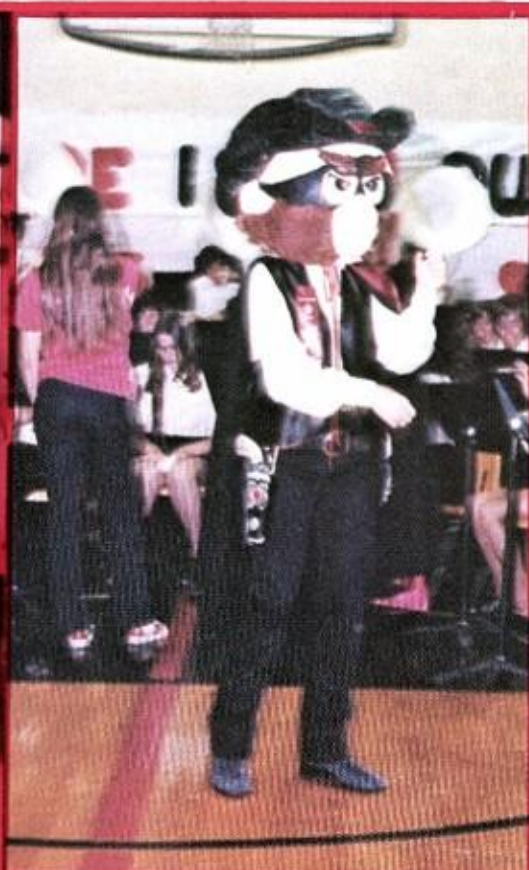

One cannot be a friend without having one.

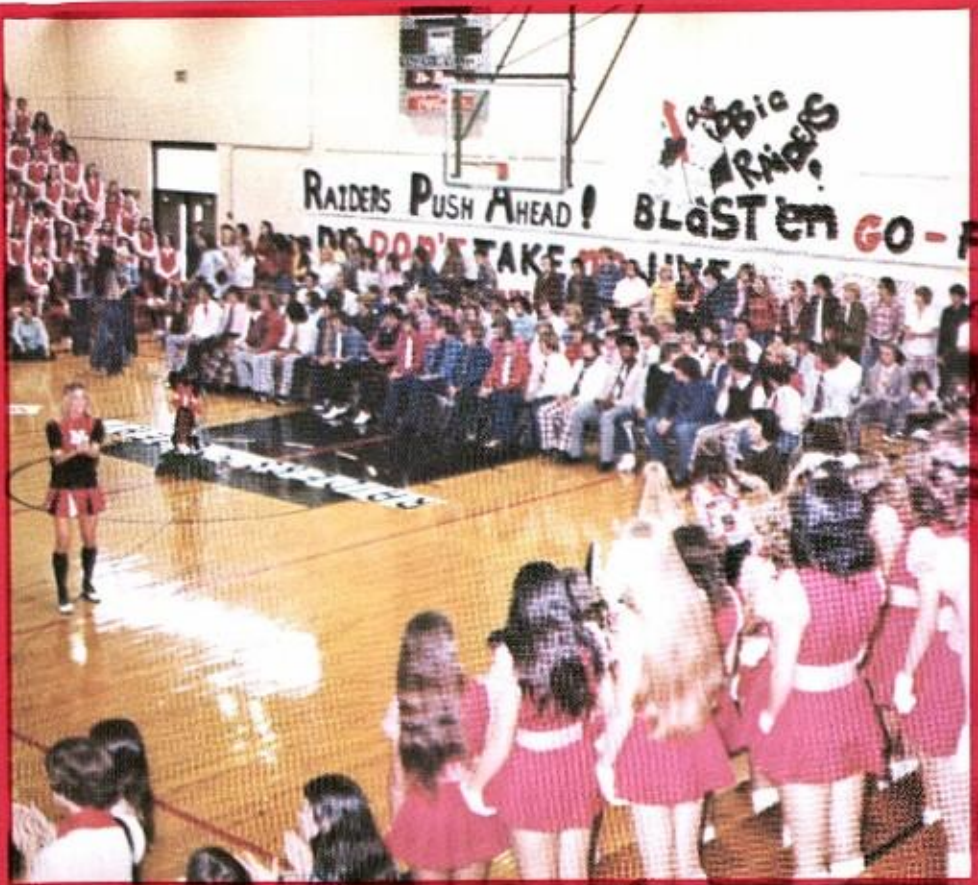

A. S. Hardy

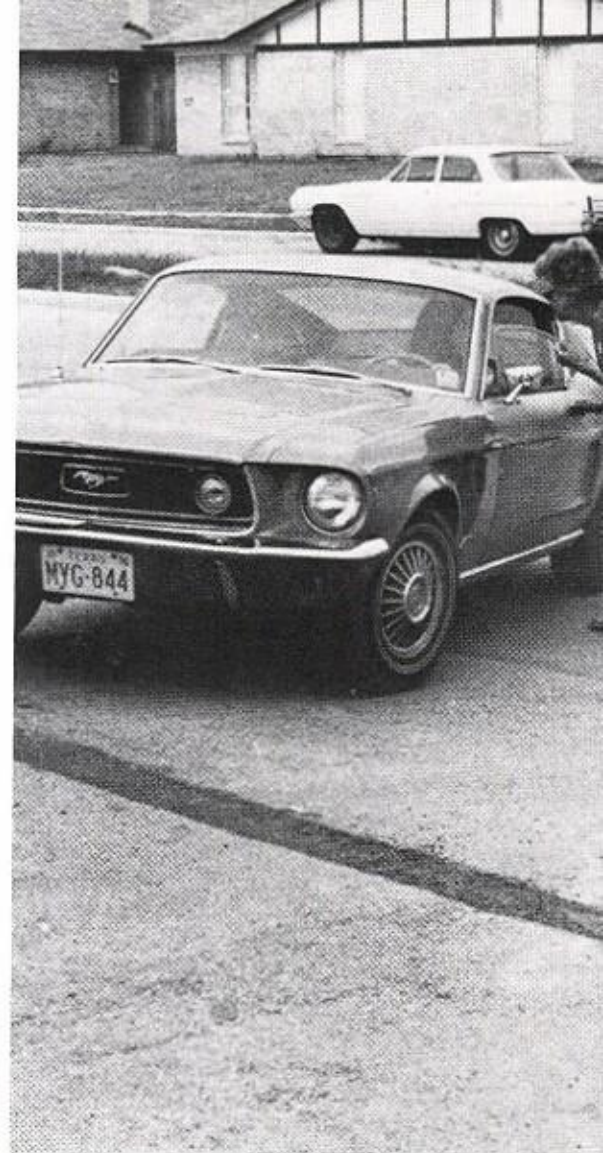

There is no folly equal to that of throwing away
friendship in a world where friendship is so rare.

E. R. Bulwer-Lytton

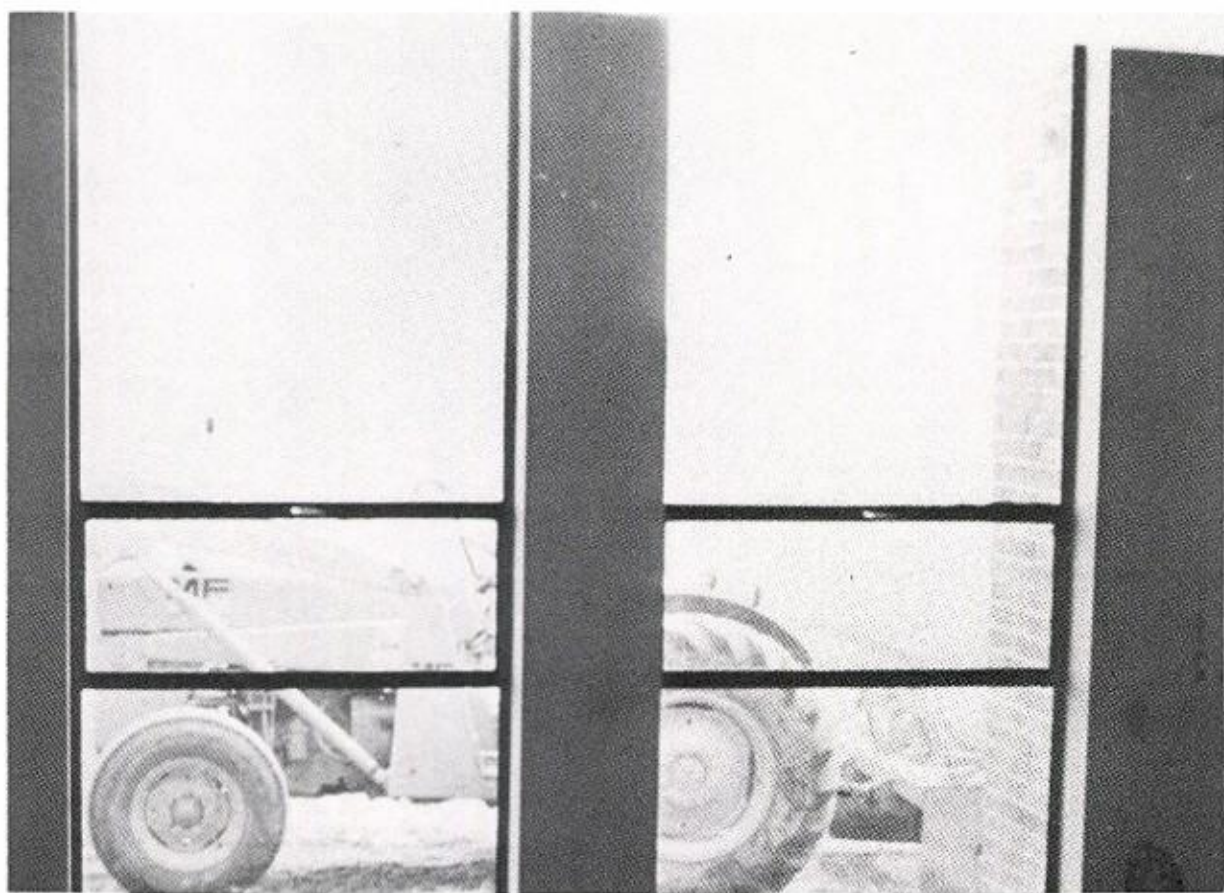

Greater love hath no man than this,
that a man lay down his life for his
friends.

Ye are my friends, if ye do
whatsoever I command you.
Henceforth I call you not servants;
for the servant knoweth not what
his lord doeth: but I have called
you friends.

. . . Ye have not chosen me, but I
have chosen you.

St. John 15:13-16

United We Stand . . .

New faces in government, new economic problems, new teachers, a new district of competition, the completion of new departmental buildings, new courses, new friends.

These are just a few of the many new aspects in our lives that each moment brings.

Whether or not the sun shines or the rains fall, we win or we lose, the students of North Garland keep showing the pride and determination for which the school is known for.

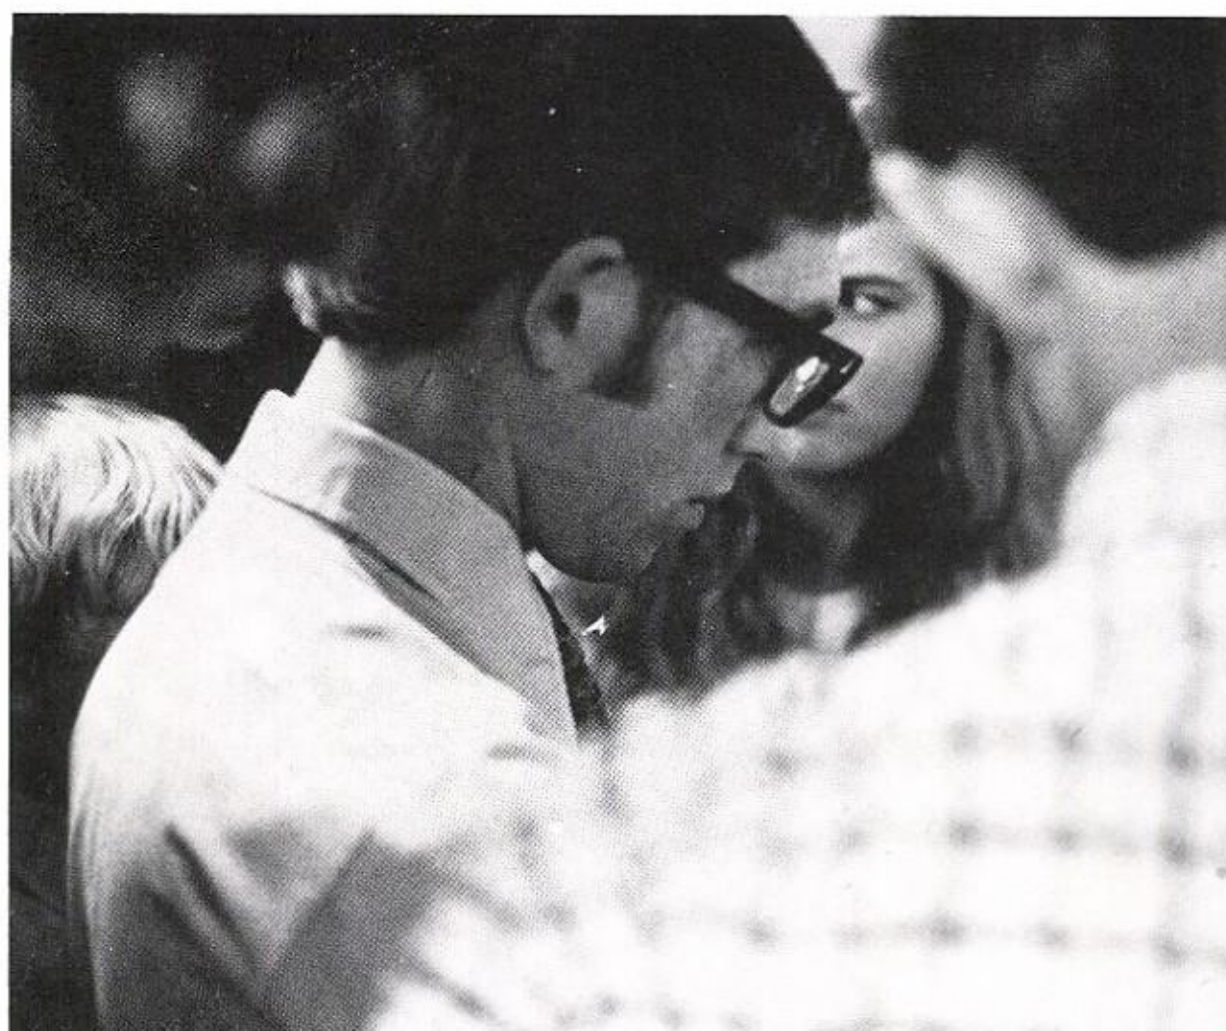

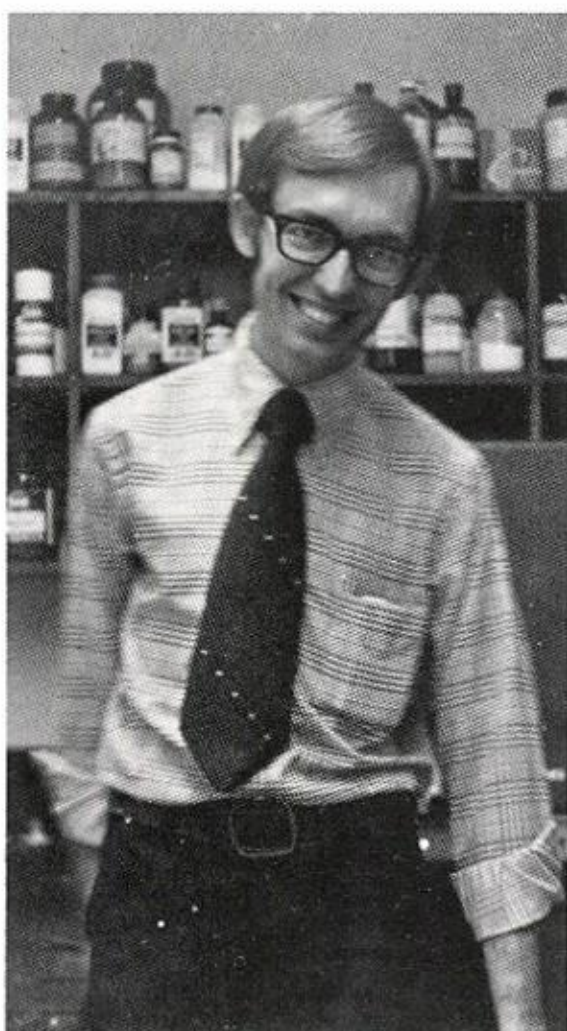

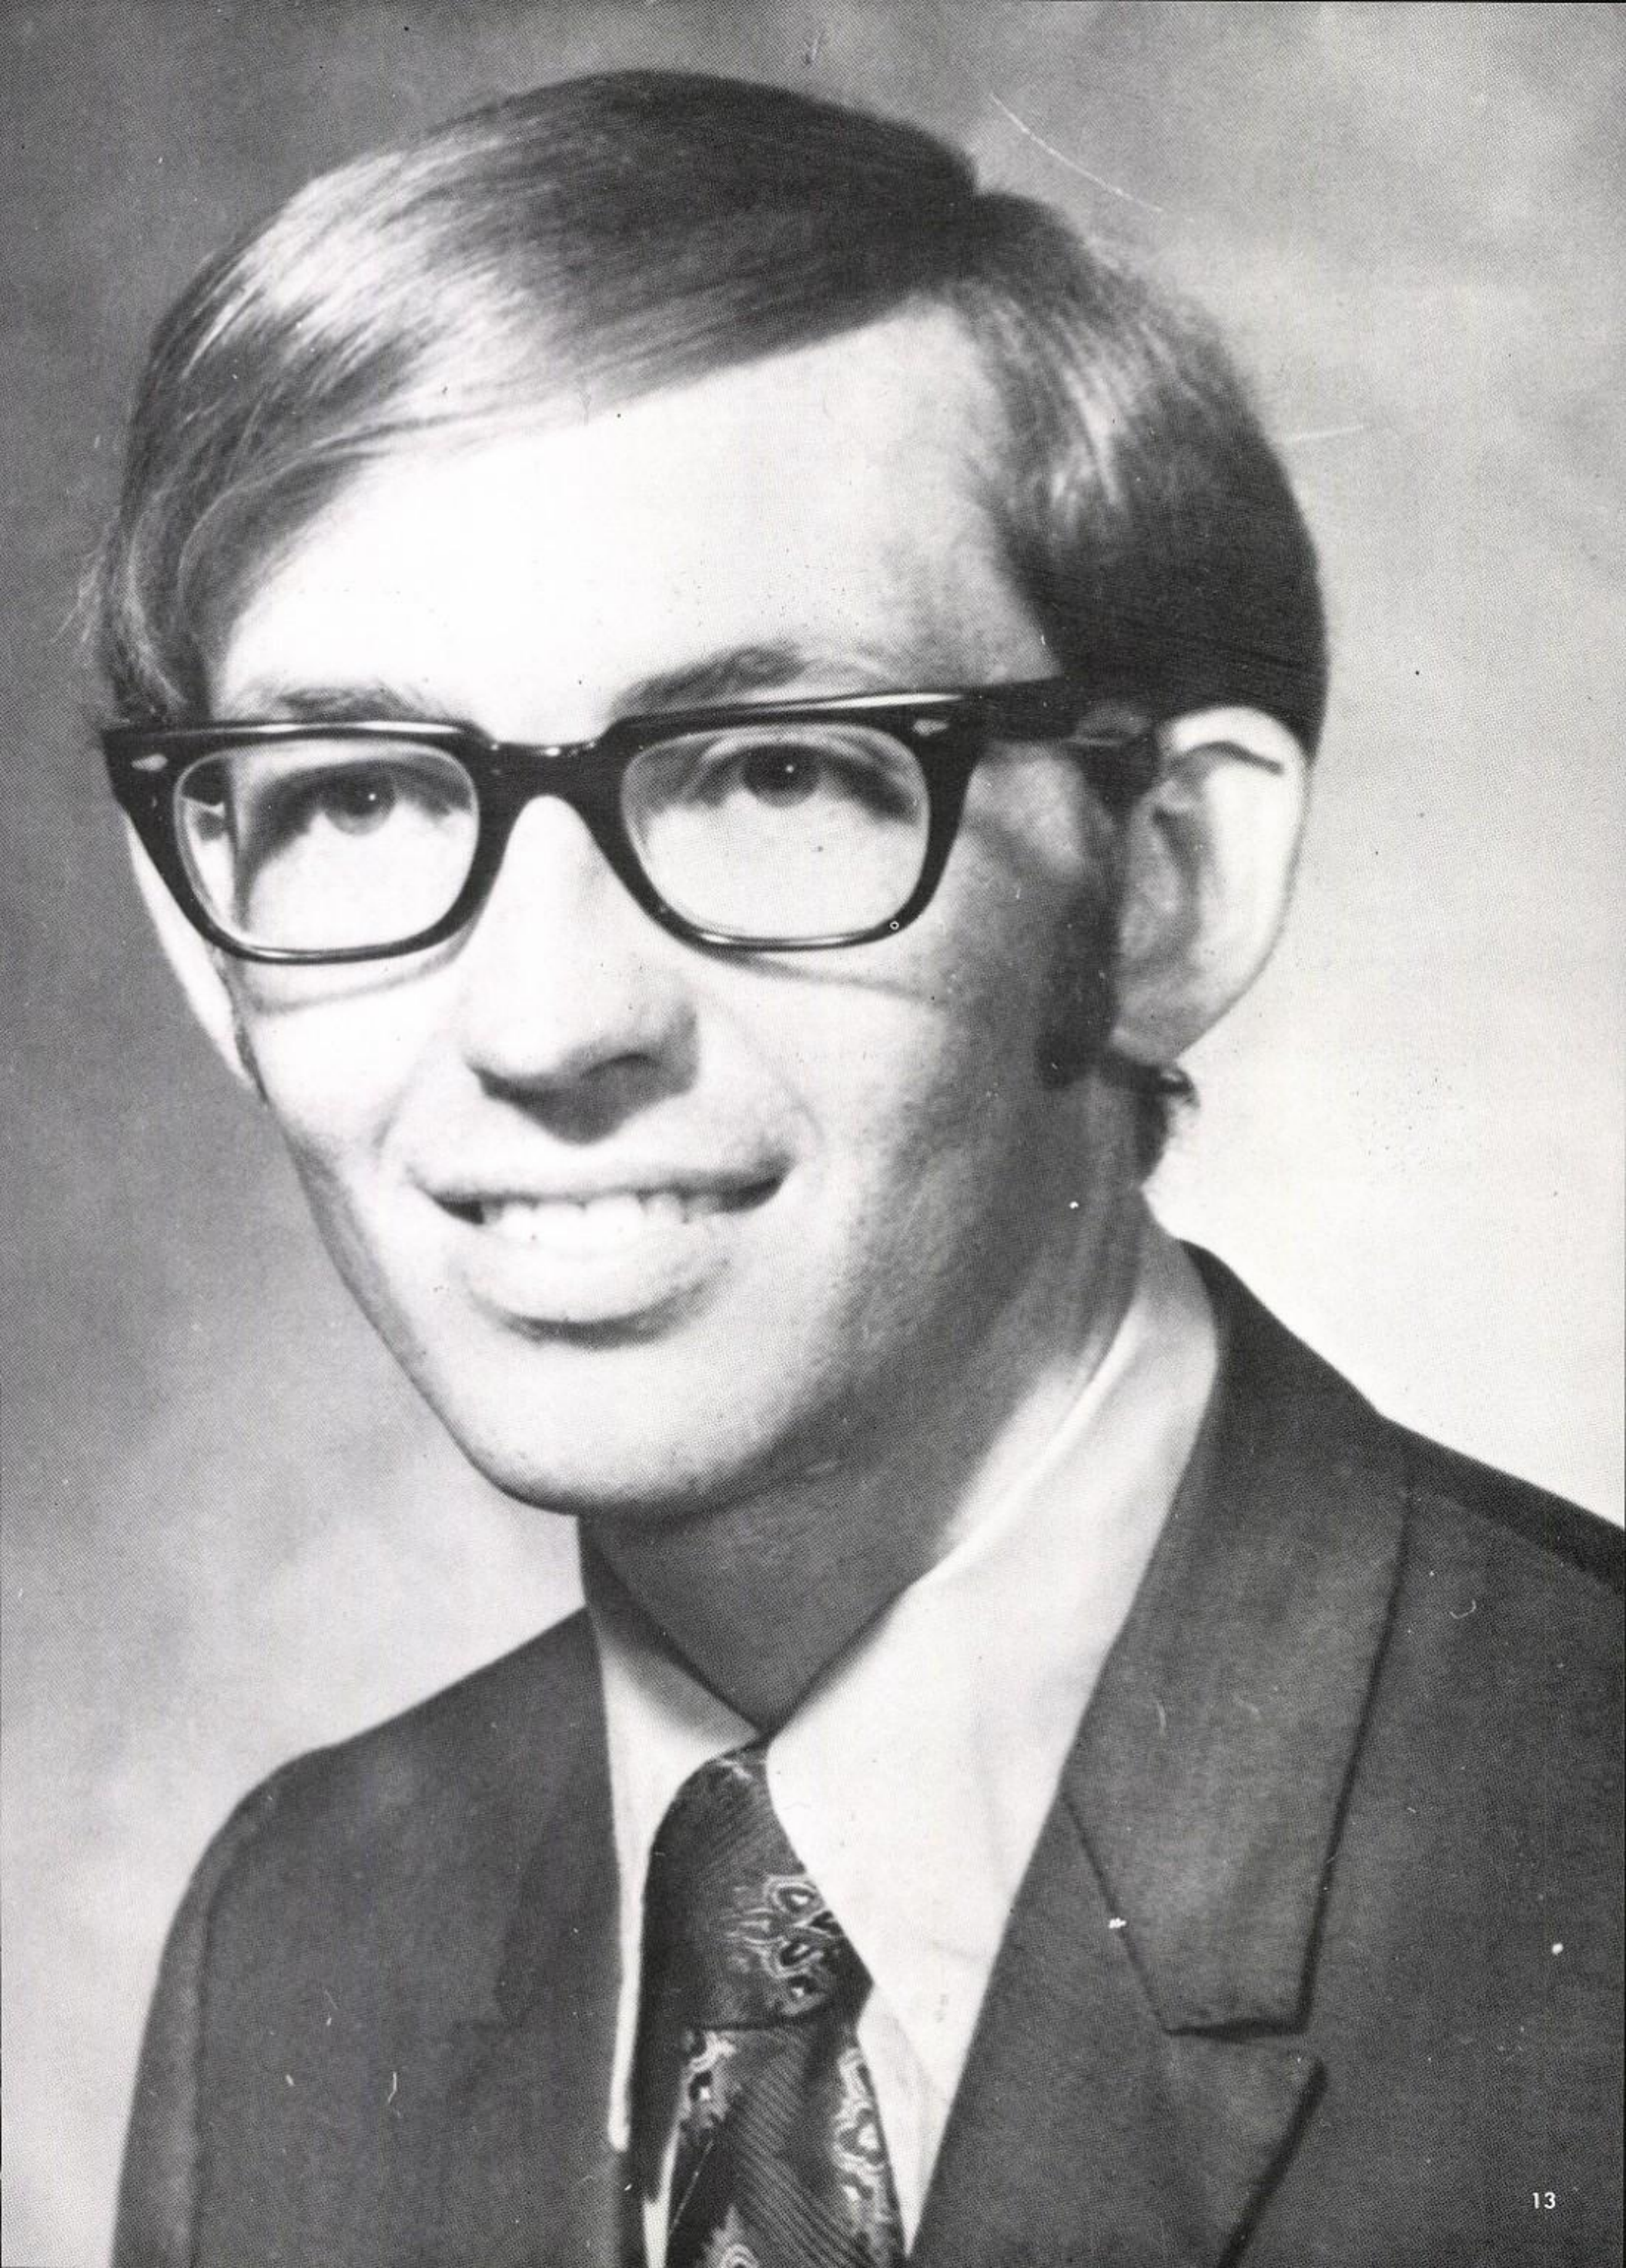

An ordinary man with extraordinary qualities.

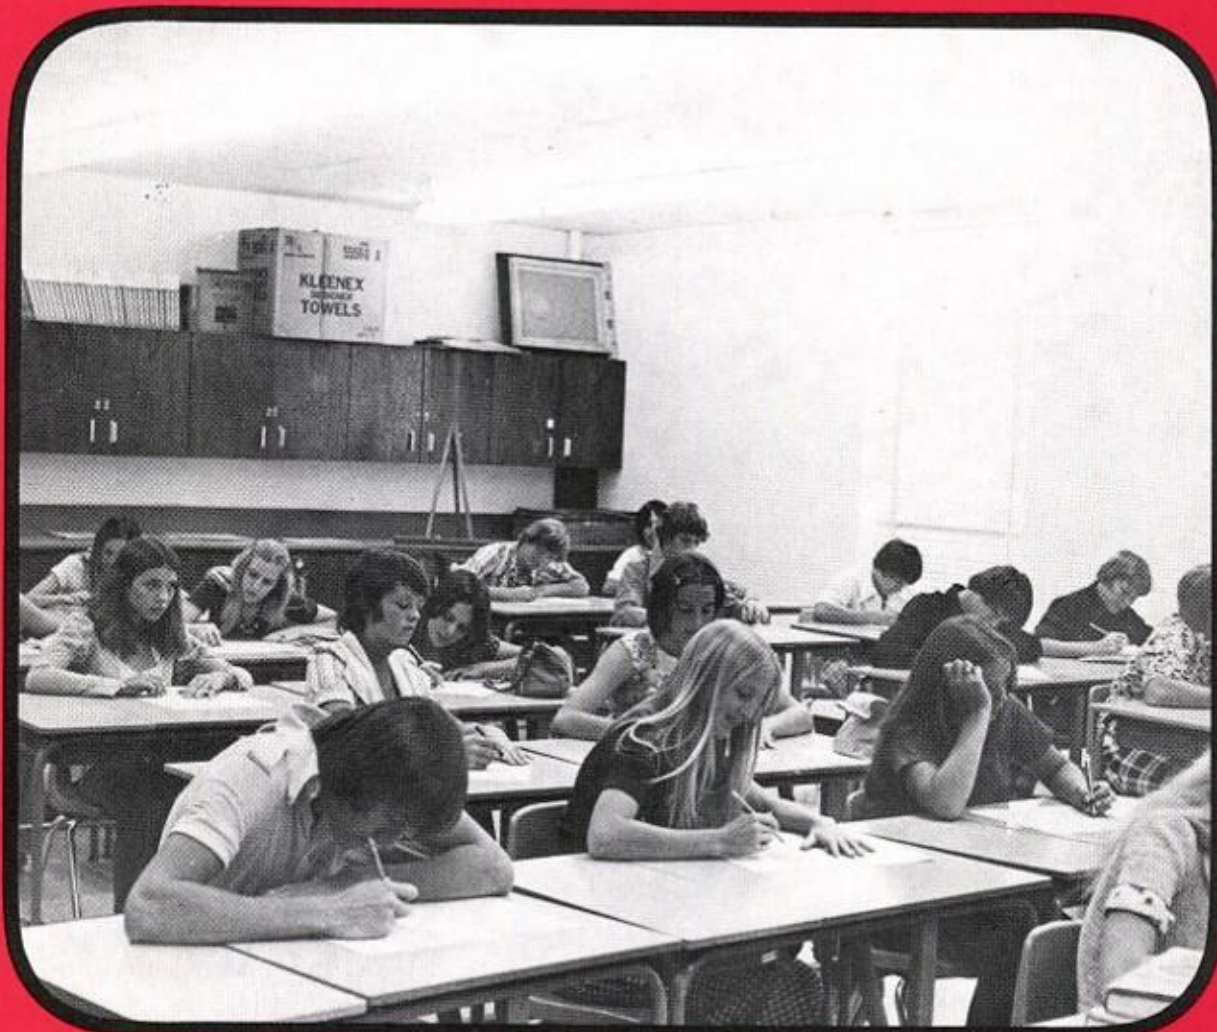

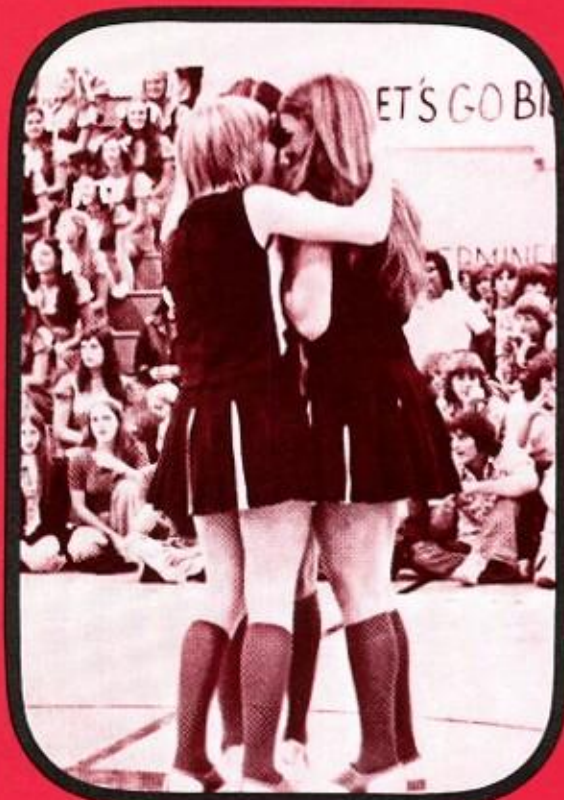

Many people enter into the teaching profession with high hopes but few truly excel to the fullest. Patience and determination are qualities necessary to achieve the ambition one has for his life work.

A unique style of teaching is characteristic of a man whose interests revolve around the area of science. He also contributes many long hours in lending a helping hand to groups and organizations at NG. His work as an outstanding photographer is shown with pride through the color pages of this book. His witty sense of humor along with his interest in people have made him a favorite among the faculty and student body.

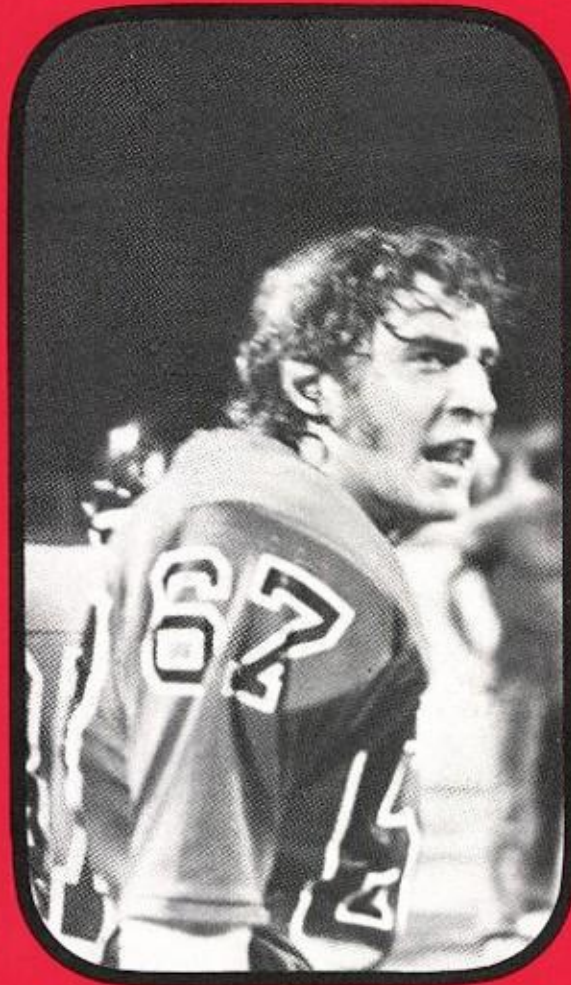

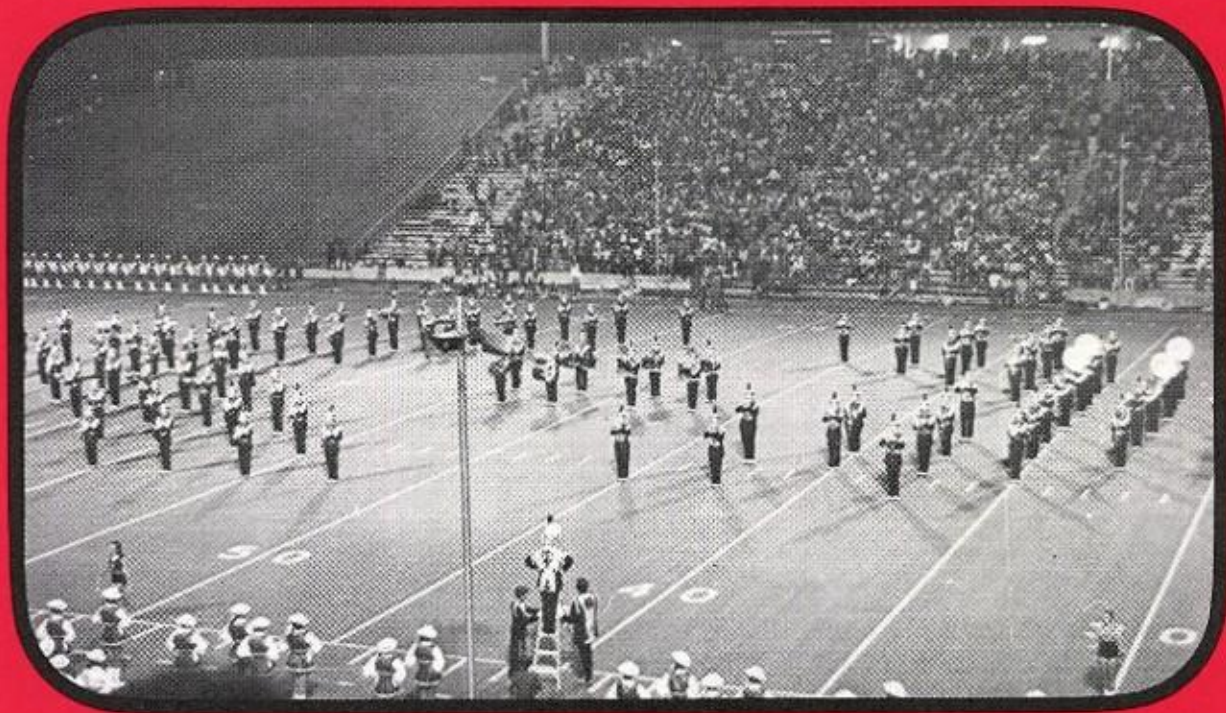

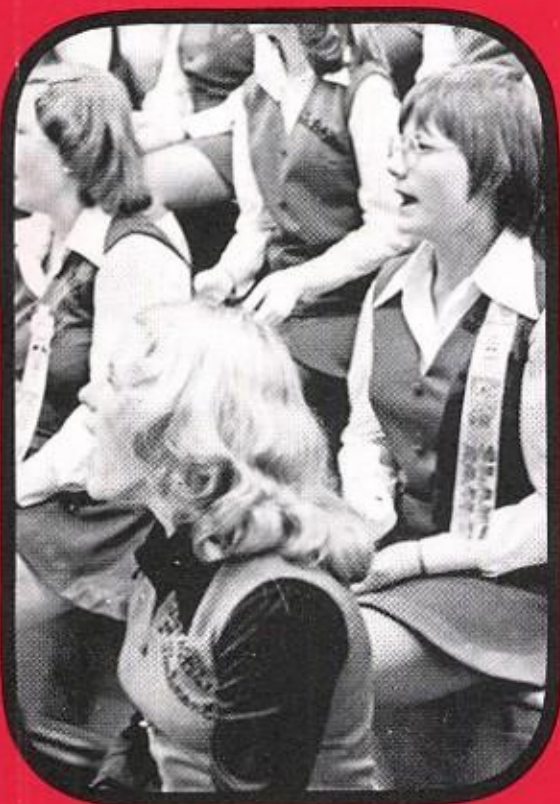

Because of these and other reasons too numerous to list, we proudly dedicate the 1975 Marauder to Mr. Pete Lohstreter.

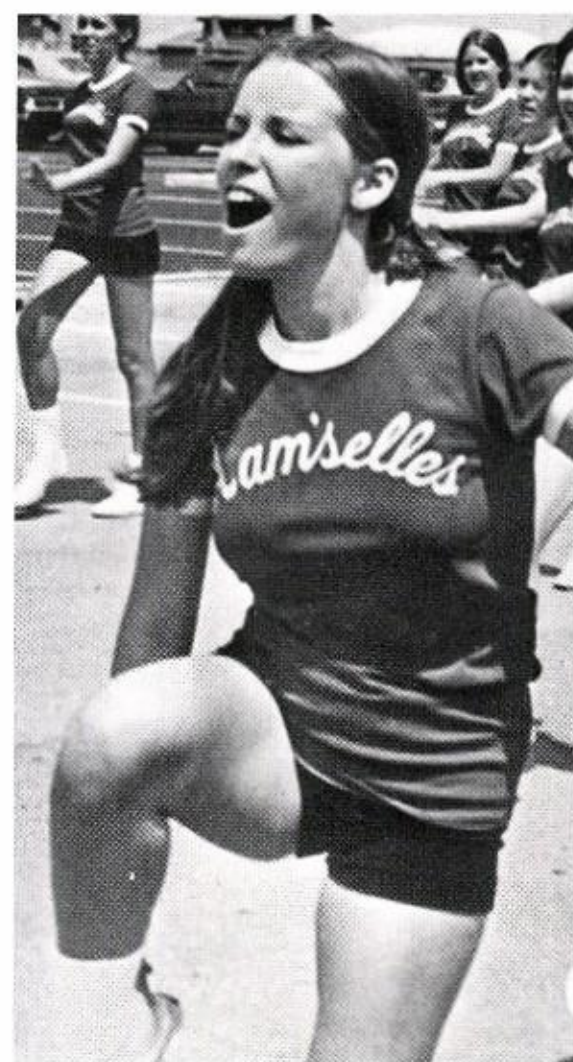

ACTIVITIES

Seniors begin the year by ordering their class pictures.

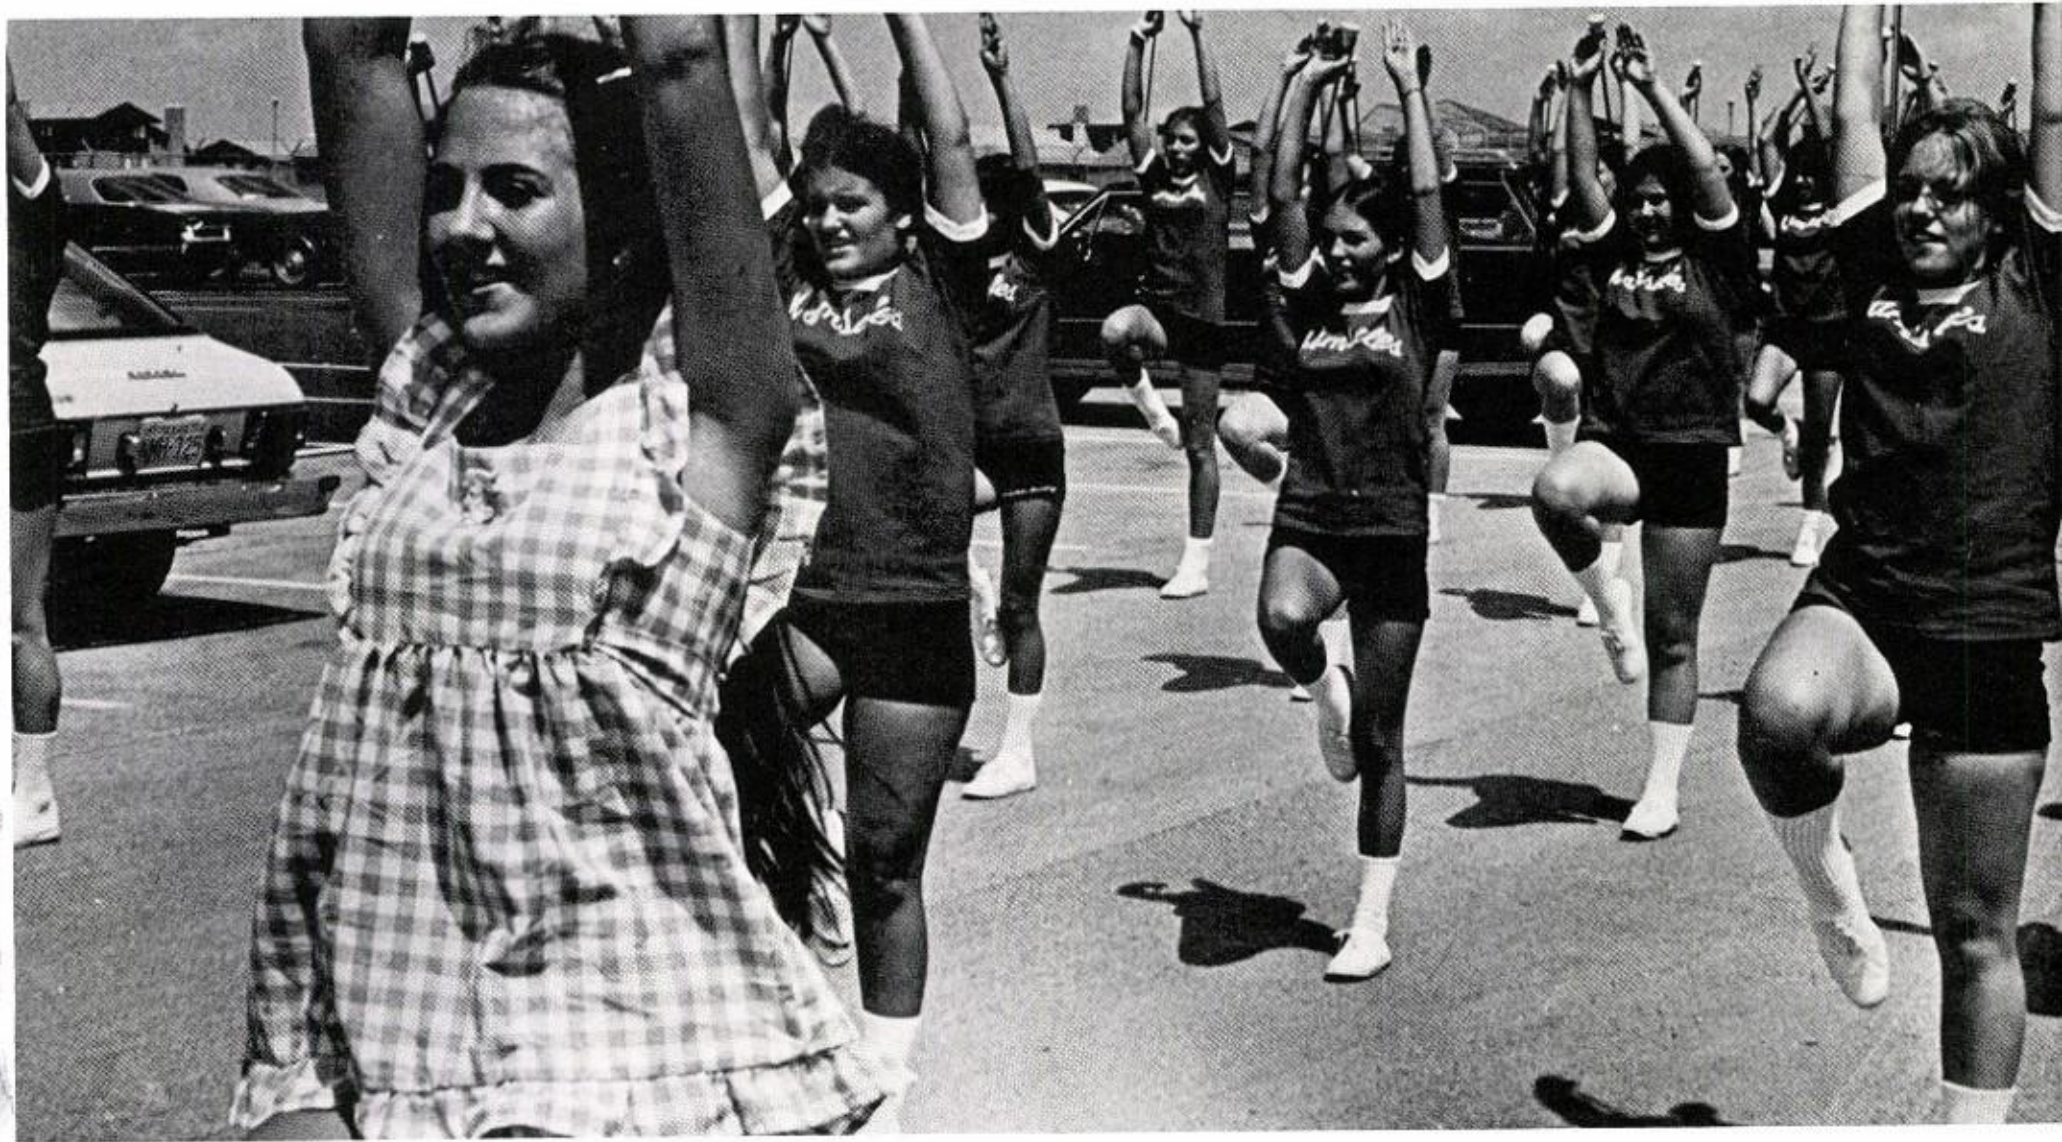

Even a Mam'selle needs to take a break every once in a while.

Freshman cheerleaders proudly represent their number one school in the Labor Day parade.

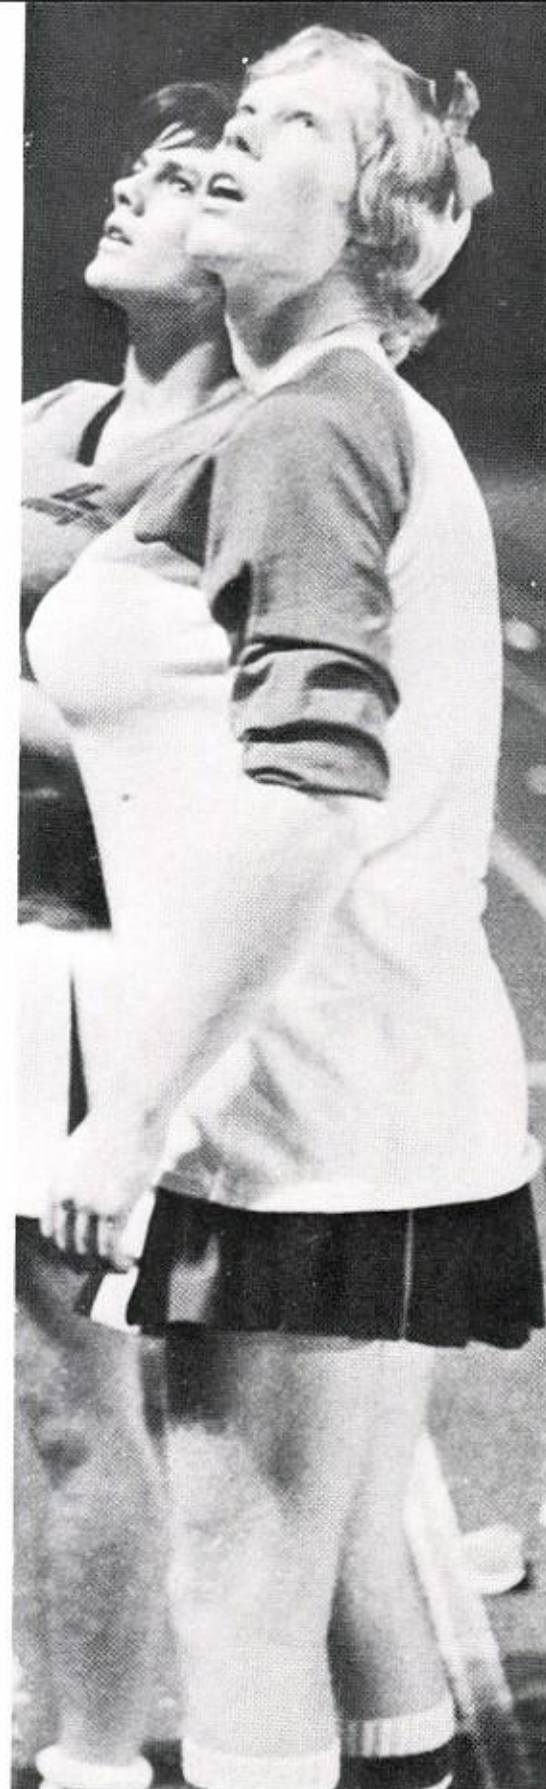

"These long lunch lines are just disgusting!"

Uniformity is one quality which enables the Mam'selles to give such top-notch performances.

The floodlights flashed across the field,
What strange sight were we to see?
Tough Raider gridders were revealed,
But of the female breed?

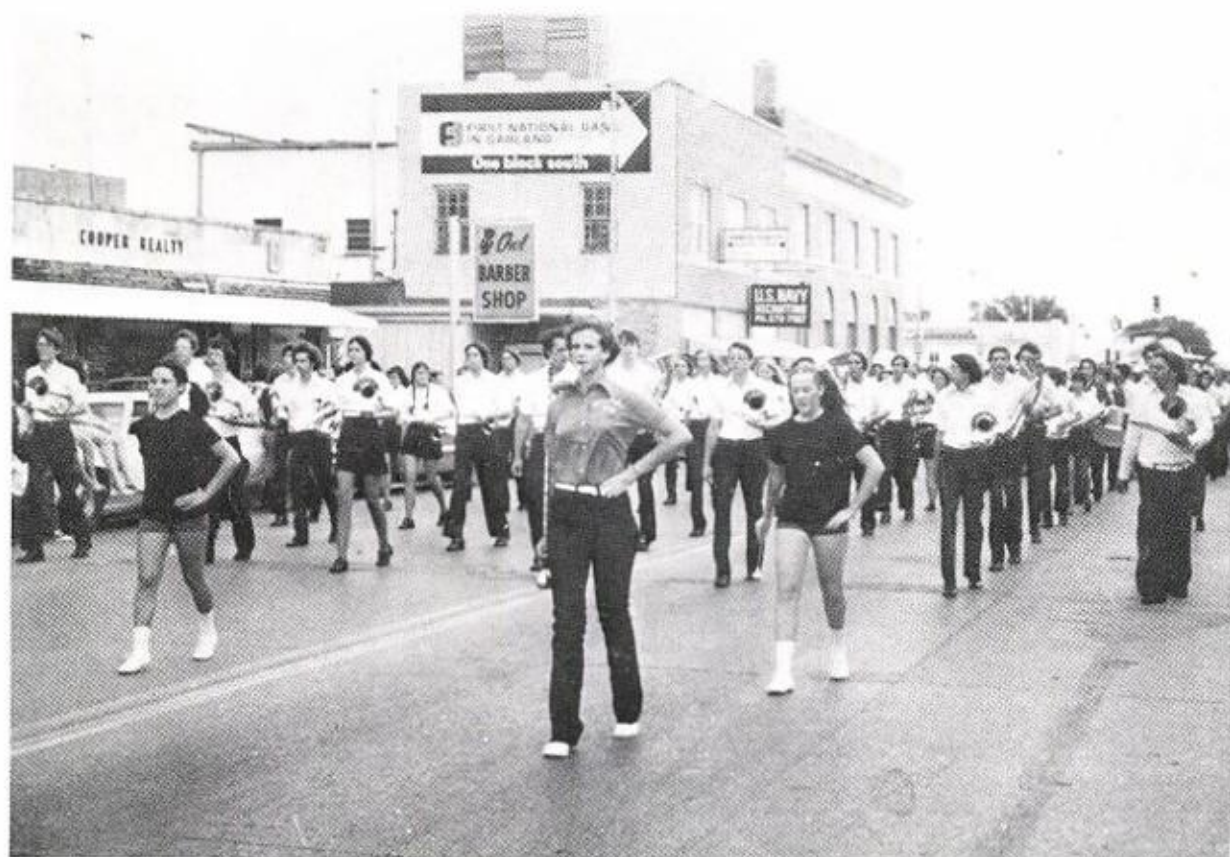

The cheerleaders yelled with all their might,
Though their femininity was questionable.
It seems they forgot to shave that night,
Hairy legs are rather objectionable.

The "Sam'selles" did their thing, too,
Led on by a buxom captain,
And meanwhile the seniors came through
With a victory far from lackin'.

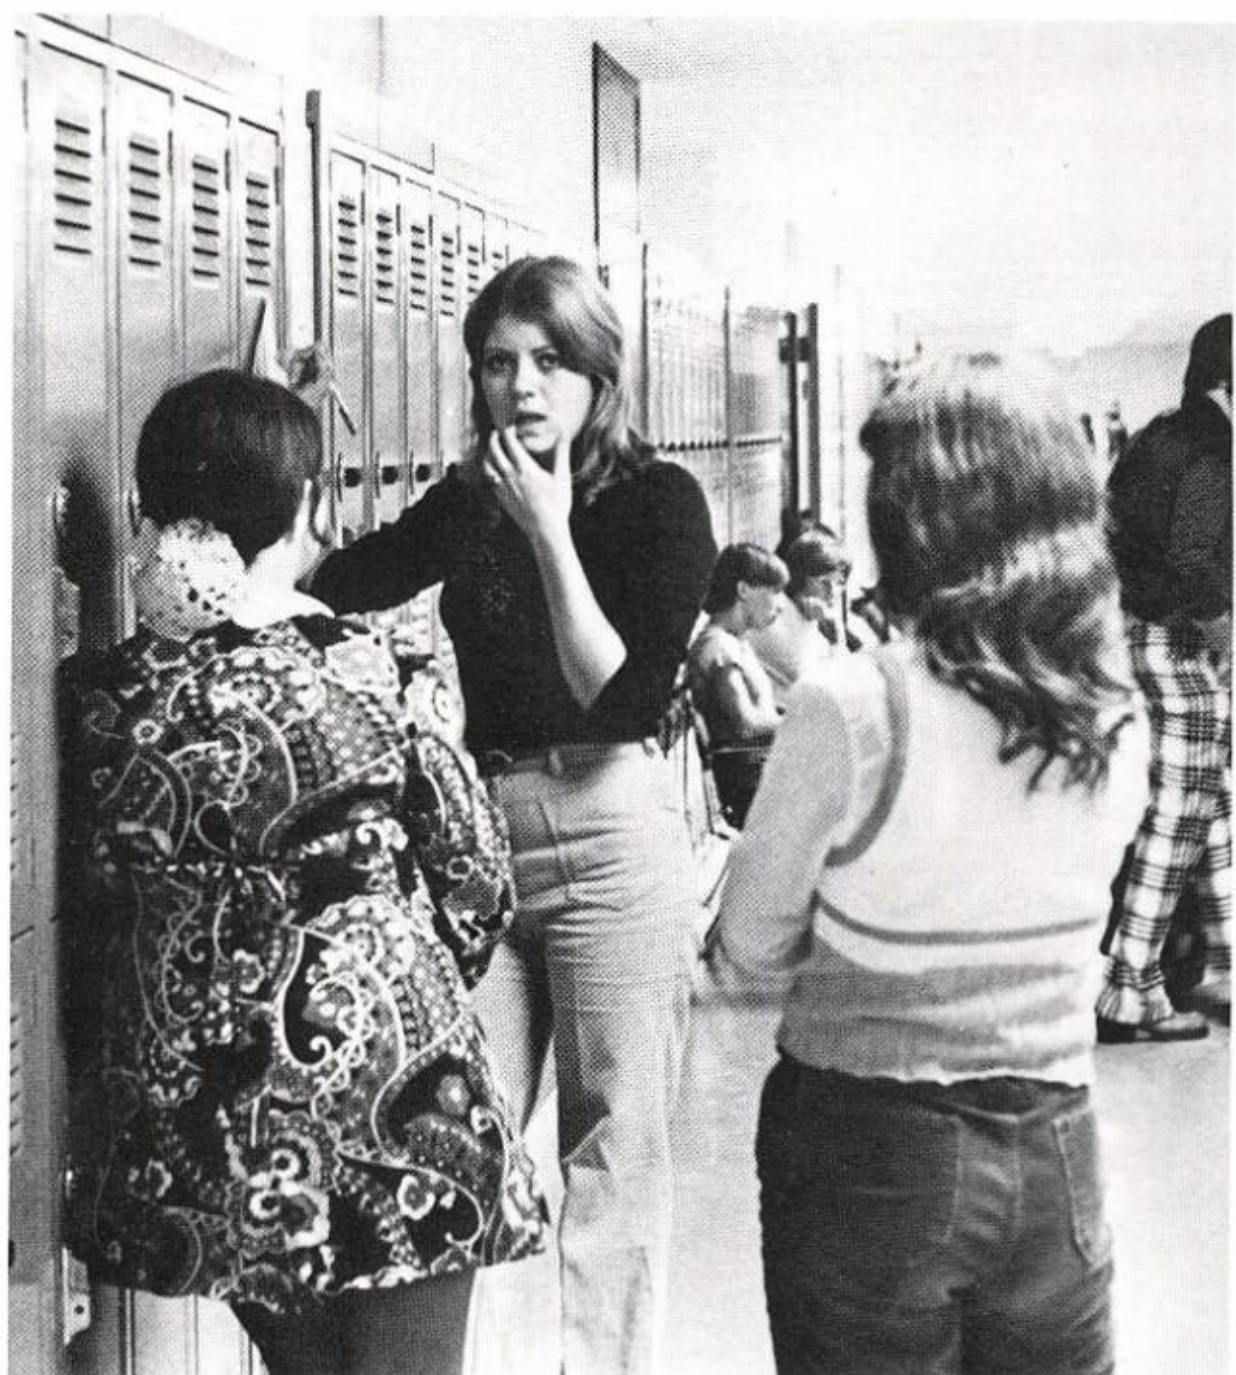

Sam's support is unfailing.

Raider Band displays fine showmanship in the Labor Day parade.

"Let's see, to get to the new drama room you turn left at the candy machine by the water fountain, go to the phone booth . . ."

These are the symbols of NG.

GO!

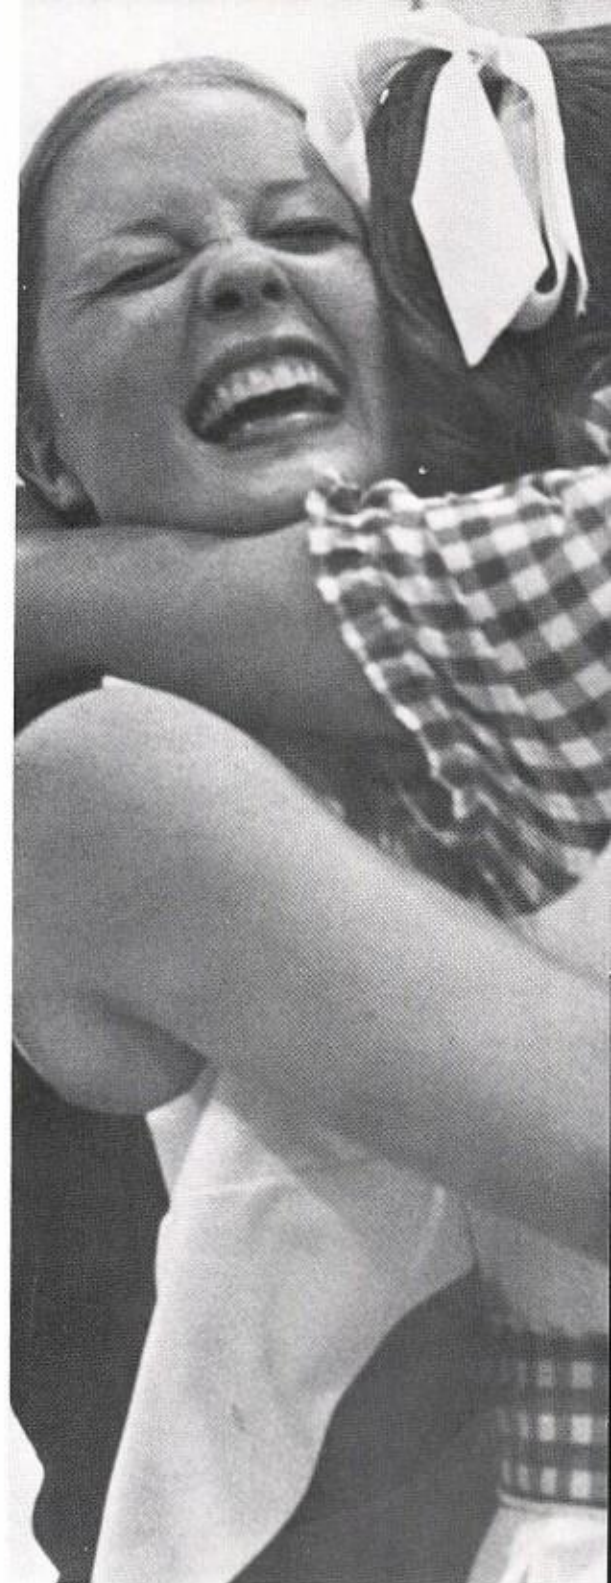

Excitement is the face of a Freshman as she experiences her first pep rally.

"I suppose you think seven words a minute is fast."

The magic names are uttered,
All students strain to see,
Guesses are softly muttered,
Who will the nominees be?

Through the student body they swerve,
In the midst of the echoing cheers,
A unified bundle of nerves,
One trembling mass of tears.

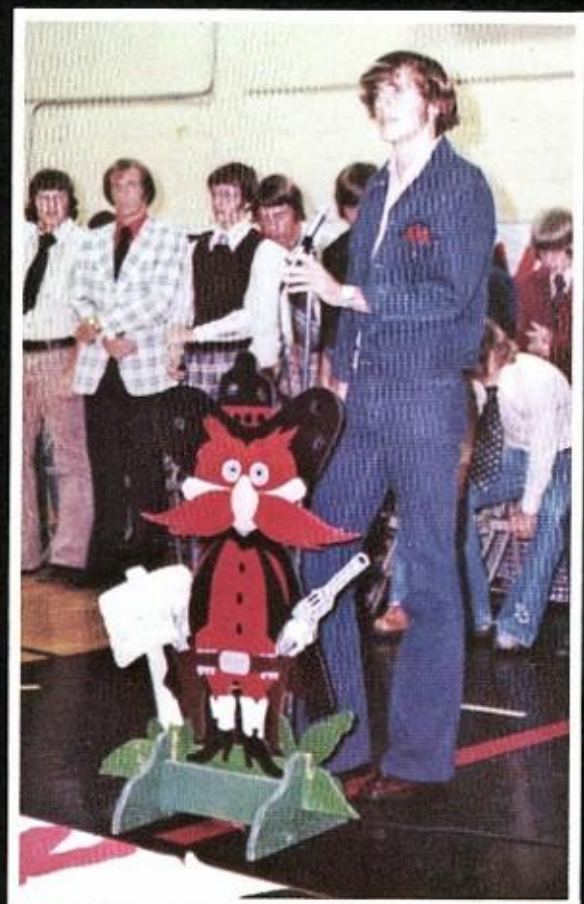

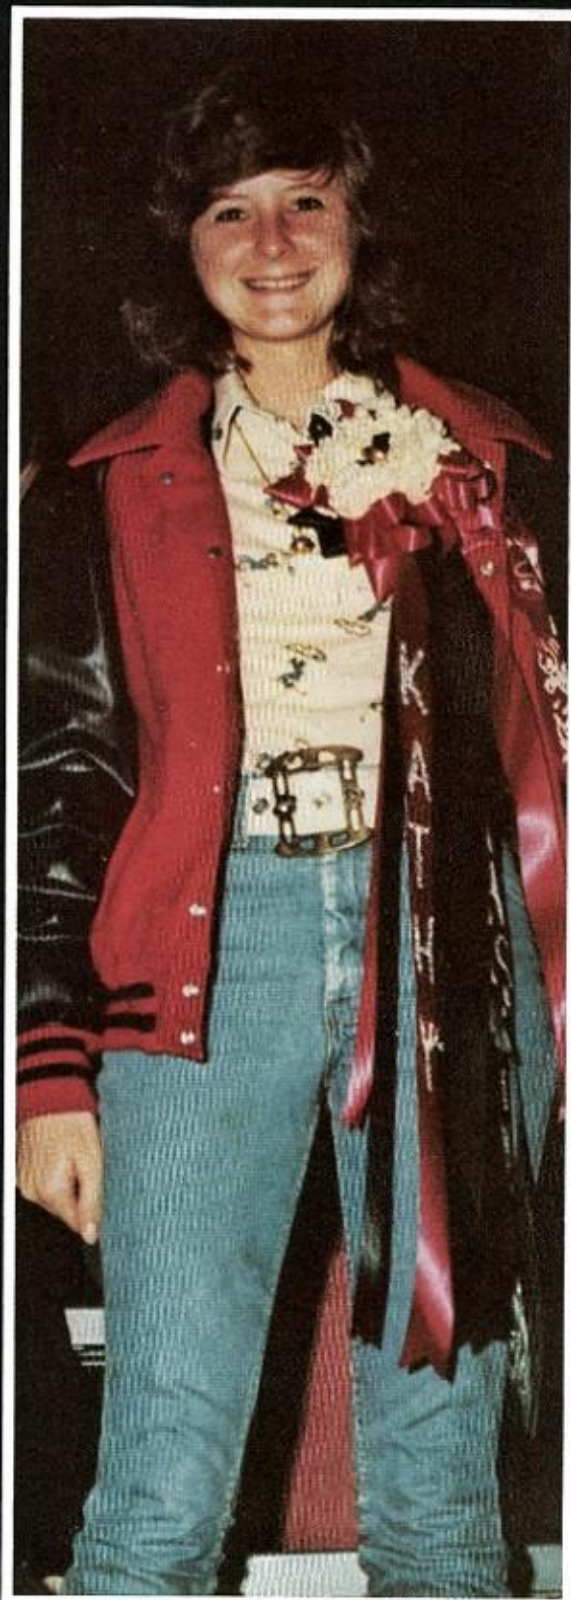

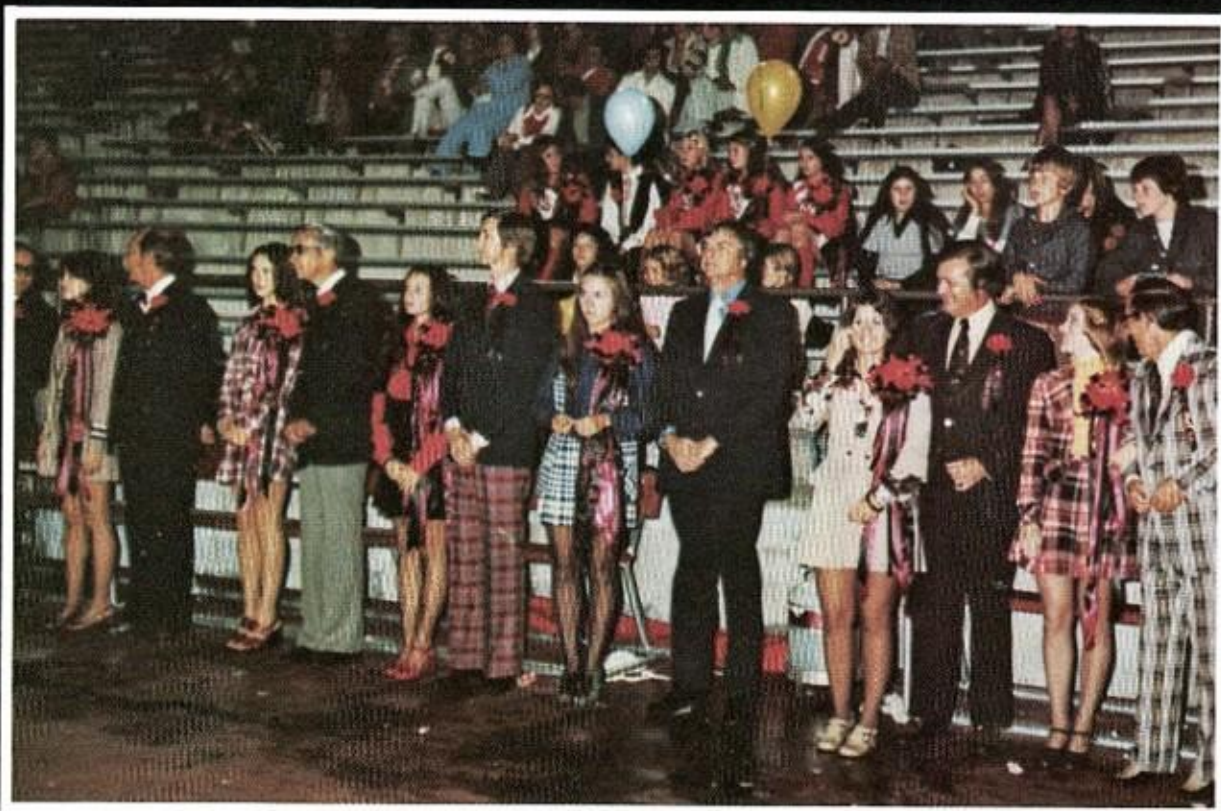

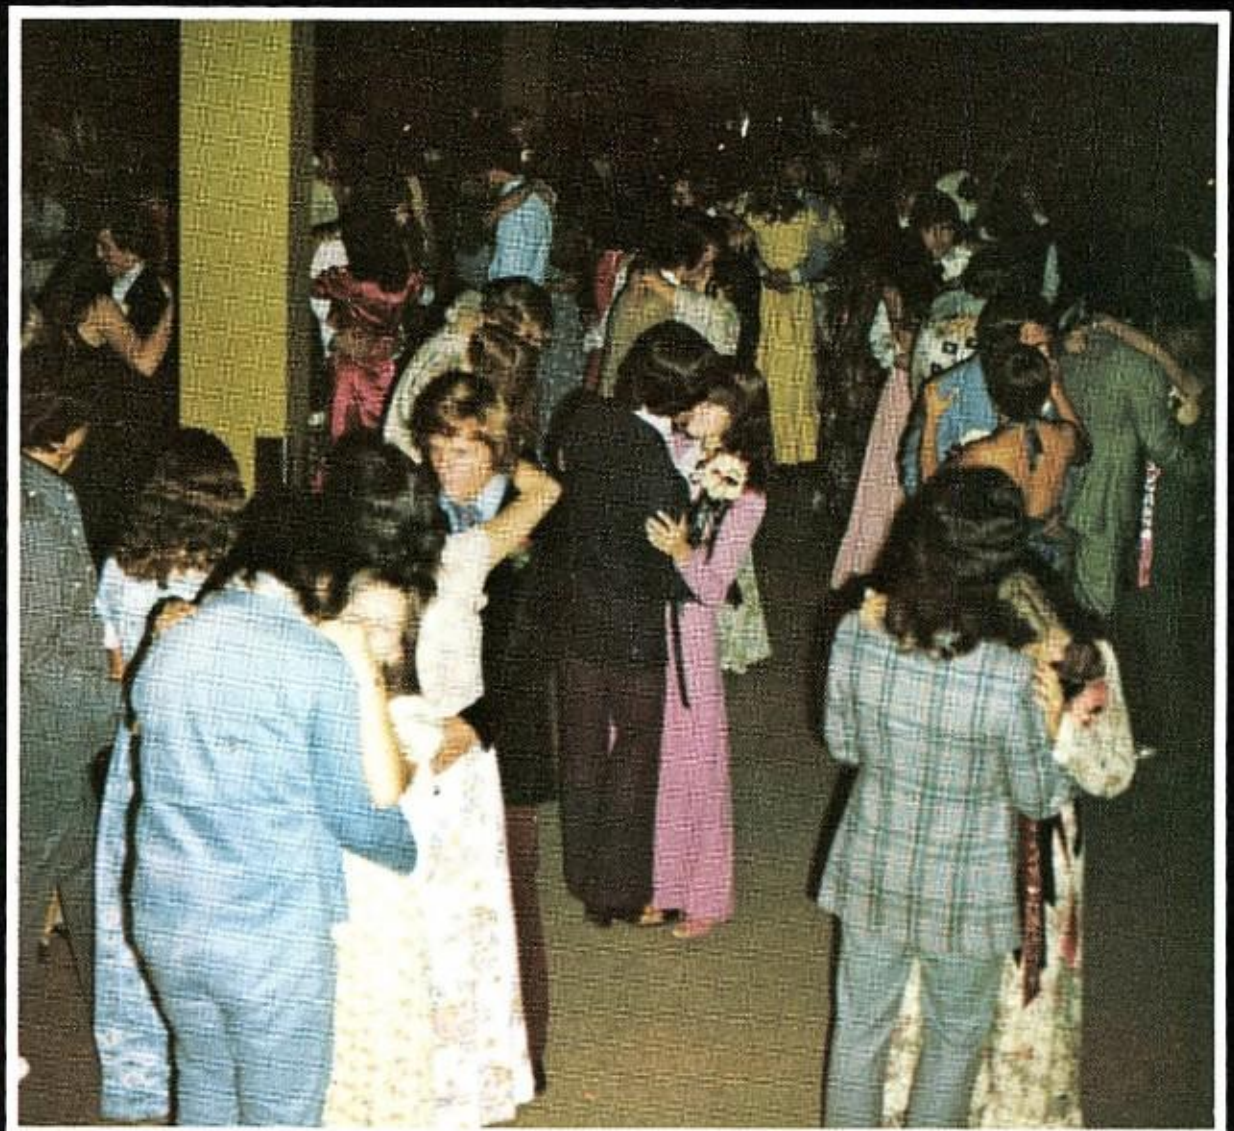

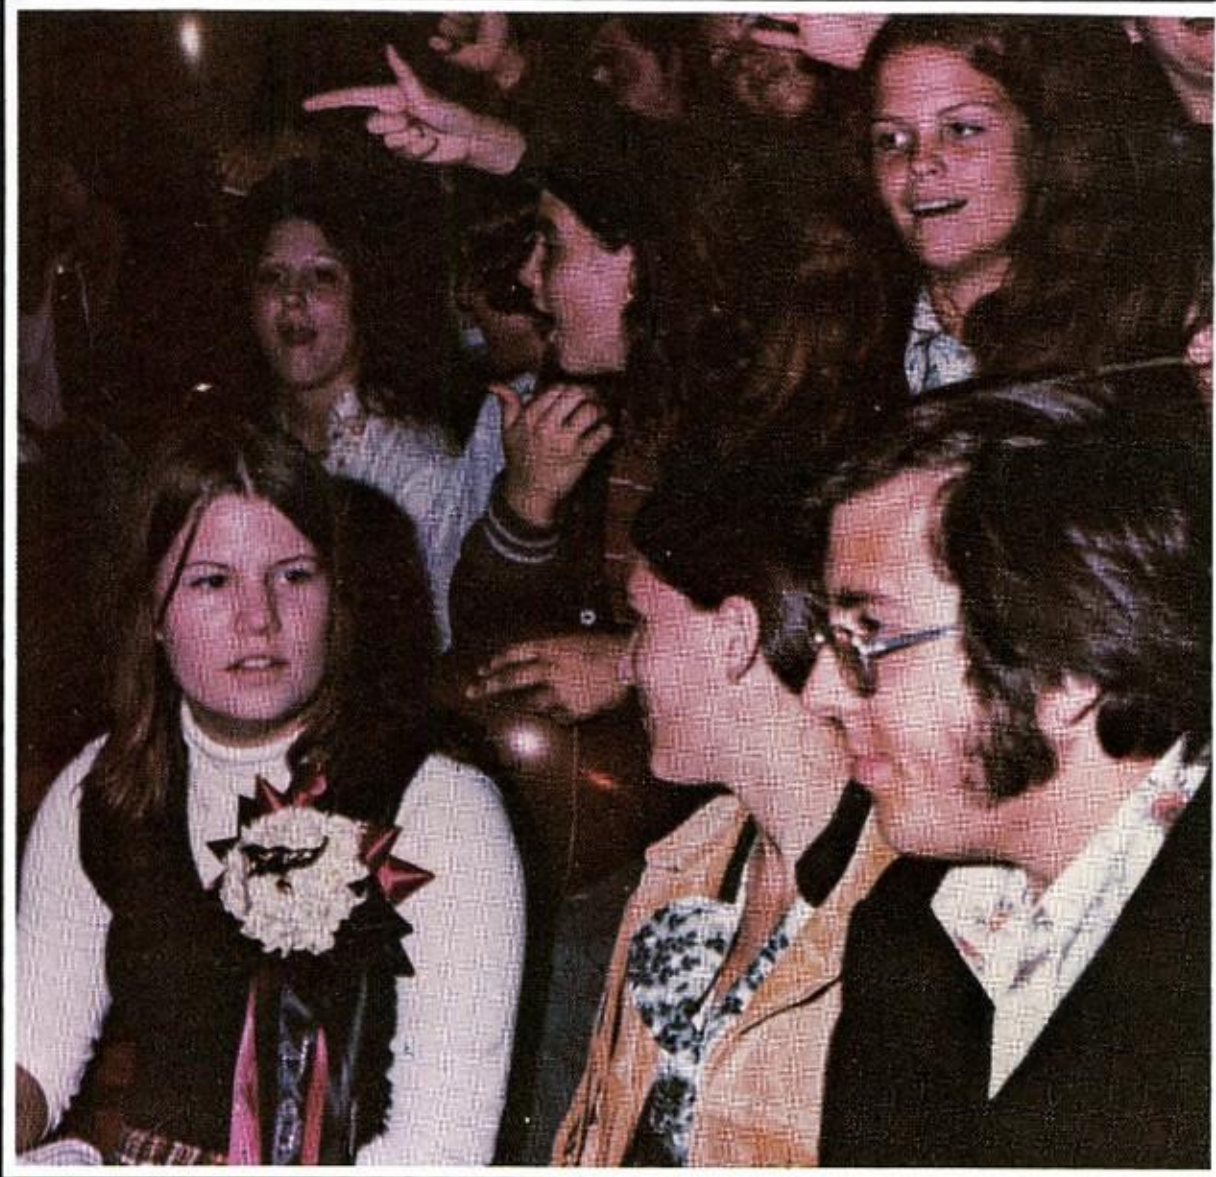

There are friends and
teachers waiting,
With smiles and open arms
And the precious memories
of the years before
Those special moments can
be relived
From beginning to the end
Hey, it's good to be back
home again!

Homecoming '74

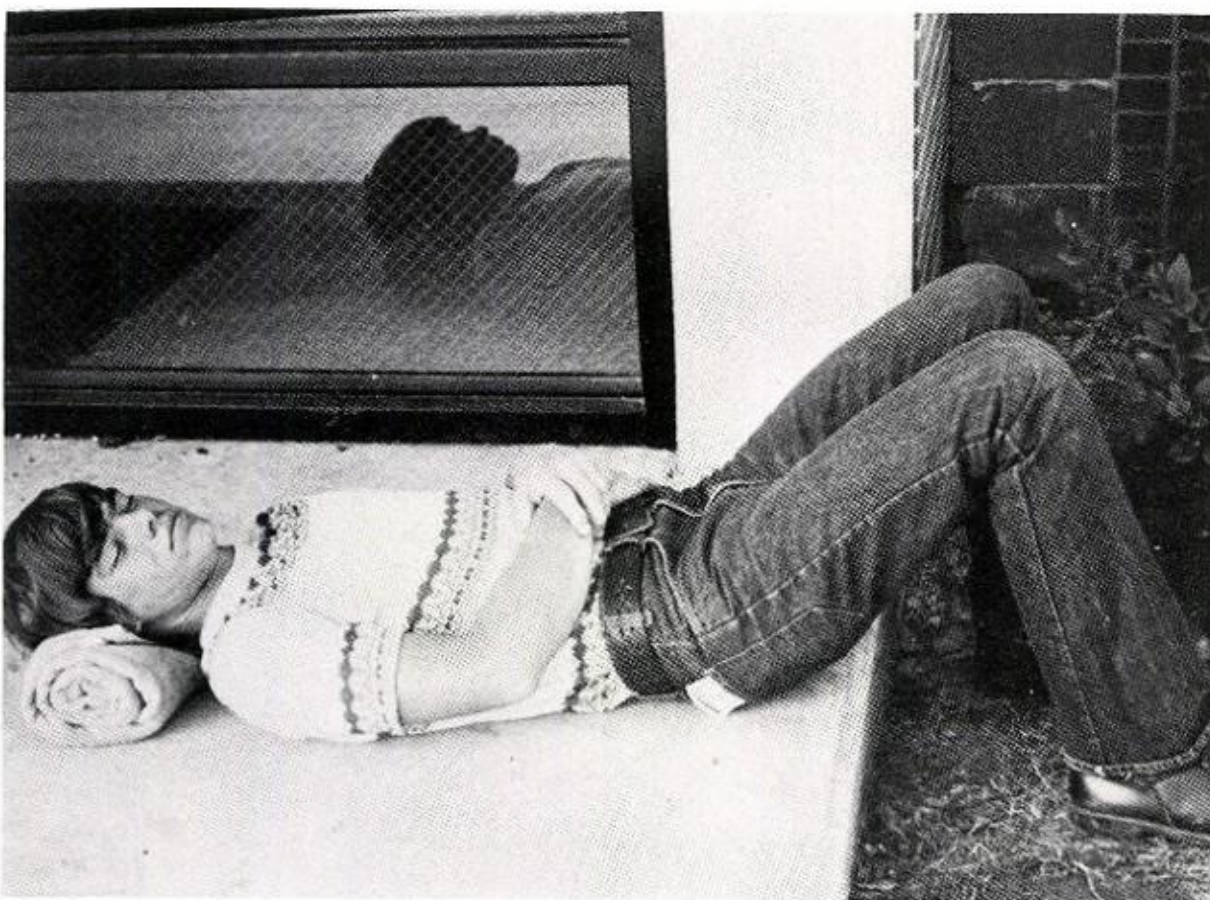

We do not remember days,
We remember moments . . .
Anonymous

"The seventh week of school and I finally got my locker open."

Day is done!

A gentle smile.

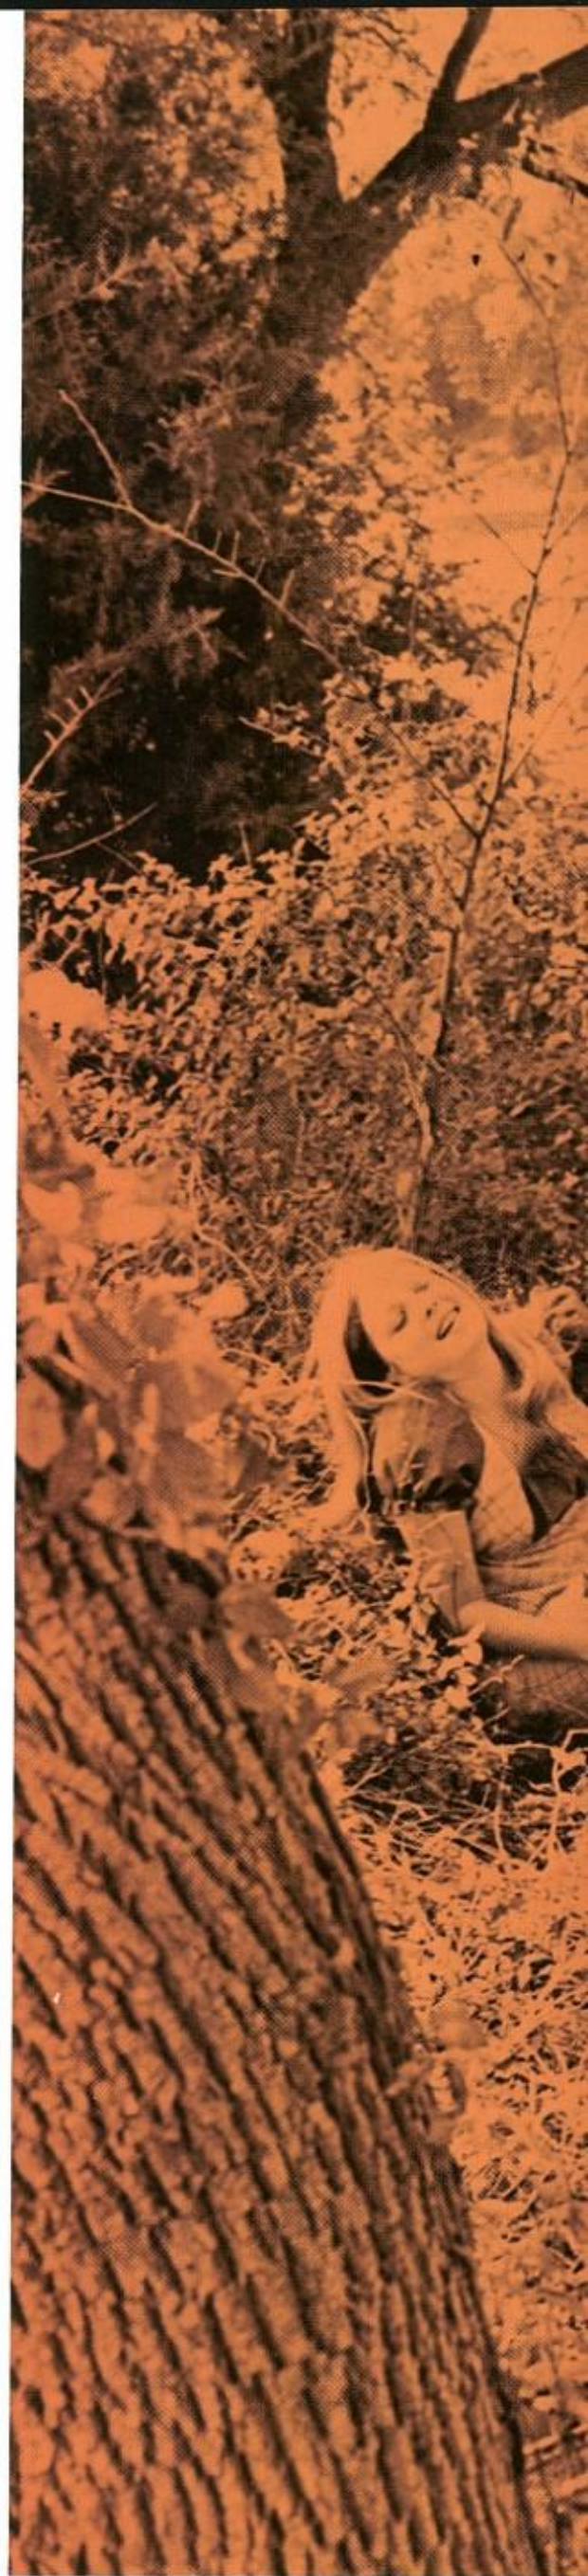

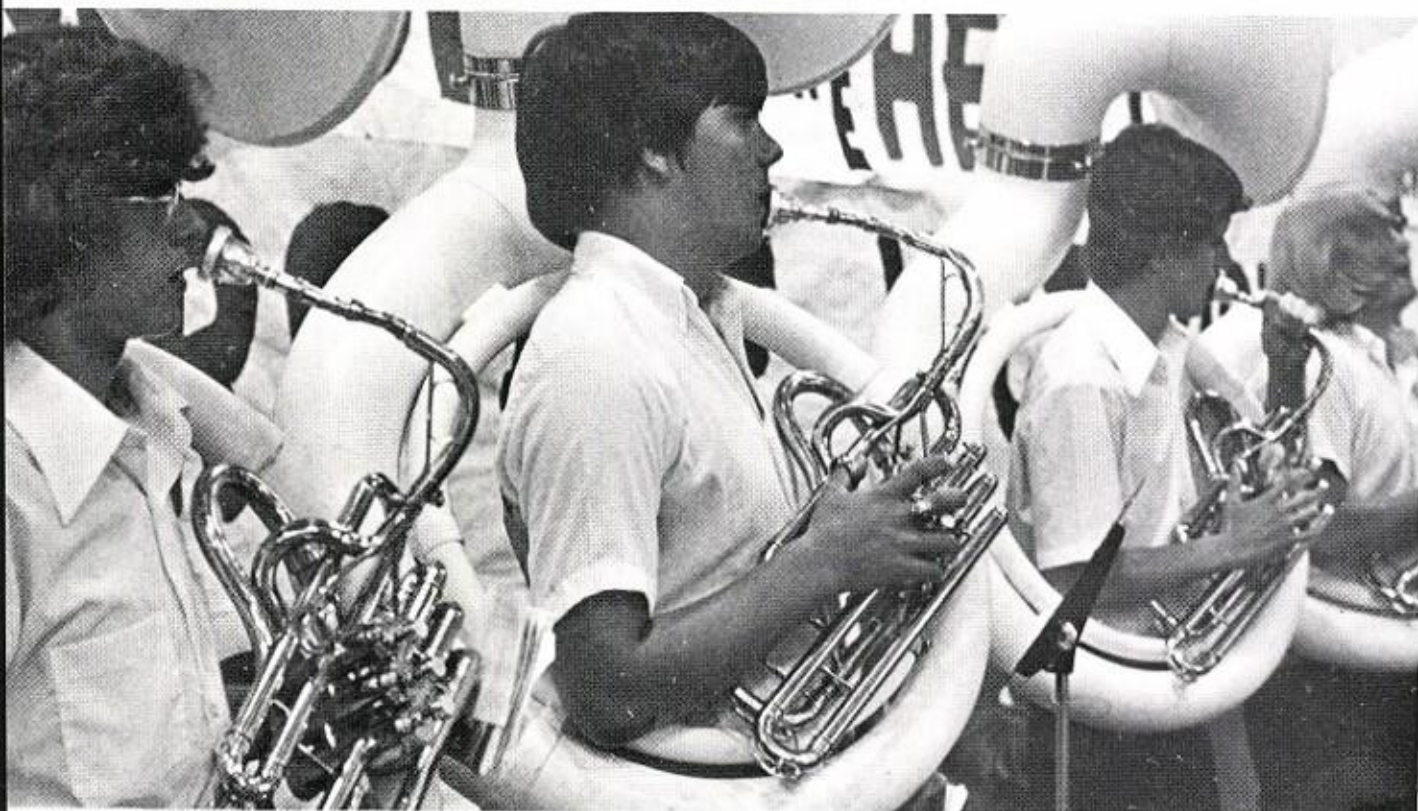

The magic moment when a mutt becomes a Mam'selle.

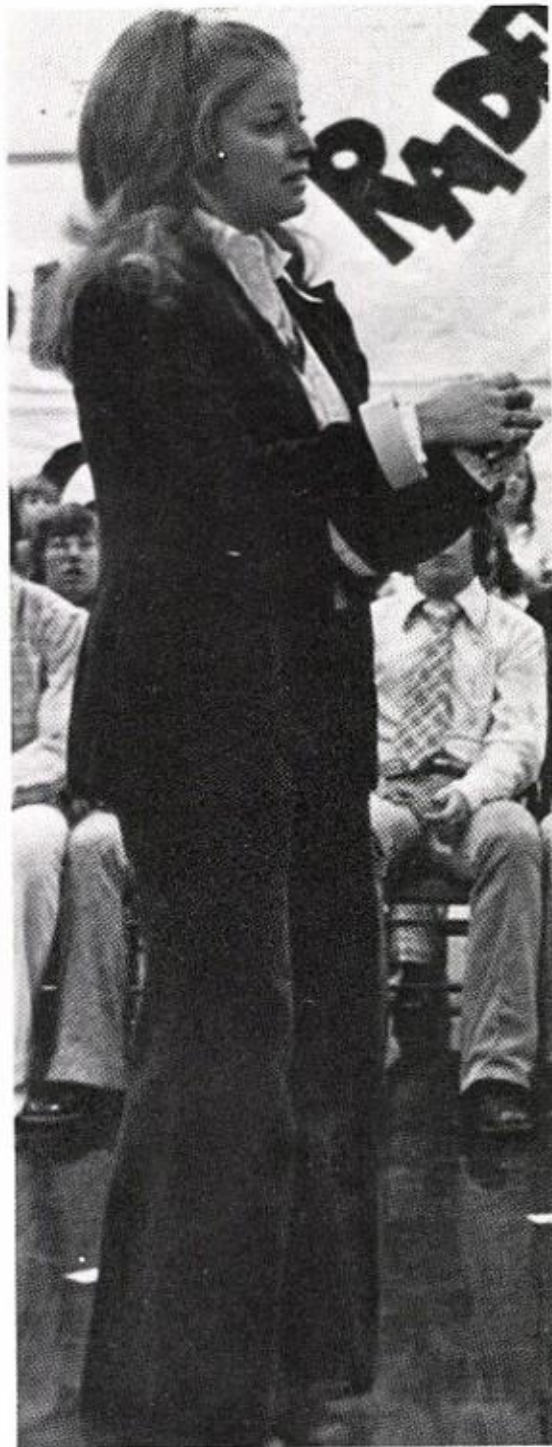

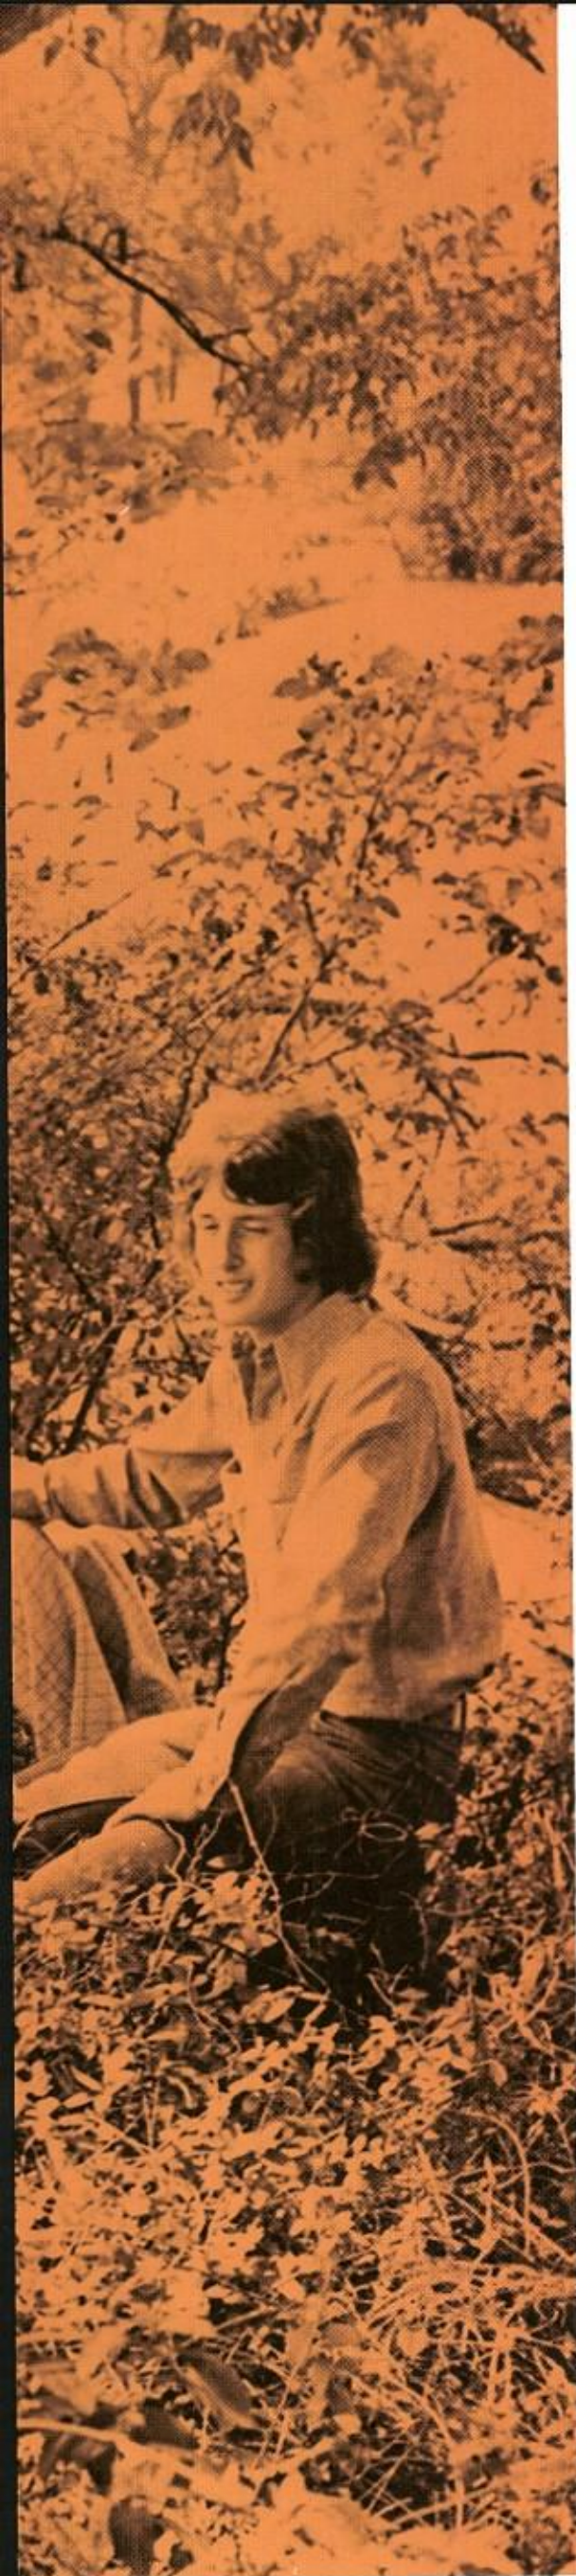

Of course she's smiling; she's a Raider fan.

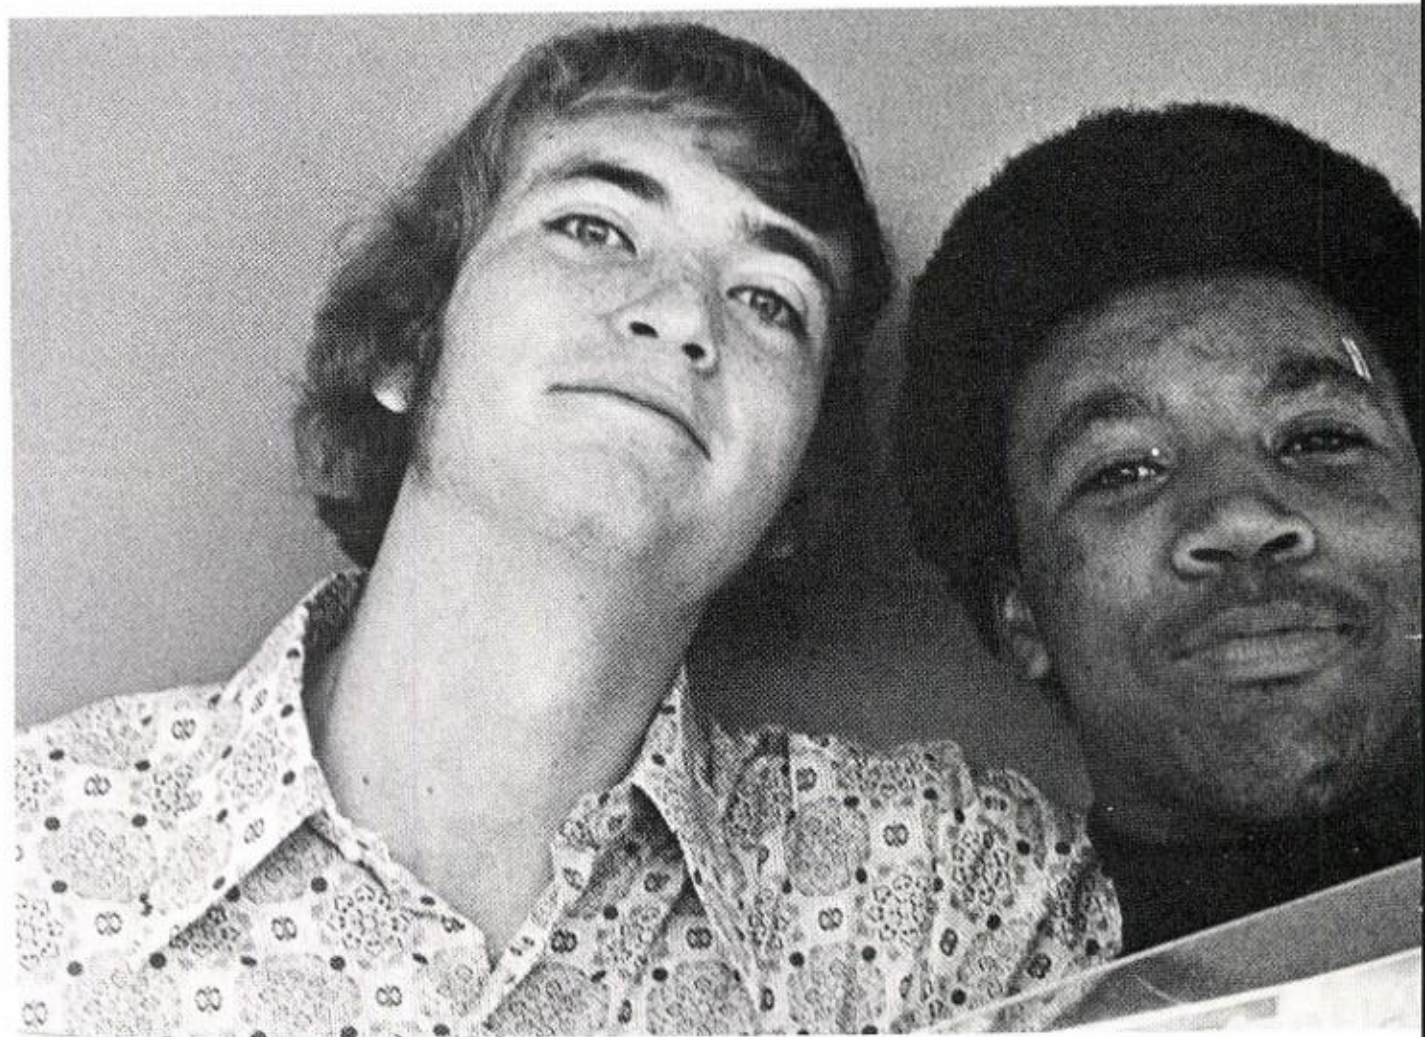

Raider Band is welcomed by Big Tex!

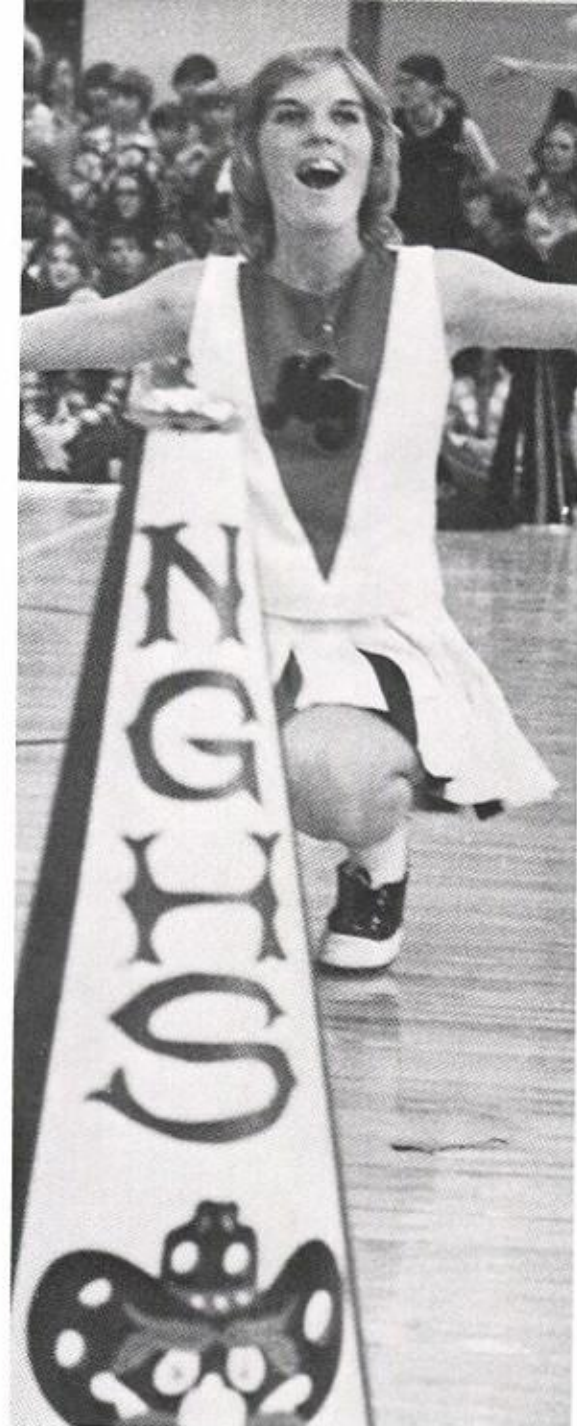

Reflections . . .

The golden stillness of an
autumn day,
Vigorous efforts of the boys
in the band,
Thanks expressed in a sin-
cere way,
And companionship that goes
hand in hand
With the continuing strife
For the "North Garland"
way of life.

Freshman teams back the Varsity.

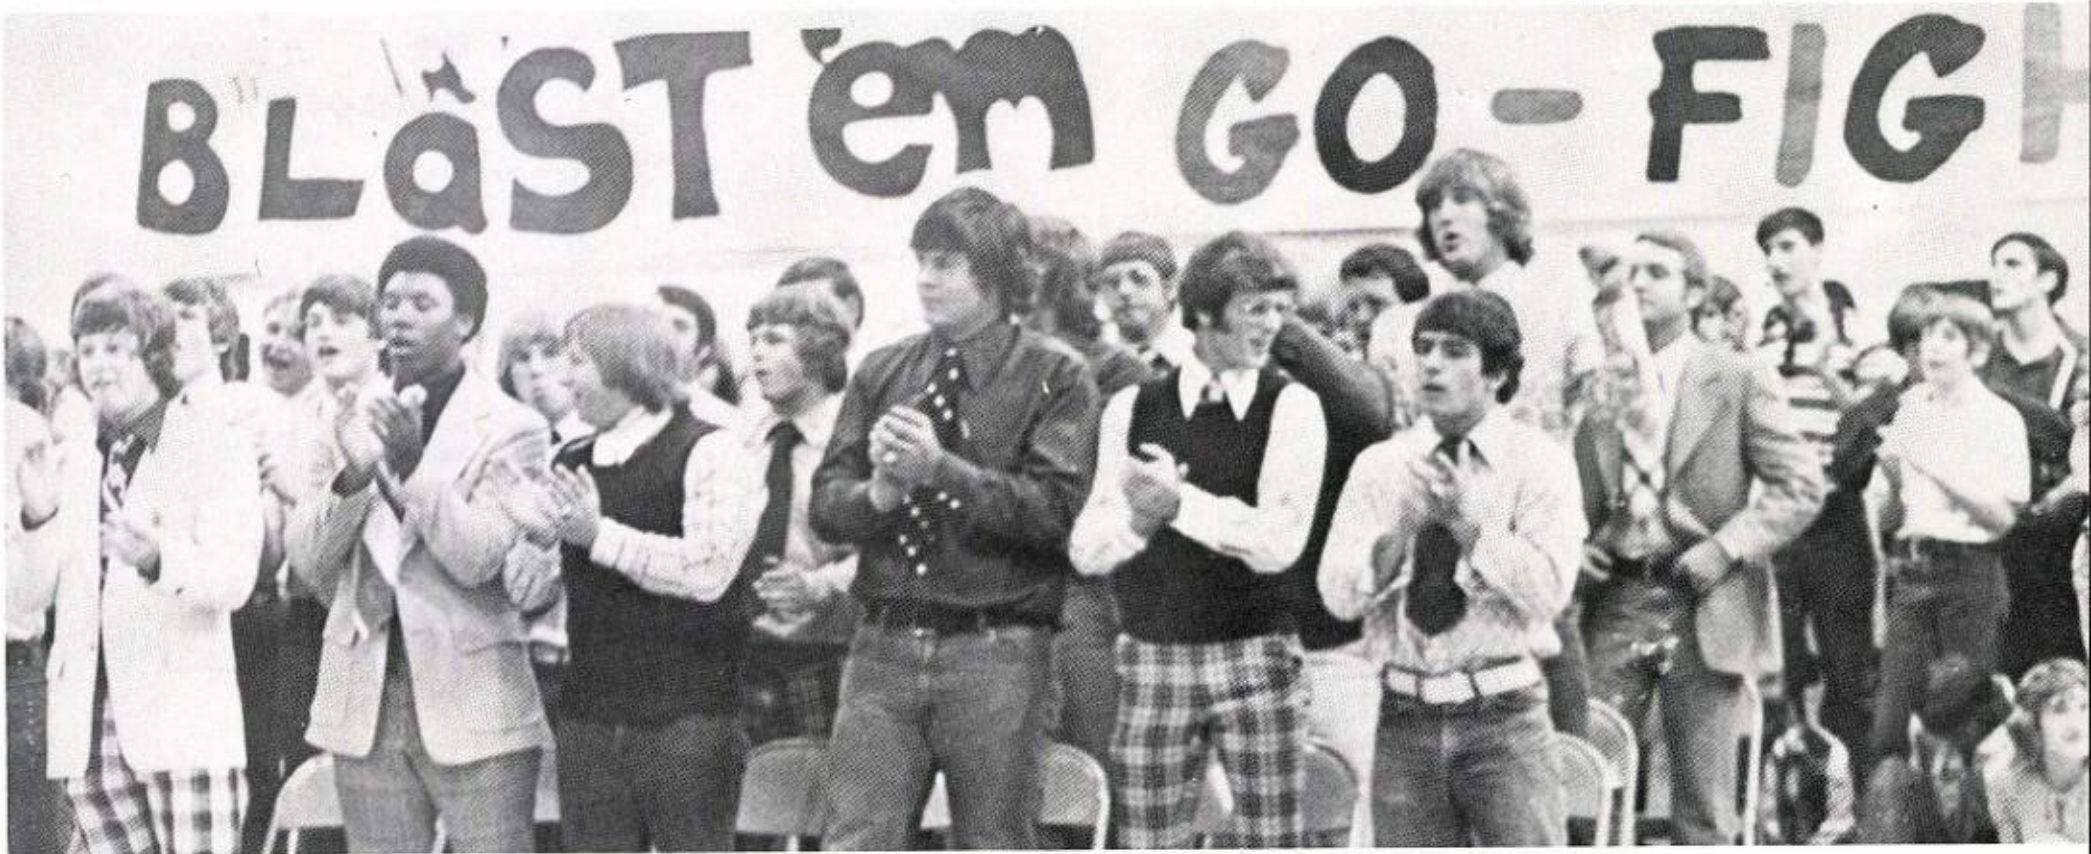

Energy and enthusiasm — that's a Varsity cheerleader.

Those cheerleader skits get more imaginative each week!

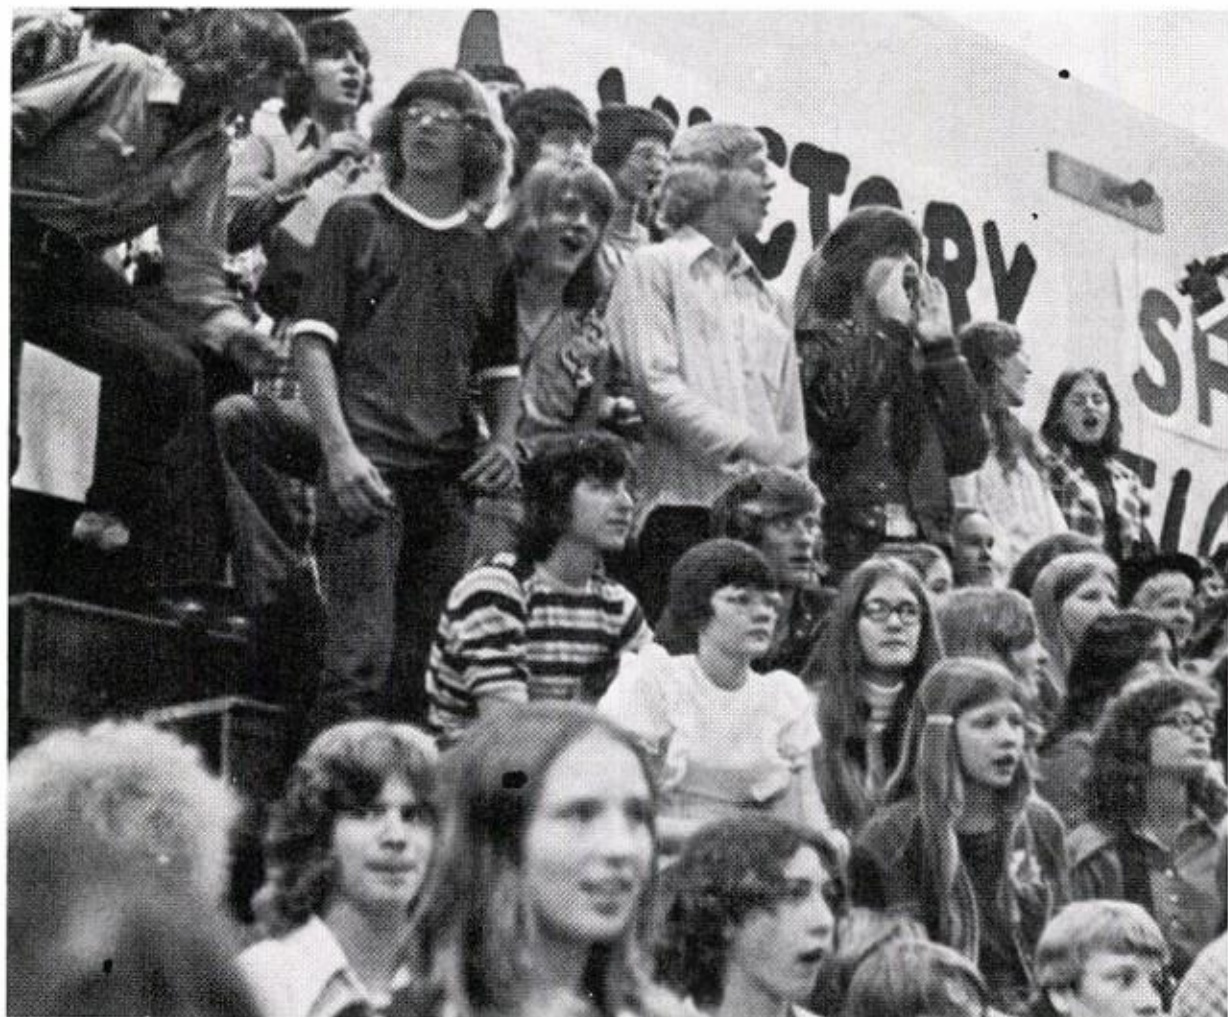

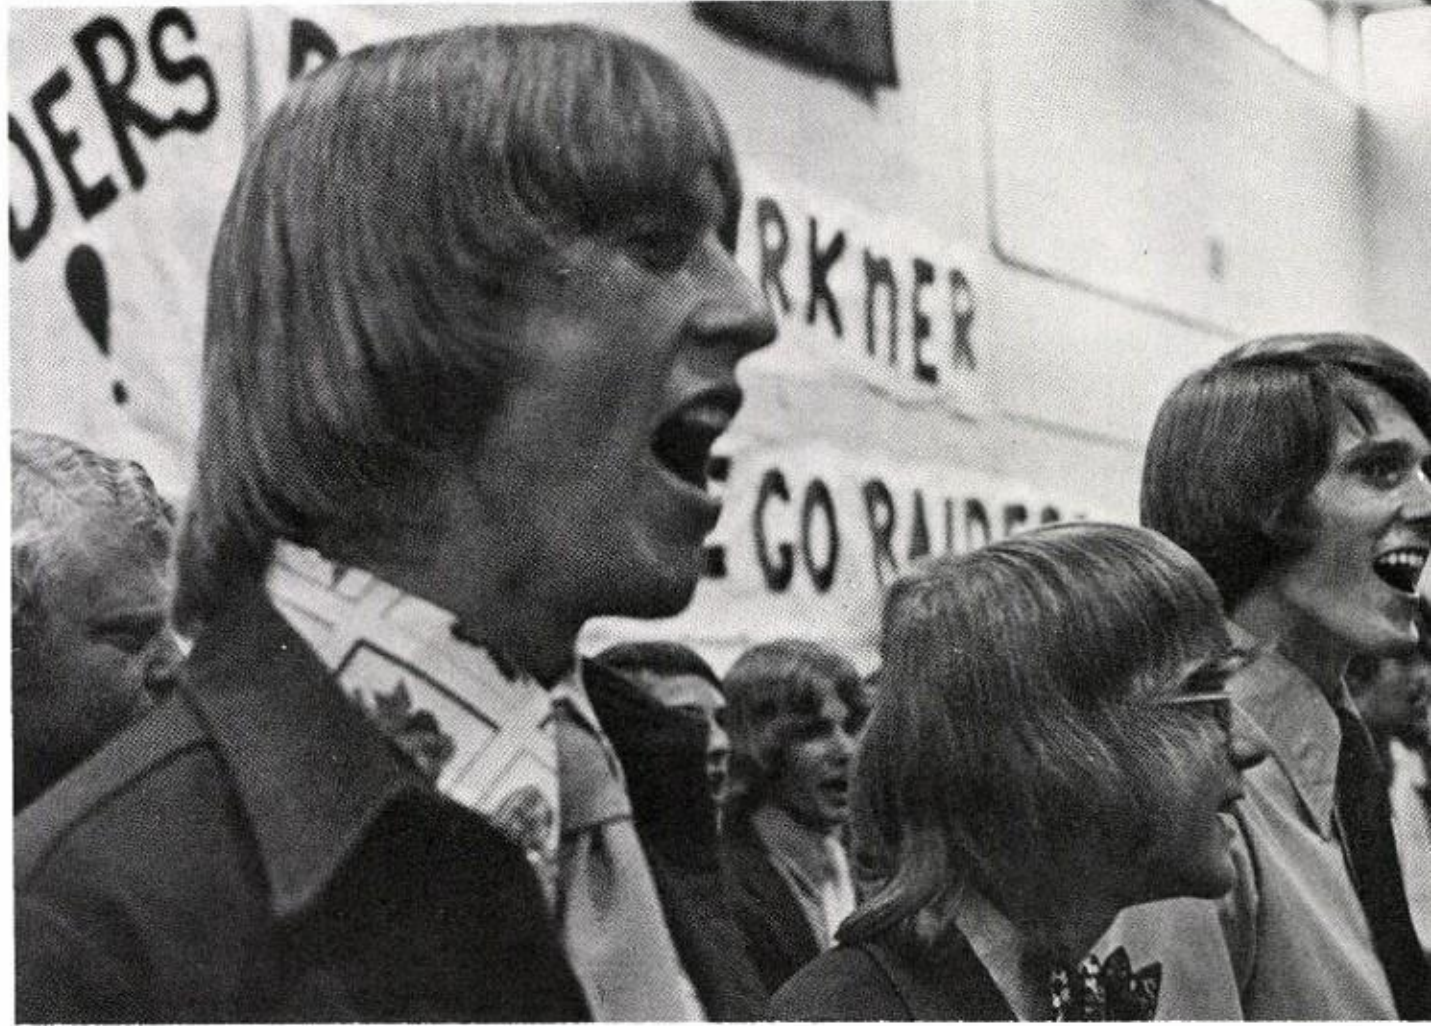

Senior boys do their thing at the pep rally.

The football team exemplifies what Coach Beavers said at our first pep rally, "They are a part of us, and we are a part of them."

A pep rally is an experience — one that ranges from the familiar cheer of the senior boys to the reverence of our Alma Mater, spiced with enthusiastic students, a high performance band, and the appreciated efforts of the cheerleaders and drill teams. But, it is the combination, the unity of these factors that determines the final, rewarding product — a North Garland pep rally.

2,000 links of senior spirit bound together into one . . .

You never know what the fashion world will come up with next!

Juniors jive on at the pep rally.

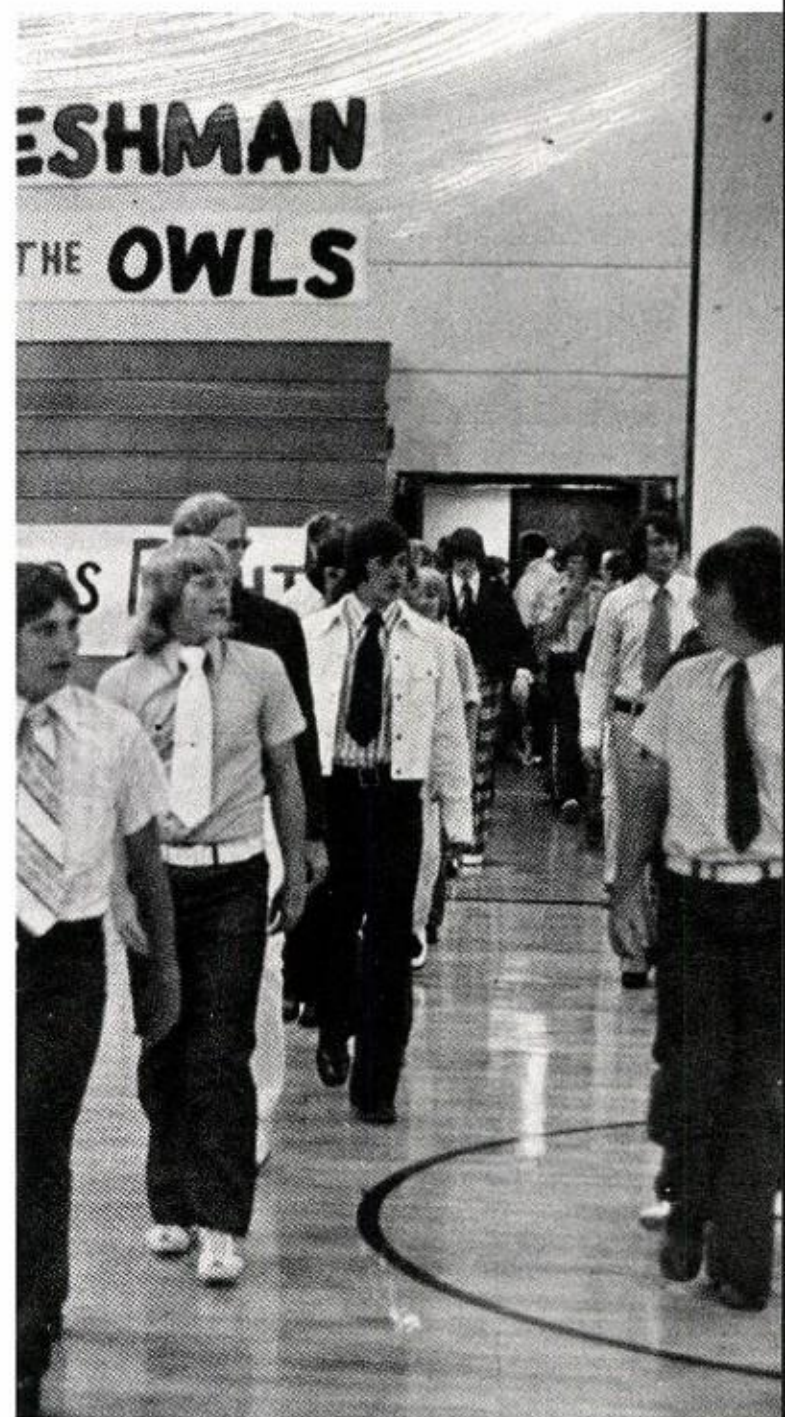

"Smile! You're on Candid Camera!"

"I wonder what's taking him so long he said he'd be here at 3:30!"

Raiders express their talents in many ways.

Freshman football boys bask in the glory of their own pep rally.

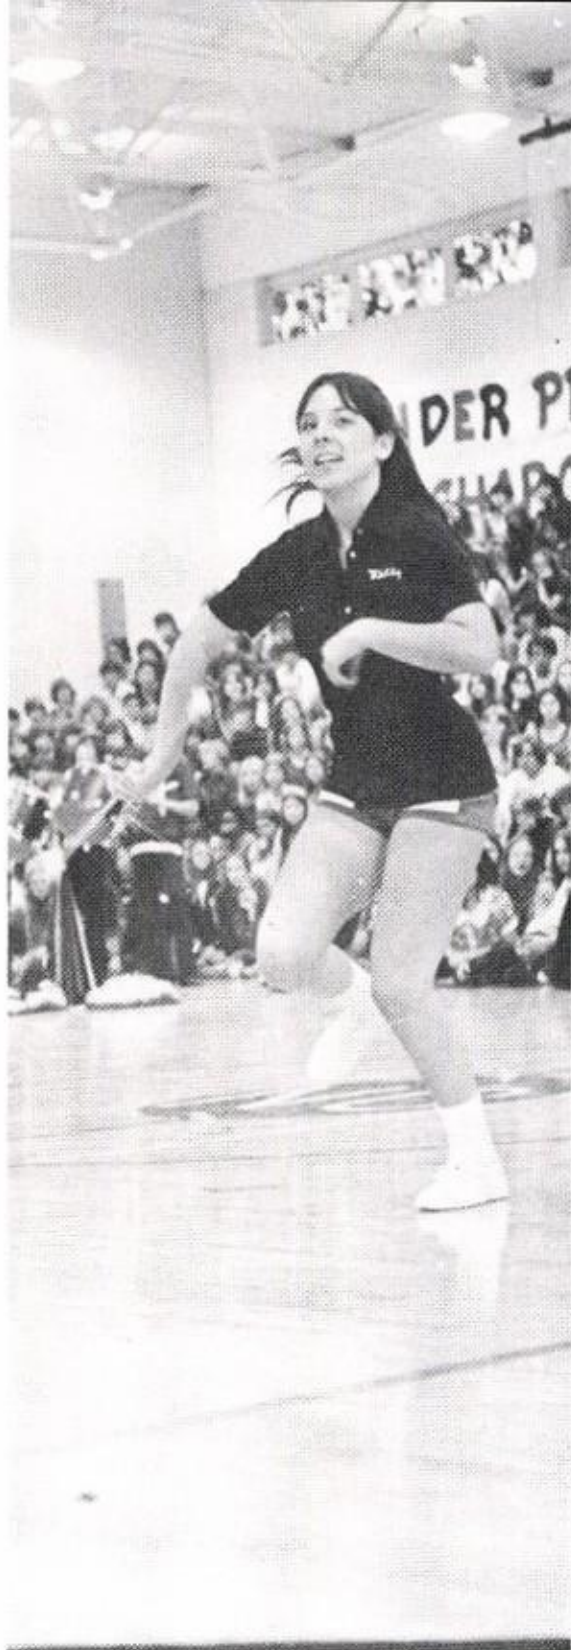

Here they are — The "pom-pom" boys!

North Garland has some new athletes,
 They make an awesome team,
 Cornett, Beavers, and Garcia,
 They mutilate ice cream.

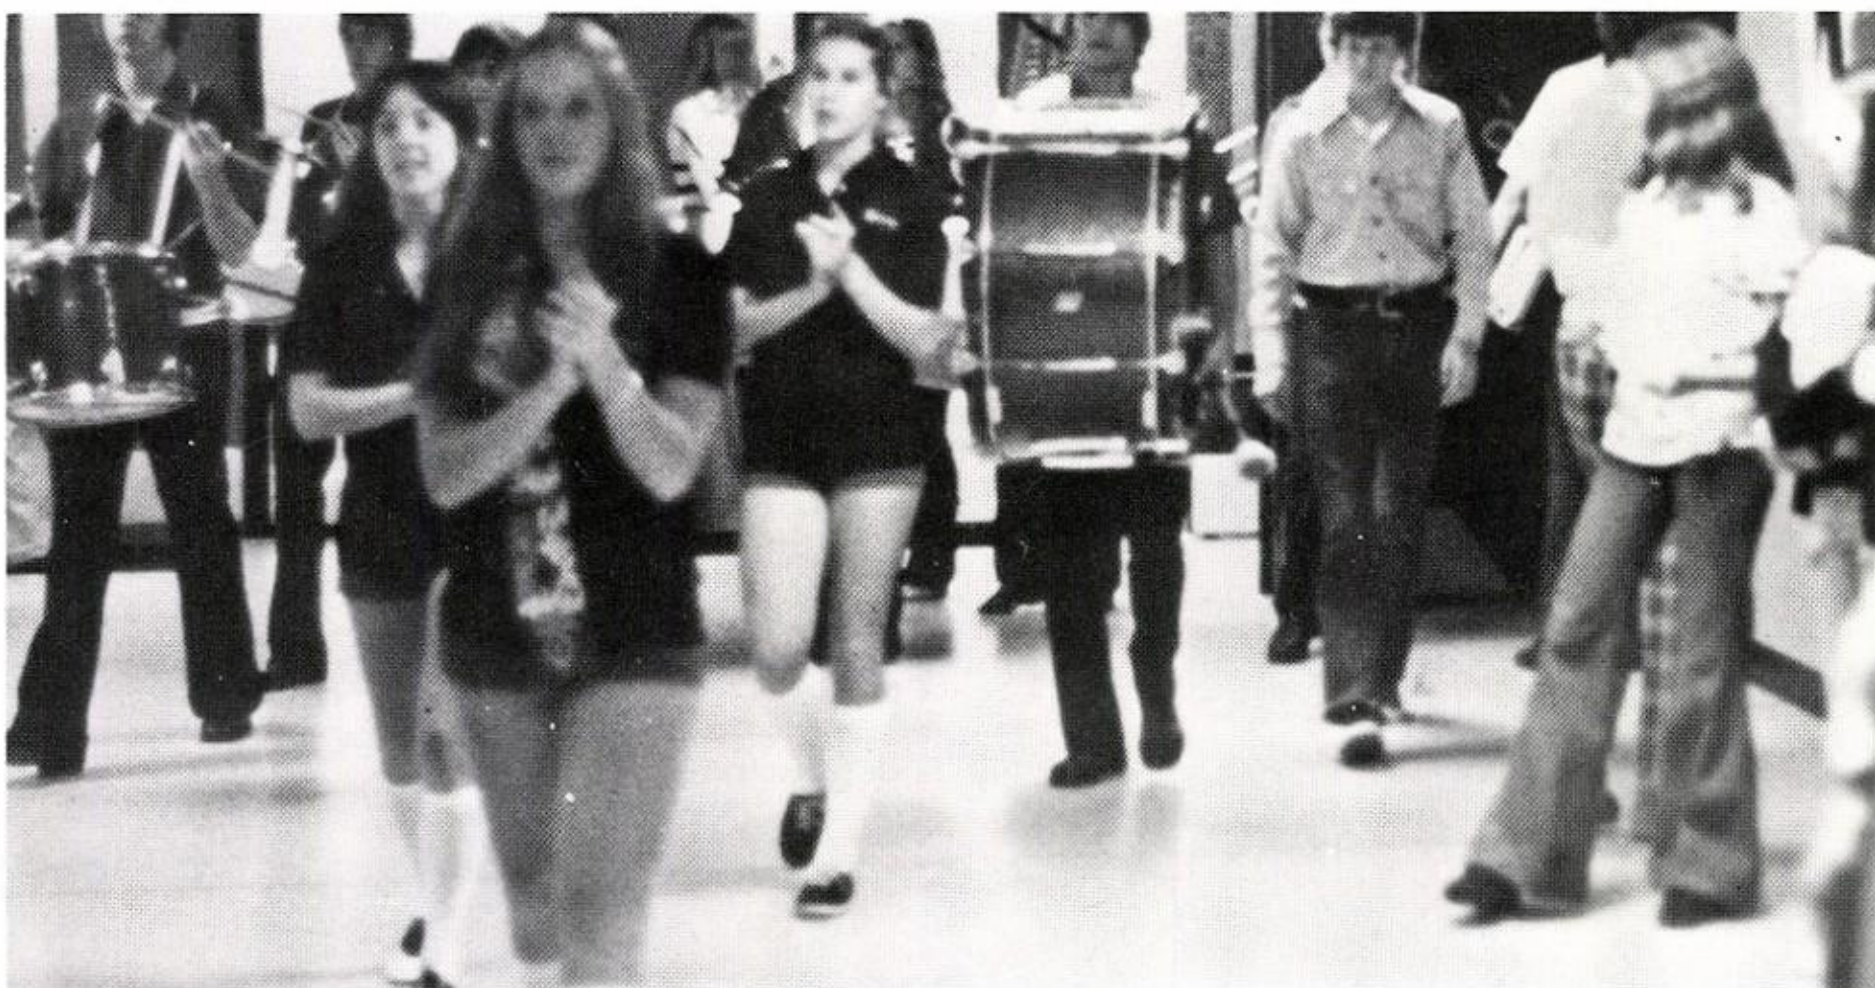

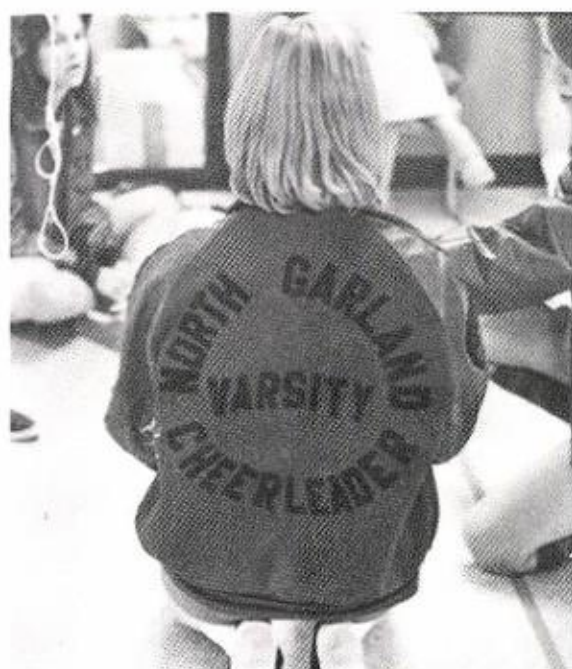

Hands tied securely behind their backs,
 They await anxiously,
 Then plunge into the frosty mounds,
 Faces covered totally.

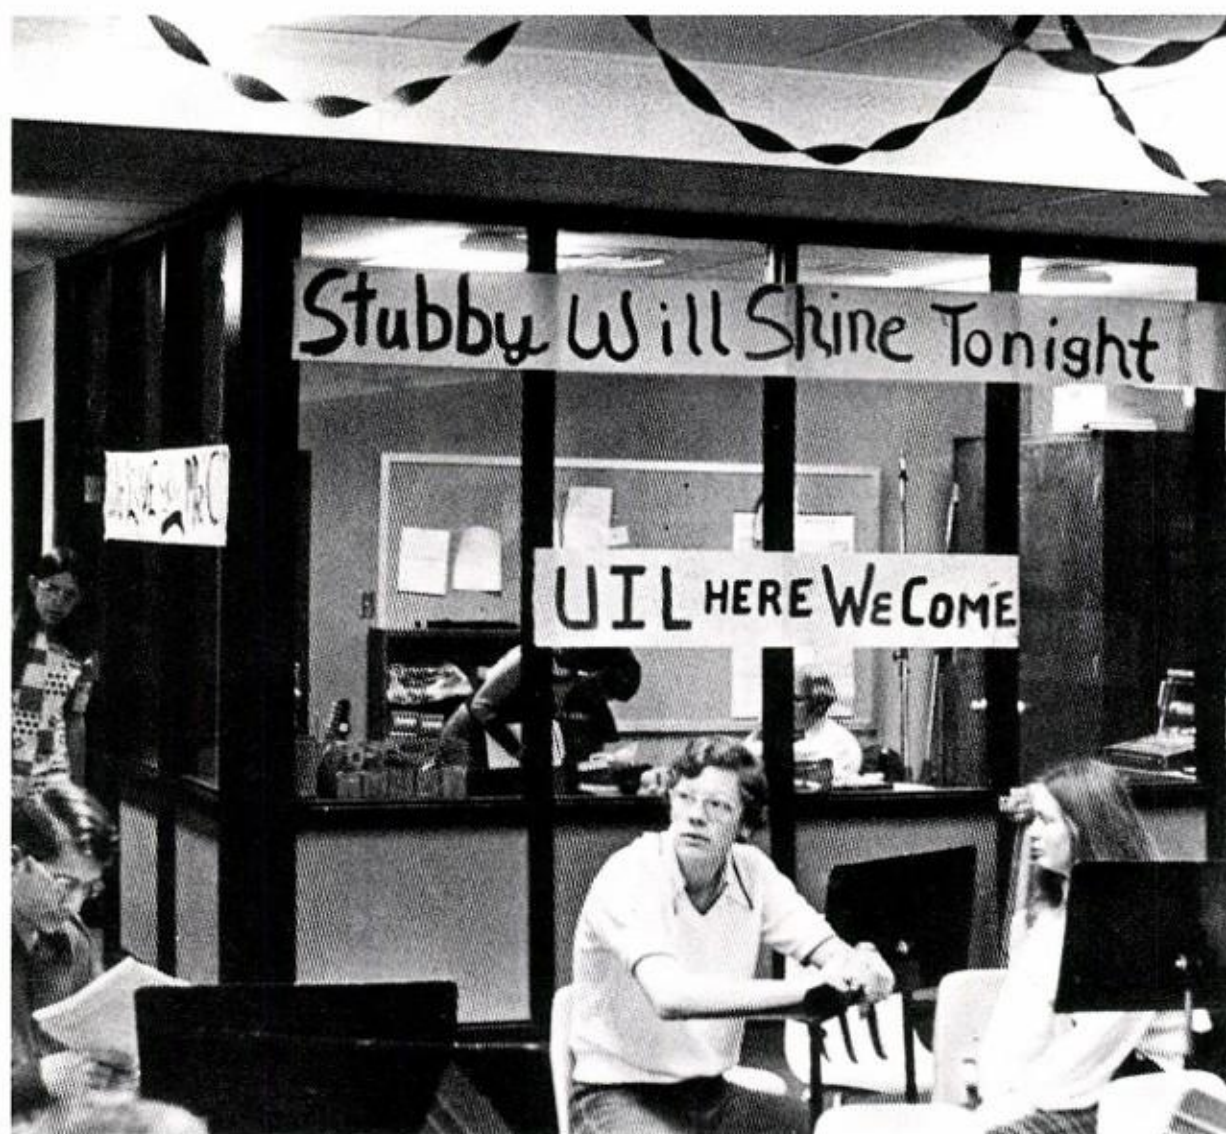

It's a busy life a Raider leads,
 So much spirit to release!
 Through serenades by the band,
 Or spirited cheers by a Raider fan.

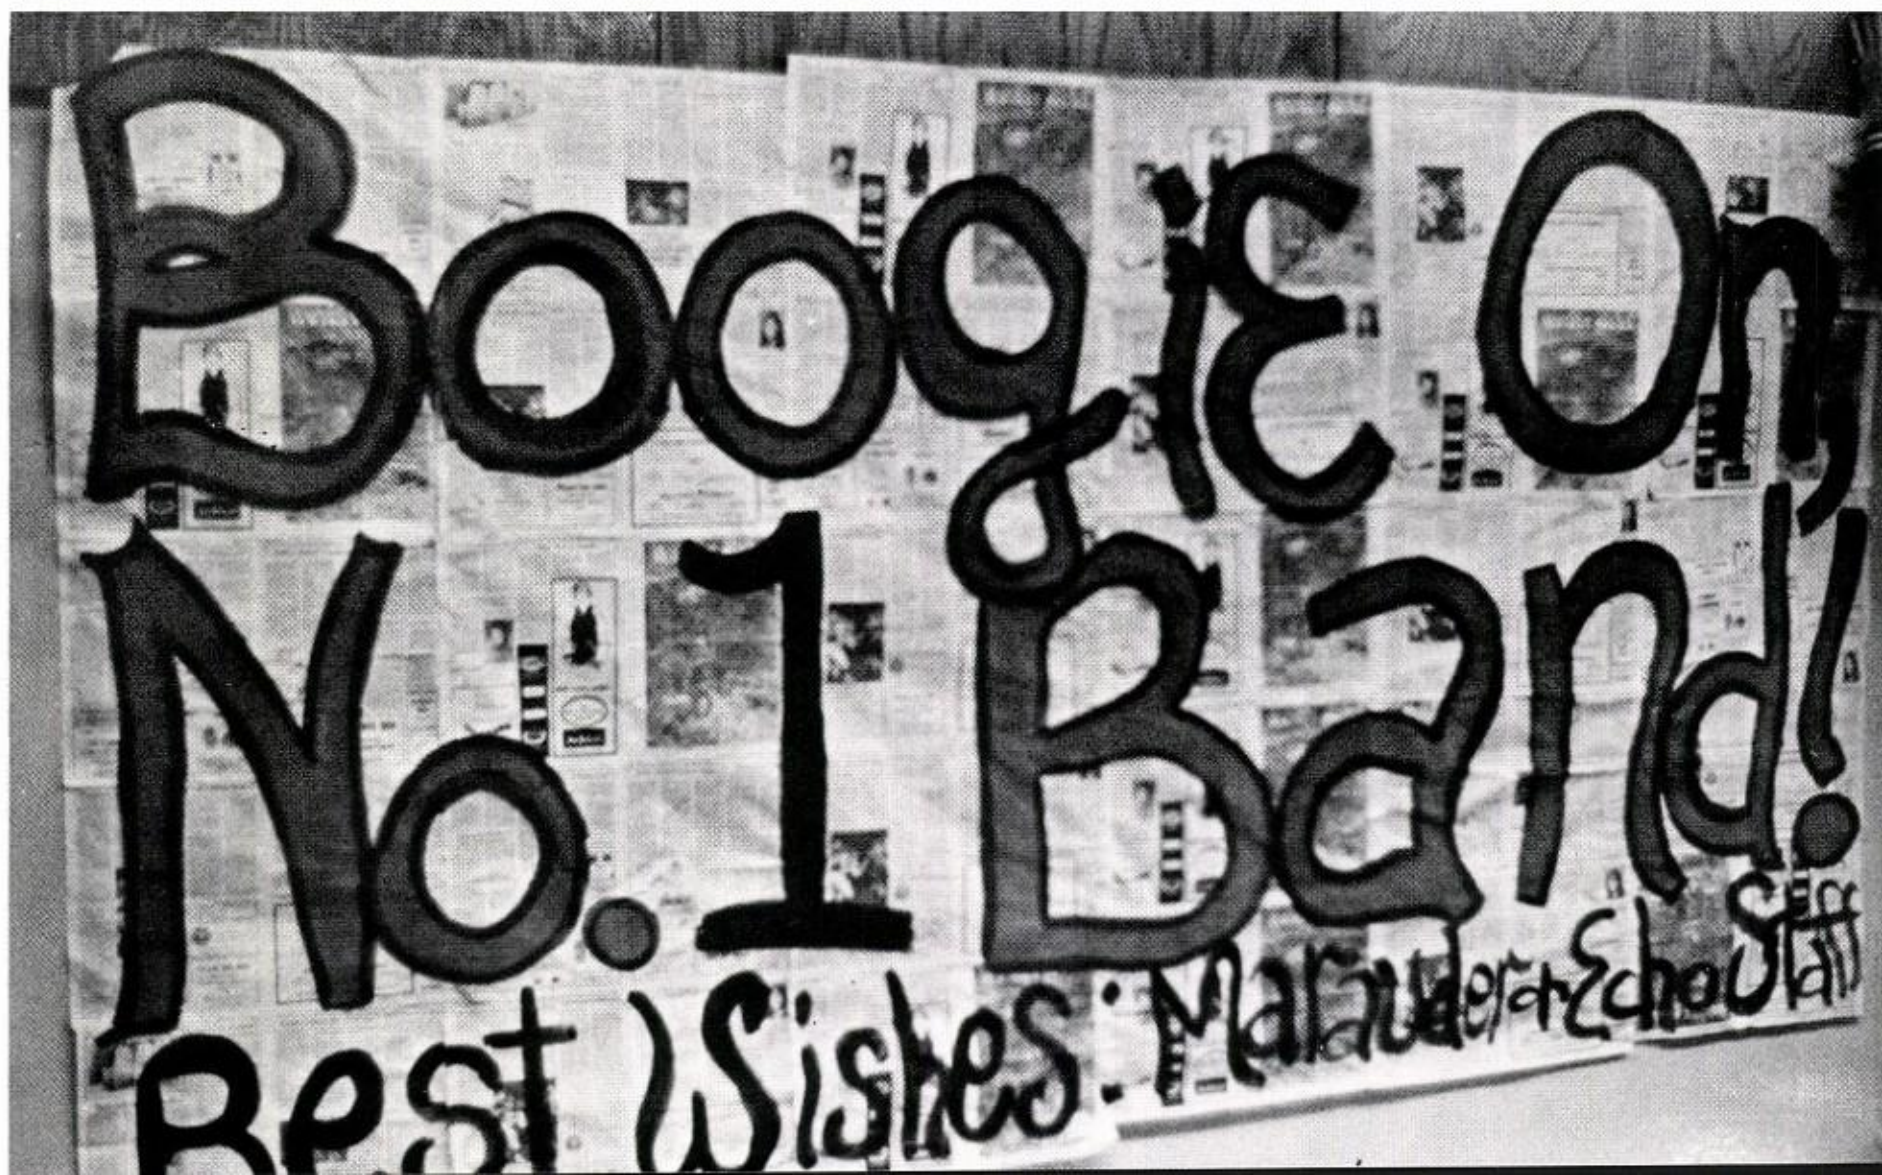

All efforts reflect a certain pride
 A Raider feels deep inside,
 When he knows the cause is worthwhile,
 All work is done with a Raider smile!

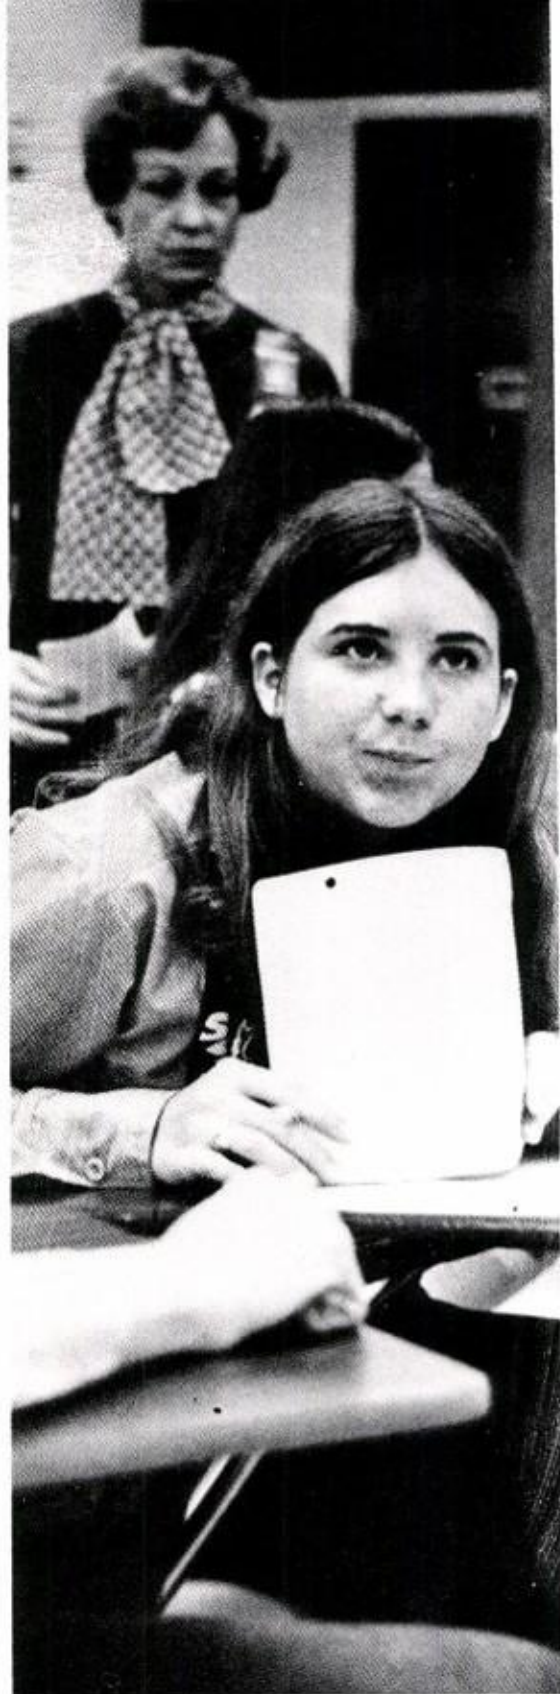

Decorations cover the bandhall before Marching Contest.

Publications are band boosters.

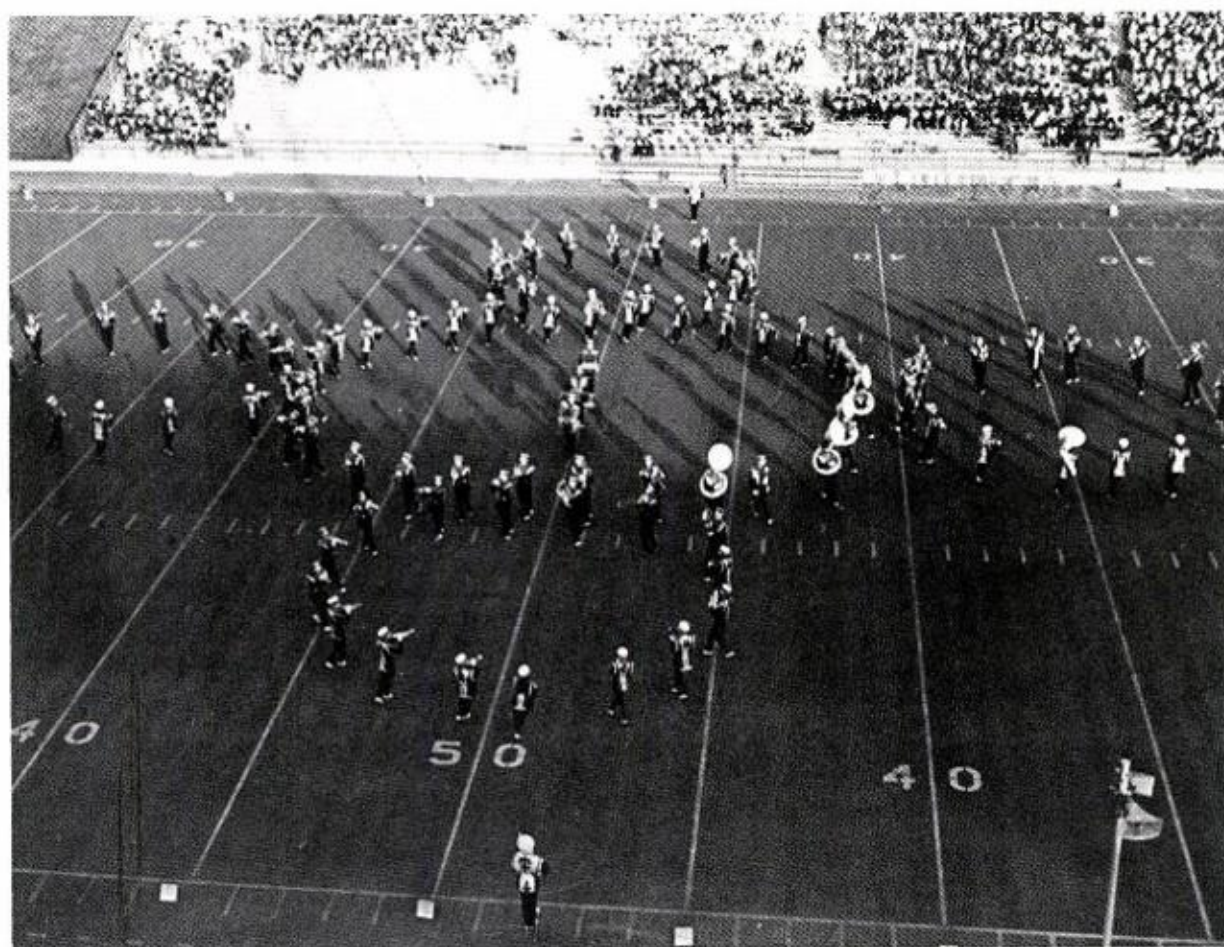

"One more word about Watergate, and I'll scream."

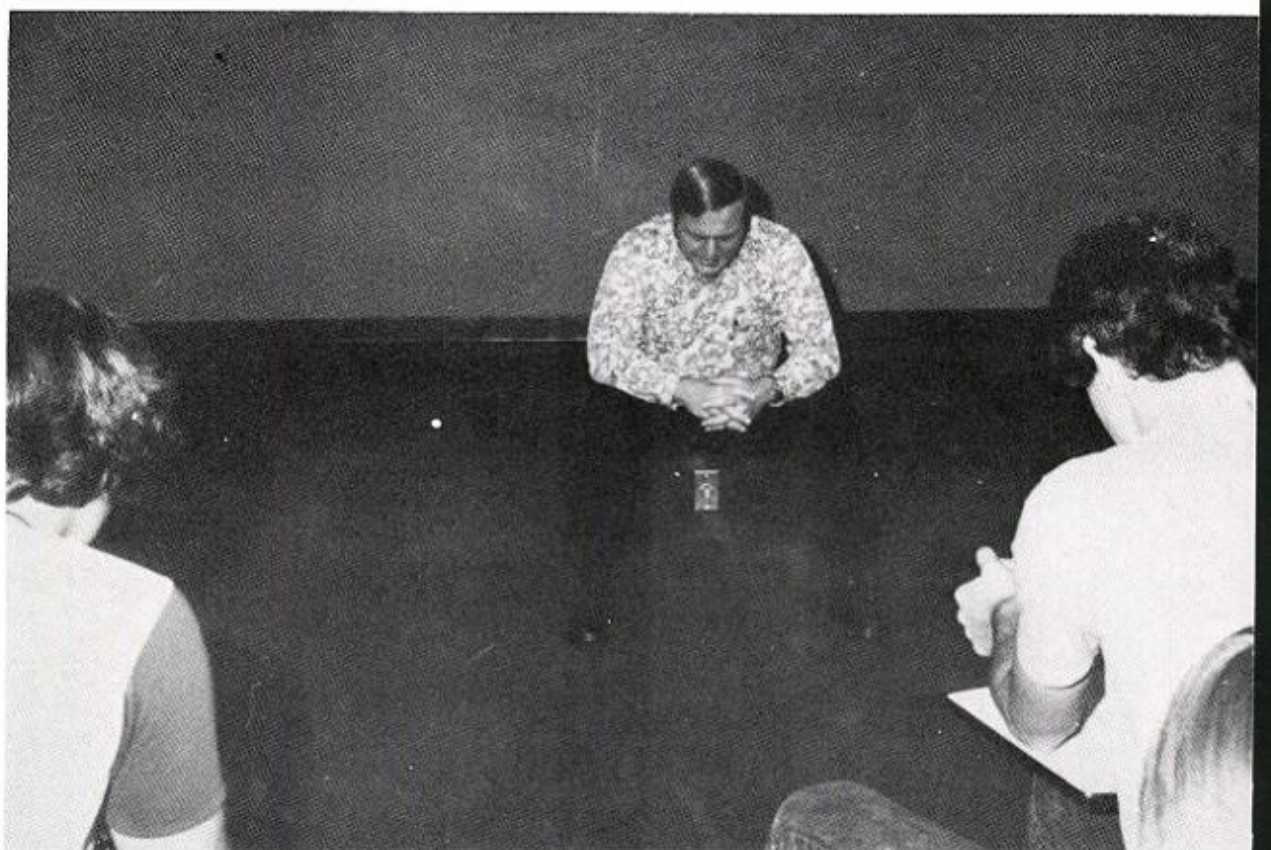

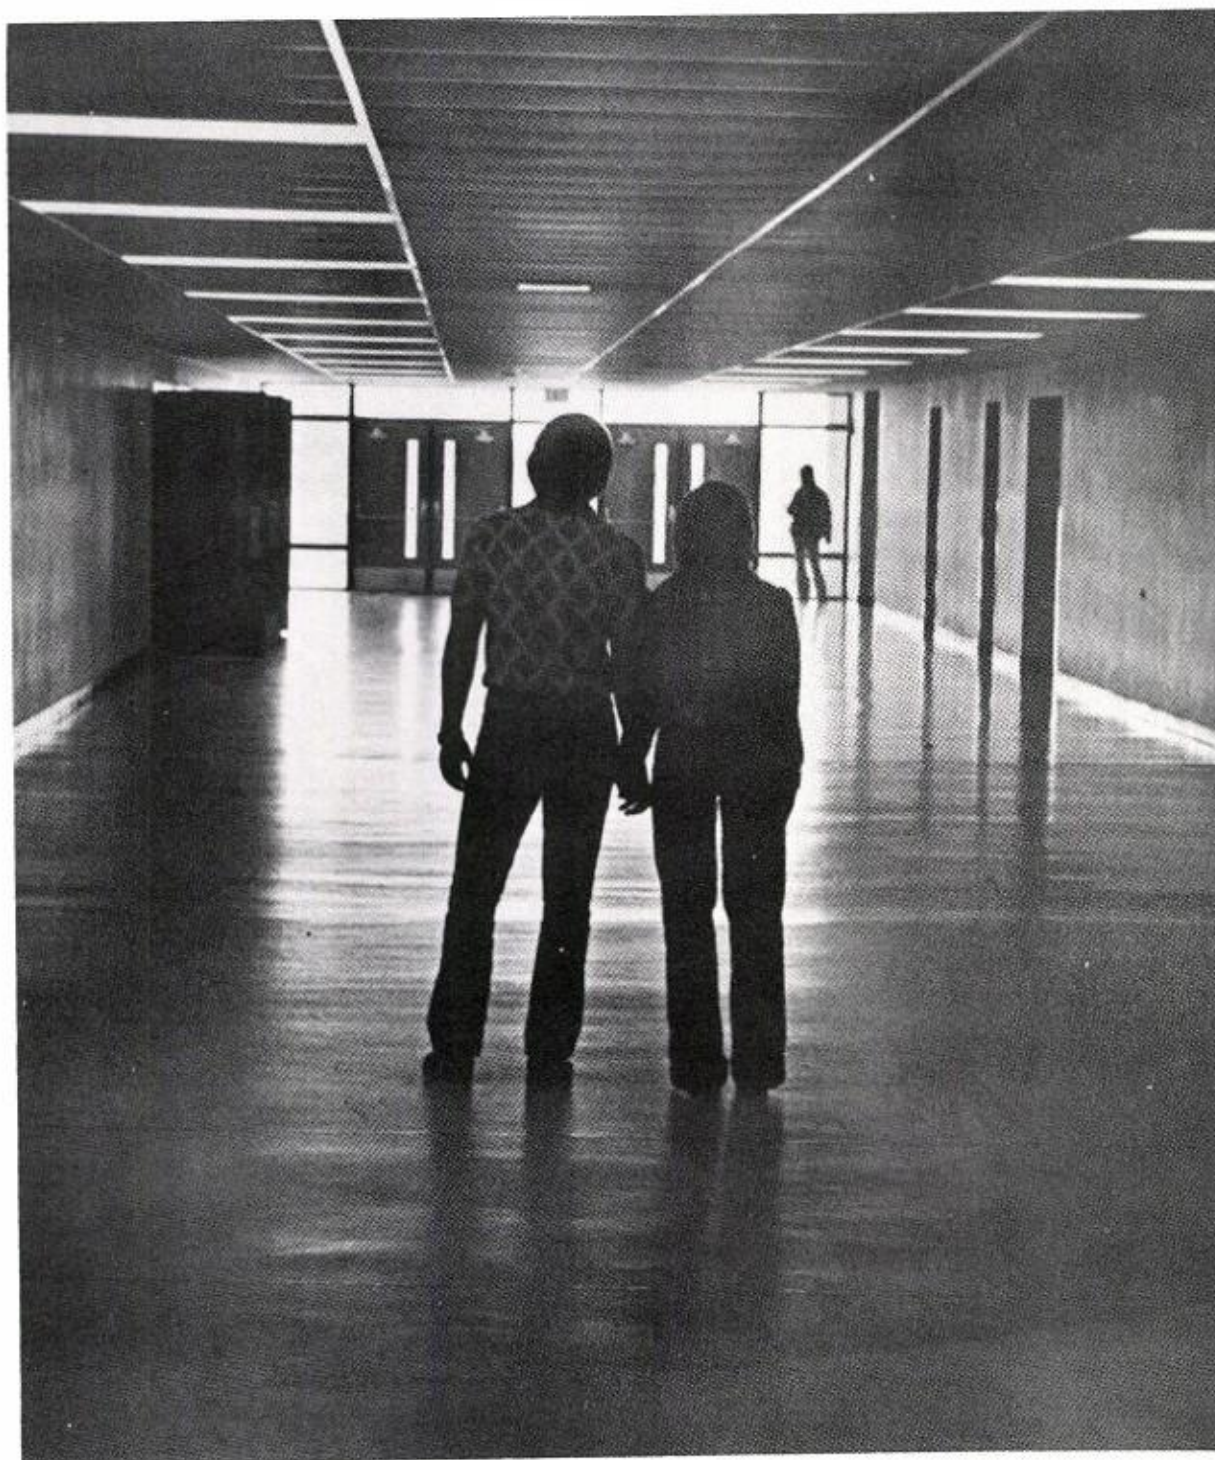

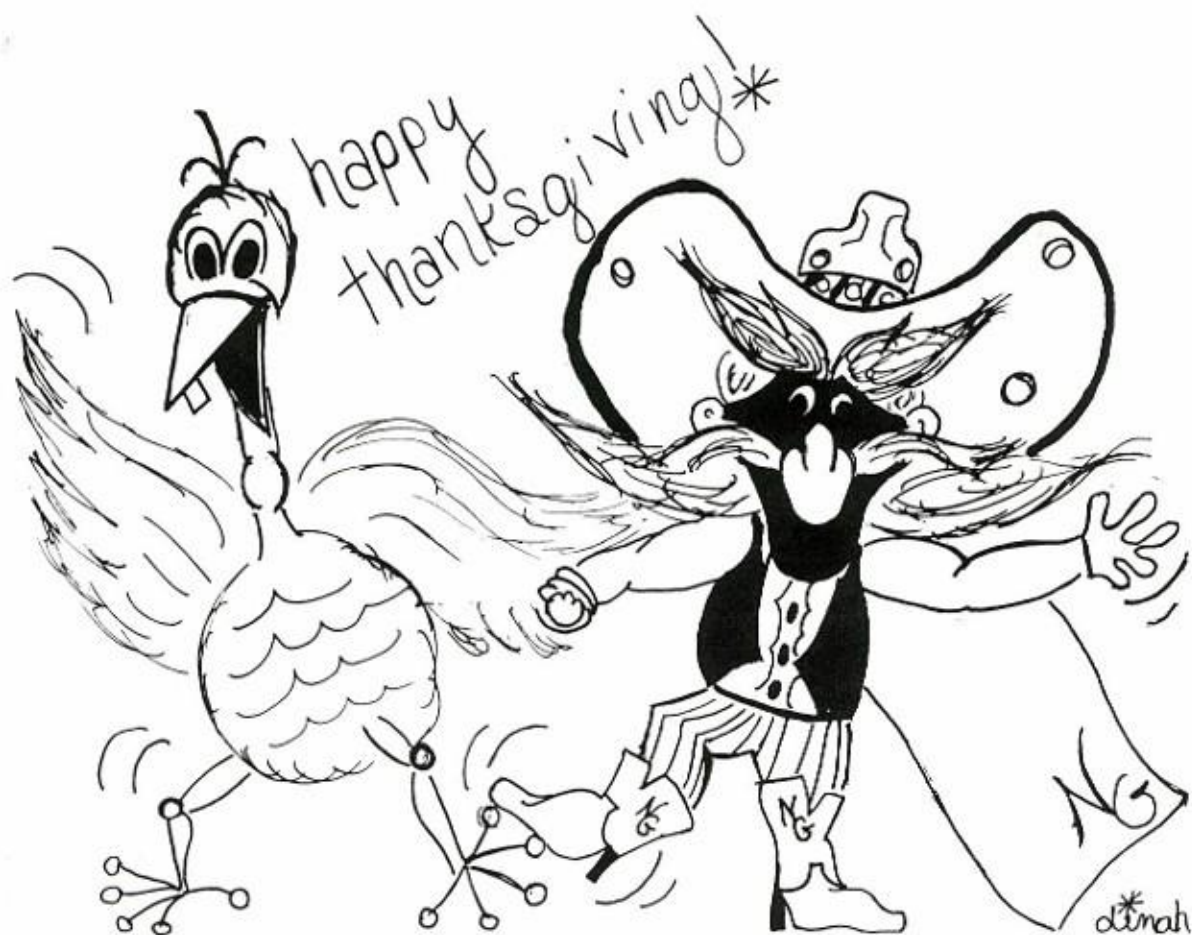

North Garland faculty enjoys watching Freshman football team.

Raider Band performs at UIL Marching Contest.

God —
 You are not forgotten,
 Your gifts are too obvious.
 Many times we take them
 for granted or become so
 involved in our own busy
 lives we overlook them,
 but on Thanksgiving,
 we are made to stop —
 put all things aside,
 And realize the gifts you've
 made dearest to us.
 We may find it in . . .
 . . . a silence spent talking
 with you,
 . . . the reassuring hand of a
 loved one,
 . . . good times and laughs
 with friends
 . . . that extra effort found
 in the hearts of helpful
 people
 . . . moments of sharing feelings,
 thoughts, and thanks for
 each other — and You.

OEA installed new members in an expressive candlelight ceremony on October 24.

Practice, Practice, Practice!

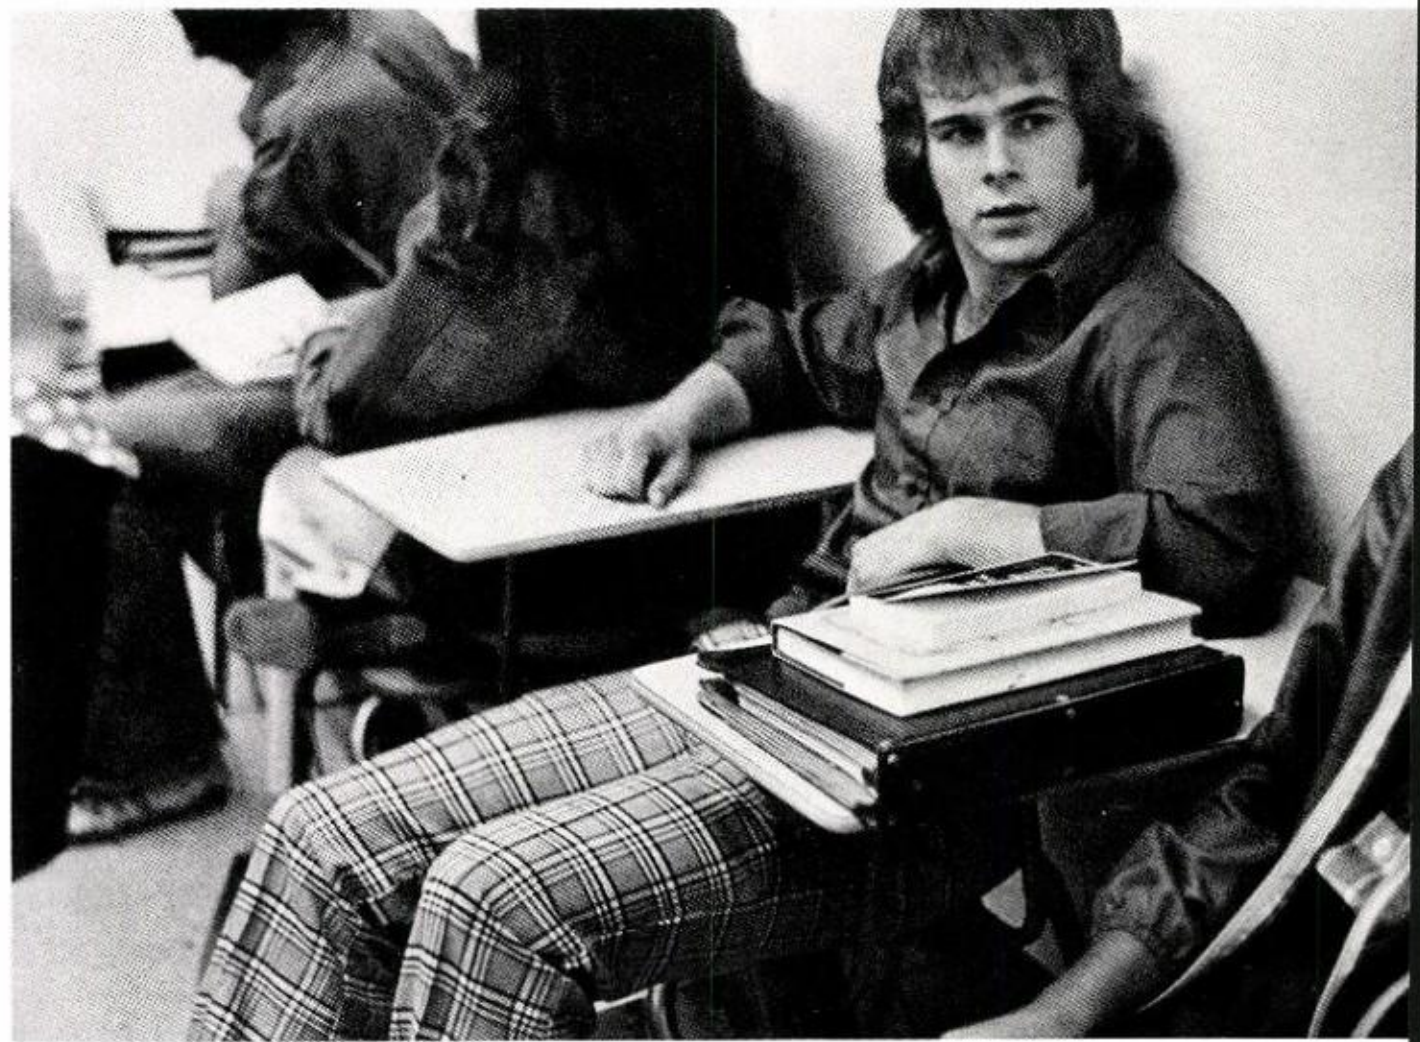

"Oh my gosh! I think it's stuck!"

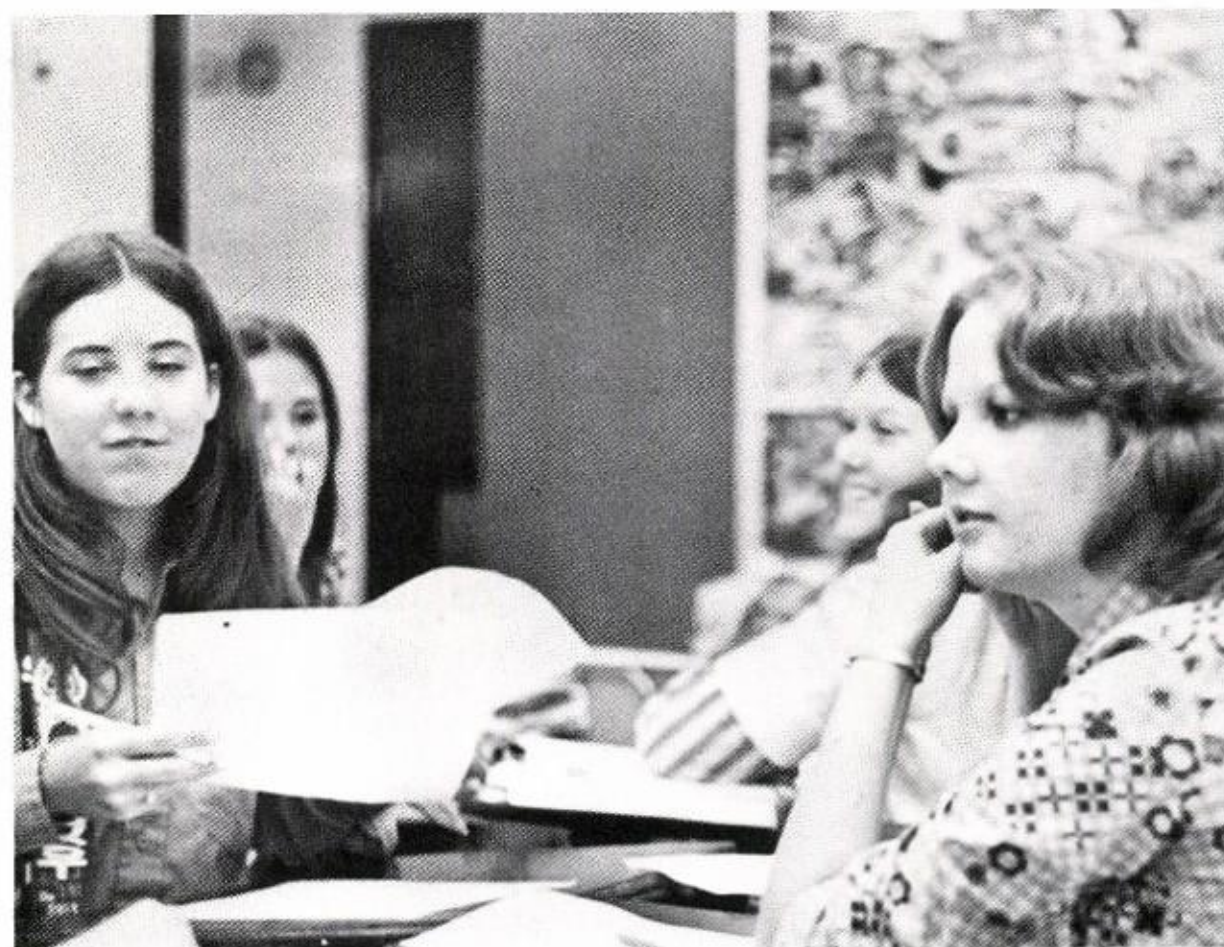

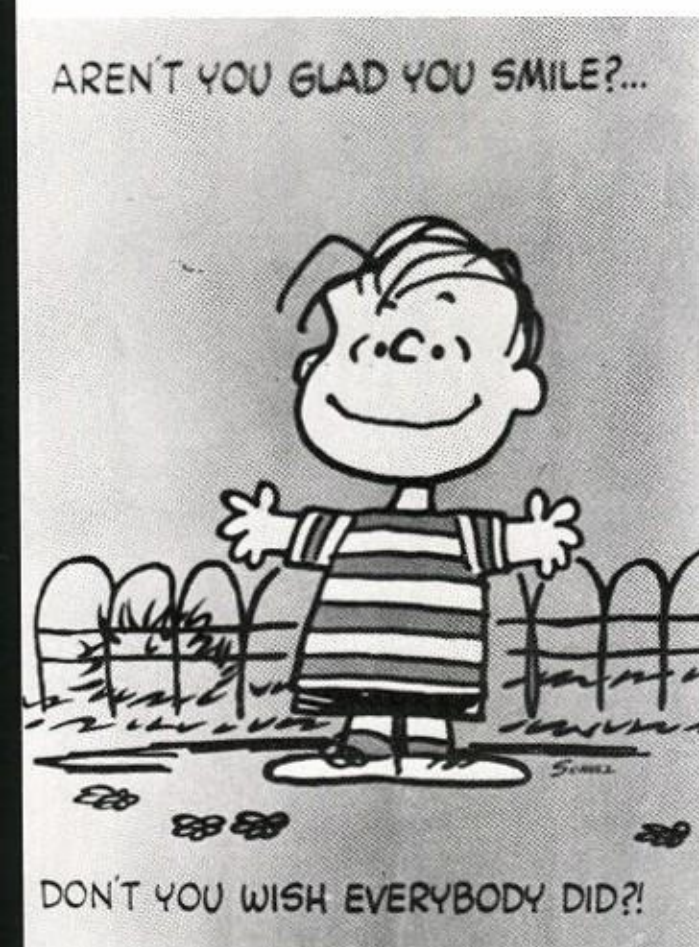

"Don't you tell me what to do!"

"On the good ship lollipop . . ."

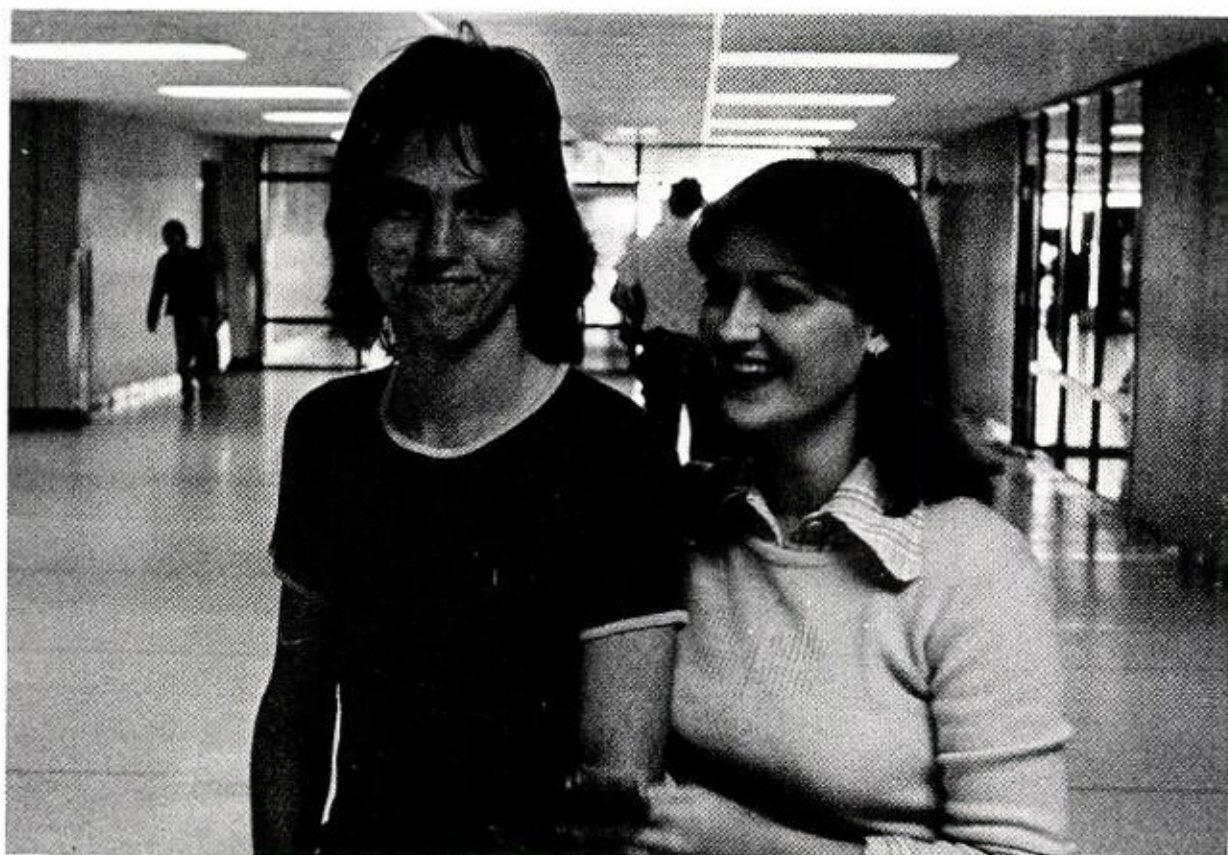

"You mean we're supposed to bring books to class?"

Take my hand,
Let me be your friend forever.
Let us run through the fields of
 life —
We will wade through the puddles,
Only to find a starburst flower
 waiting on the other side.
Come glide down the rainbow with me,

Grab a star from heaven to shine
 a light for you back on earth.
We will run carefree through tall
 fields of soft hay,
Chasing dreams all around —
'Til we can track them down,
And then place them in our hands,
And dream of tomorrow — forever.

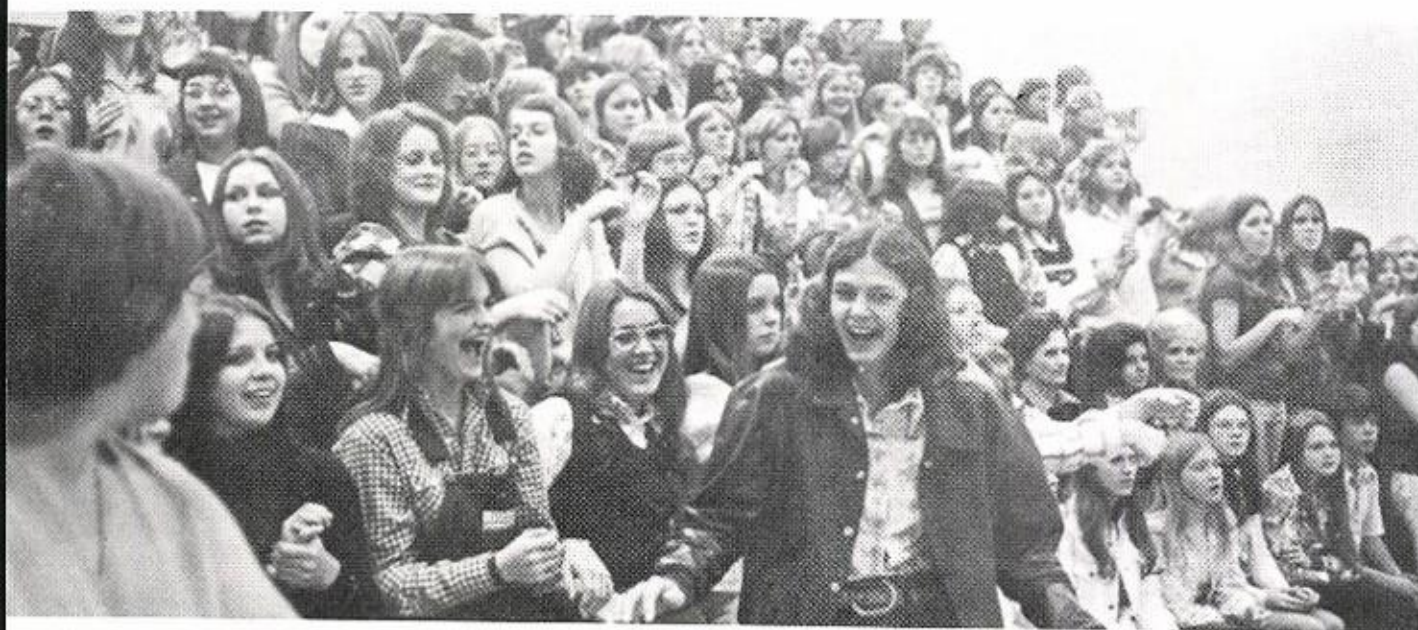

You need not say a word to me,
I understand you clearly.
I have a helping aid, you see,
It's in your physiognomy.

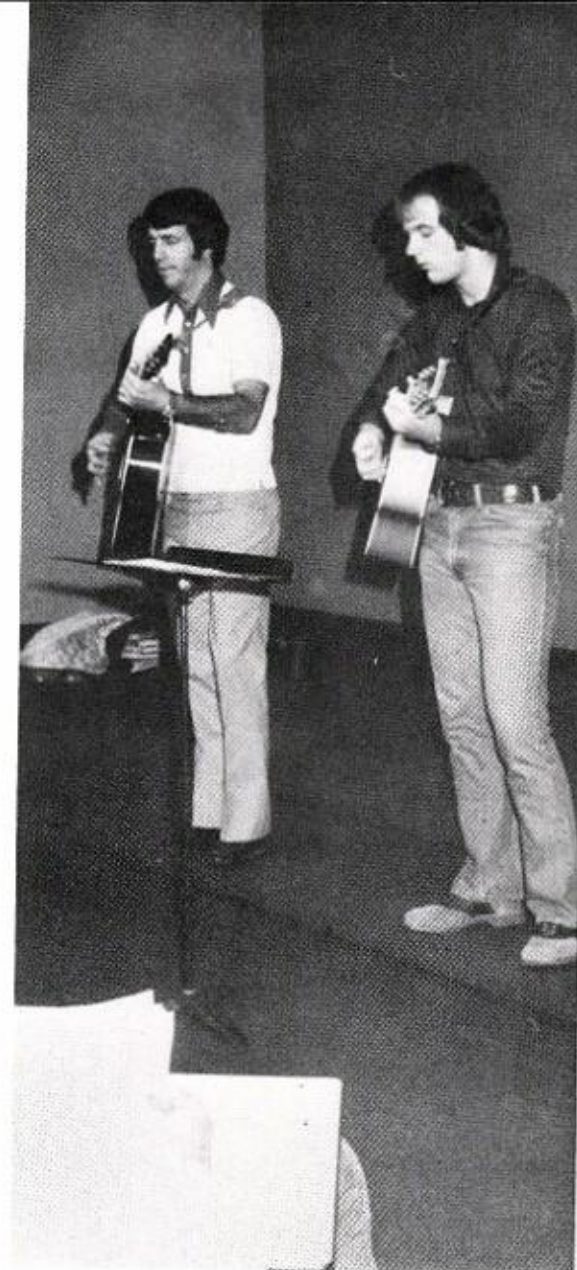

Not meaning to sound harsh or
crude,
I will explain my thoughts,
Your deepest feelings and every
mood
Upon your face are wrought.

The joyous times when words dis-
appear,
And only smiles suffice,
Or when you're tired and have
reached the end,
Look into the face of a friend,
And there you are likely to see —
The understanding that you need
—via physiognomy.

"You mean I didn't get nominated for Homecoming Queen?"

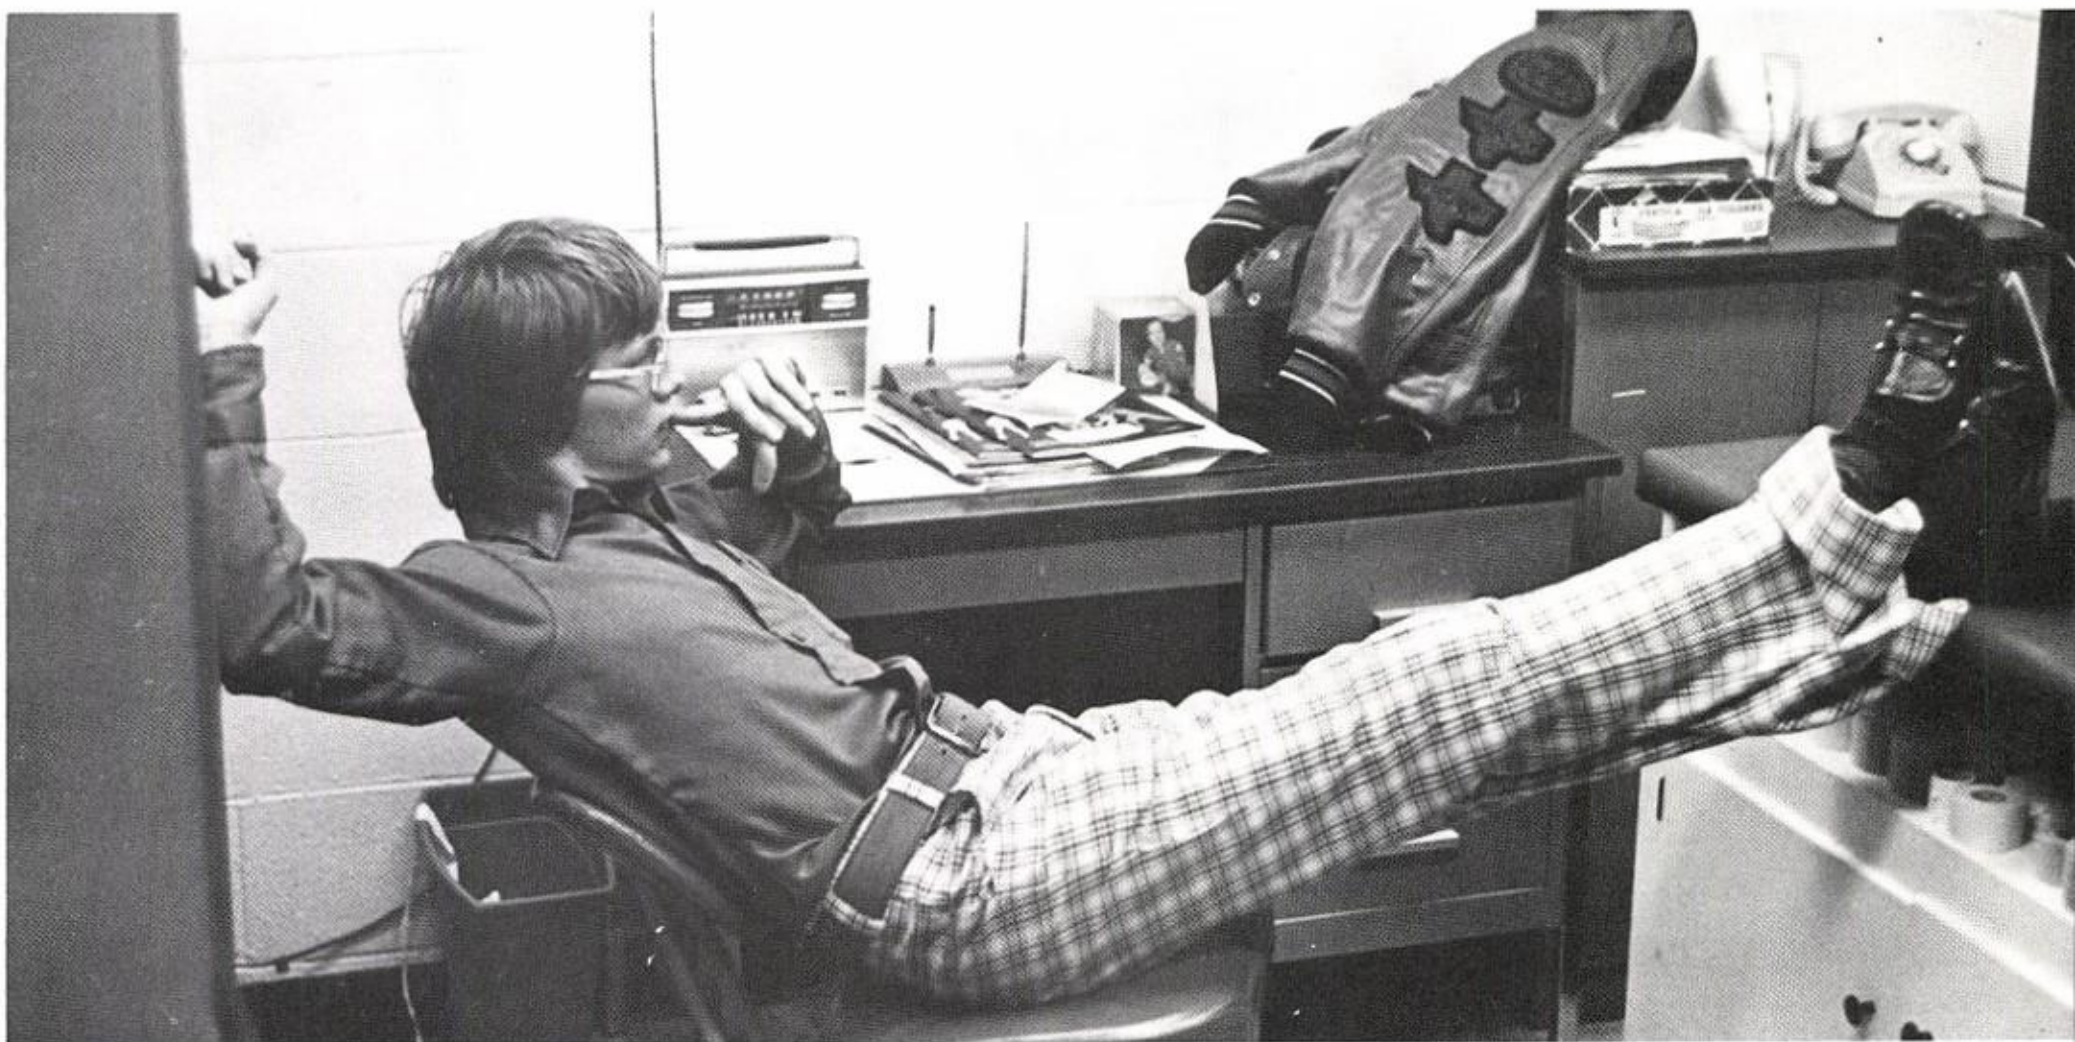

Coach Hacker and Bobby contribute their talent to the FCA.

"We're the Raiders, and couldn't be prouder."

Quiet moments of togetherness!

"And when I become Head Coach, I'll . . ."

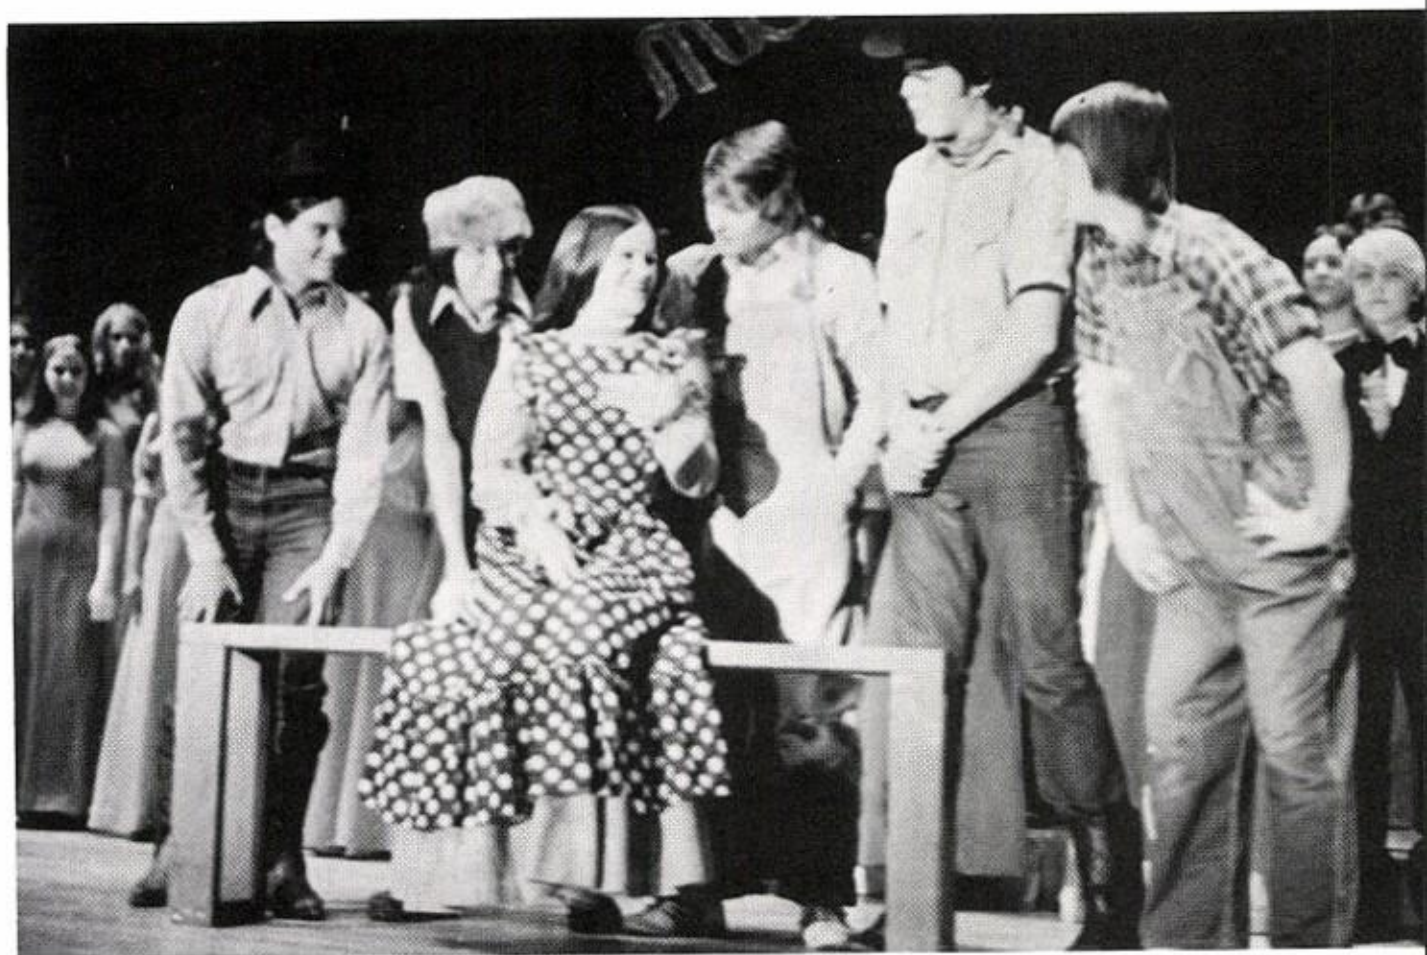

A penny for your thoughts
 As you view our "Sam"
 and crest,
 They reflect the inner pride
 That makes a school the best.

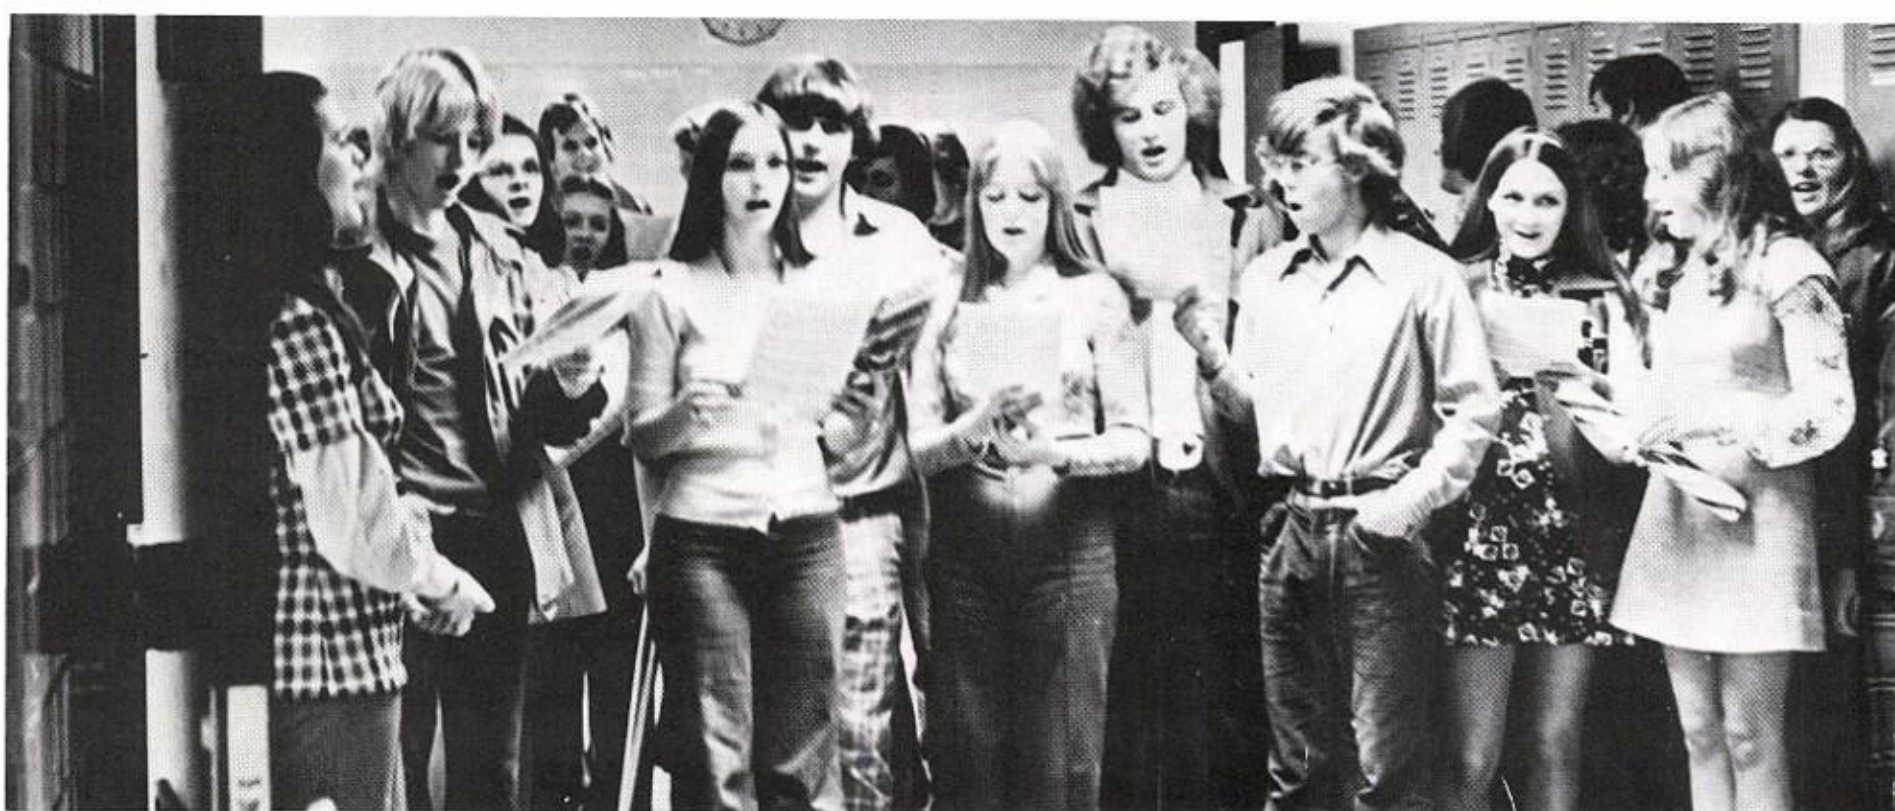

Care to sail in the "South Pacific?"
Come travel with the choir,
Or see the wilds of "Oklahoma,"
They'll fill your each desire.

Dance a waltz with "The King and I,"
Or ride a "Carousel,"
While listening to our talented choir
And the songs they sing so well.

The senior Mam'selles do a special performance for the student body at the last pep rally.

"Two all beef patties special sauce lettuce cheese pickle onion on a sesame seed bun . . ."

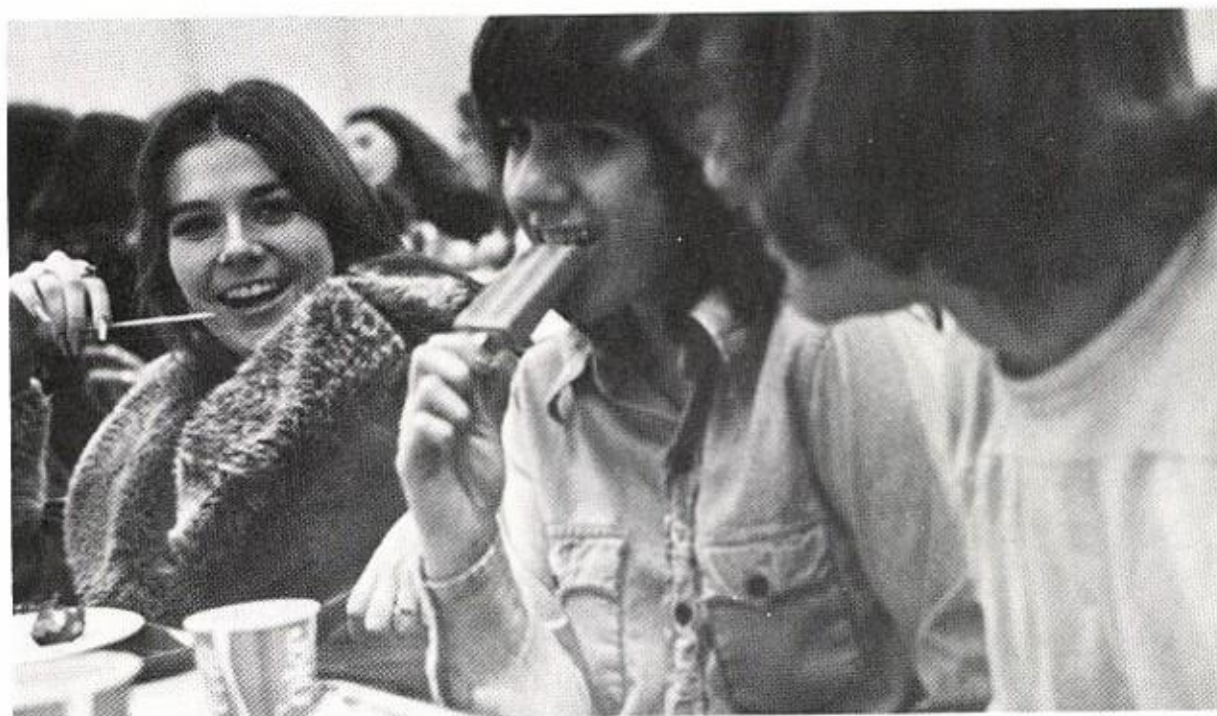

Varsity football players make a special presentation to the cheerleaders.

A senior ring is a senior's pride.

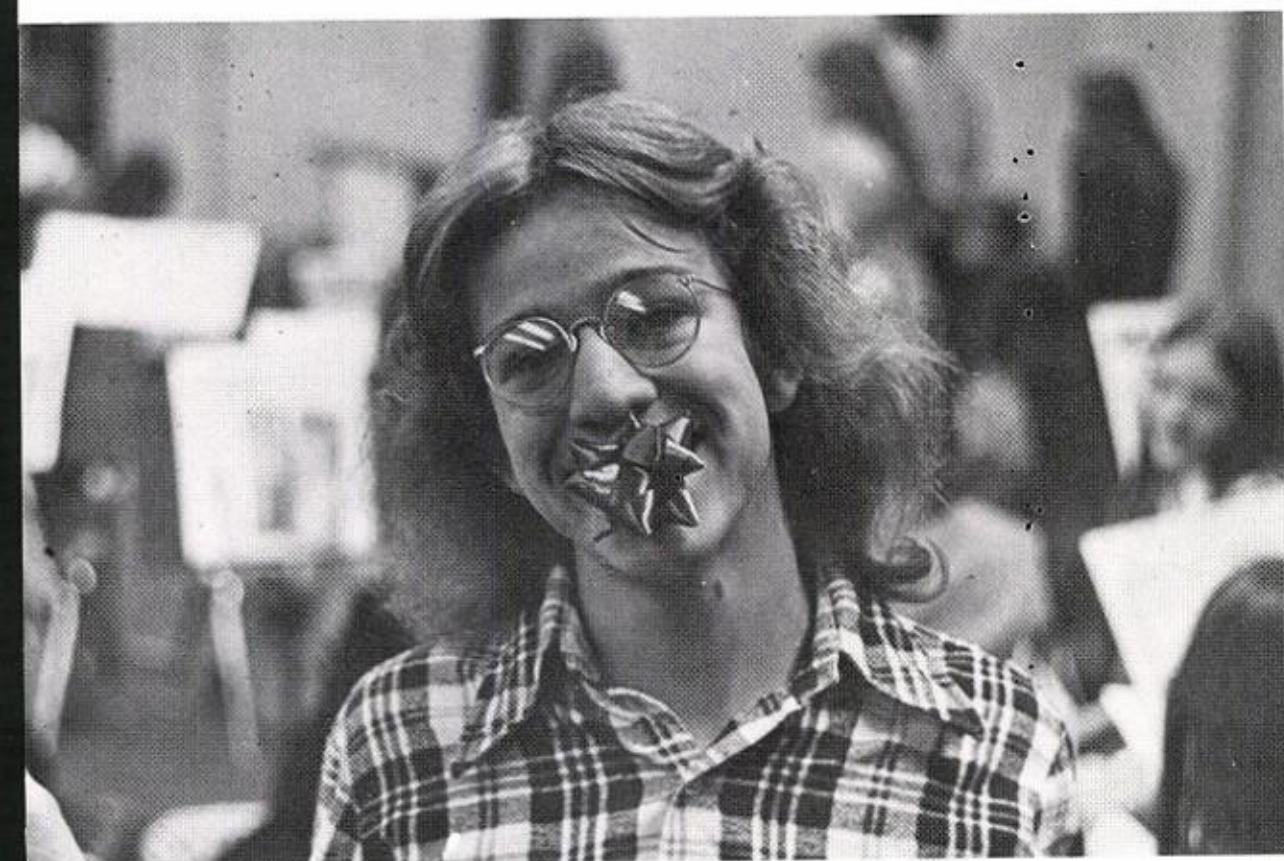

"Peek-a-boo!!"

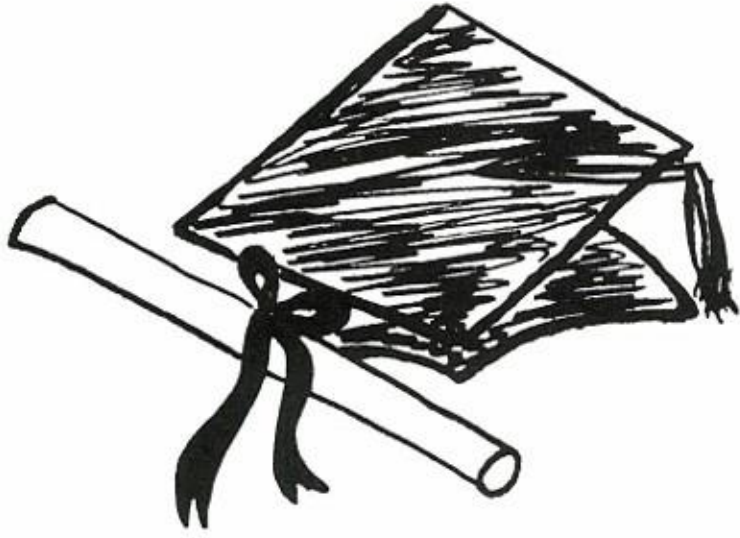

"I can't help it, it's stuck to my tongue!"

'Twas the week before Christmas
And all through the school,
Teachers were trying
To maintain their rule.
The student body
Became an excited mass,
As they tried — really tried —
To listen in class.
But that old Christmas spirit
Had taken hold,
And in a few days longer
It was sure to explode.
Two weeks of late sleeping
And freedom galore,
And the faculty was twice
As anxious to open those doors.
But as we all were leaving that place,
"Merry Christmas" smiles shone
From every face.

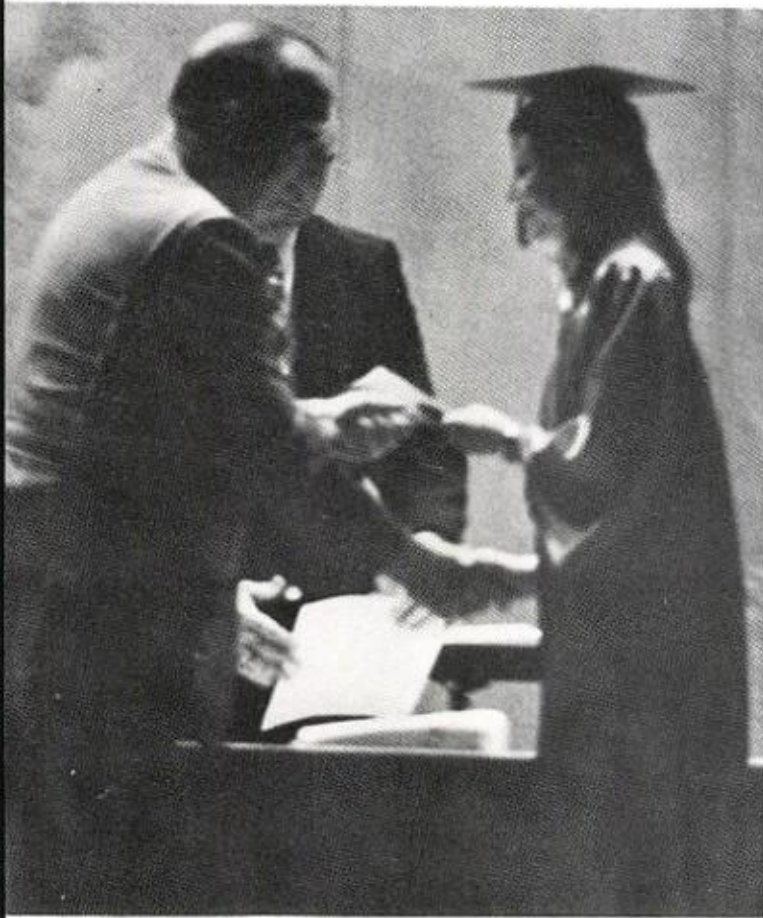

Mid Term

Graduation

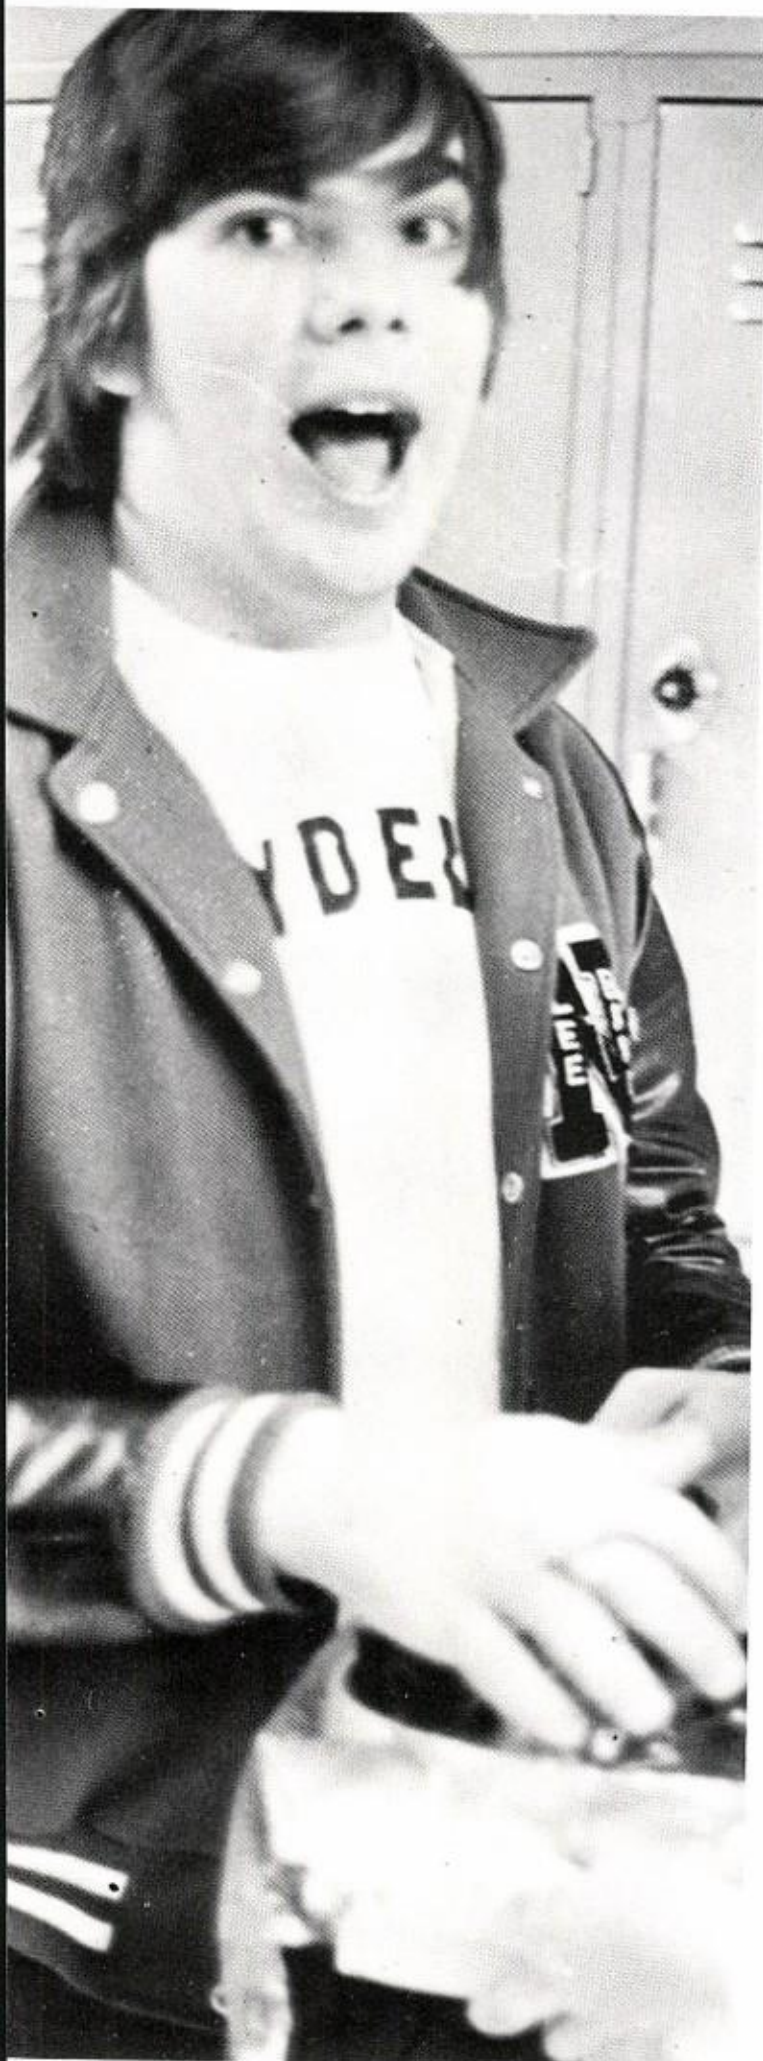

graduation is not just a
happening, but also an emotion.
It is a time when memories of
school days tug at our sleeve
and ask, "Remember?"

while dreams of future days
grasp our hands and flee anxiously
into the future,
and we follow . . .

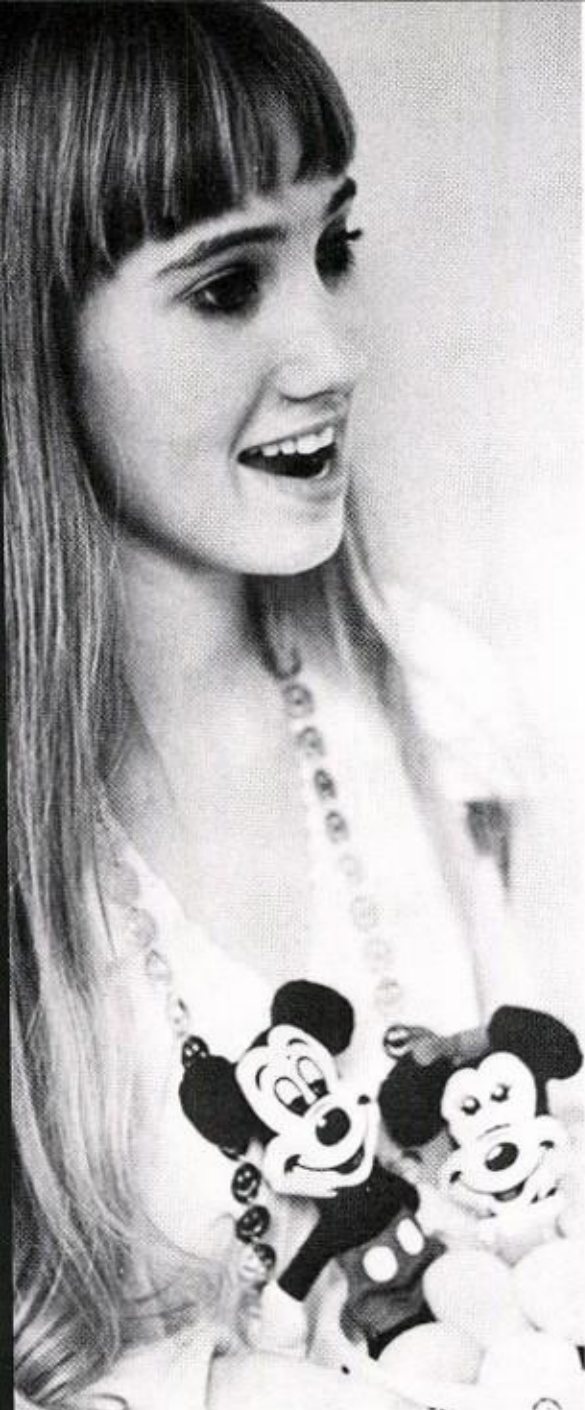

What has Lee gotten himself into NOW?!!

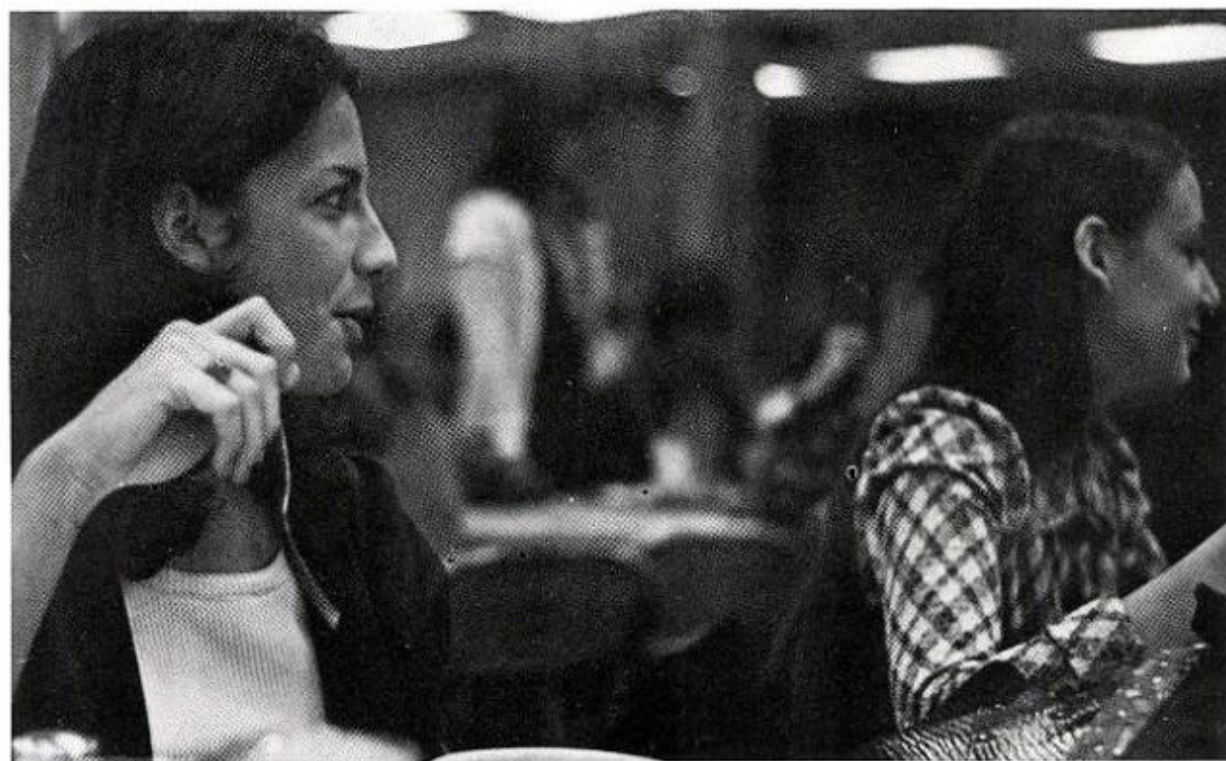

Pucker up, sweetie!!!

Just look what Mr. Chamberlain keeps locked inside his band hall!

Hi! My name is Goldilocks and these are my friends Mickey and Minnie.

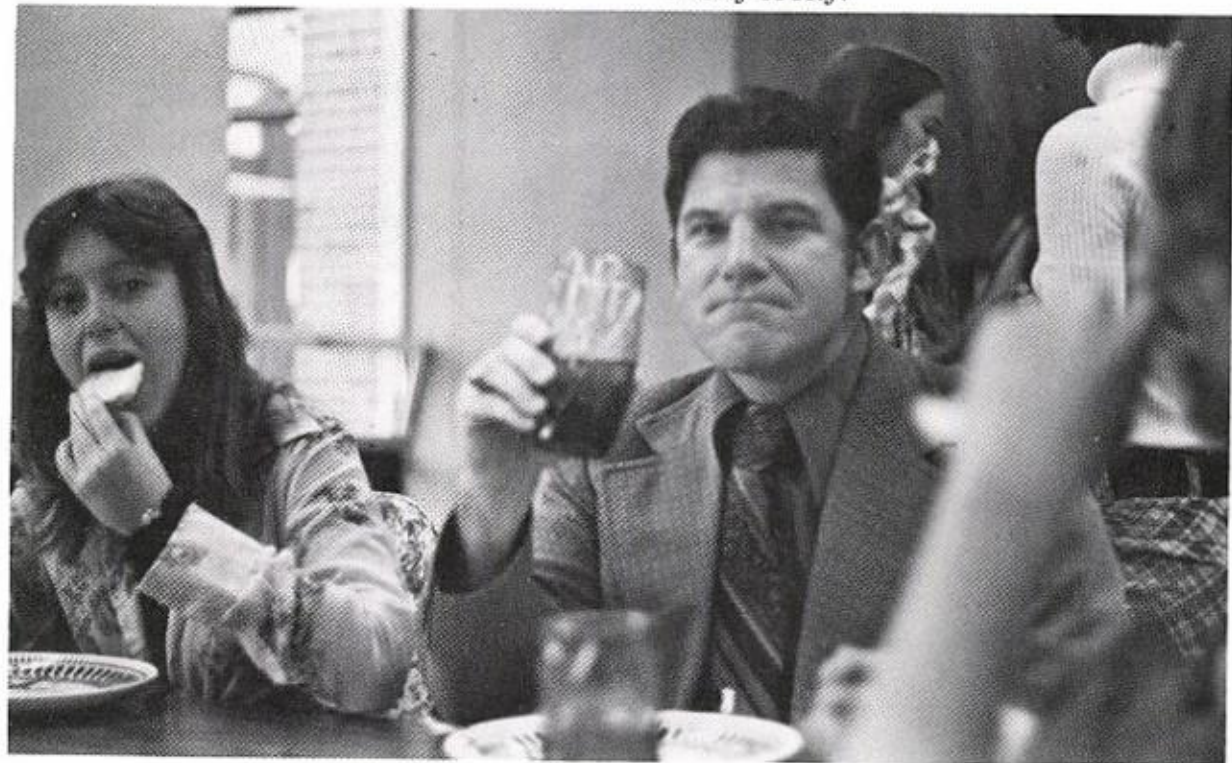

"You found WHAT in your soup??"

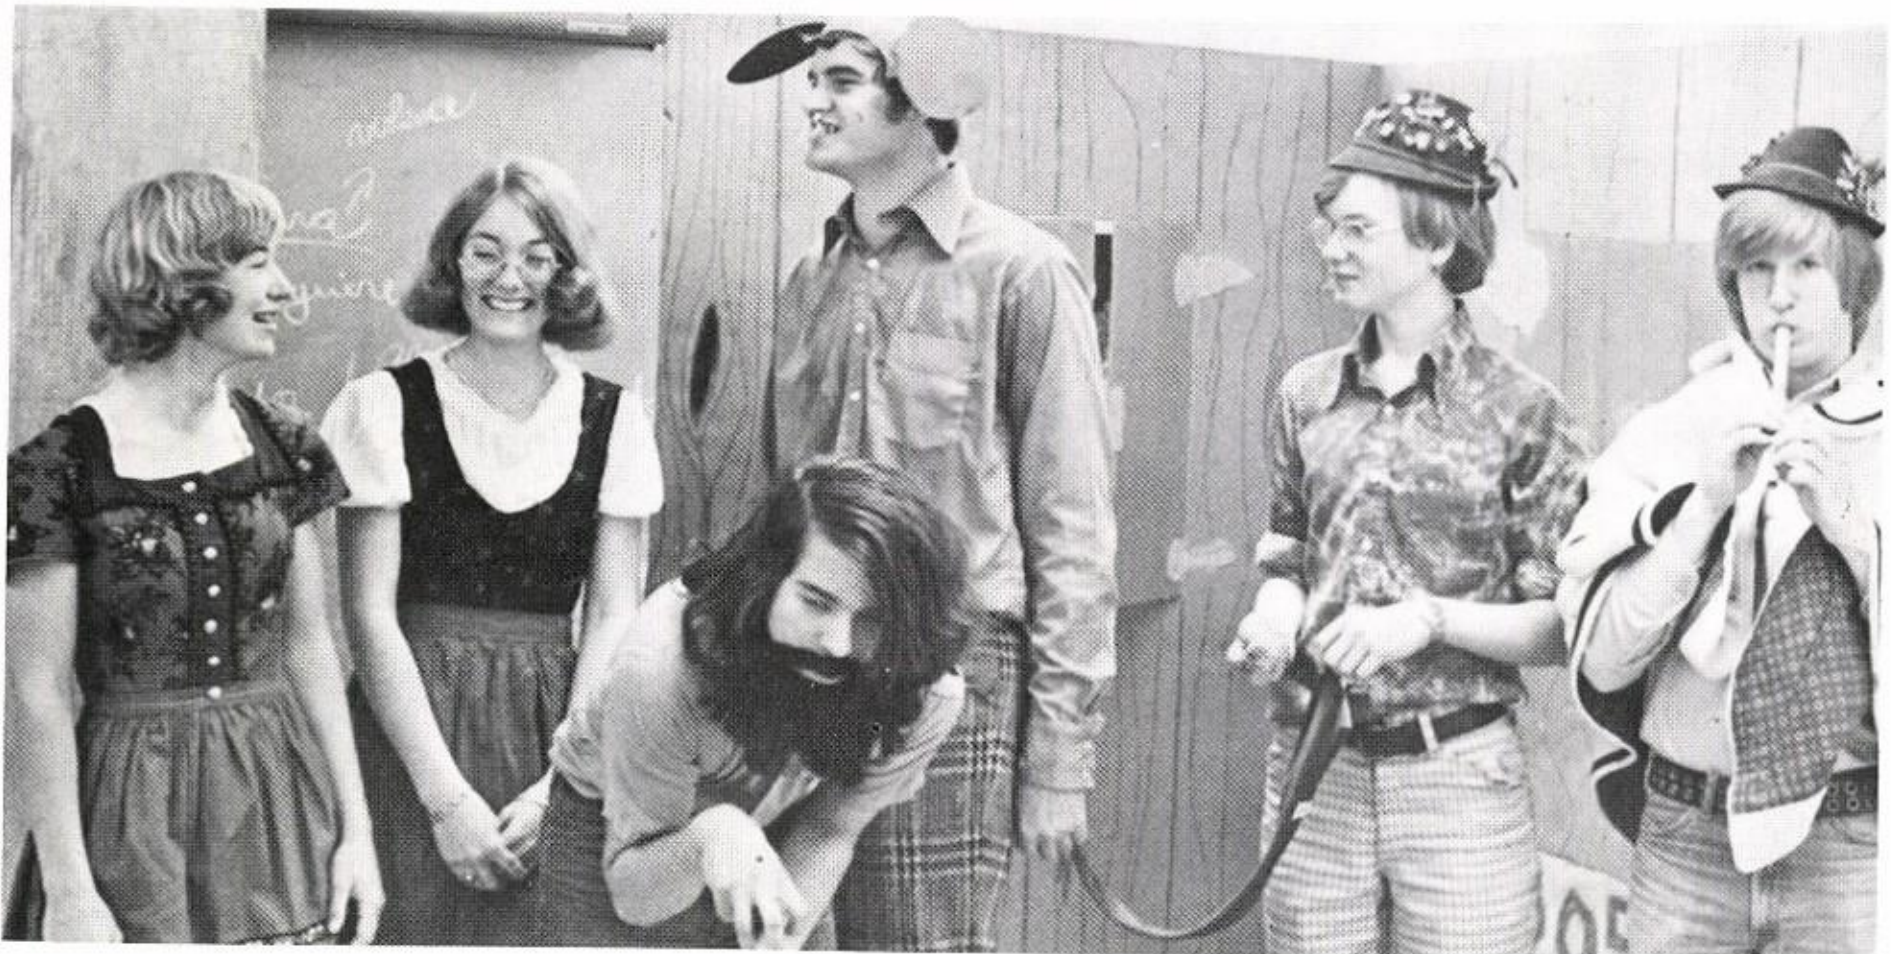

Yes Bill, 59.67 is 60 and that is passing, but . . . ???

"No, Cindy, we don't want to play looky-looky."

Mr. Chumley acts as the official taster for the Homemaking classes.

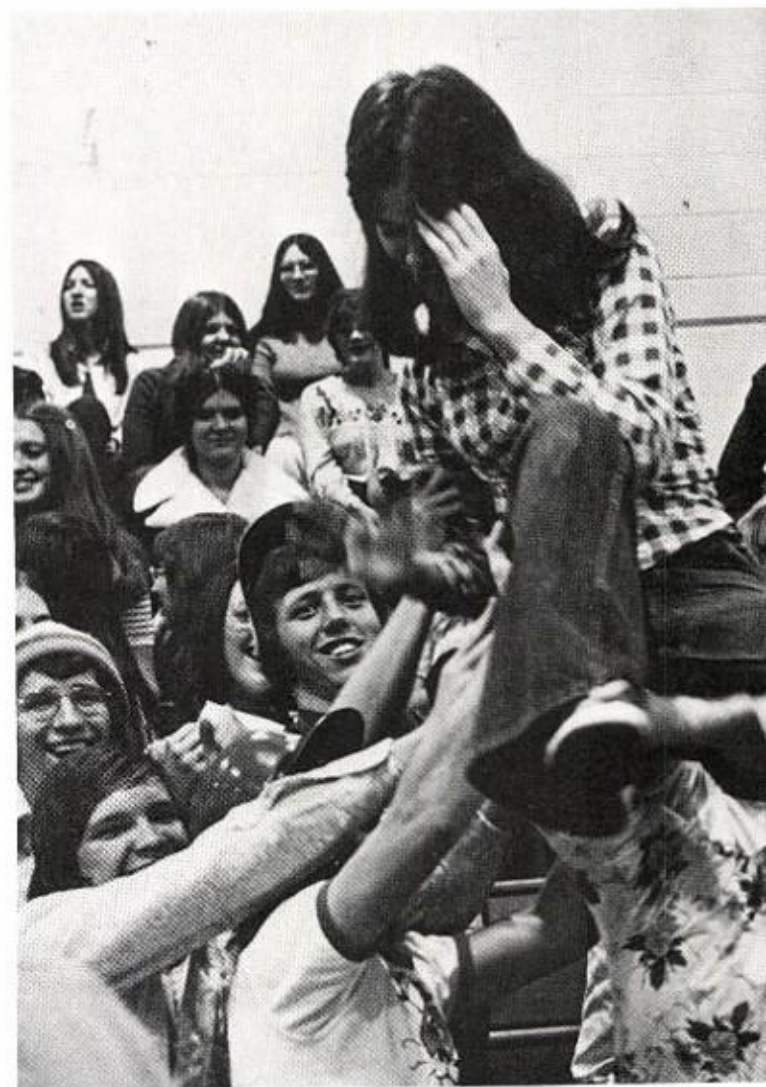

Students display their dramatic ability.

American Culture Classes were visited by an authentic American.

"Hey, wait till I pose pretty!!"

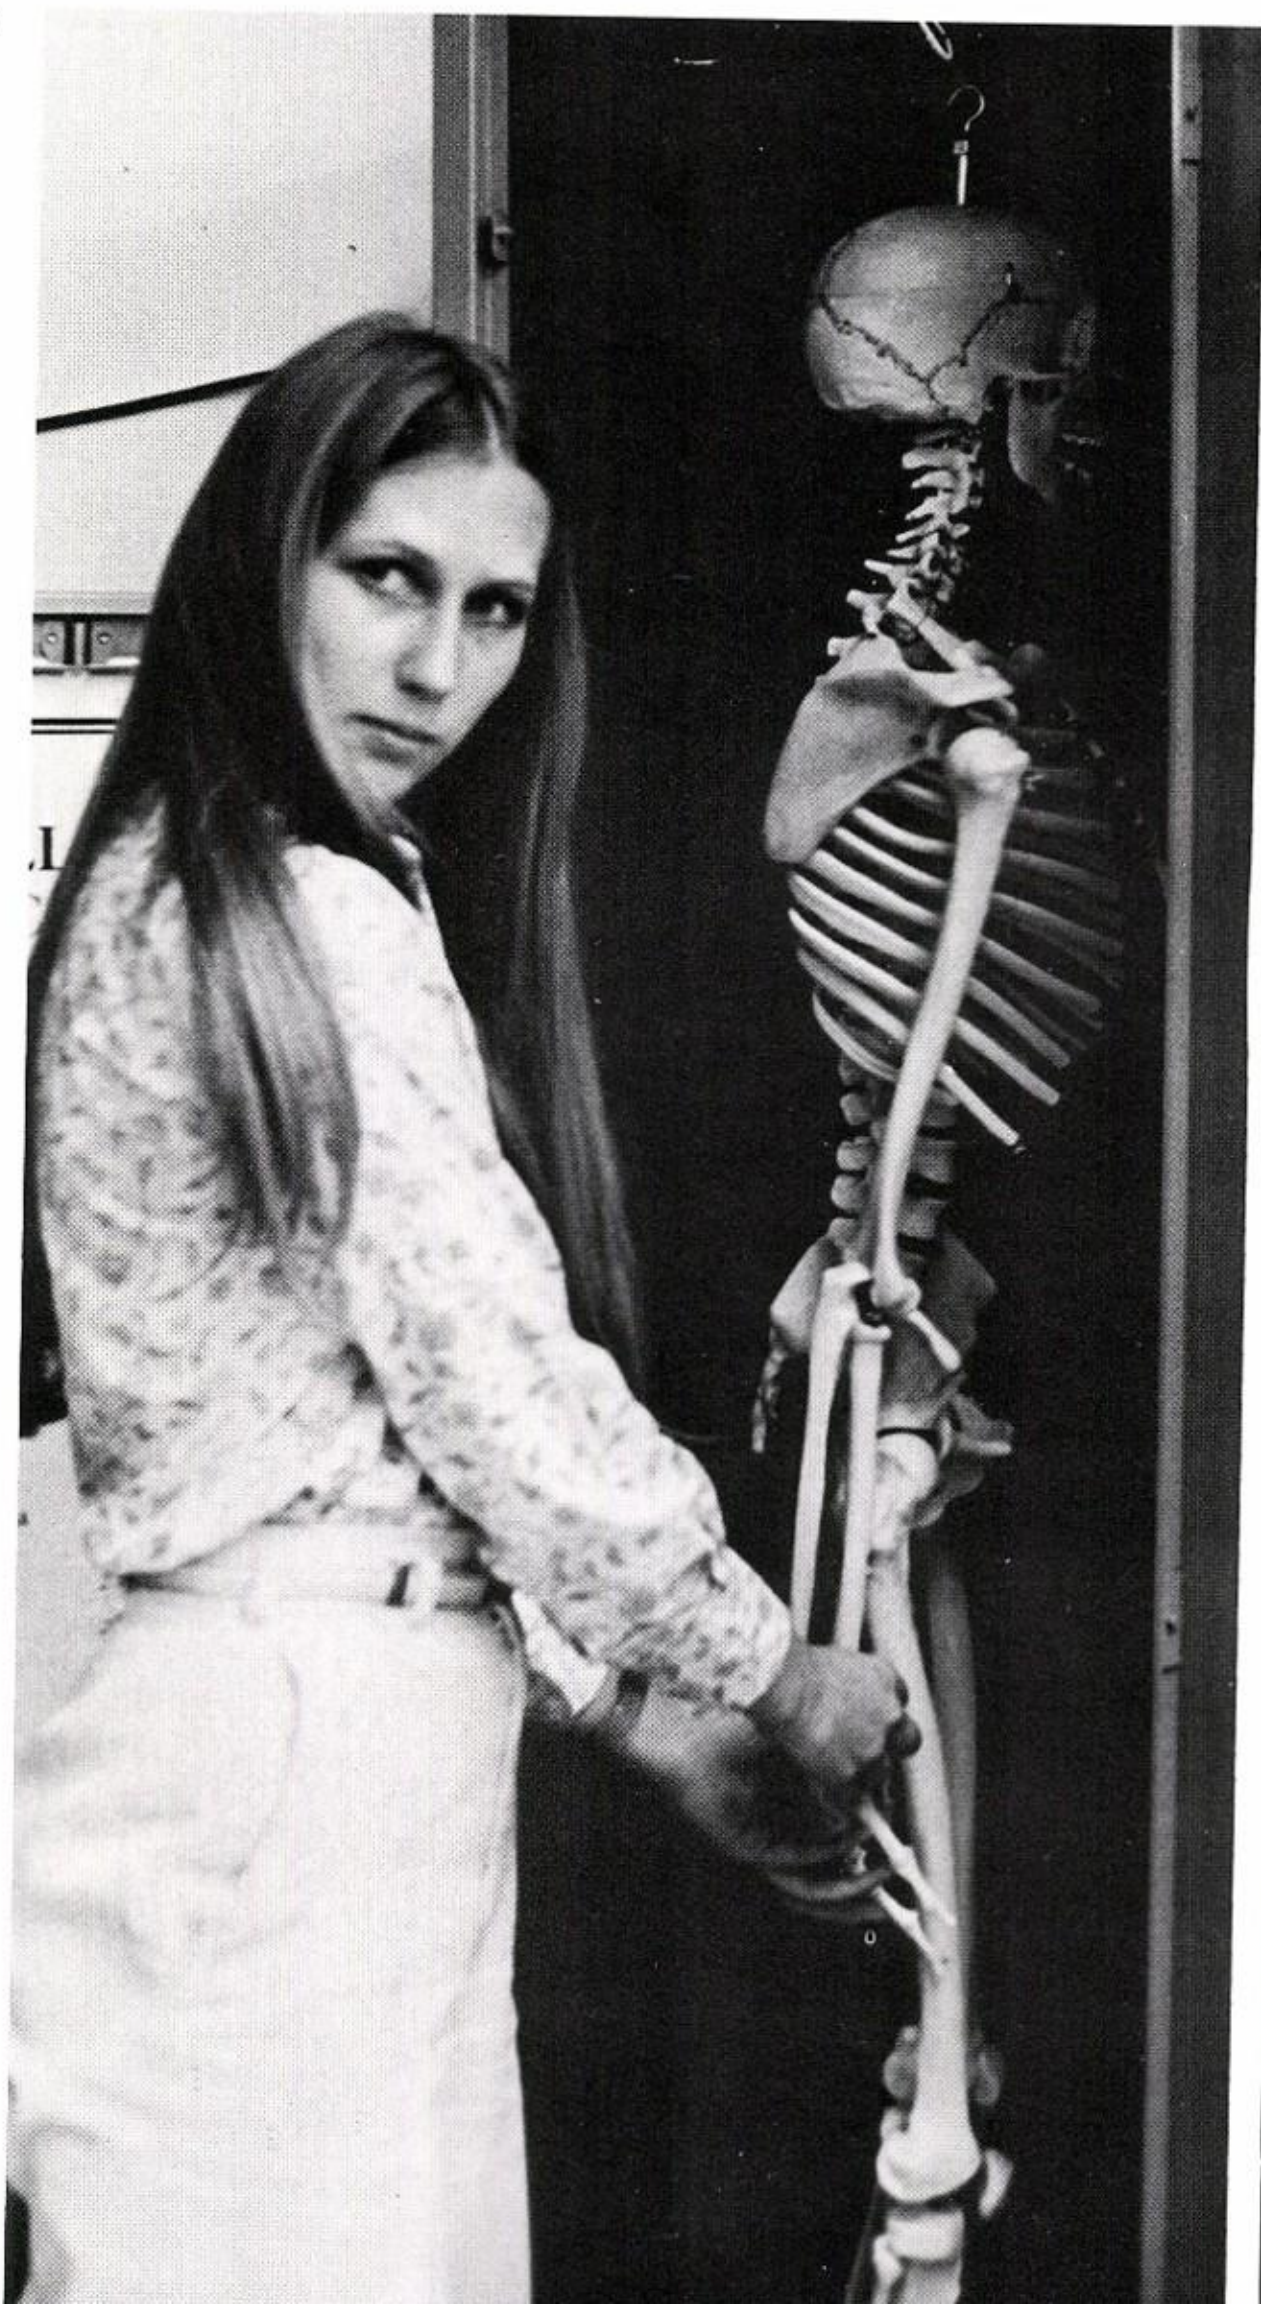

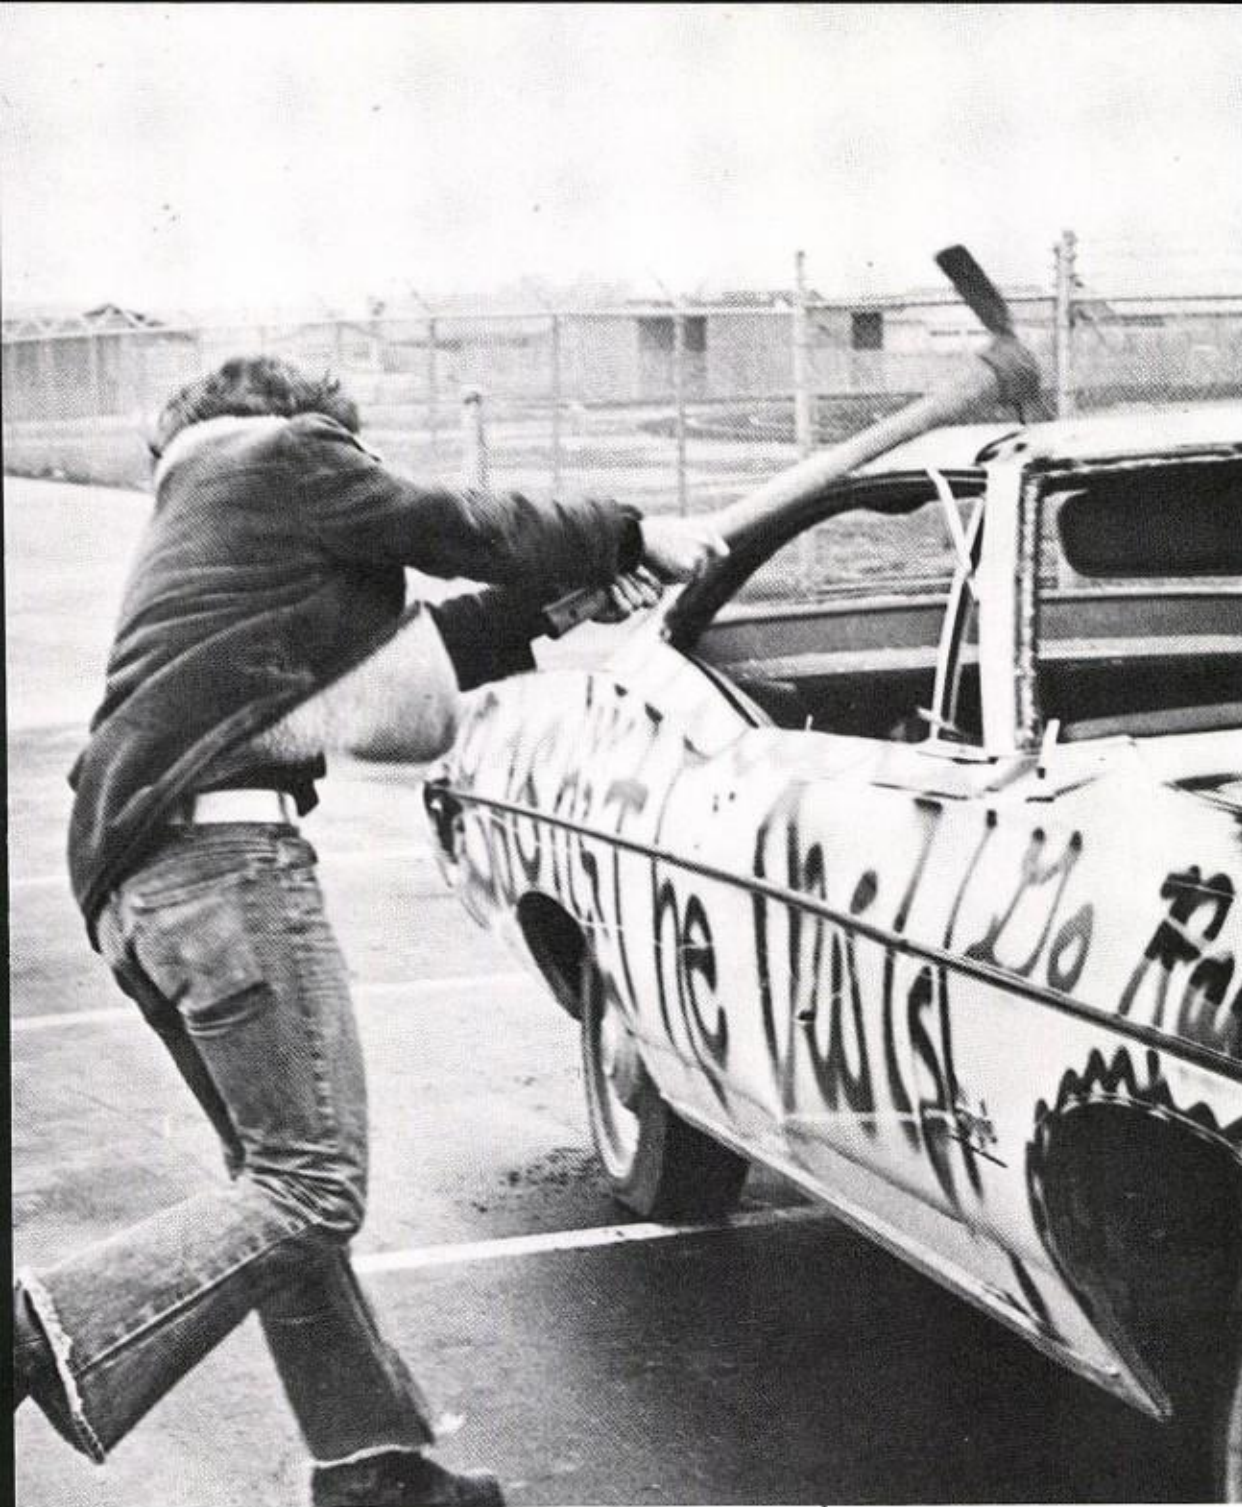

Seniors give the Freshmen a lift.

"PLEASE! Can't you see that we'd like to be alone?"

"You've got to be kidding!"

The Car Smash

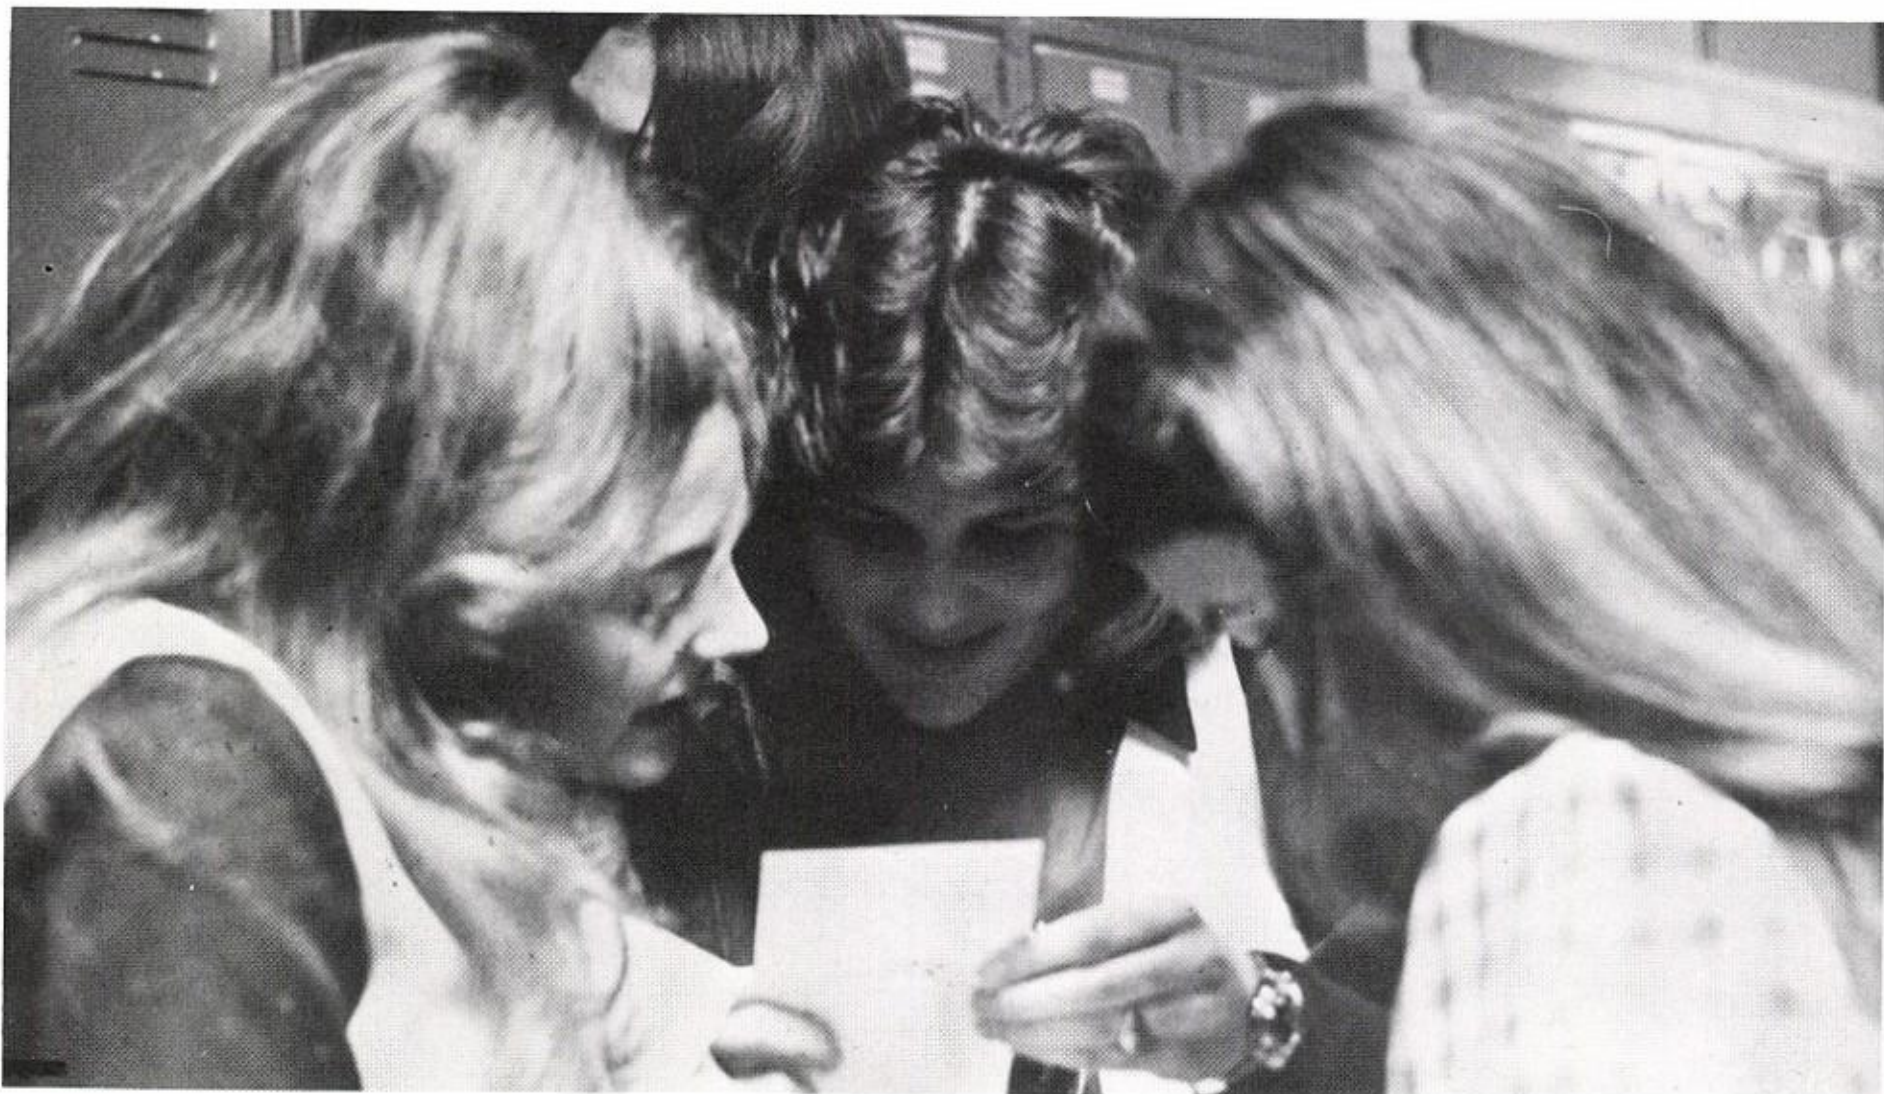

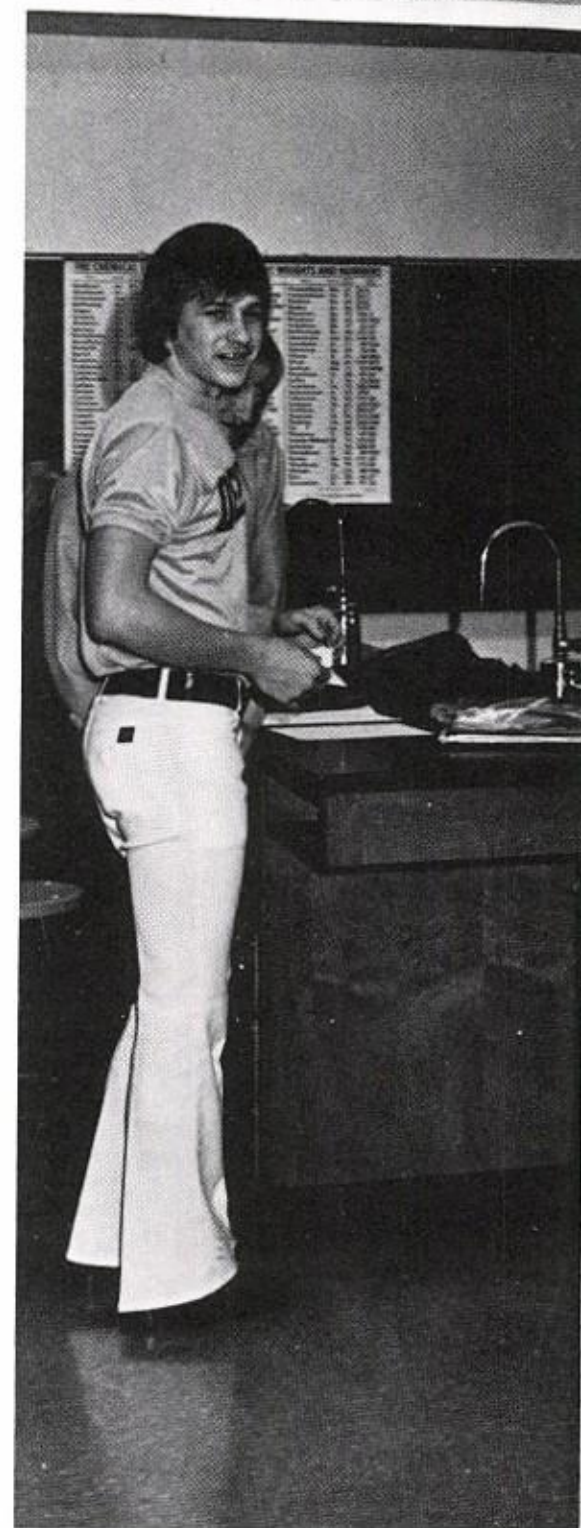

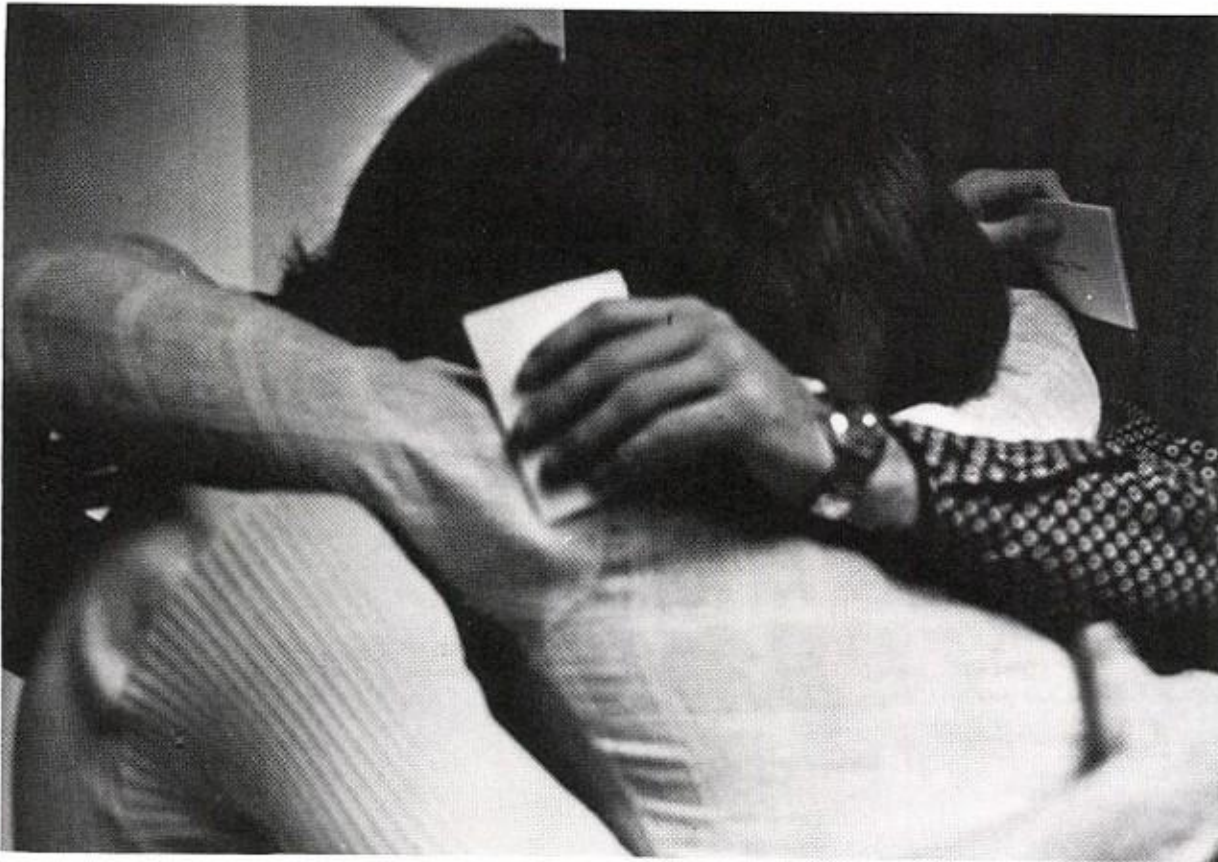

The car smash was sponsored
By Latin Club fans,
And with the swing of a
hammer,
The destruction began.

The students' hidden angers
were shown
With well-aimed hits and
shouts,
Doors fell loose, the roof
fell in,
And the lights fell com-
pletely out.

And when the "smash" was
finished,
And the crowds had slowly
diminished,
The "structure" that existed
at the end of the day,
Did in no way resemble it's
name . . . Chevrolet!

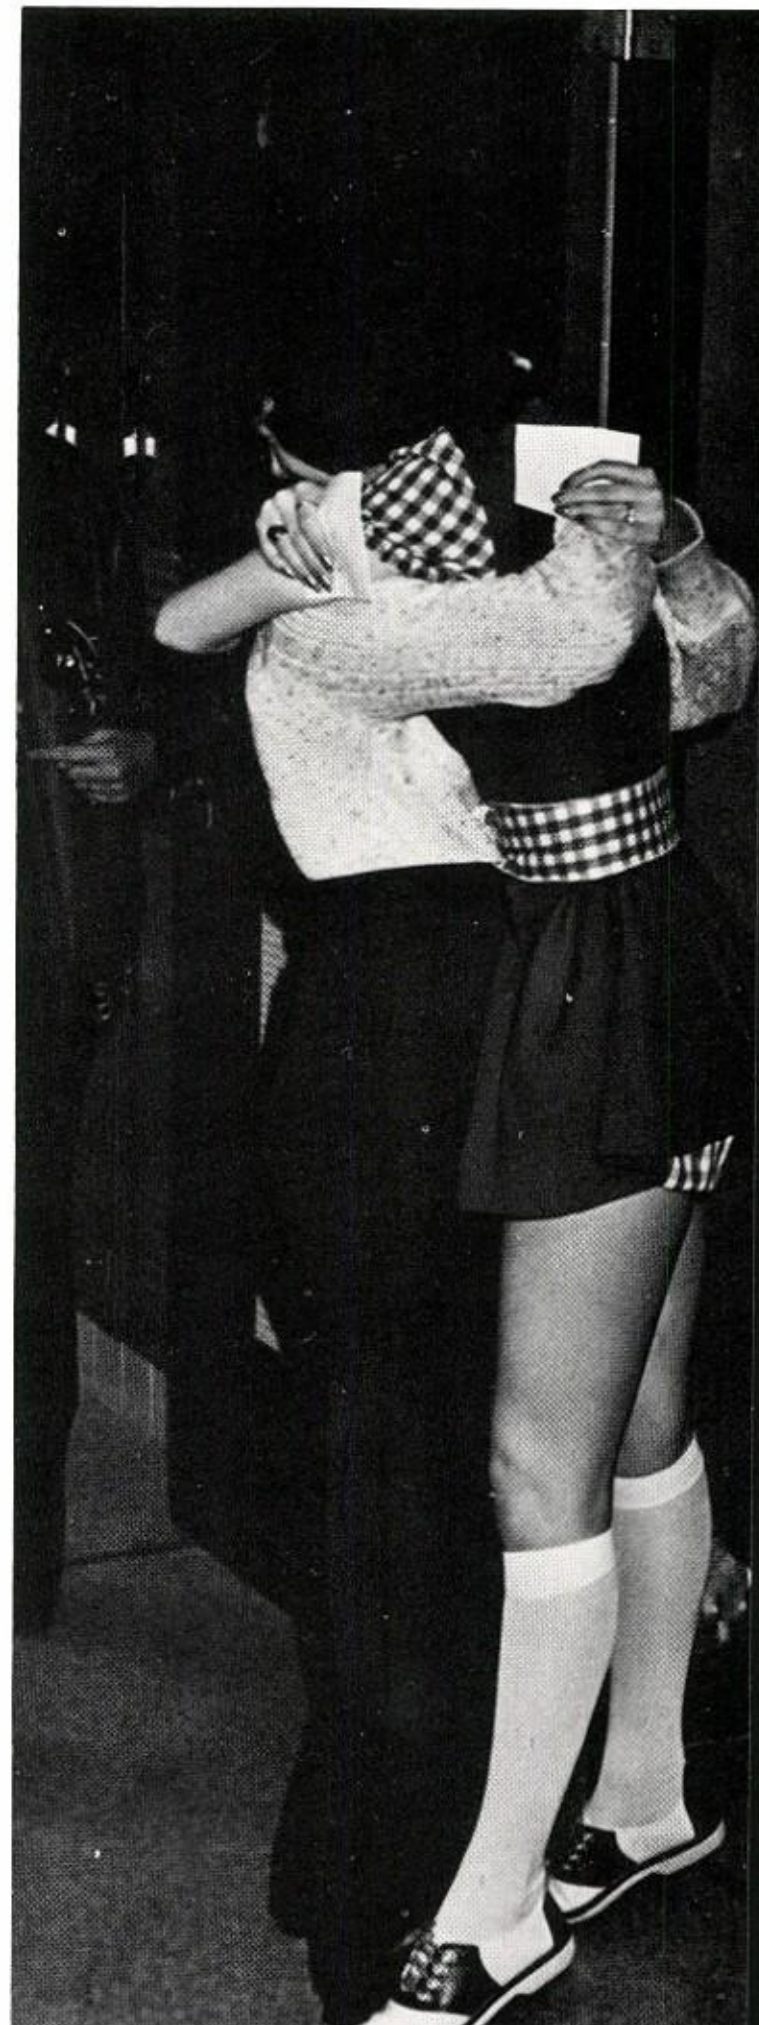

Celebrity Ball Invitations

There is a mysterious illness that threatens various students of North Garland every January. It comes in the form of a small, white envelope, usually transmitted by a fellow student. The victim is suddenly seized by such symptoms as a nervous giggle, shaky hands, and a throbbing heart. This rare illness is classified as . . .

A CELEBRITY BALL INVITATION!!!

Celebrity Ball Awards Presentations

The 1975 Celebrity Ball

Began with the Awards Presentations.
Nervous chatter, shuffling and anxious
faces

Were evidence of anticipation.

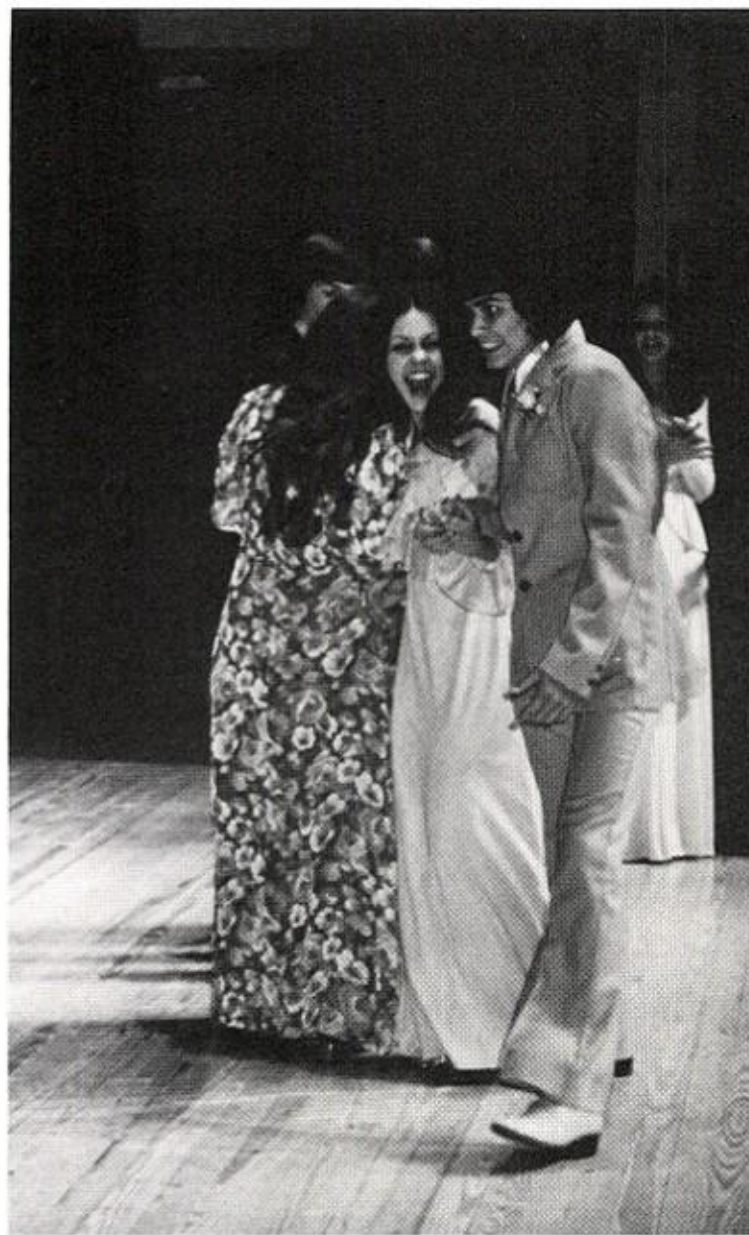

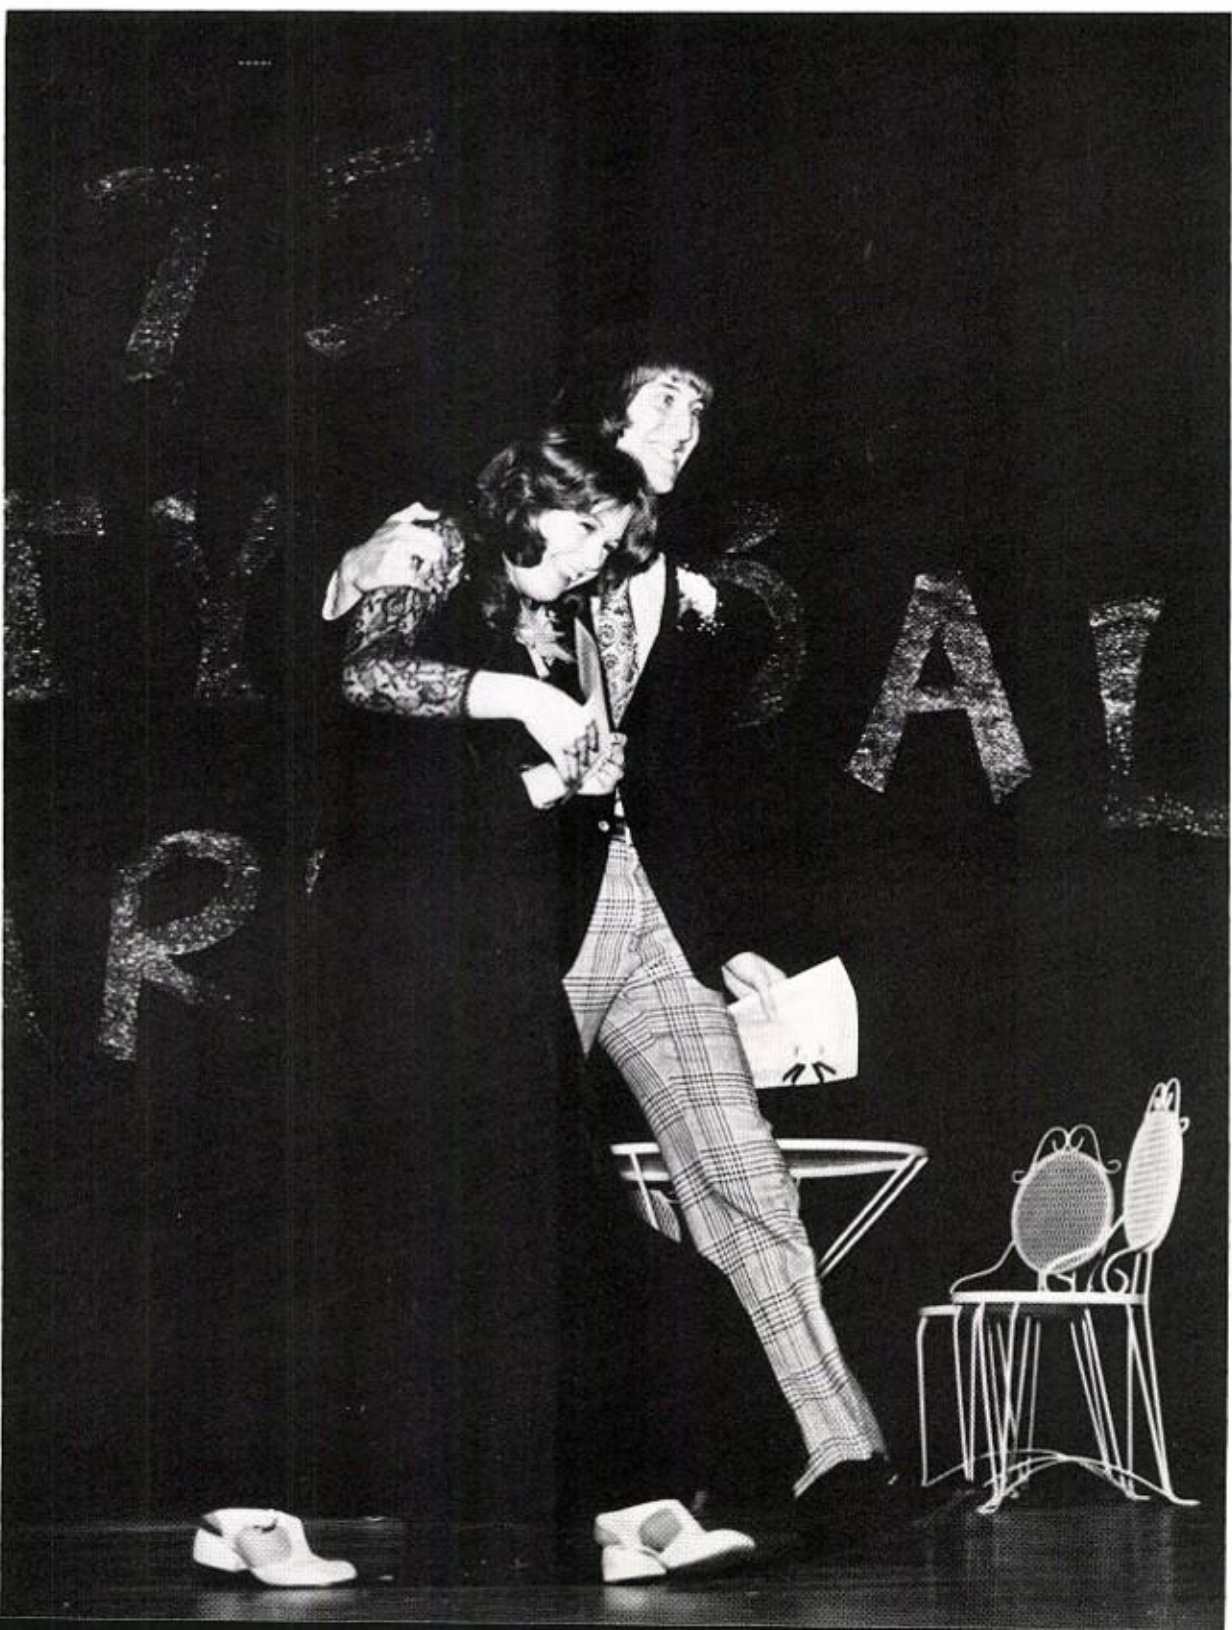

The evening proceeded beautifully

With triumphant smiles and tears,
Words of congratulations
And proud parents ecstatic cheers.

The waiting and guessing are over,

Take off your boutonniere.
No more mad rush for the "right dress,"
girls,
At least until next year.

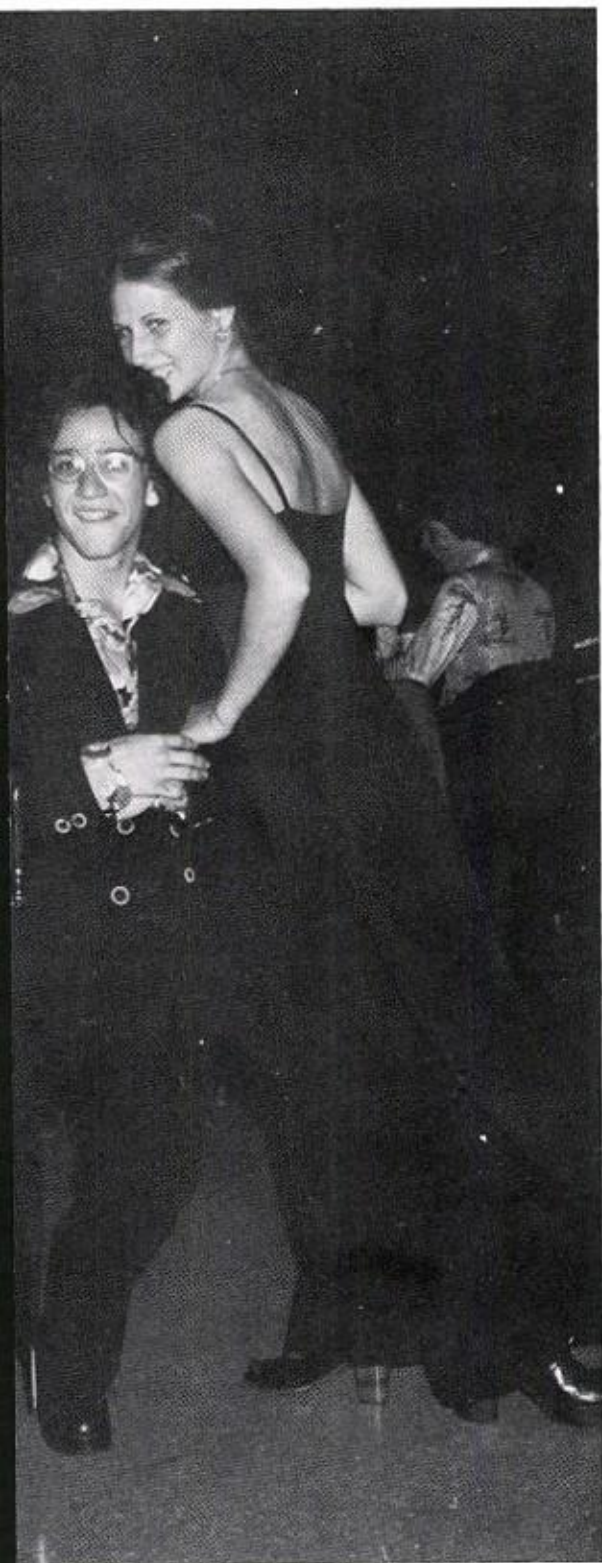

Celebrity Ball

On the eve of the 18th of January,
A strange transformation took place,
Our cafeteria had blossomed red roses and ivy,
And butterflies were gliding through space.

The multitude hurried to the dance,
Excitement on every face,
Ties were loosened, shoes deserted,
So all could boogie with grace.

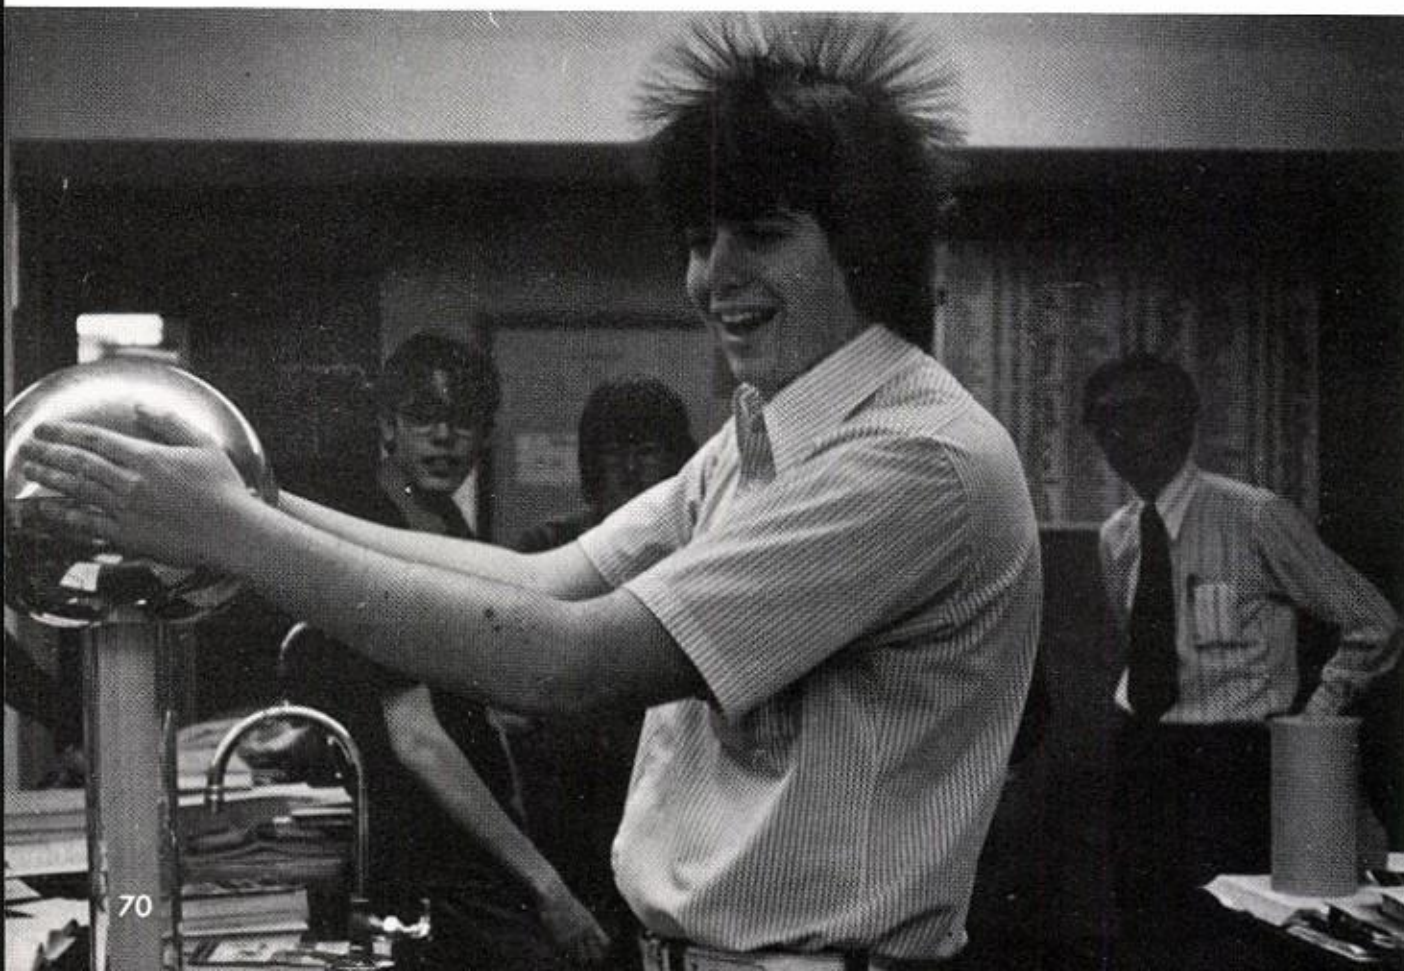

Sit back, relax, take it easy!

"Yeah folks, it's lunch time again!"

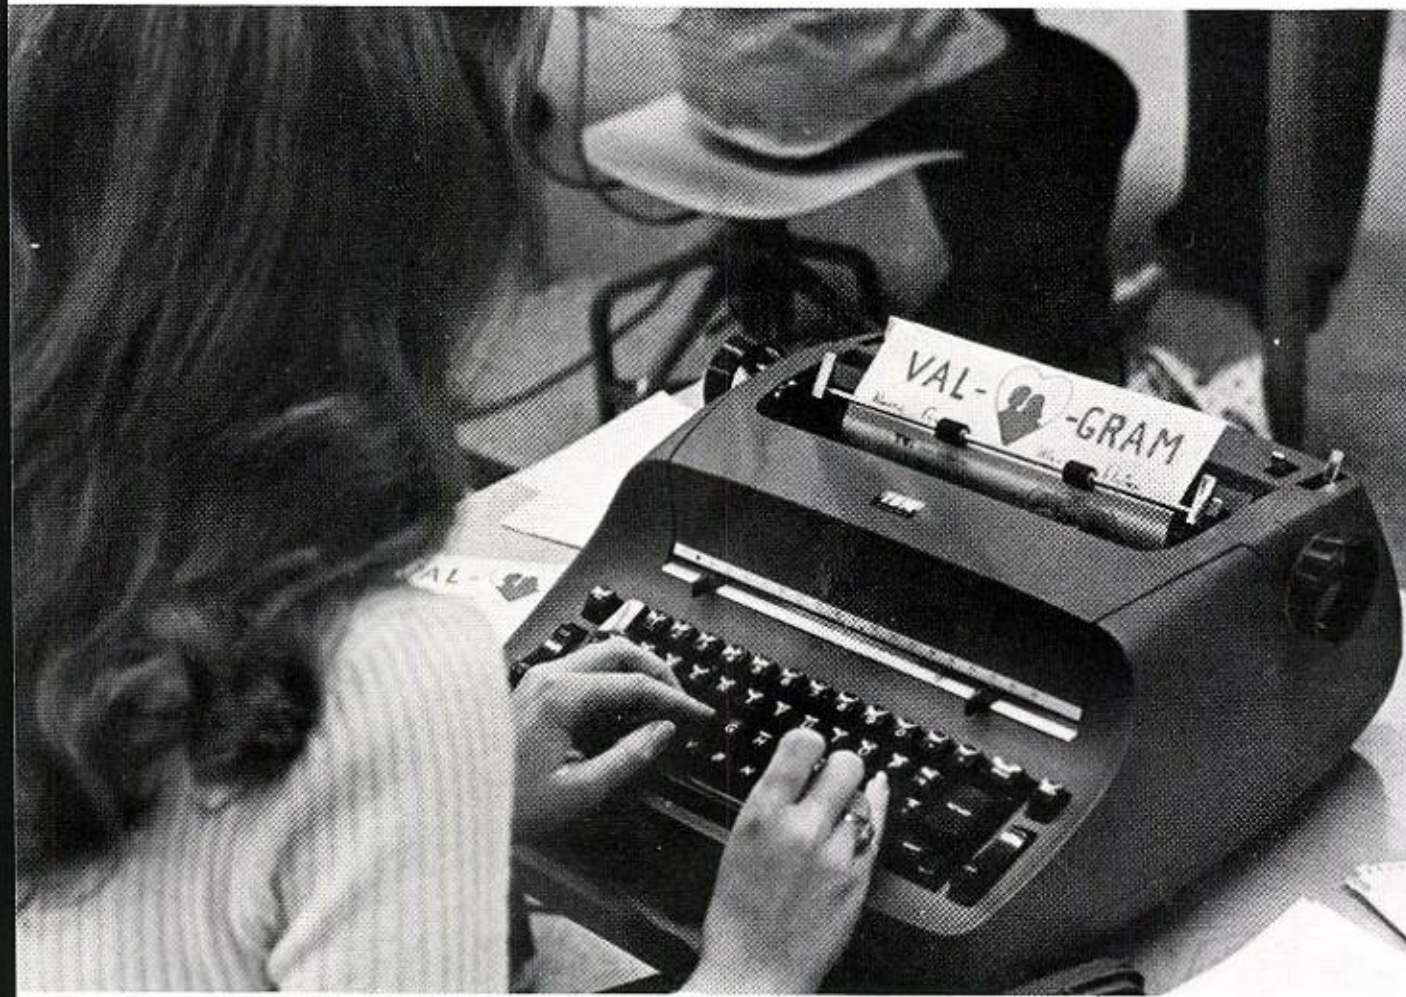

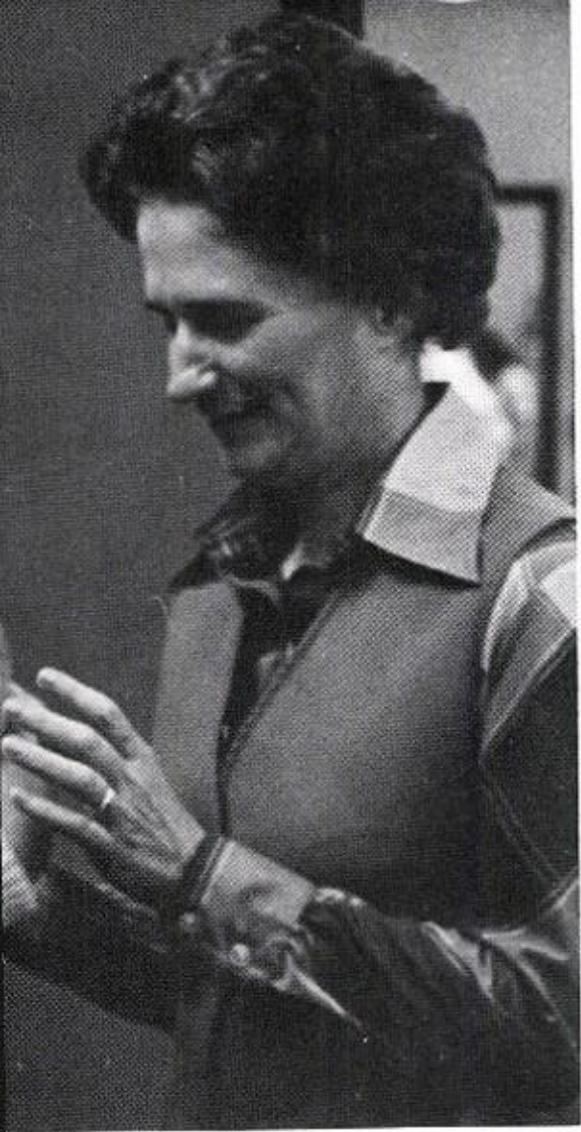

Hearts a flutter, starry eyes,
This always happens when
"he" walks by,
Adored by the female populous,
Who else but —
Mr. Marvelous?

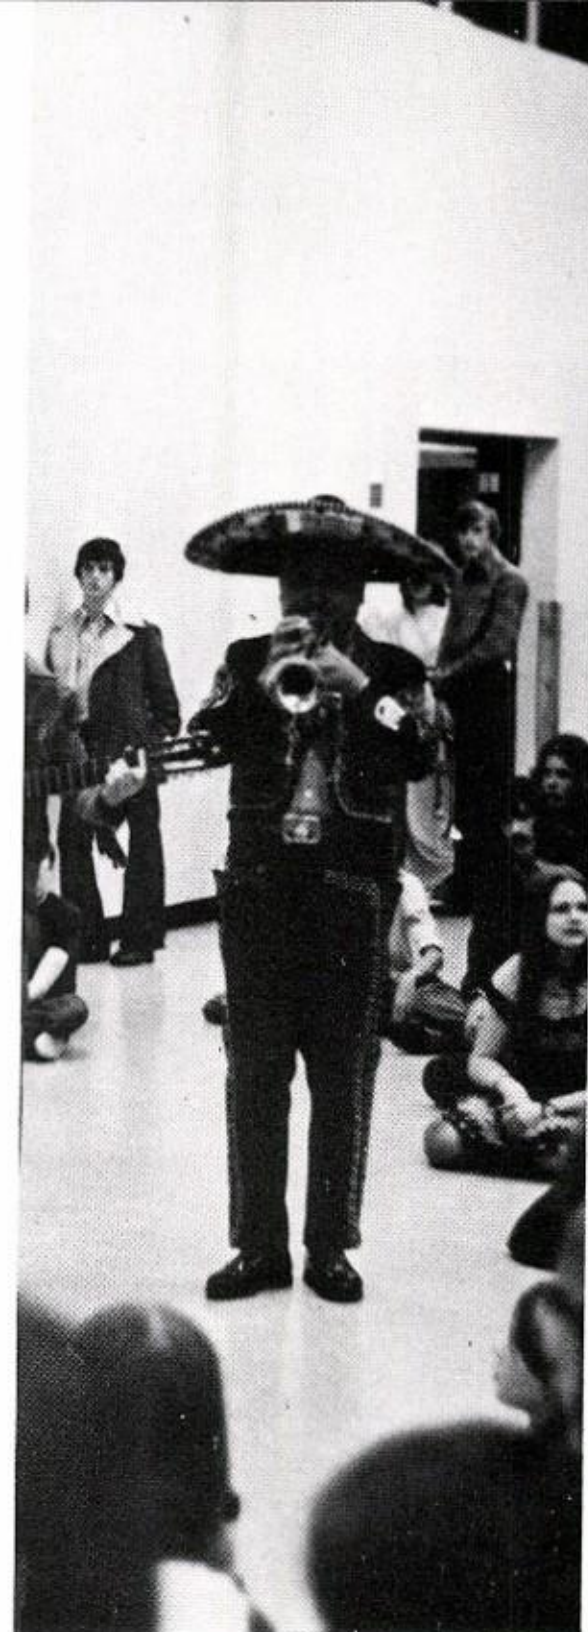

So drop a penny in the can
For your very favorite man,
One whose charm outshines the rest,
Rodney Moore was proven best.

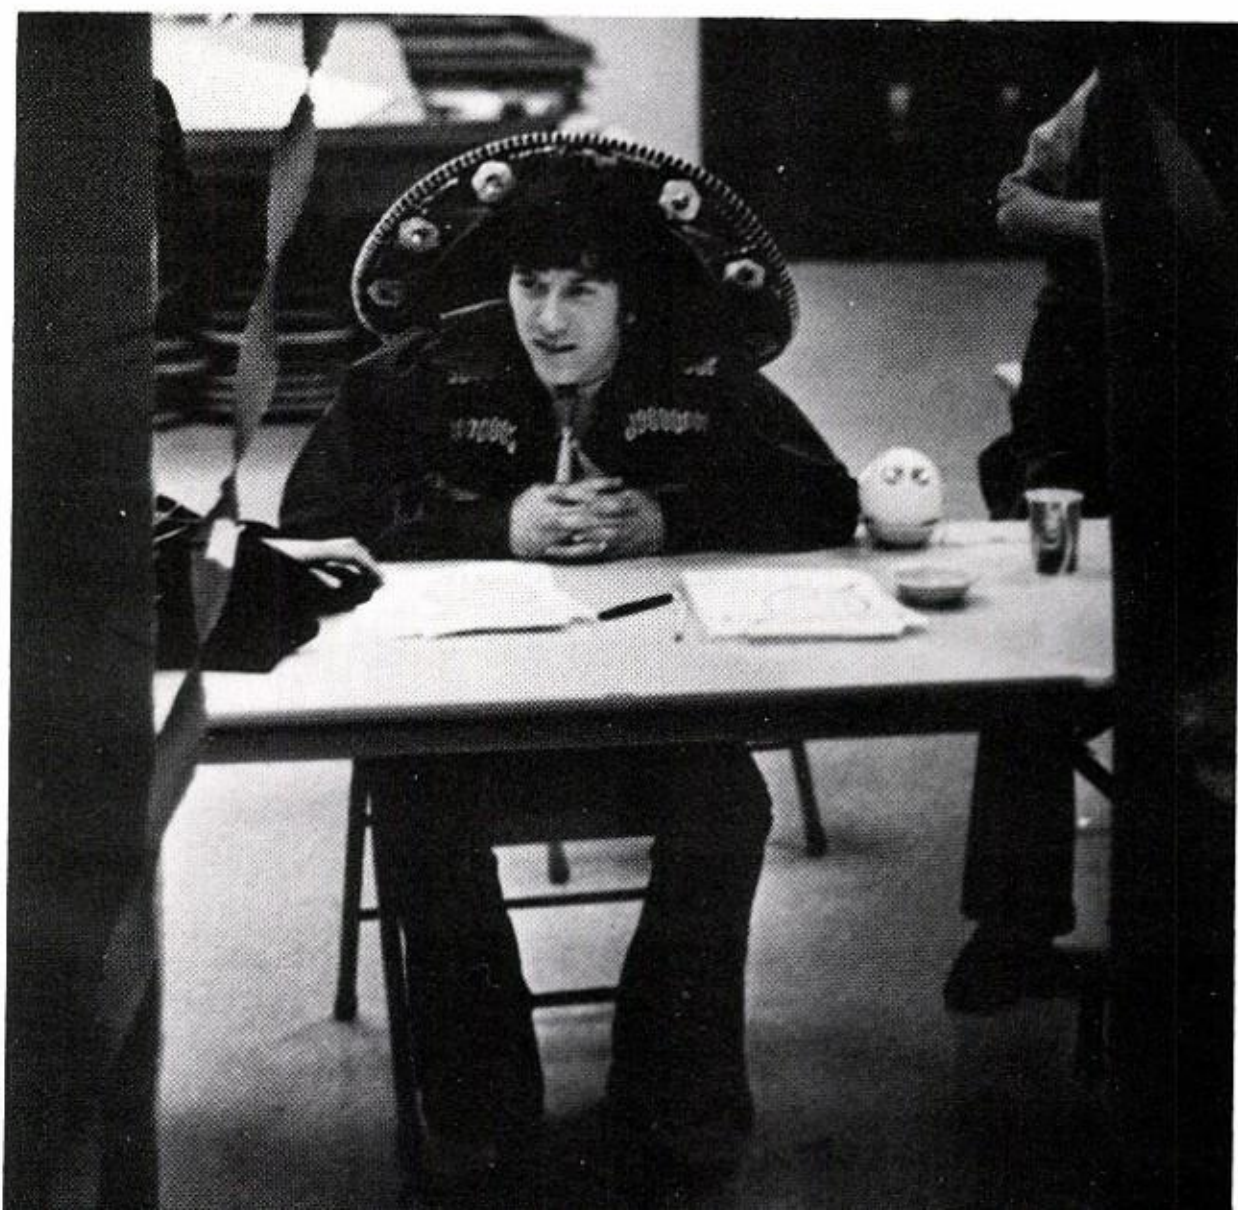

The day tells of whispered thoughts
that came in quiet moments when
I was without you . . .

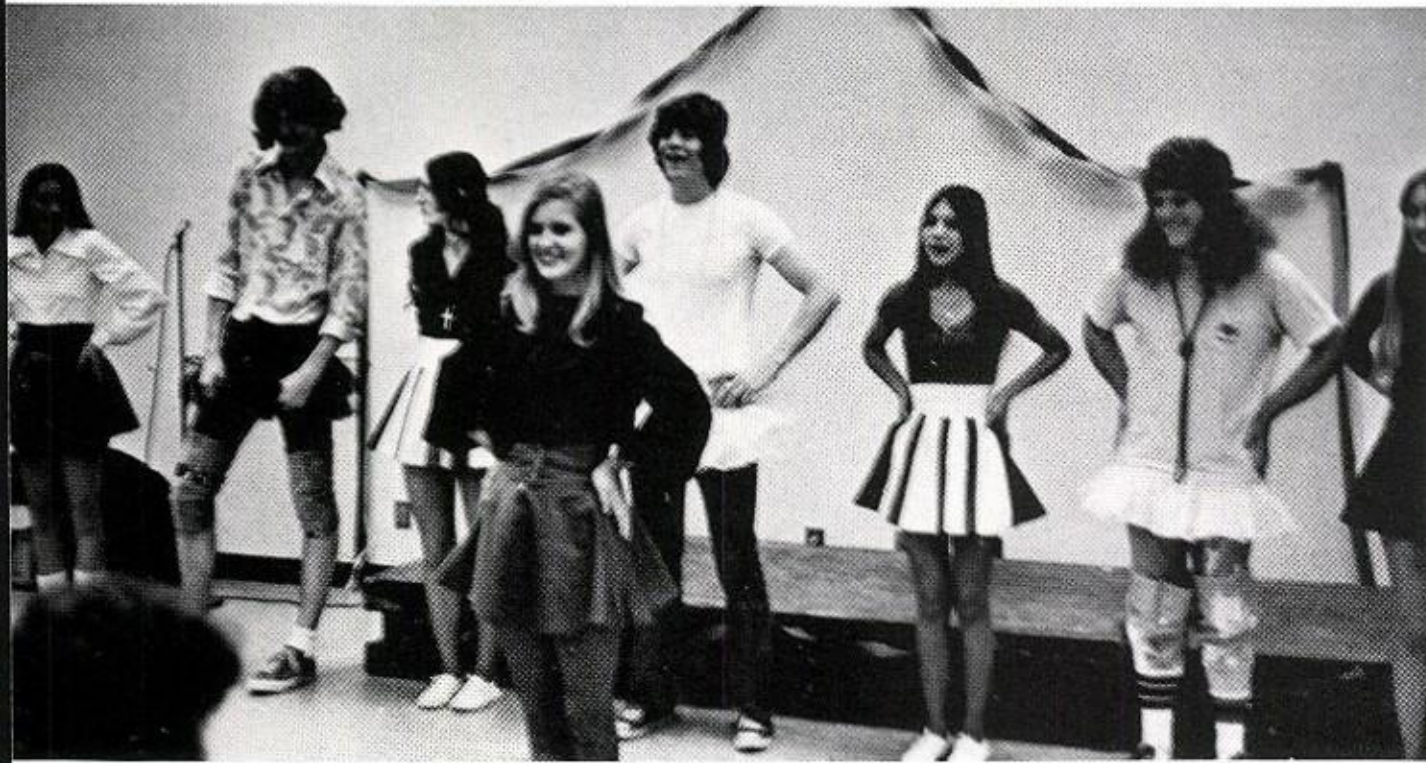

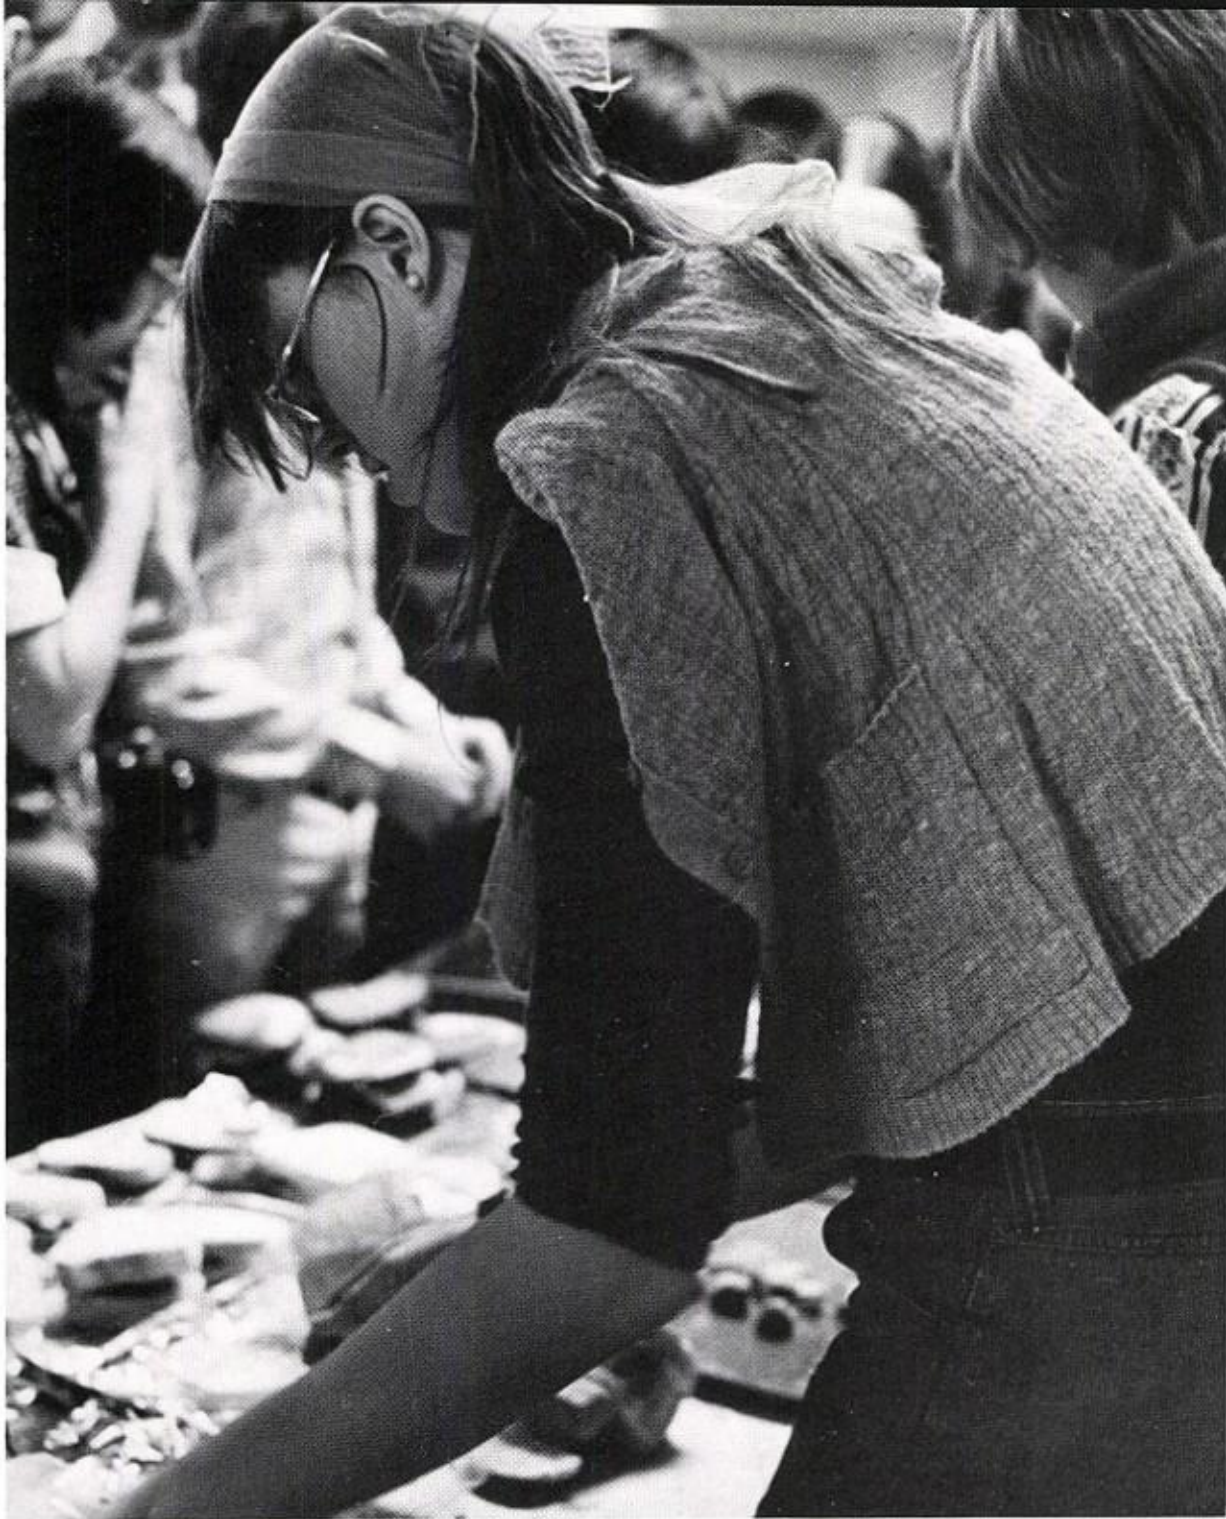

One of North Garland's feature attractions involves "International Week" sponsored by the French Club, Latin Club, German Club, and Spanish Club. Foods and activities corresponding to each native country were available at the festival.

International Week

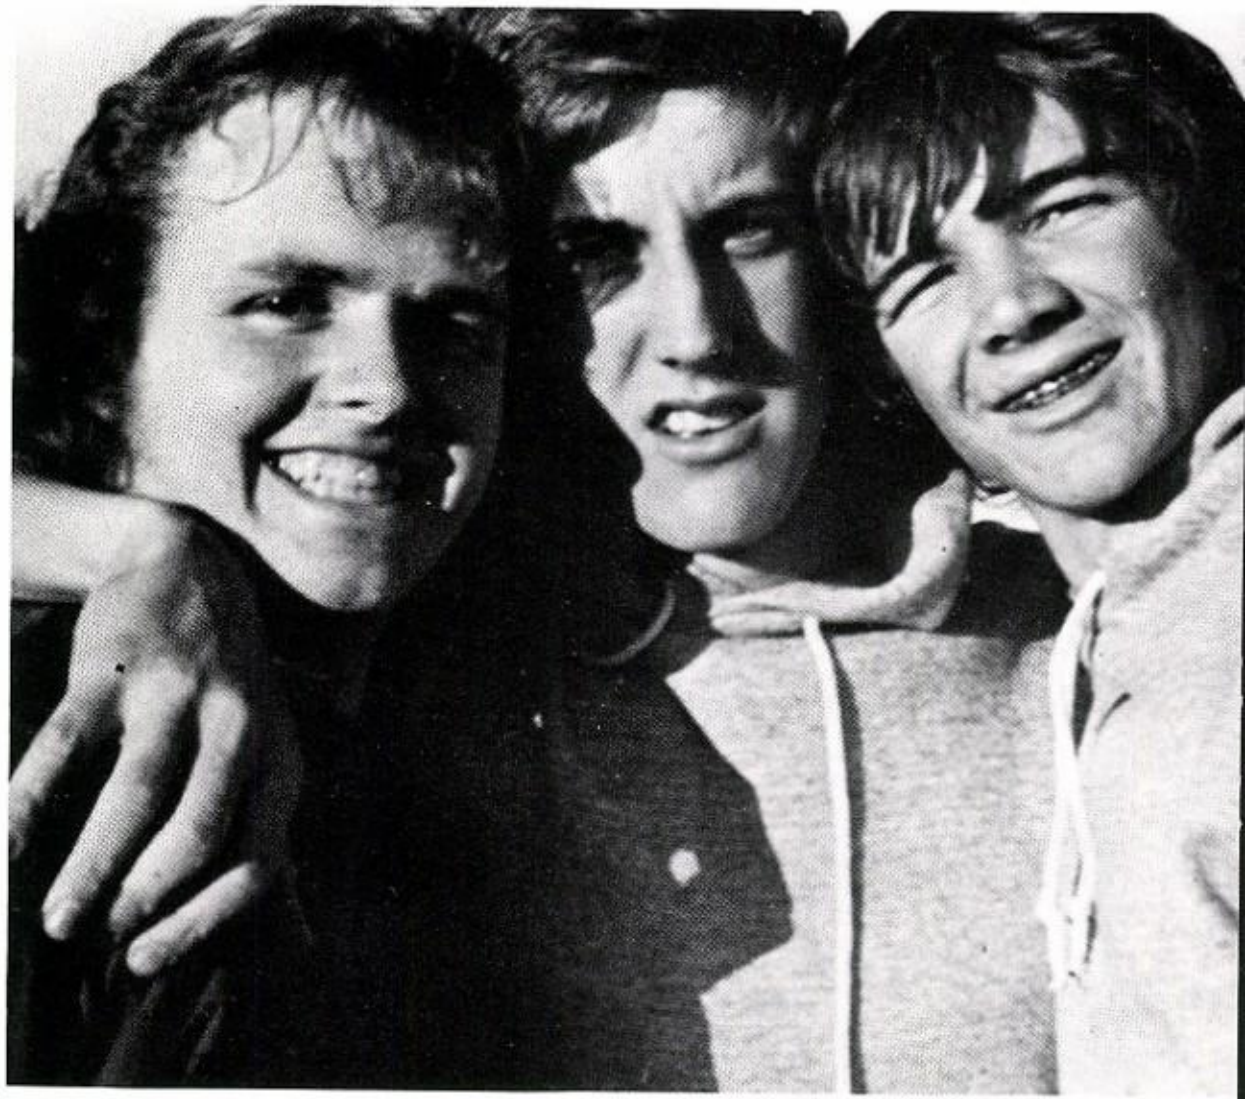

Twirp Week is . . .
 giving the girls a chance to know
 that special guy,
 or giving the guys a chance for an ego trip,
 Or wearing a hat three feet high
 With a shorter one on the tip.

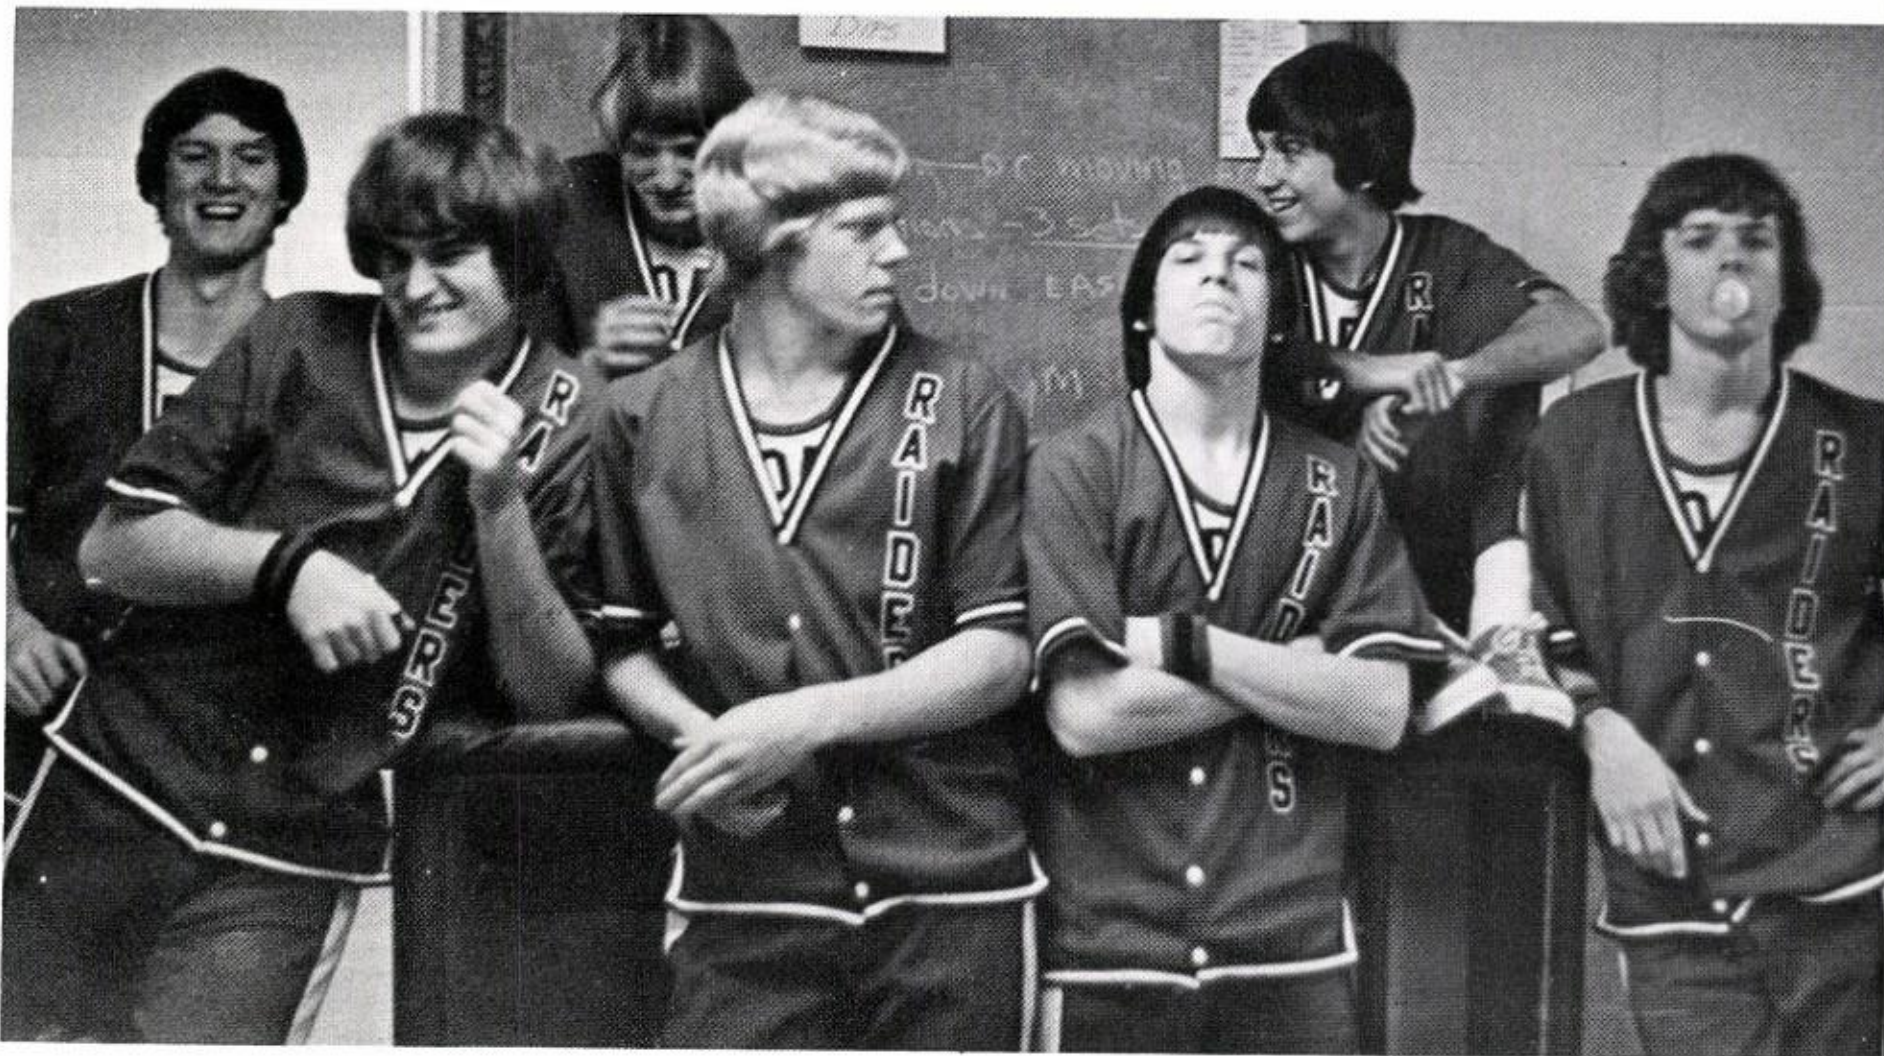

And last, but not least, a chance to relive
 The days of grease and bobby socks,
 While jitterbugging to your favorite band
 As they sing for you via the juke box.

Sam the Sham?

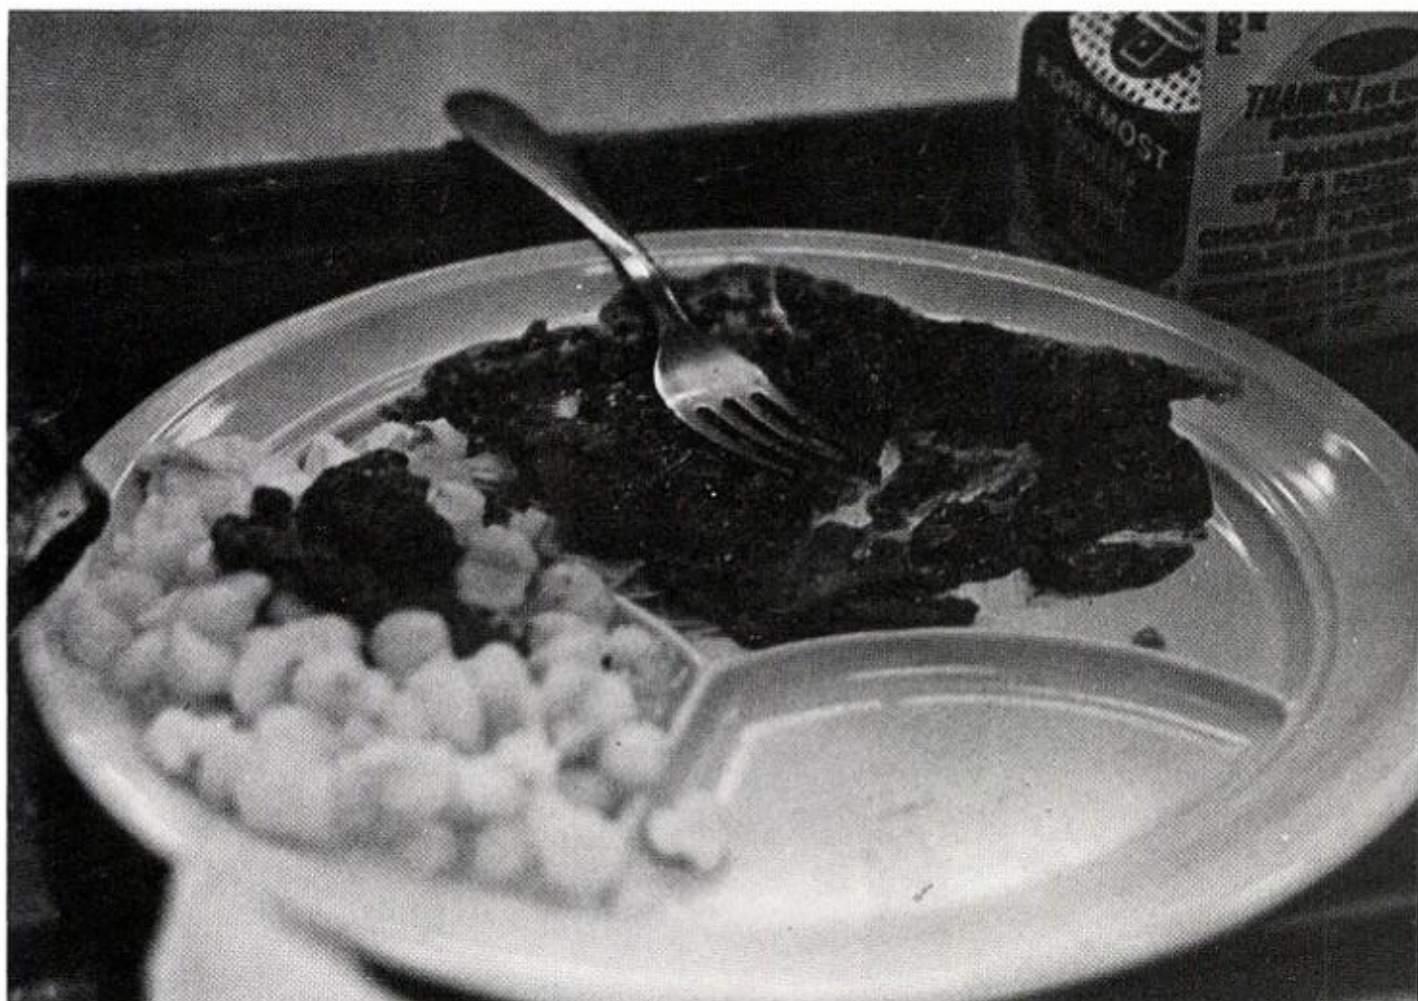

BUDDIES!!!

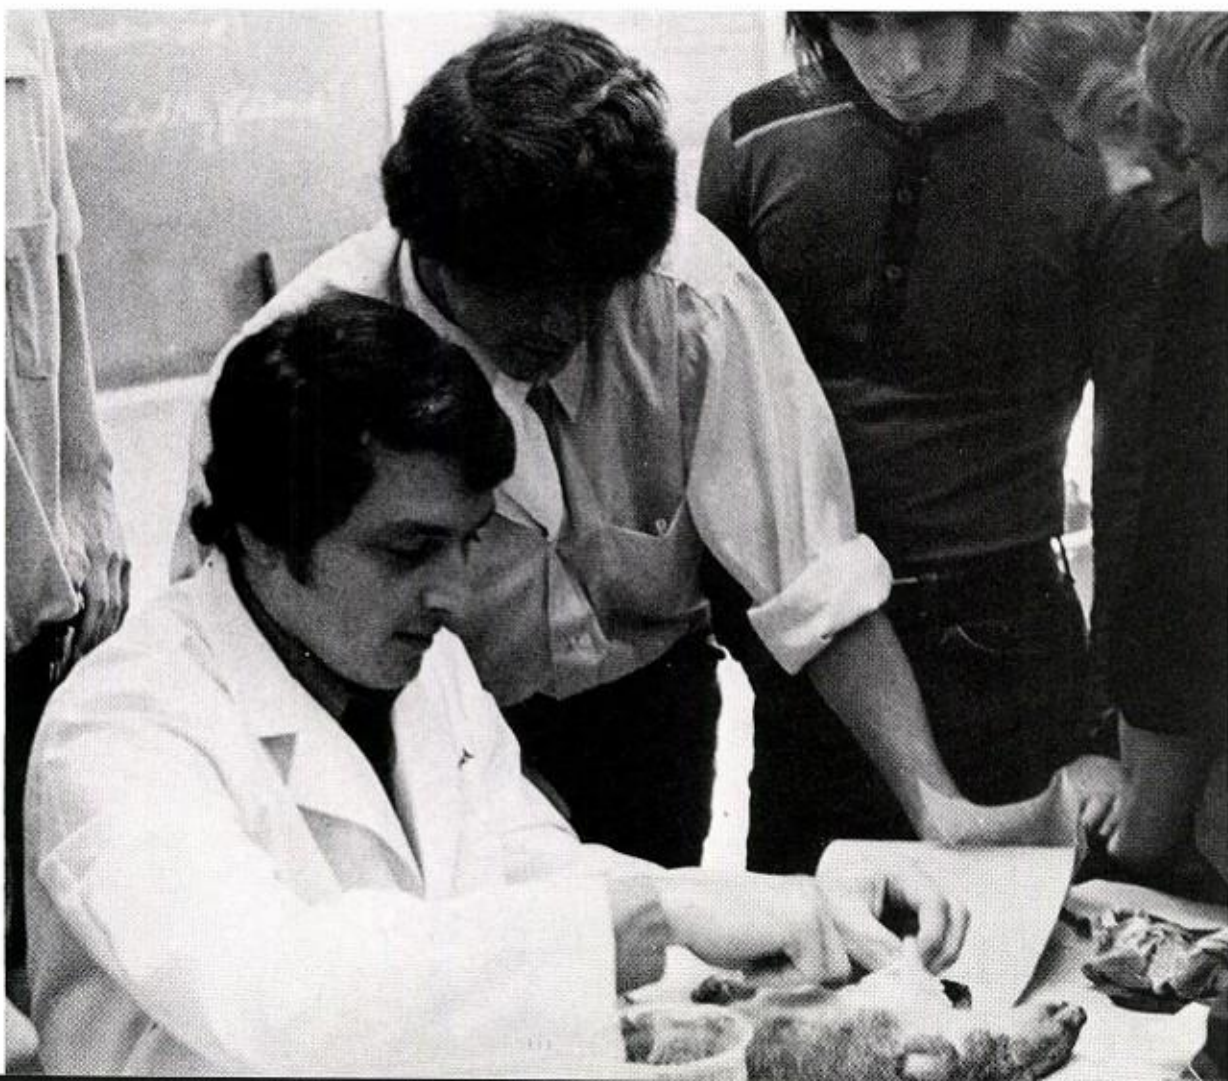

Preparation begins for the big game tonight.

NG's future prima ballerina.

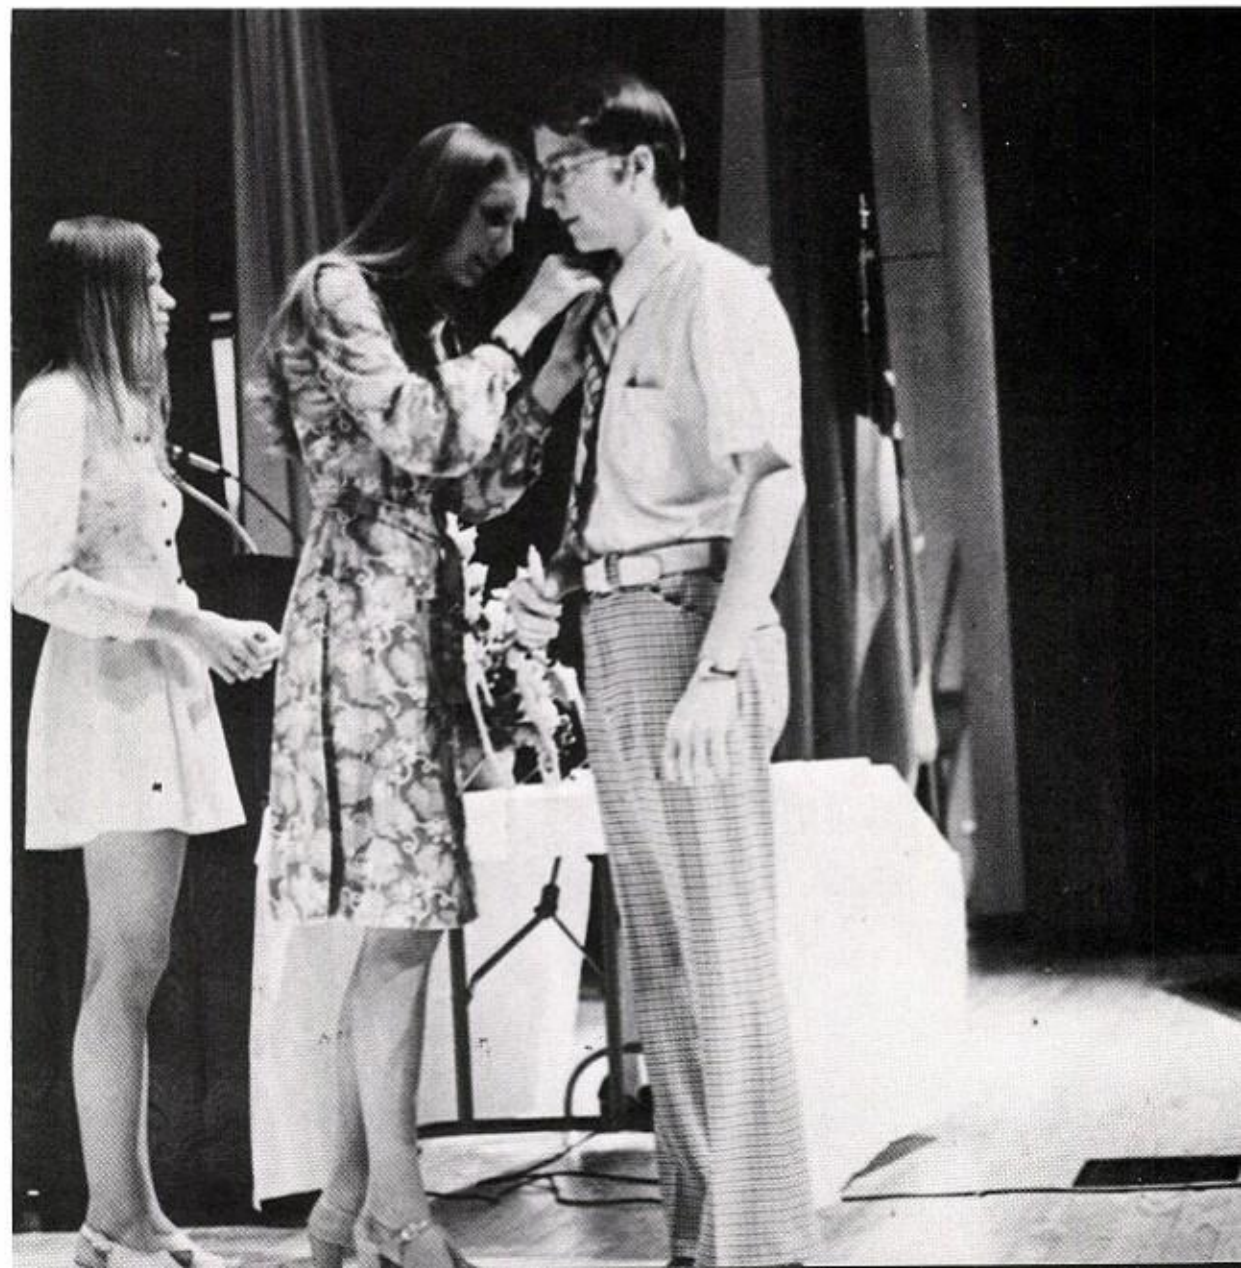

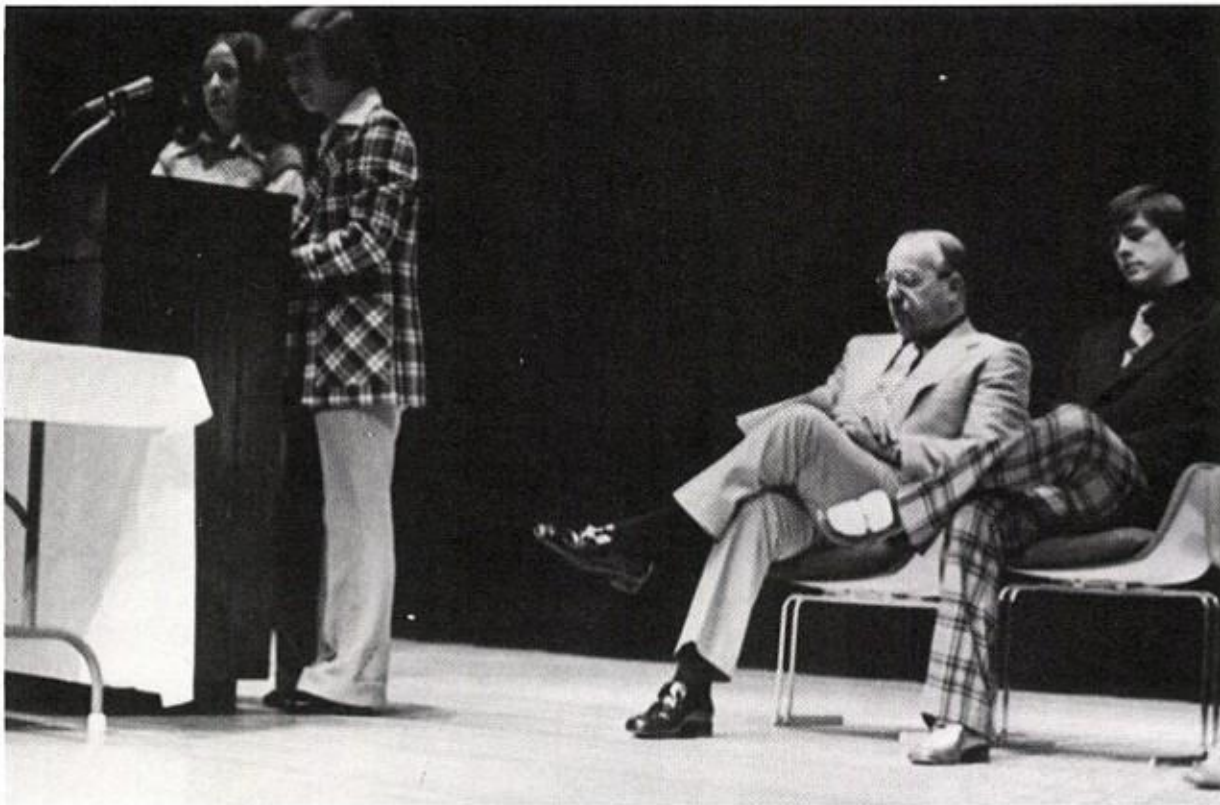

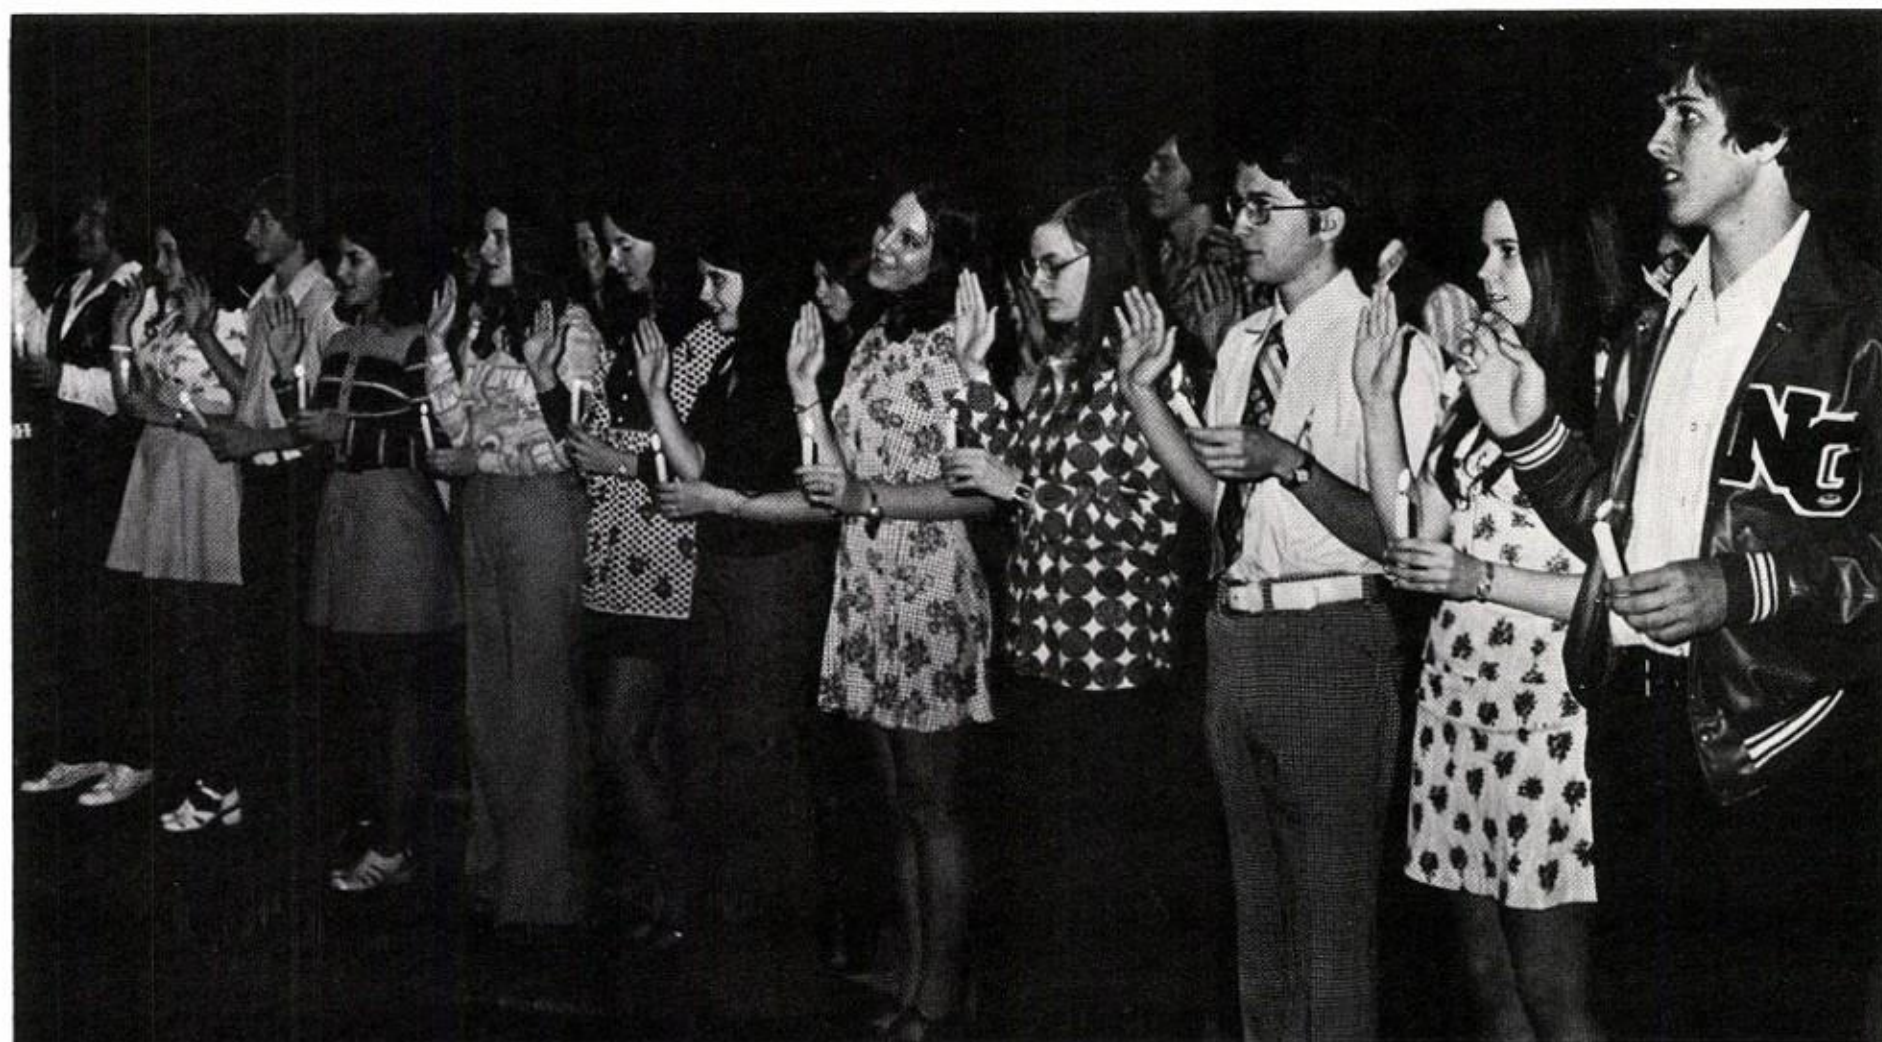

To eat or not to eat — that is the question.

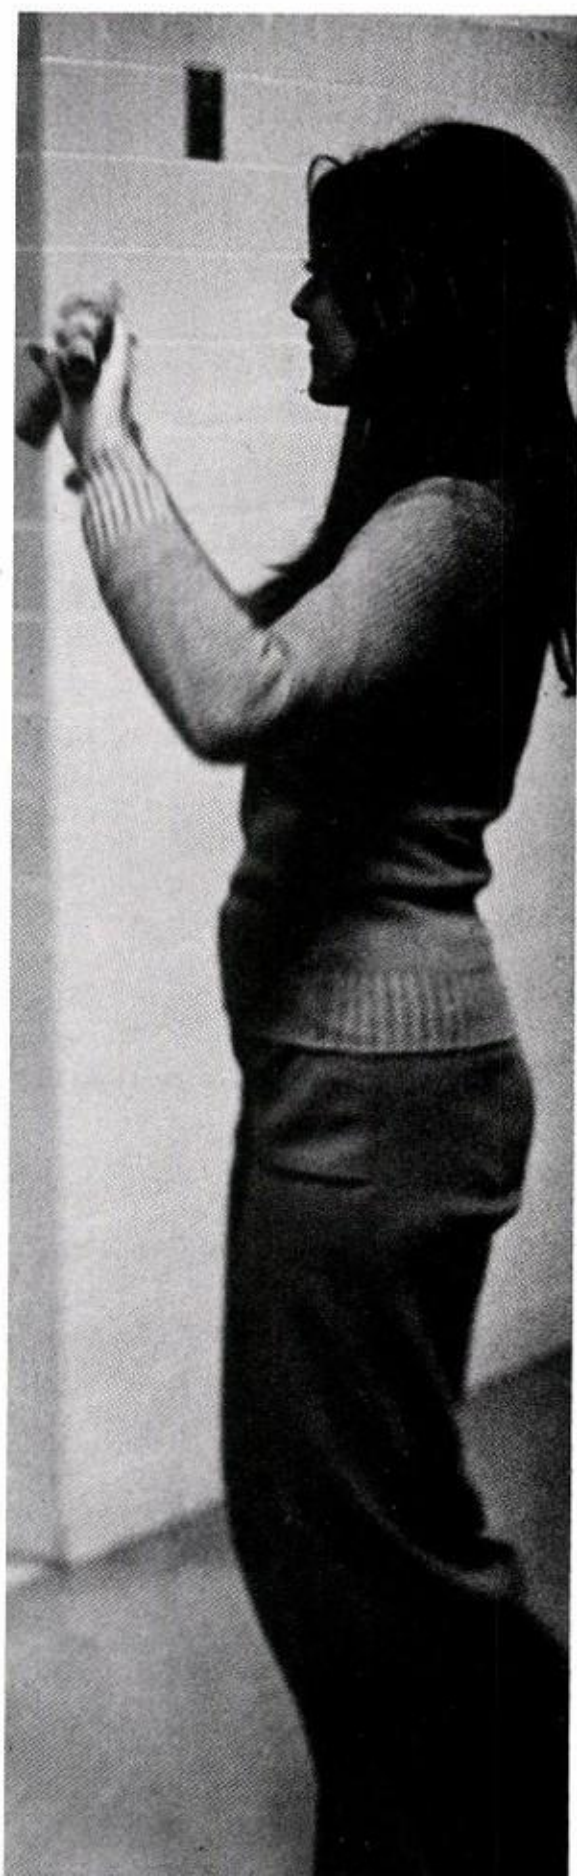

Mr. Reed shares his hobby, taxidermy, with his class.

The National Honor Society is exactly what its name implies — an honor, an honor given in exchange for a student's willingness to learn and the "stick-to-it-tiveness" that enables the student to reach his goals.

Faculty Vs. Seniors

They strolled onto the court like pros
Raised an eyebrow, thumbed a nose
Surveyed the opposing team with care
Each had confidence without despair.

They tried for points throughout the game,
Seniors and Faculty, with common aim.
The "Drill Teams" offered their support
As the teams battled across the court!

Reflections . . .
of days gone by.

CAN'T BE

Memories . . .

Echoing laughter of faraway
playground scenes . . .
The first terrifying scolding
received by an irate first-grade teacher,
"I'll see you after school" . . .
A decorated lunch sack
heaped with Valentines and
that special one the teacher gave
that actually had a candy heart in it!
Years continue as you do
And soon — Junior High . . .
"It's so big! I'll get lost!"
But these years hurry by, too,
And there you are at the front door of
NORTH GARLAND HIGH SCHOOL.
So many memories . . . memories
that sometimes whirl in my mind,
And always touch my heart.

The Everyday cares and duties, which men call drudgery, are the weights and counterpoises of the clock of time, giving its pendulum a true vibration, and its hands a regular motion; and when they cease to hang upon the wheels, the pendulum no longer swings, the hands no longer move, and the clock stands still.

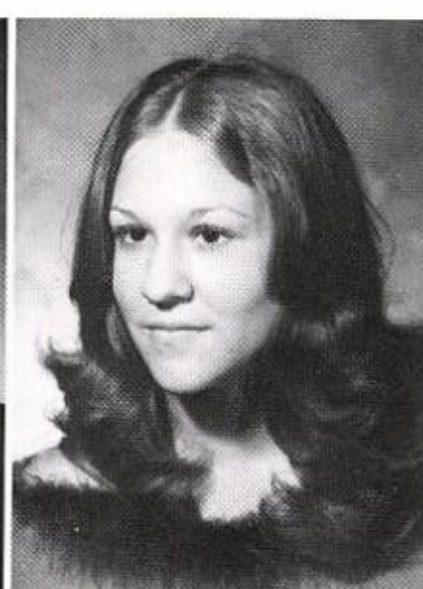

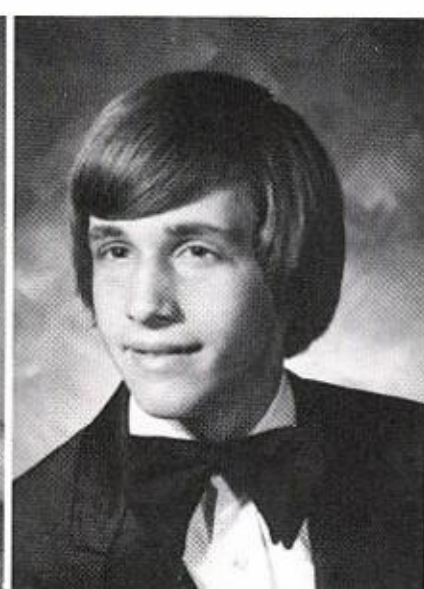

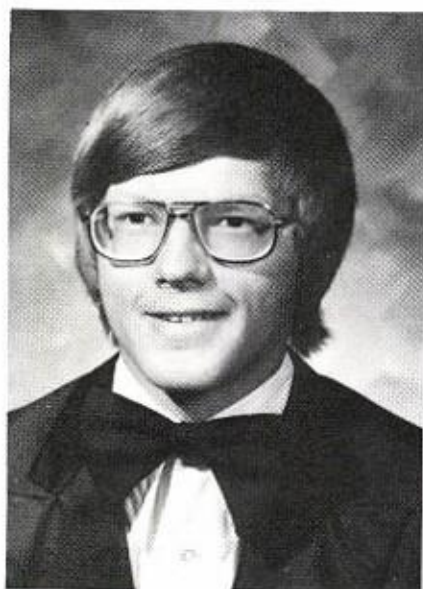

— Longfellow

Football captains for the 1975 Football Season were Bobby Burns, Bobby Meals, Steve Clifford, and Bobby Nall.

Bobby Burns was named to first team all district after a fine season for the Raiders.

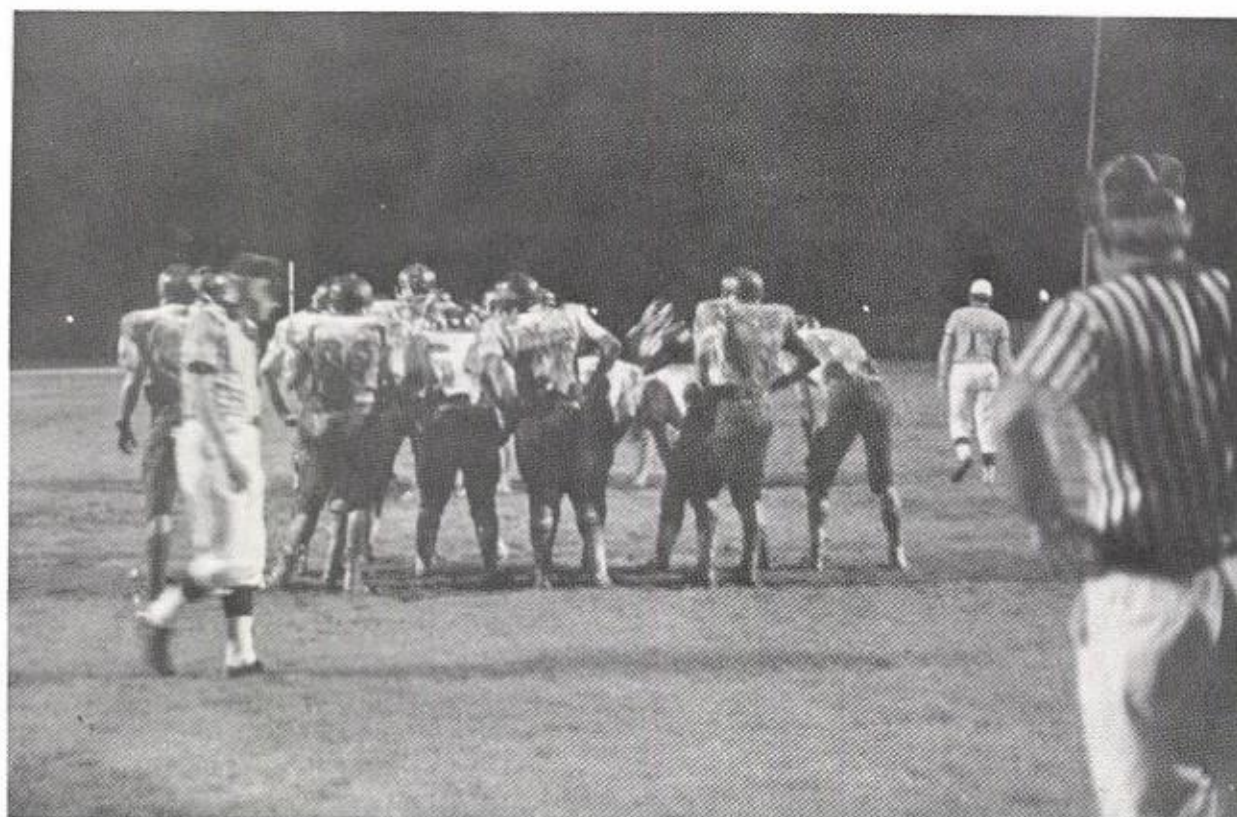

Dave Greer was named to second team all district.

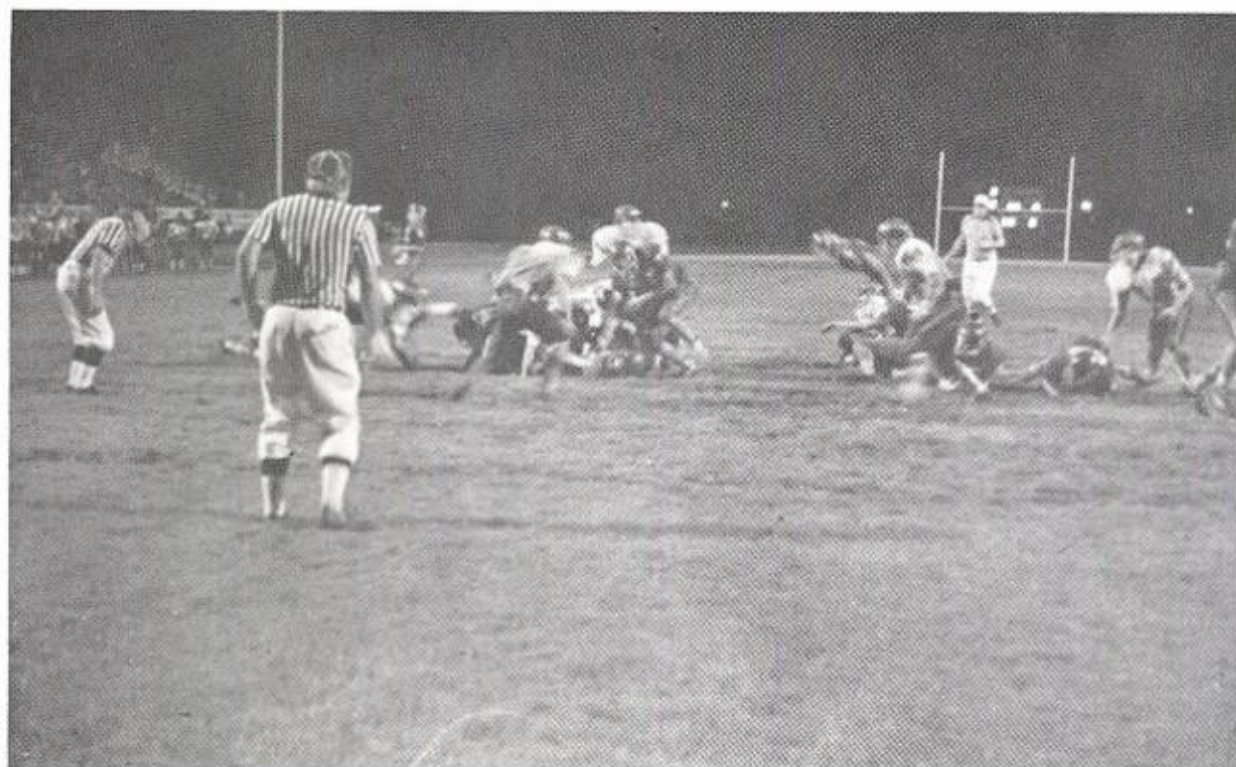

Mel Cure and Bobby Nall were named District honorable mention.

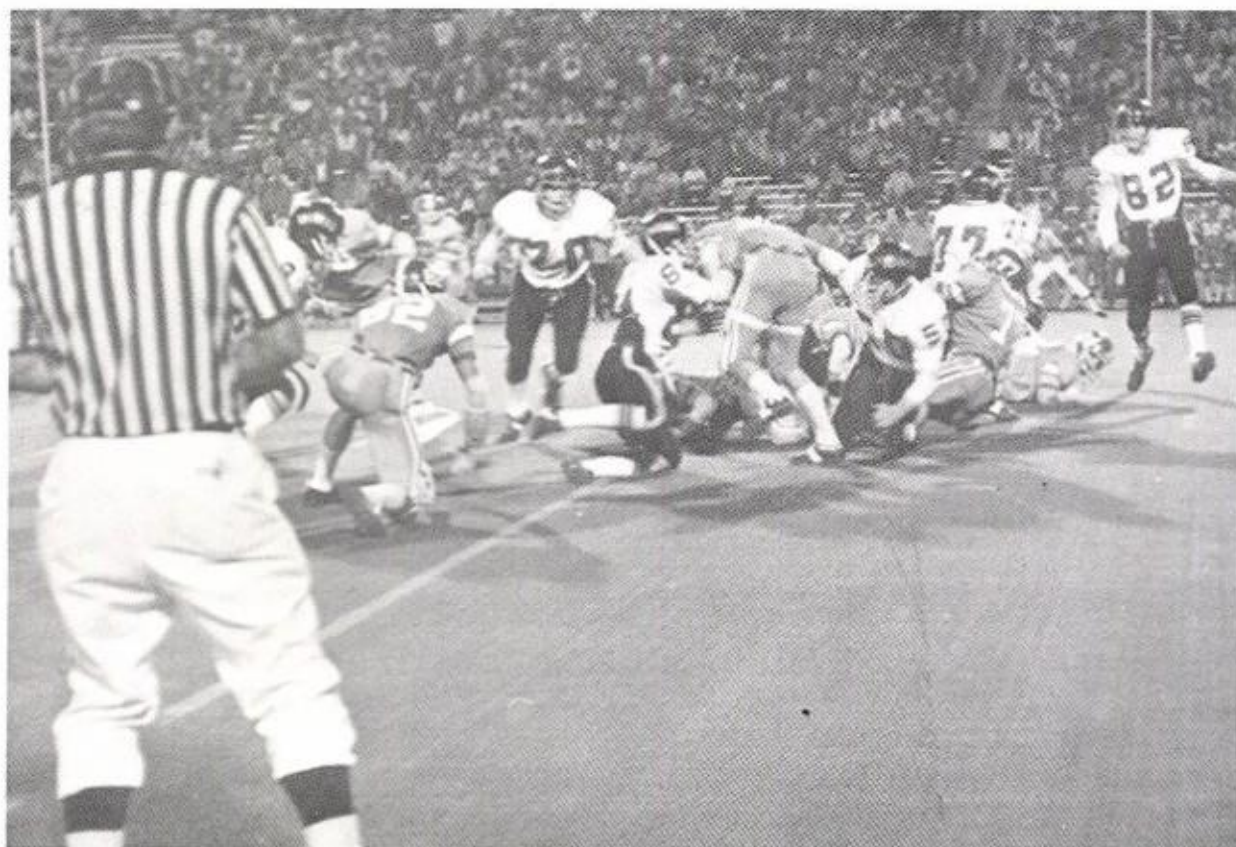

Mud-soaked Raiders prepare to hold their ground in a goal line stand.

The Raiders were prepared for Mesquite in this drive as they stopped them from crossing the goal line.

Hard tackling was a part of the Raiders' game plan, as the Colonels were to find out as the night wore on.

With the Raiders leading 7-6, the Leopards' quarterback passed a 26 yard bomb to the five and the receiver waltzed over the end zone stripe untouched, preventing any hopes of a Raider victory.

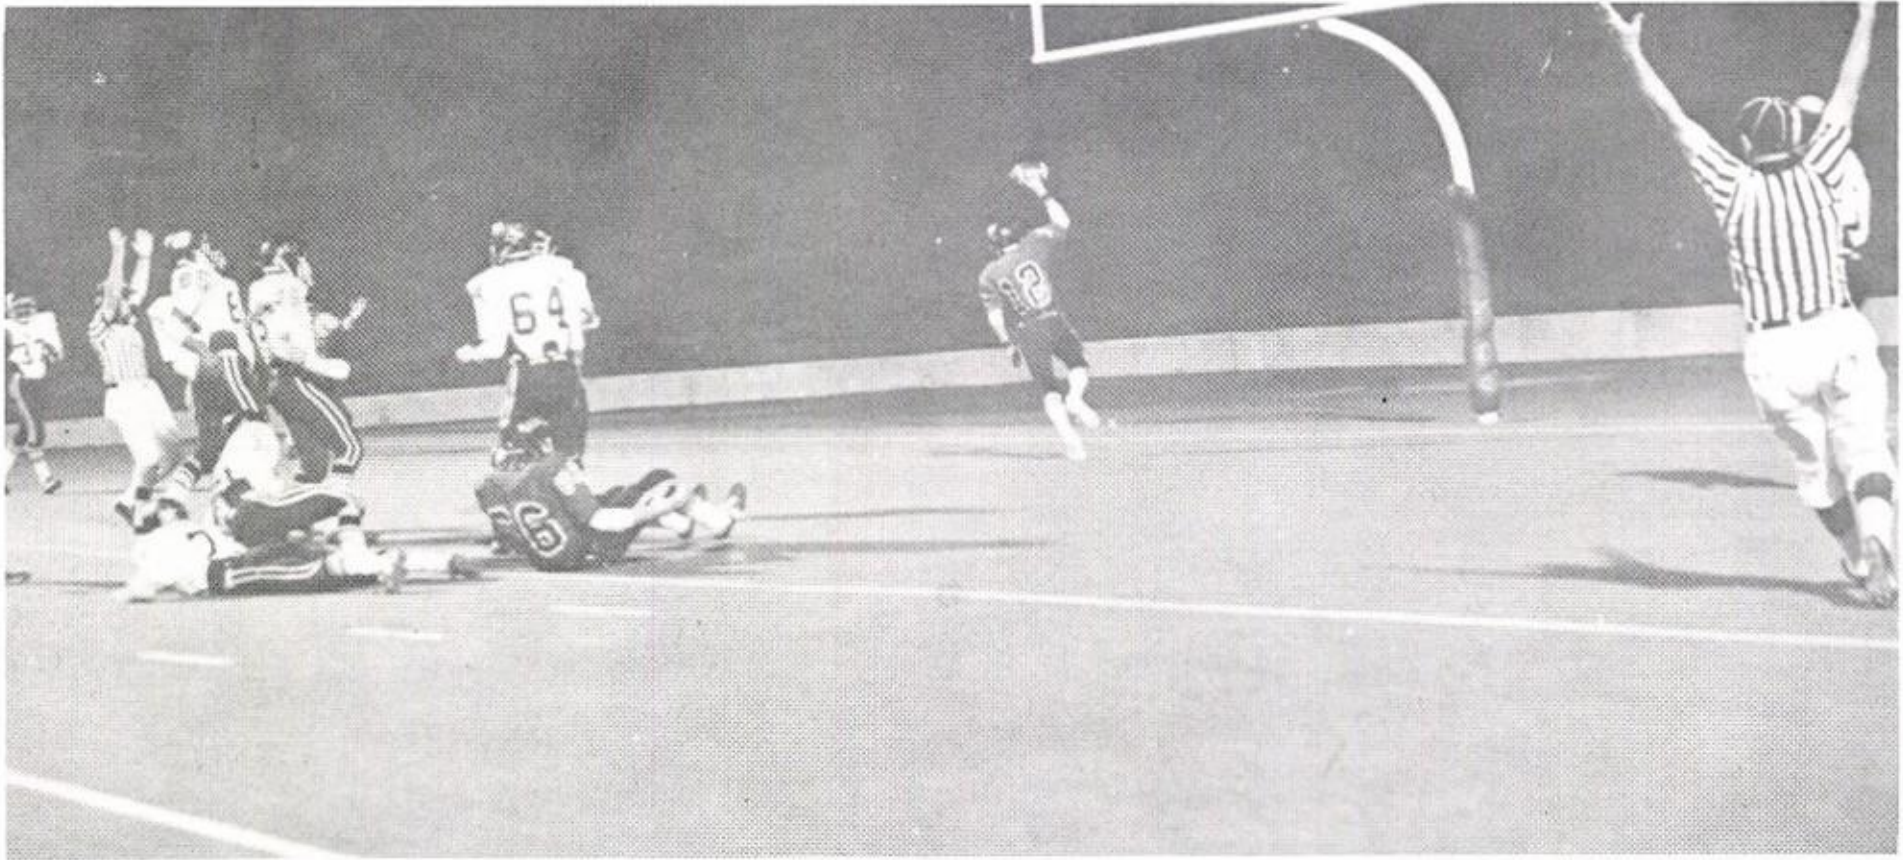

The third game of the season found the Wilmer-Hutchins Eagles on North Garland's home turf, and the Eagles seemed to make themselves quite at home as they out-ran and out-maneuvered the Raiders to a 42-2 win. The Raiders never were able to get an offense started and the defense had problems all night. Their only flare turned into a Raider score. After a Raider punt which ended up at the three yard line, Raiders Jeff Hendley

and Terry Jones burst through the line to drop the Wilmer-Hutchins quarterback for a safety.

The next game found North Garland going to the North Mesquite-Hamby stadium. The Raiders played excellent ball control the first half allowing North Mesquite only 16 plays, but as the second half opened it was apparent that things had taken a turn. The Stallions mounted 20 points to North Garland's seven to end the

game in a 26-7 defeat of the Raiders.

The next game found the Raiders again at Hamby Stadium. There was one slight difference, however, that difference being the Mesquite Skeeters. They promptly handed the Raiders their worst defeat of the year. Although they beat the Raiders 42-0, we do not have anything to be ashamed of as they made it all the way to the state finals.

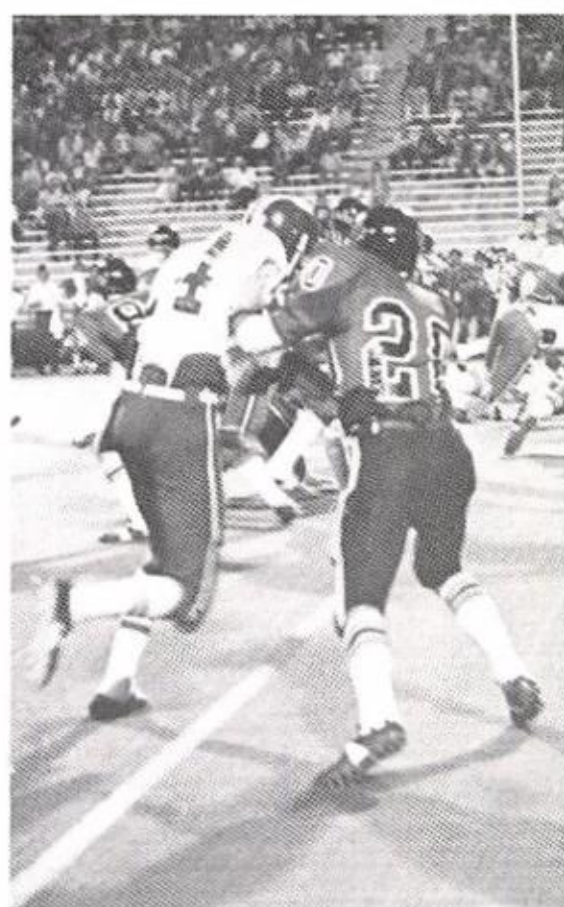

The next game was the start of a new rivalry. After North Garland beat South Garland in the Garland Basketball Tournament last year, SG was out for blood. They were not long in getting it as they beat the Raiders 26-7. Although they did beat the Raiders, it was not as easy as the score would indicate. The Raiders had many opportunities to score, but could not capitalize. The next week was open giving the Raiders an extra week of practice.

They next met the Richardson Eagles. The Raiders played a good game, but just could not take advantage of the Eagle mistakes. The result was a 28-15 defeat.

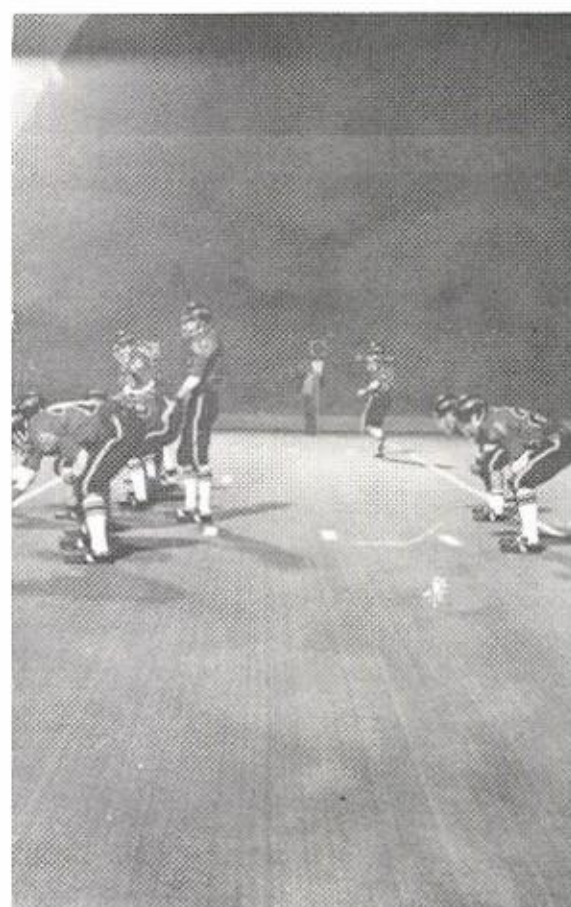

The next week, as the Raiders took the field, it was obvious there was a change in spirit. The Raiders took the field with confidence and played a great game, but it was the same as before. The breaks of the game went against them. The obvious reason for the change in spirit was the Garland Owls. The Owls were out-played and were lucky to walk away with a 29-15 victory.

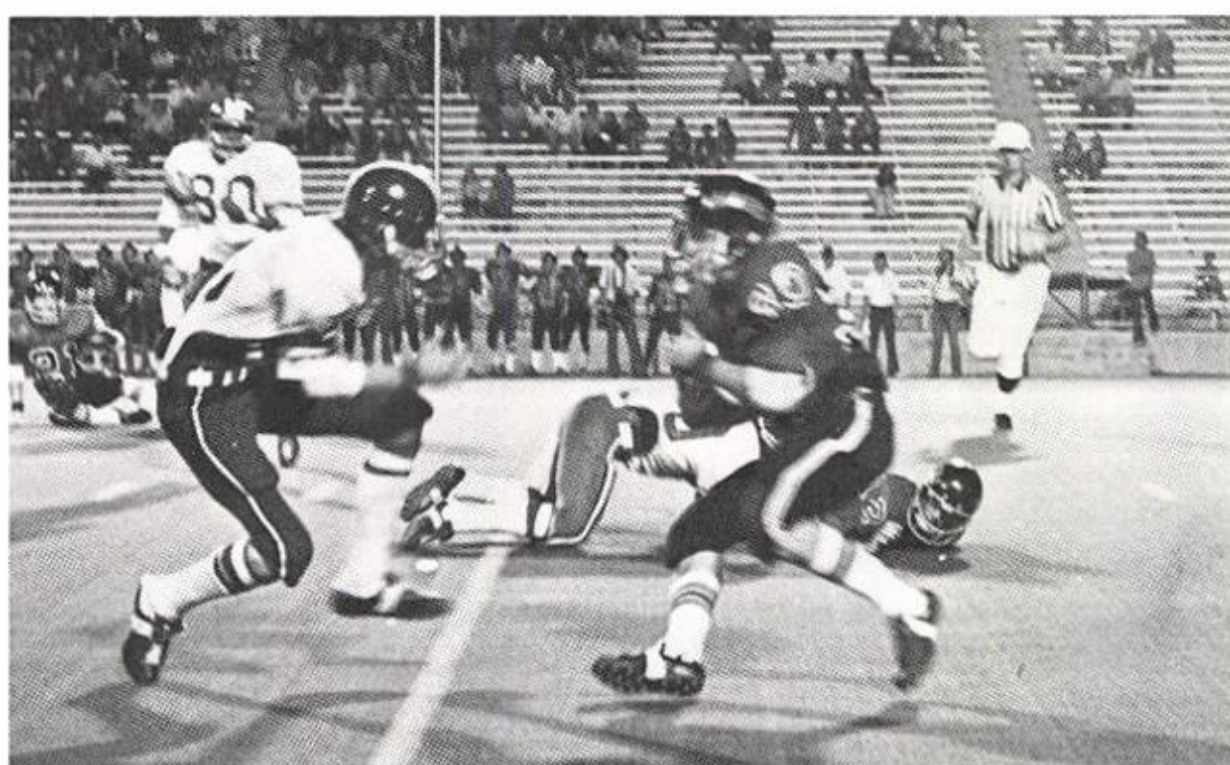

Tim Griffin puts a move on a Berkner defender.

Good blocking is a big factor in a winning team's game plan.

Bobby Nall moves to the helm.

The Raider defense closes in for a kill.

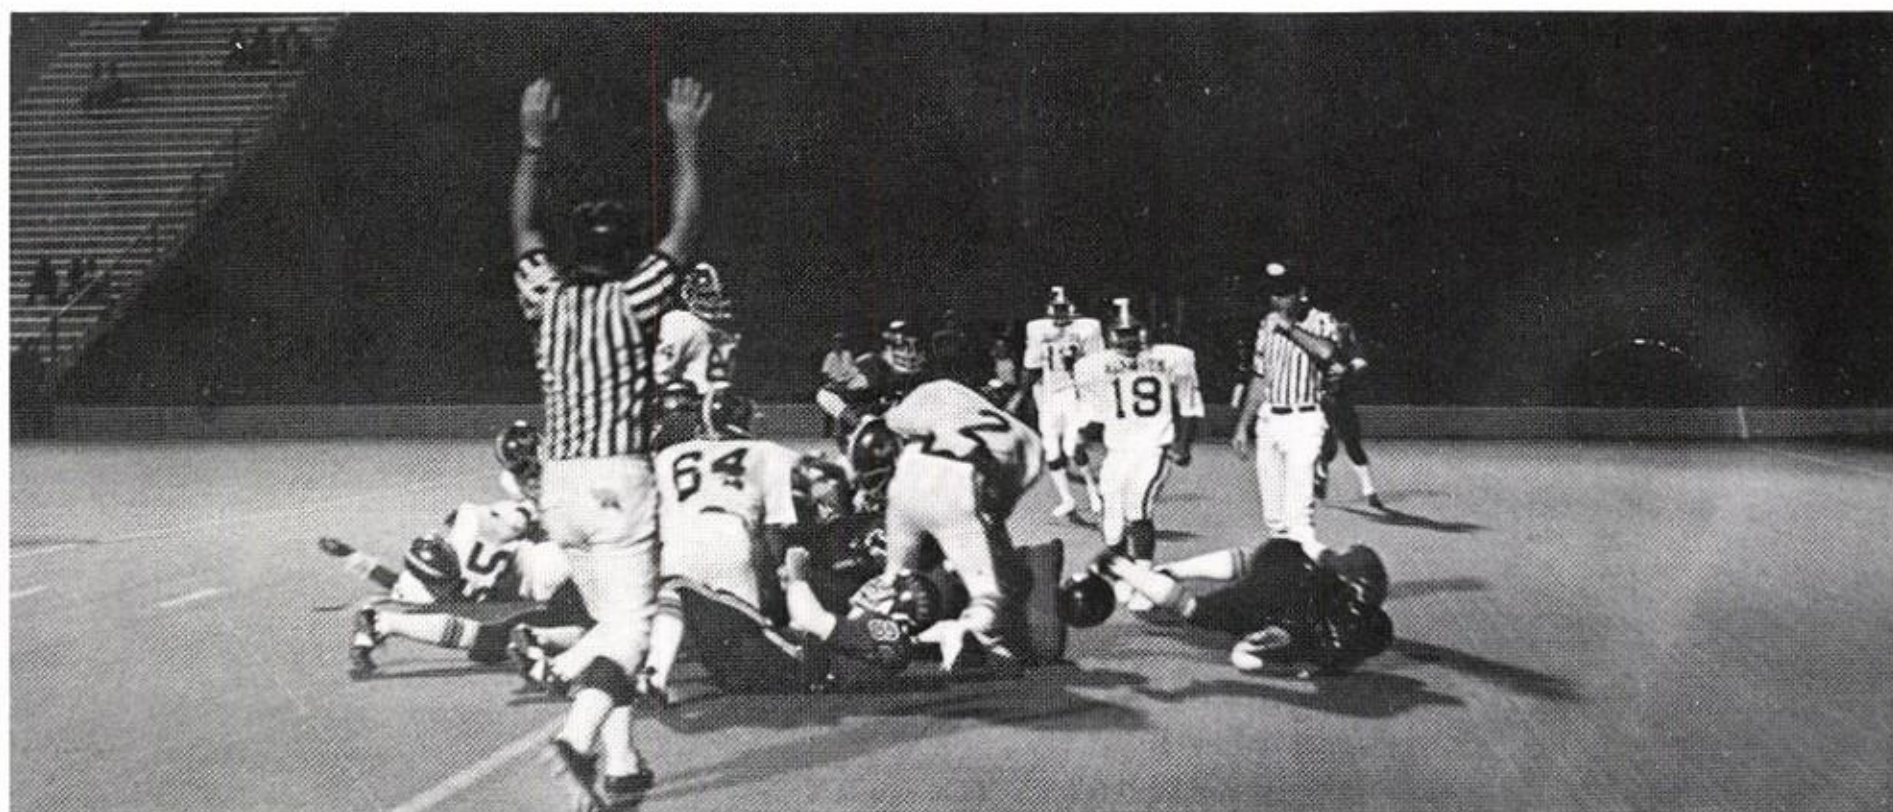

It was obvious that the Raiders remembered their defeat of the week before as they took the field against J. J. Pierce. Nall was the spark for the offense in this game as he scrambled for two touchdowns. He kept Pierce guessing all night with good faking and excellent passing. The score on this night was a 20-20 tie, which at this point in the season was as good as a win.

The last game of the season turned out to be a disaster for the Raiders as they lost to the Lake Highlands Wildcats 42-14. The Raiders were not able to move the ball until late in the fourth period.

All through the season there were constant impressive players. Some of these were Bobby Nall, Terry Jones, Lee Ferrell, Kent Turner, Chris Clark, Mel Cure, Bobby Burns, Dave Greer, and Steve Clifford.

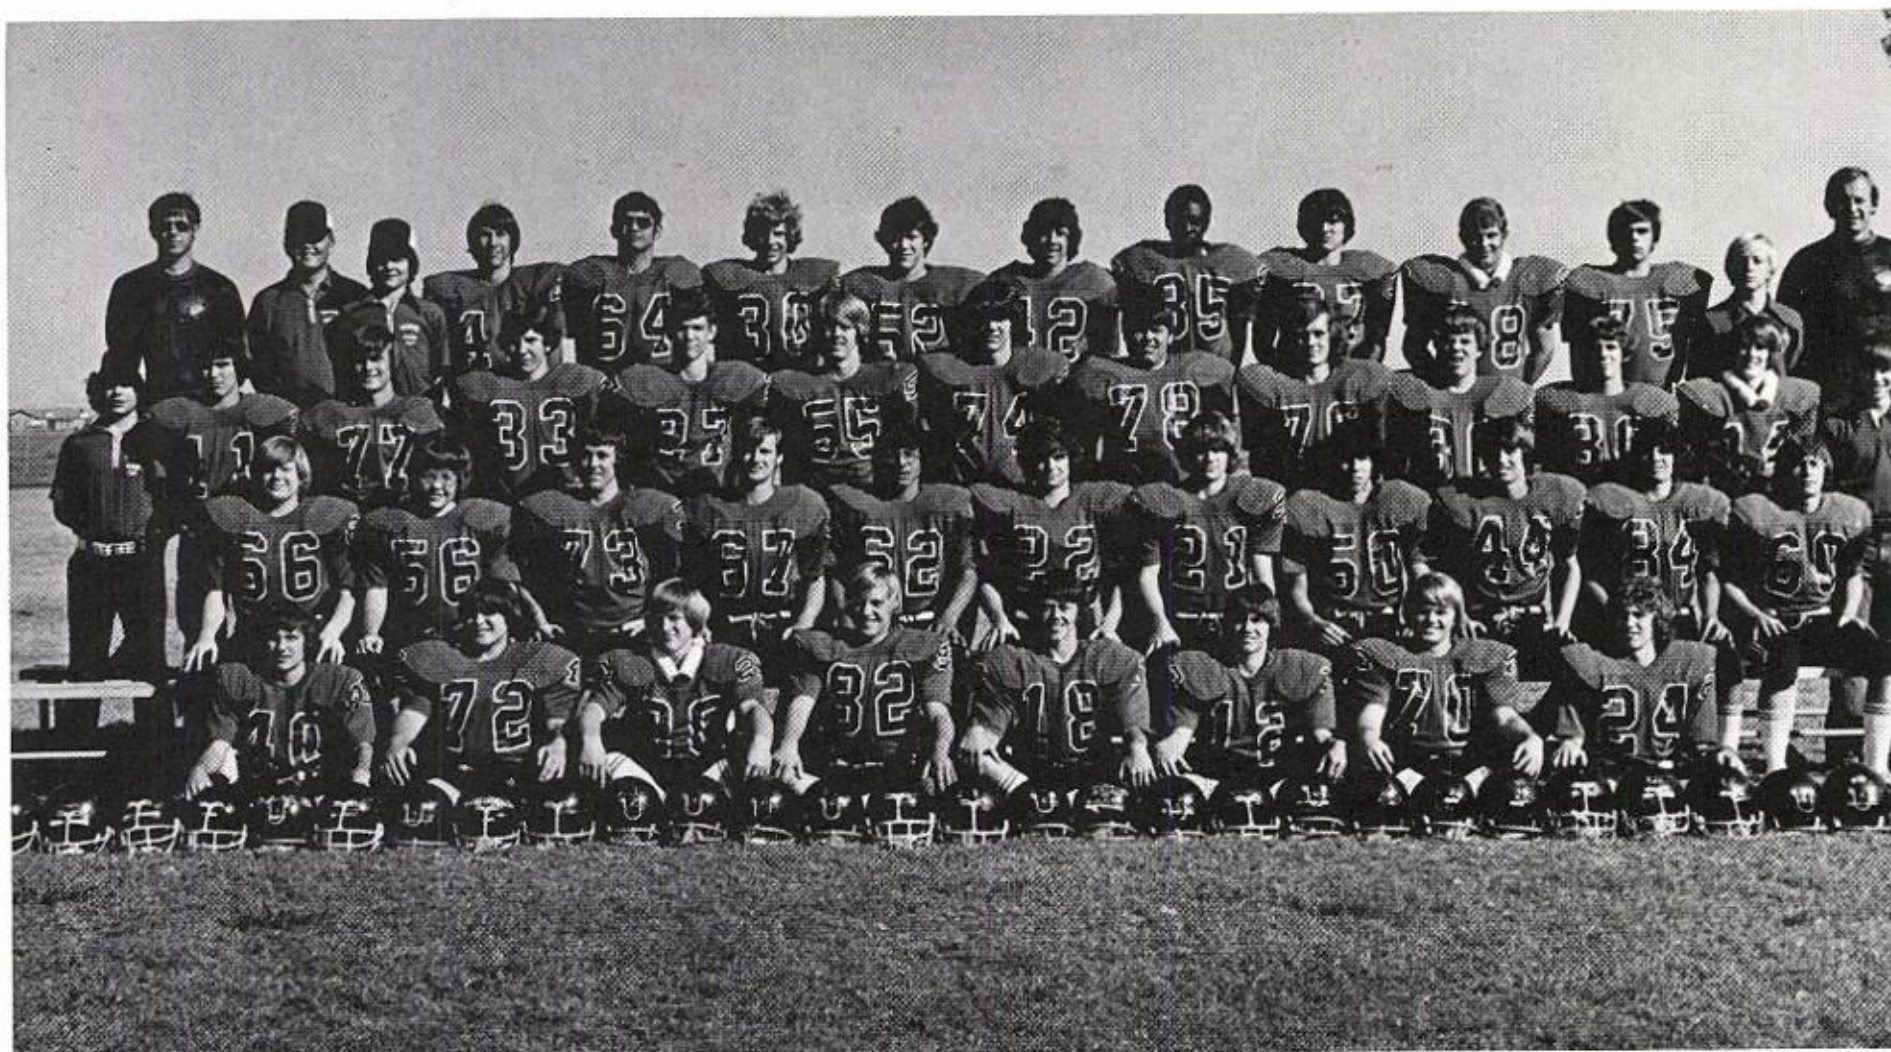

Going over the Raiders was next to impossible for any team.

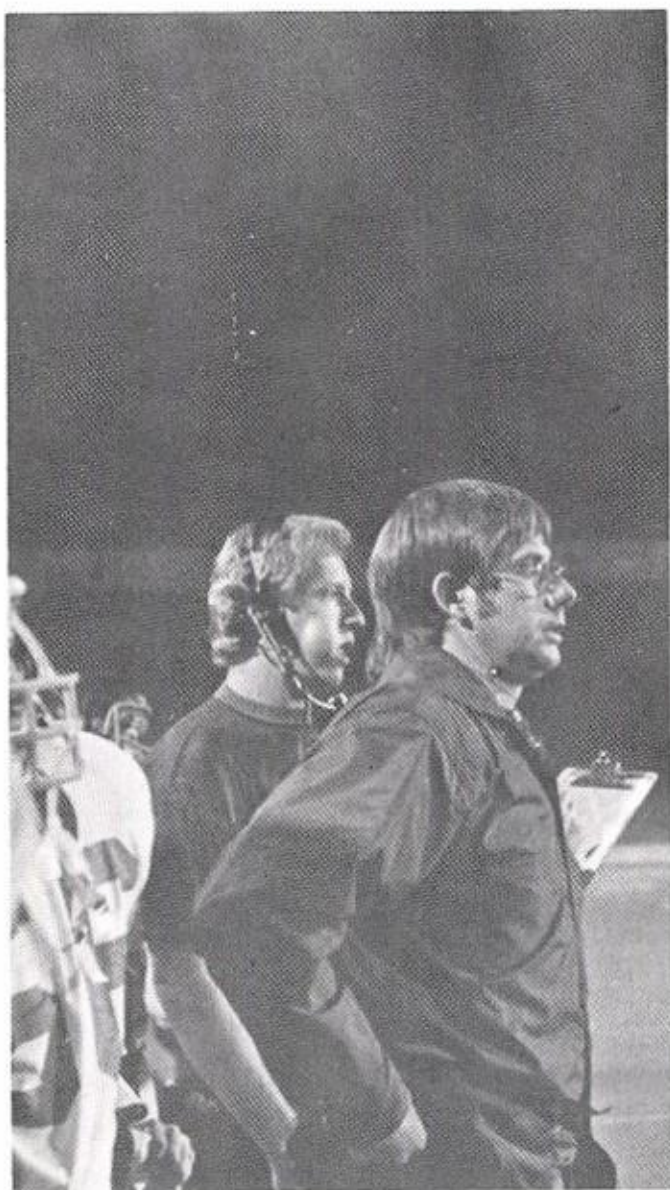

The Raiders end another drive with a touchdown.

1st row: Scott Butler, Jimmy Hill, Donnie Perry, Doug Hubbard, Robert Wilkins, Donald Shrock, David Turner, Trainer David Shrock. **2nd row:** Coach Leon Kennedy, Trainer Ken Southerland, Robert Kennelly, Vince Parsons, Walt Bechtol, David Rhoden, Russ Pimberton, David Taylor, Coach Joe Garcia, (Doc) Carroll Montgomery.

Raider captains Donnie Perry and Walt Bechtol showed the great NG sportsmanship.

Perry adds two more from the outside.

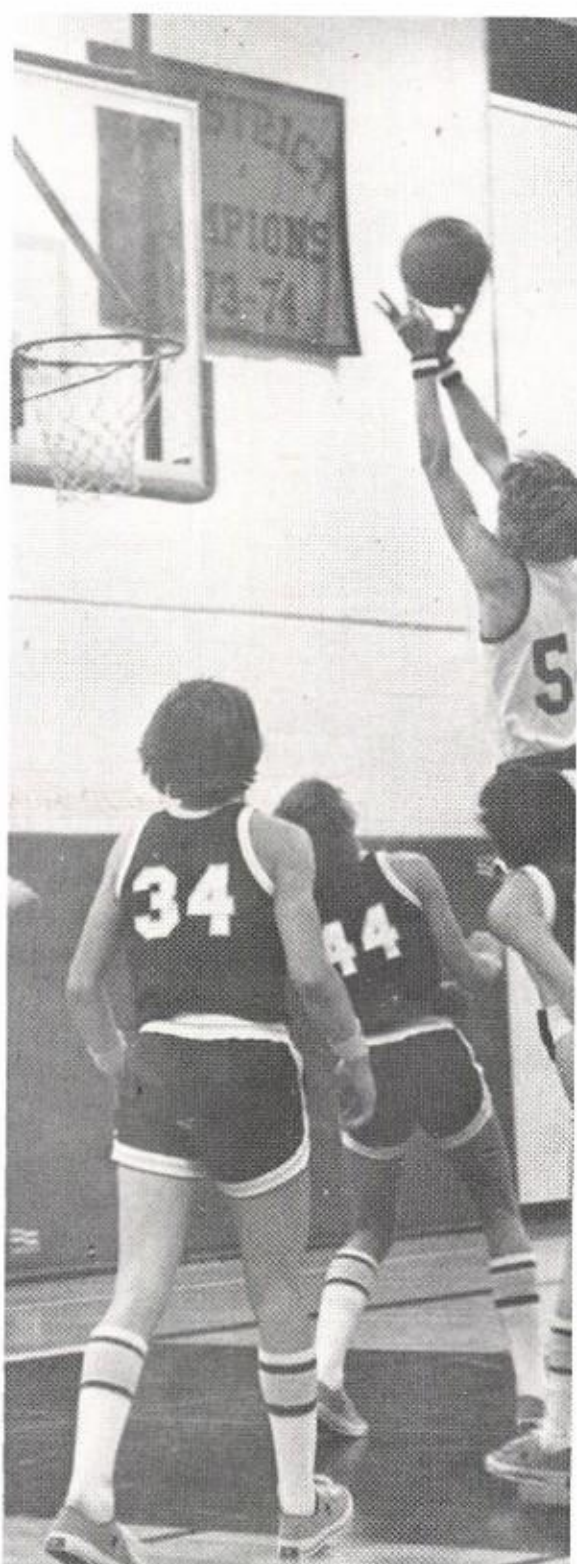

Marshall's ball control was a big JV asset this year.

Parson's inside shots accounted for many Raider points this year.

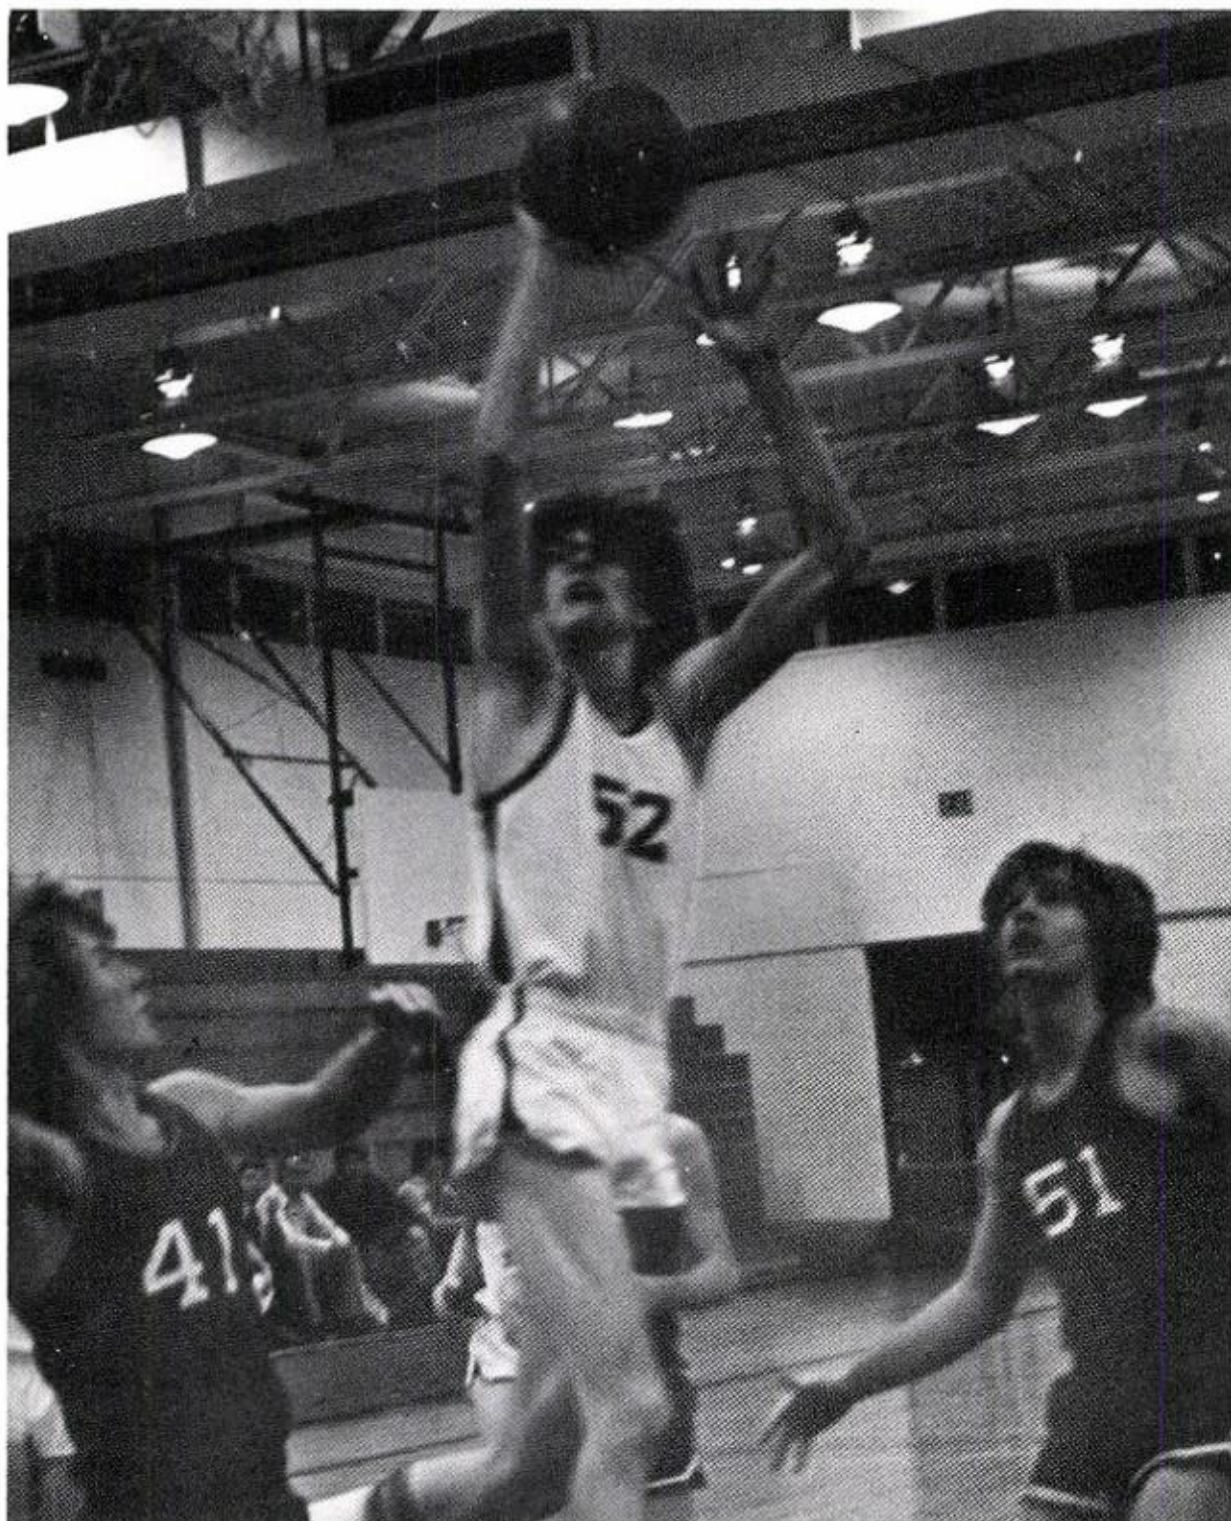

A determined and fighting North Garland basketball team played their hearts out but were highly outsized by the AAAA teams that they faced this year. Some of the stand-out senior roundballers were Bob Kennelly, Walt Bechtol, Vince Parsons, Donnie Perry and Donald Schrock. While Kennelly, Perry and Schrock ripped the nets from the outside, Bechtol and Parsons pulled down rebounds right and left. David Turner, Robert Wilkins and Russ Pimberton were juniors who contributed a great deal to the Raiders this year and who will be leaders of the Raider Roundballers next year.

Bechtol makes an easy two.

Harris goes up and over an opposing defender.

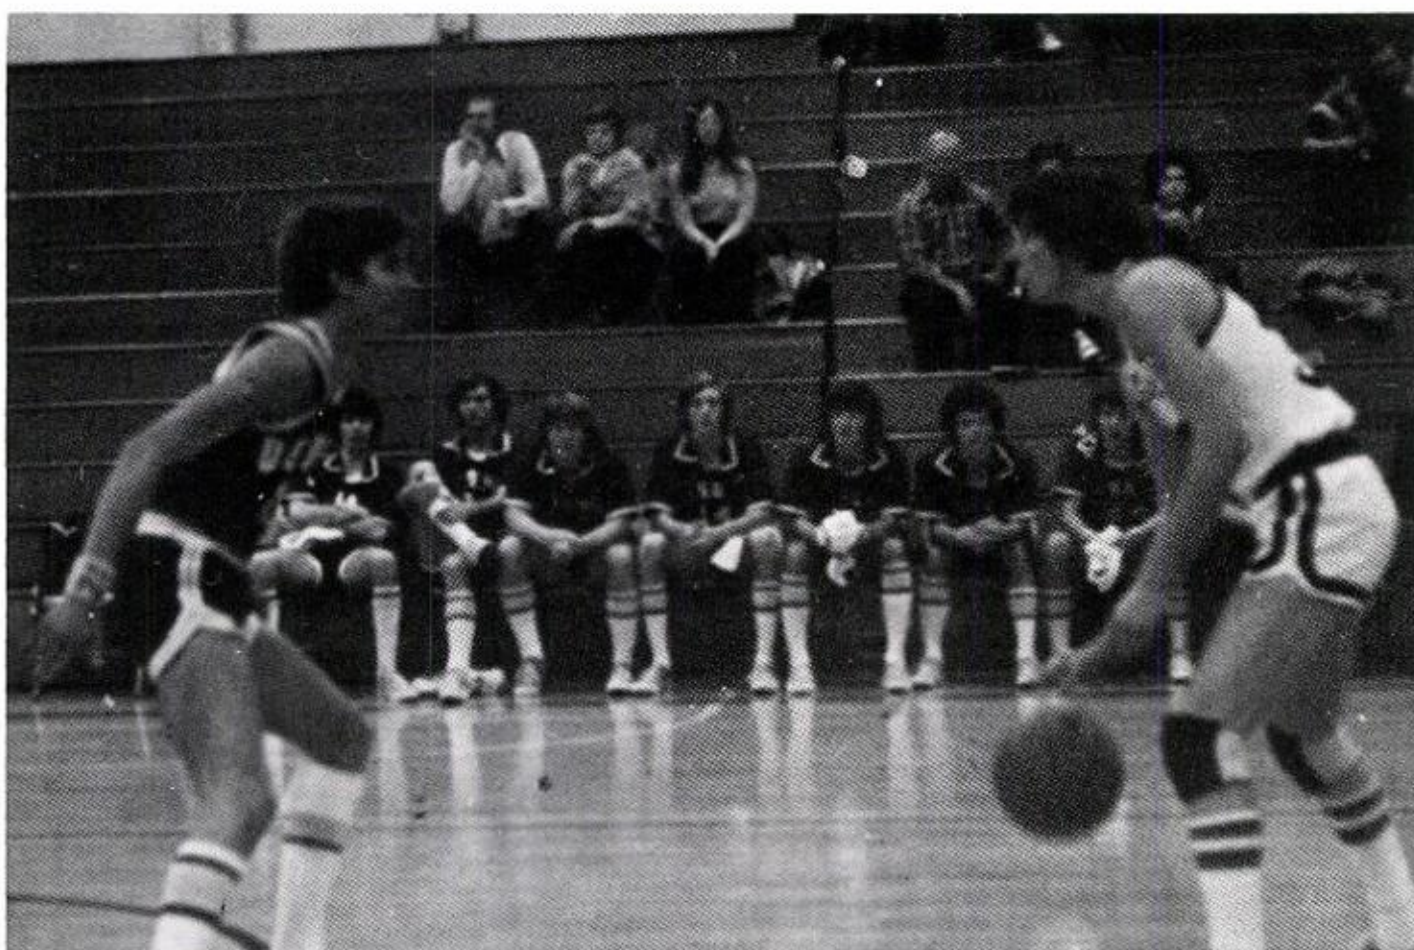

Harris stuns defense as he goes in for a quick two.

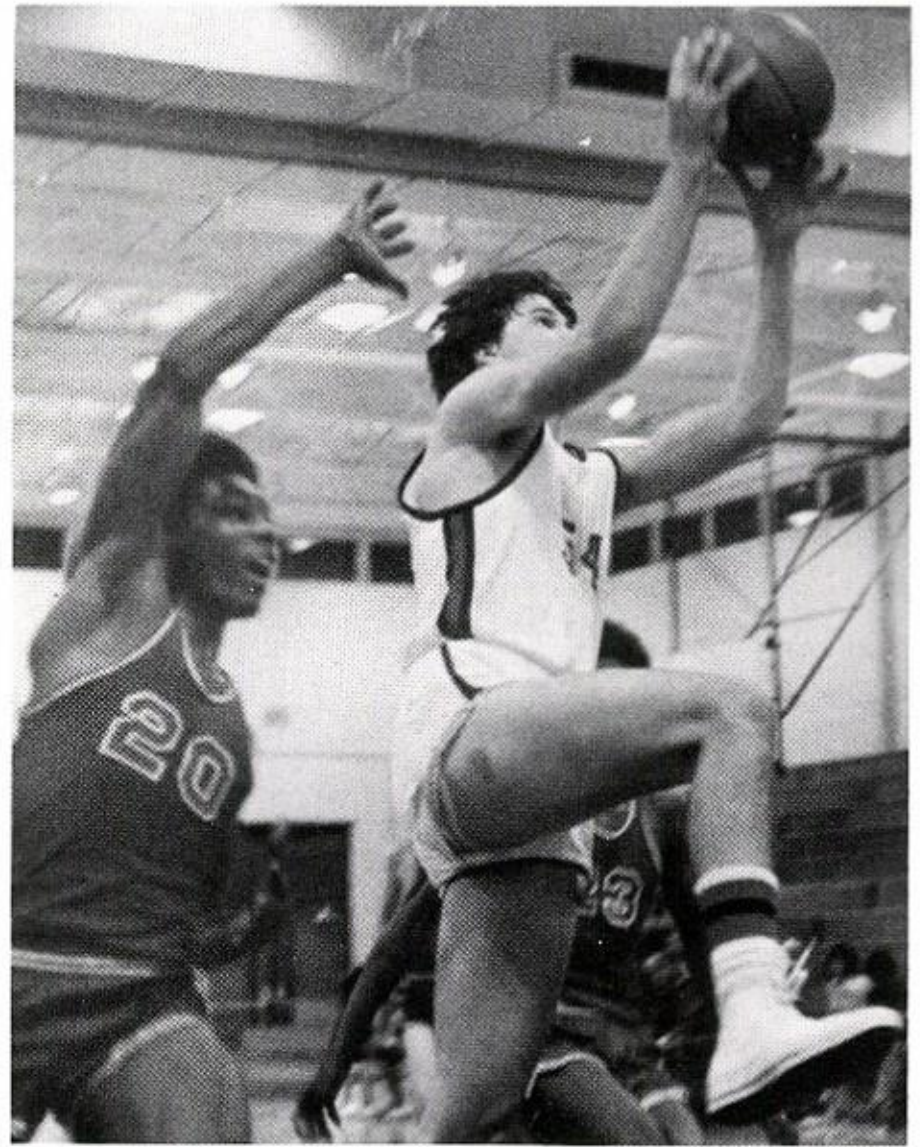

Coach Leon Kennedy gave as much or more time and work than anyone and he not only brought the best of his team out this year, but he had the foresight to give a few juniors the experience they will need to build a good team next year.

The Raiders started the season off with a loss but came back and won three of their next four games as they put down Woodrow Wilson, Berkner and DeSoto. As the Raiders traveled to tournaments such as the Garland Tournament and the Pepsi and Dr. Pepper Tournaments, they became more determined and fought harder every game, but the much bigger teams they faced seemed to almost always scrape by the roundballers by a few baskets.

After losing the Dr. Pepper Tournament, the Raiders came out and won two quick games as they beat Thomas Jefferson and the Mesquite Skeeters. With their momentum going, the team met the Garland Owls. They stayed neck and neck with the Owls, but in the fourth

period, Walt Bechtol was ejected along with Garland's Randy Love as tempers flared and the load was too much for Kennelly, Perry and Turner to handle as the Owls came out victors by a close score of 48-44.

The Raiders finished the season in much the same way as they won a few more, but dropped more also.

The two most outstanding games of the year were when the Raiders met the Owls in their last game together and held on in the last minute to win by a small margin of 51-50. The other game was against Richardson Pierce as the Raiders' Vince Parsons made a bucket with no time remaining on the clock to win the game 50-49.

Coach Kennedy and his team did not have a fantastic season, but they can still be proud. They all gave 100% and that is all one can ask.

Raiders often hit from the top of the key.

Gymnastics

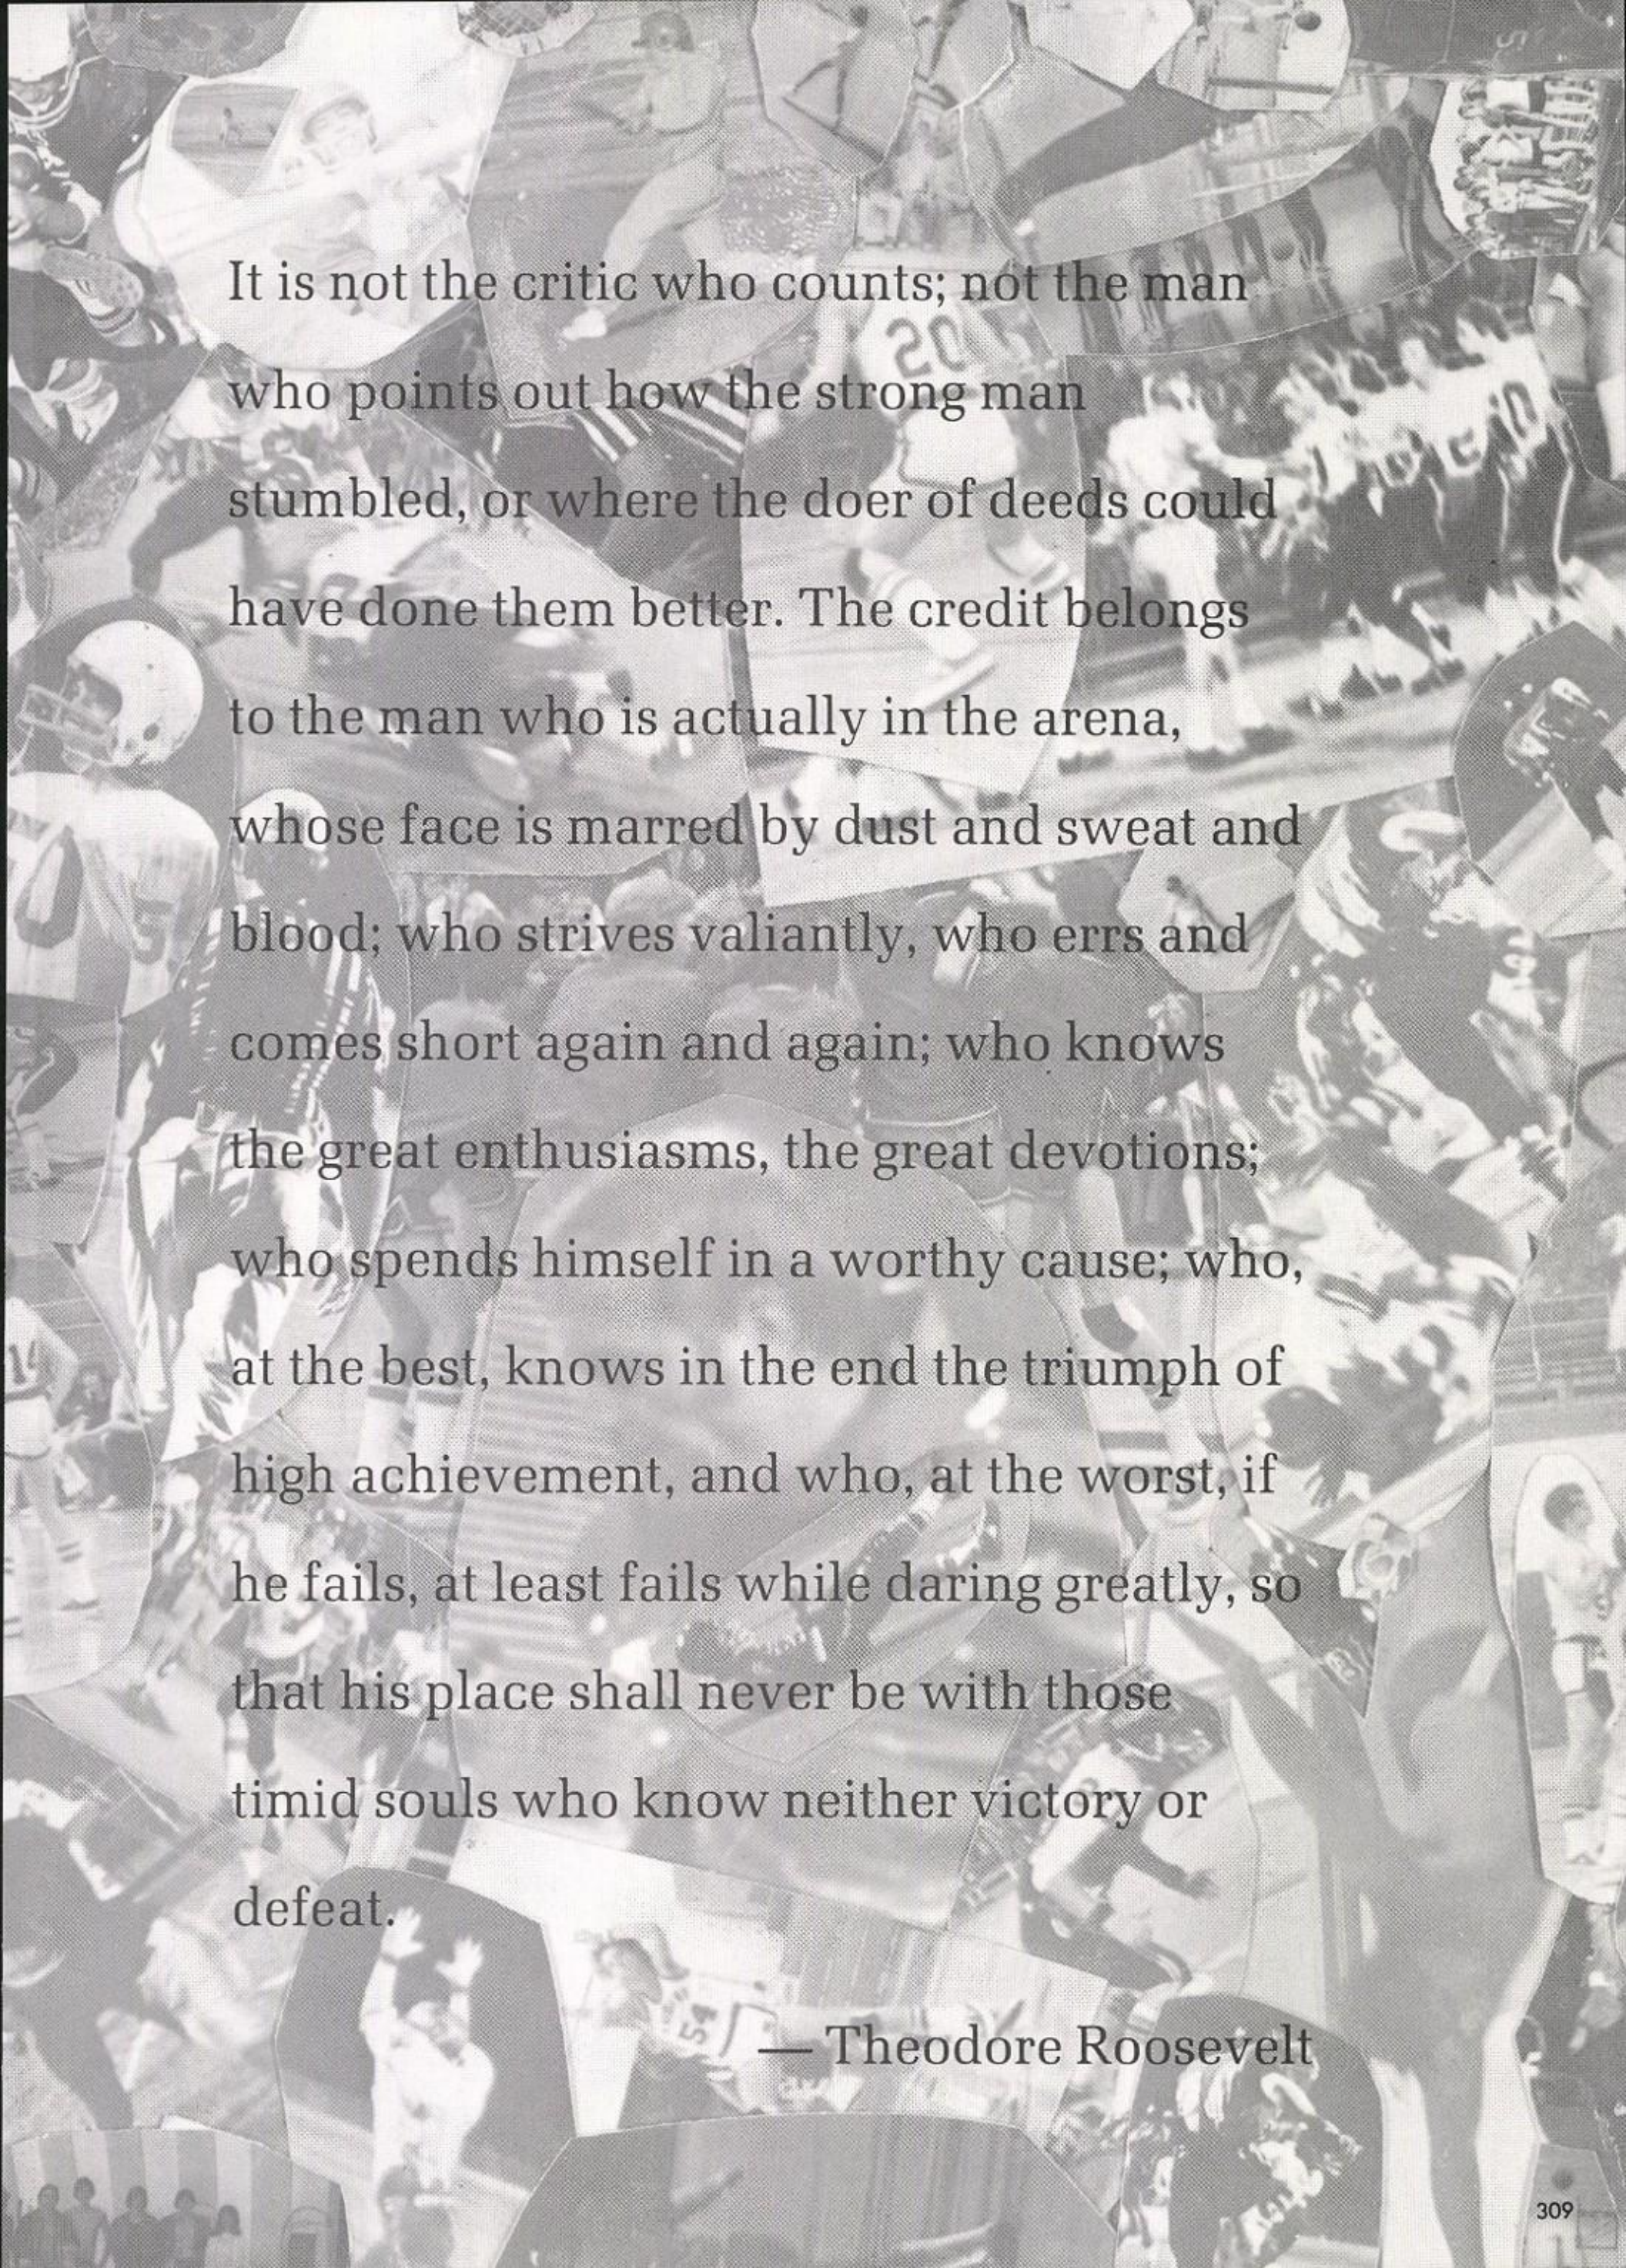

Mike Wilson represented North Garland in the state gymnastics meet. He was the state champ in 1973 and 1974 and the AAU National Junior Olympics champ.

Mike competes in six events and was named by the Weekly Gymnast Newsletter as an All-American in five of them, including the All-Around.

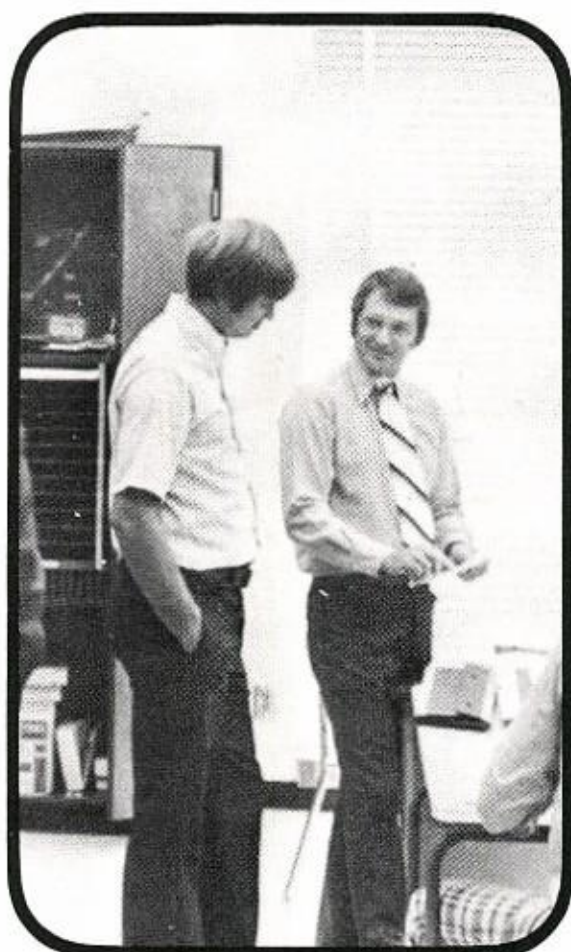

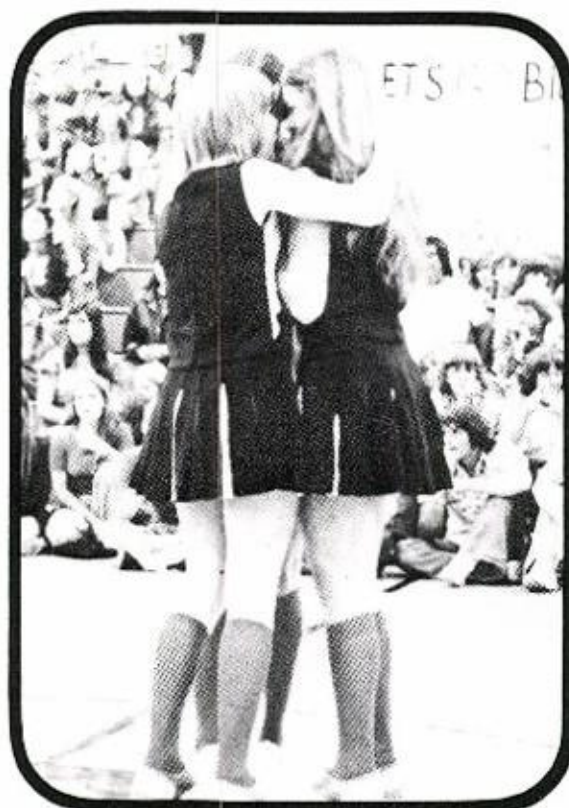

Mike started gymnastics at the age of 11 and has competed in Colorado, Nebraska, Washington, and Monterrey, Mexico.

He hopes to participate in the 1976 Olympics, but a knee injury could force him to wait until the 1980 Olympics.

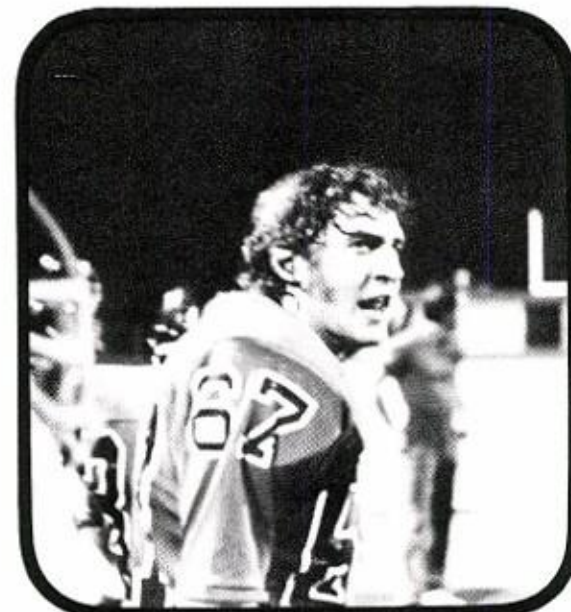

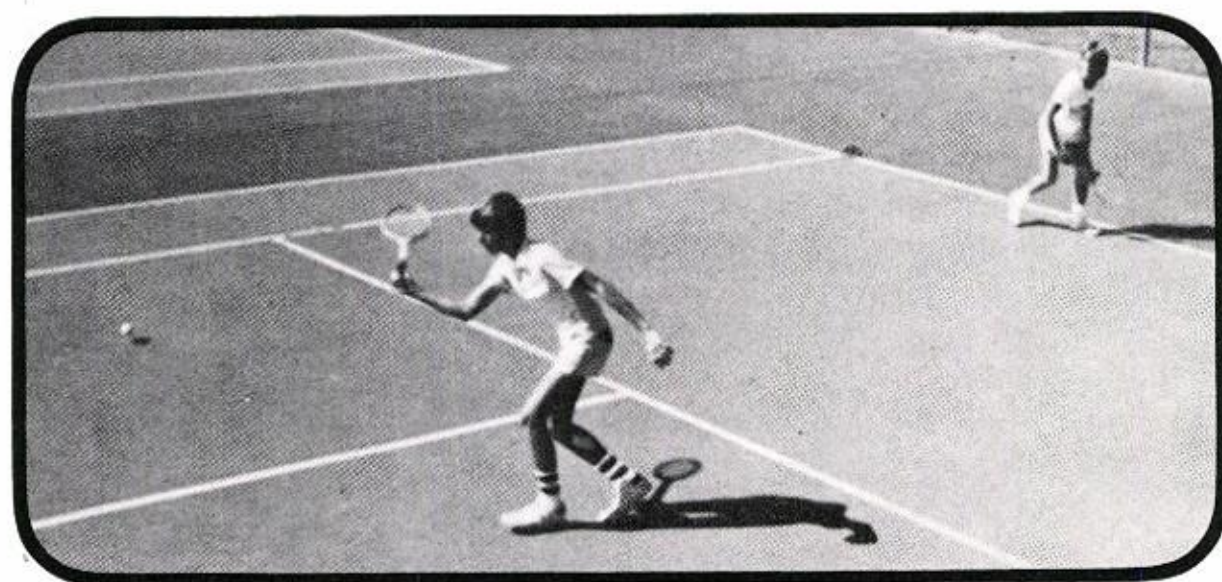

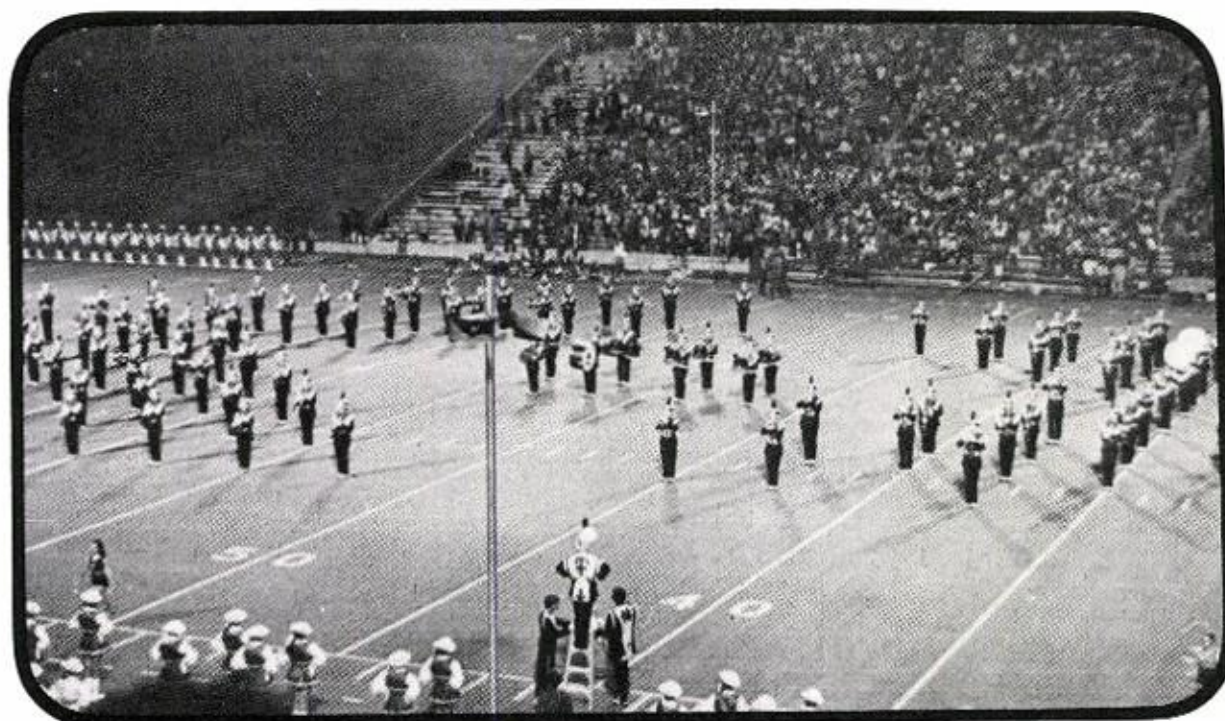

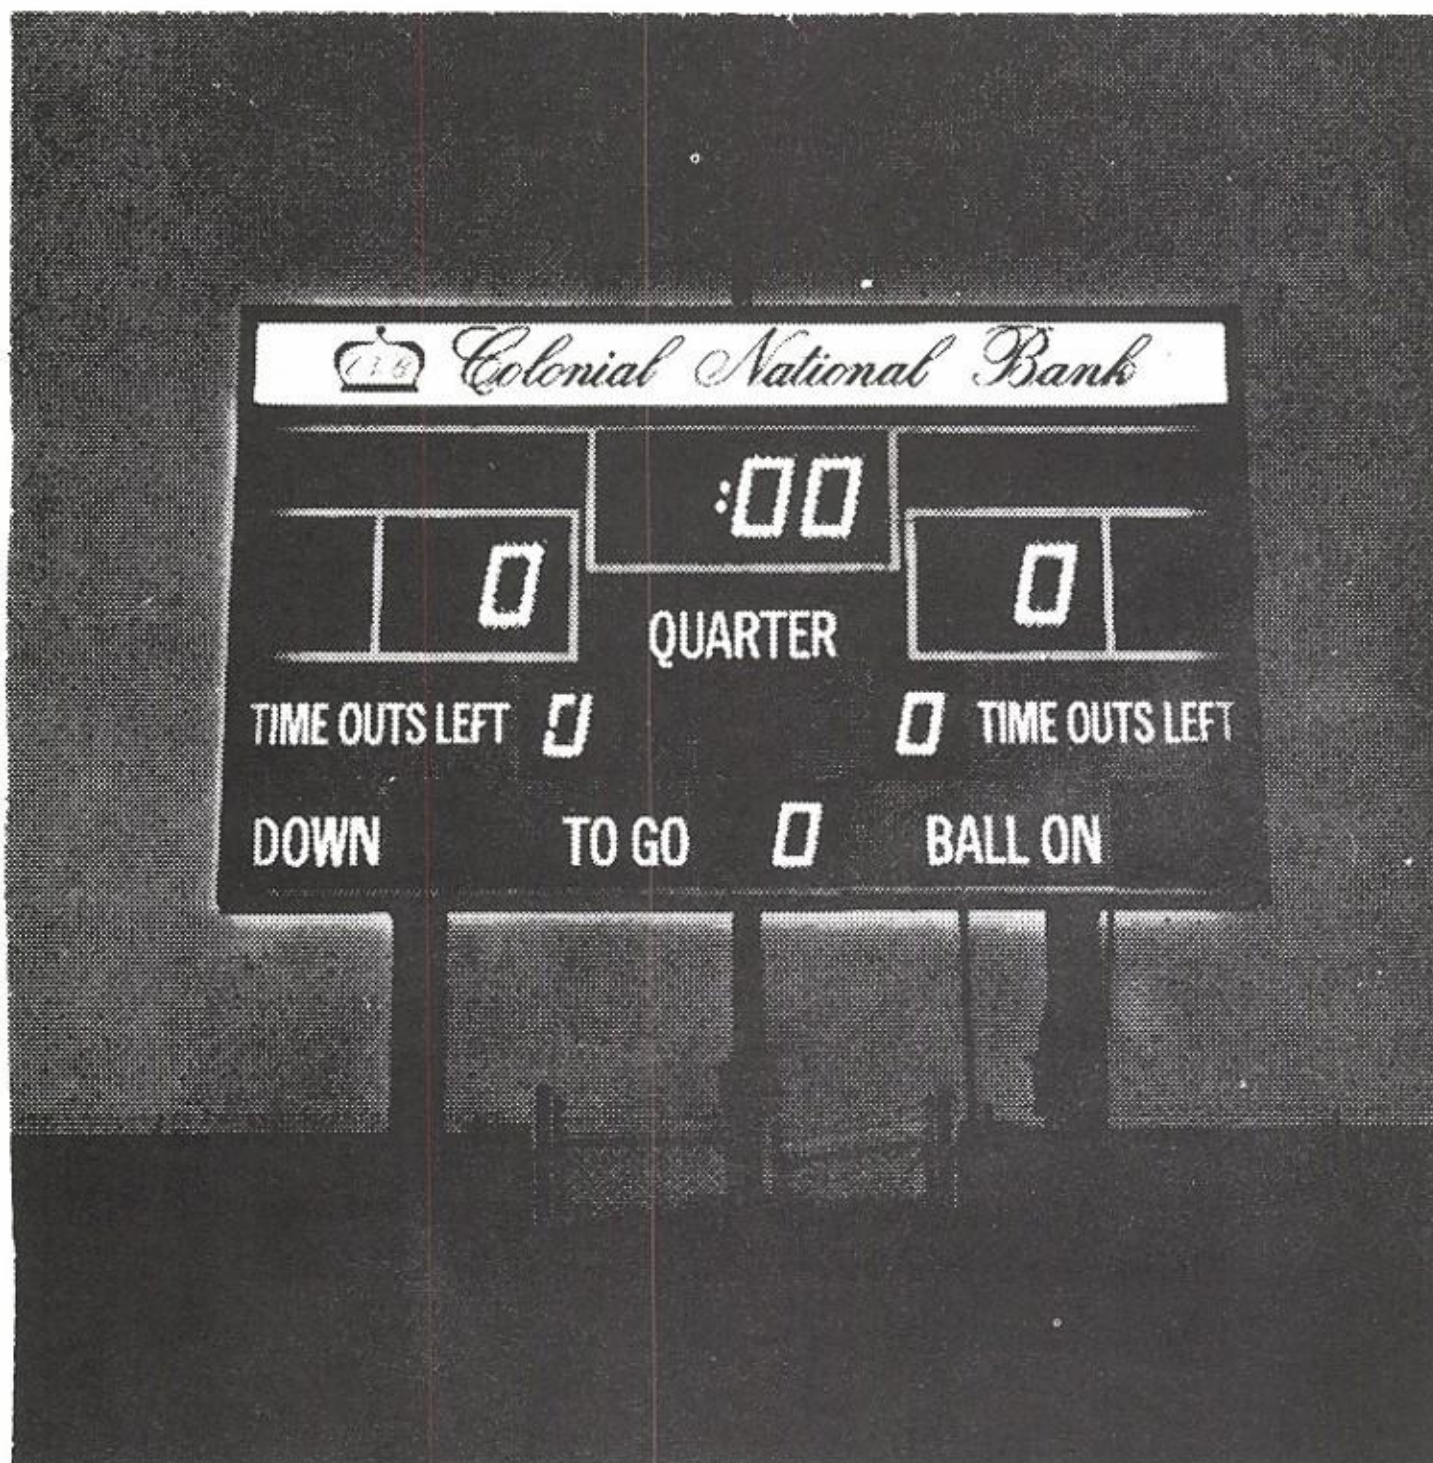

It is not the critic who counts; not the man who points out how the strong man stumbled, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly, who errs and comes short again and again; who knows the great enthusiasms, the great devotions; who spends himself in a worthy cause; who, at the best, knows in the end the triumph of high achievement, and who, at the worst, if he fails, at least fails while daring greatly, so that his place shall never be with those timid souls who know neither victory or defeat.

The MARAUDER staff would like to extend our thanks to the following for their help with this book:

Don Griffin, Pete Lohstreter, Eddie Lamm, Eddie Lamm, Jr., and Tommy Rhodes for their help and patience in taking pictures.

Gloria Weadock for her patience when we were late for deadlines.

Gretchen Stass and Betty Lowrance for their help with the Celebrity Ball.

Kay Kuner for her help with the Celebrity Ball.

Mattie Don Shaid, Lois Grant, and VOE for their time and effort with the Celebrity Ball Programs.

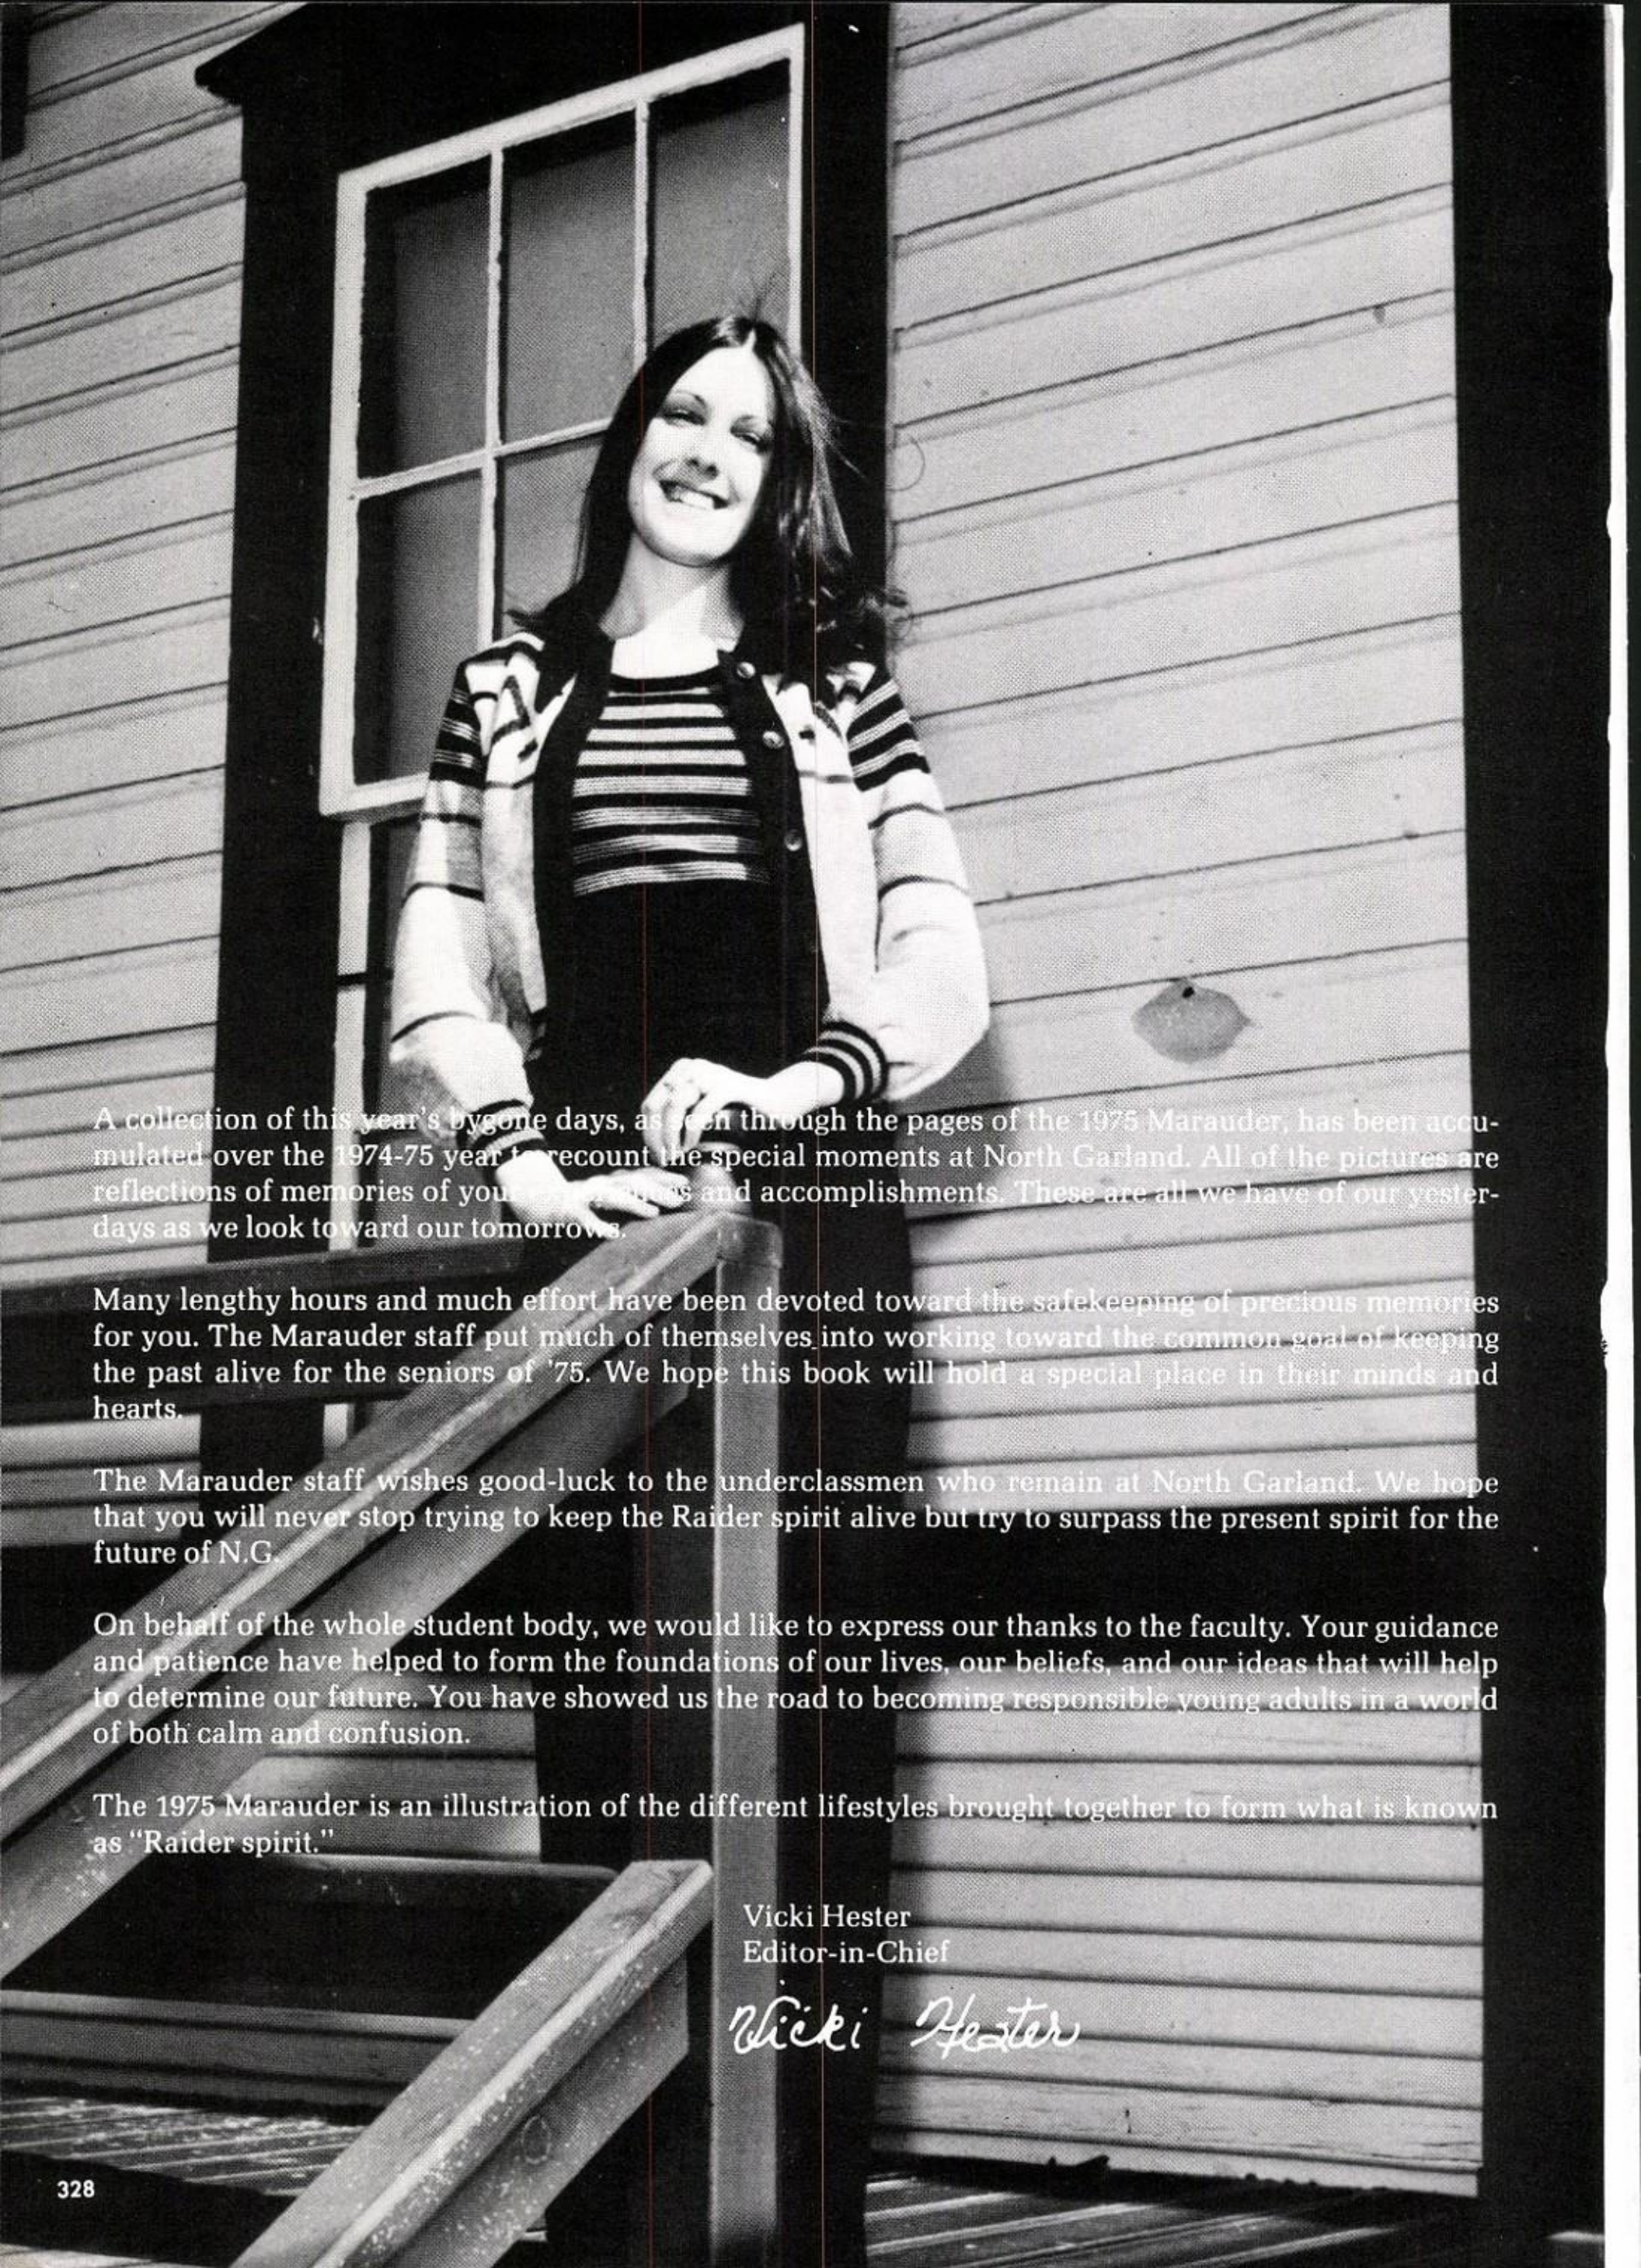

Gene Hudson, Pat Chumley, and Frank Reid for their encouragement and help.

The faculty for their cooperation in letting us out of class to meet deadlines.

The student body for their cooperation in taking pictures.

Marlene Morris for letting us use her telephone so many times.

And to Glenna Newkirk and Linda Taylor for their time, devotion, understanding, and smiles when we needed them most . . . at deadlines.

A collection of this year's bygone days, as seen through the pages of the 1975 Marauder, has been accumulated over the 1974-75 year to recount the special moments at North Garland. All of the pictures are reflections of memories of your experiences and accomplishments. These are all we have of our yesterdays as we look toward our tomorrows.

Many lengthy hours and much effort have been devoted toward the safekeeping of precious memories for you. The Marauder staff put much of themselves into working toward the common goal of keeping the past alive for the seniors of '75. We hope this book will hold a special place in their minds and hearts.

The Marauder staff wishes good-luck to the underclassmen who remain at North Garland. We hope that you will never stop trying to keep the Raider spirit alive but try to surpass the present spirit for the future of N.G.

On behalf of the whole student body, we would like to express our thanks to the faculty. Your guidance and patience have helped to form the foundations of our lives, our beliefs, and our ideas that will help to determine our future. You have showed us the road to becoming responsible young adults in a world of both calm and confusion.

The 1975 Marauder is an illustration of the different lifestyles brought together to form what is known as "Raider spirit."
